Chandler has transformed into SUPER ANGEL-REDEMPTION ANGEL-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ETERNAL HARMONY SOLAR STARLIGHT HEAVENLY REDEMPTION ALMIGHTY RAPHAEL PHOENIX GOD ANGEL OF DIVINE COSMIC ETERNAL HARMONY SOLAR STARLIGHT HEAVENLY REDEMPTION ALMIGHTY RAPHAEL PHOENIX GOD ANGEL JUSTICE AND DIVINE COSMIC ETERNAL HARMONY SOLAR STARLIGHT HEAVENLY REDEMPTION ALMIGHTY RAPHAEL PHOENIX GOD ANGEL HOPE!

We were really amazed by Chandler's Super Angel-Redemption-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation.

Chandler: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Solar Starlight Heavenly Redemption Almighty Raphael Phoenix God Angel and Divine Cosmic Eternal Harmony Solar Starlight Heavenly Redemption Almighty Raphael Phoenix God Angel Hope) Oh man, what on Earth hit me?

Nico: You transformed, Chandler, have a look.

Lincoln formed a mirror of water, and Chandler saw what happened to him after he absorbed his feral animal Packing Day self, and he was amazed.

Chandler: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Solar Starlight Heavenly Redemption Almighty Raphael Phoenix God Angel and Divine Cosmic Eternal Harmony Solar Starlight Heavenly Redemption Almighty Raphael Phoenix God Angel Hope) You're right, I've transformed just like Lincoln, J.D., and the others.

Everyone cheered wildly for what Victoria Parker, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Victoria Parker's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large golden yellow planets orbiting around her legs, smaller planets orbiting around her fingers, and massive golden yellow angel wings and medium sized golden yellow angel wings underneath are permanent, and Chandler's brand-new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve red planets orbiting around his legs, smaller planets orbiting around his fingers, and massive red angel wings and medium sized red angel wings underneath are permanent.

Victoria Parker: That's it for that animal. Thanks for helping me take down Chandler's feral animal Packing Day self, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Victoria.

Me: My pleasure, Victoria.

Suddenly, Victoria Parker wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Victoria Parker's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Fortune Fairy Light flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and lights shining behind them and we cheered wildly. Then, Lincoln and Victoria Parker sucked in and absorbed the elemental forces and lights and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Victoria Parker and hugged us.

Luna: No kidding dudes, you guys taught feral animal Packing Day version of Chandler a lesson he'd never forget.

Luan: And he absorbed him and transformed and ascended just like Lincoln and J.D.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the girl: Ariana Abner, Avatar and Gene-Slammer of Hieratic Dragon of Su.

Selene Emperyous: The light master of The Order of The Hieratic Egyptian Duel Monsters, incredible, and you guys will love meeting her, Ariana Abner is Lincoln's Guardian Angel from Egypt and she's a very powerful Angel of Light. She's the Avatar and Gene-Slammer of Hieratic Dragon of Su, and she has powerful lightning powers and her favorite Duel Monster was Hieratic Dragon of Su. She's also a powerful master and defender of Egypt's long history and she's the light magic sorcerer of The Order of The Hieratic Egyptian Duel Monsters, a group that formed over 5,000 years ago during the time of Pharaoh Atem, and their goal was to defend Egypt from the dark forces of The Shadow Realm and its ruler, Zorc Necrophades, who fought alongside Pharaoh Atem against Zorc Necrophades and after he was sealed away, the order was tasked in guarding The Millennium Items, so that nothing bad ever happens again and that no one would use them for evil. Lincoln knew about Ariana and her friends along with The Order of The Hieratic Egyptian Duel Monsters from Pharaoh Atem a few years ago, and he knew Ariana would be the next one to train him in mastering the powers of light. Lincoln made her a powerful light greatsword, and to show her thanks, Ariana kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. She's an old friend of Pharaoh Atem because of the strong friendship he had with her ancestor, one of the thirteen founders of The Order of The Hieratic Egyptian Duel Monsters, and she not only hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a blazing passion, but she utterly despises Zorc Necrophades, Dark Bakura, and Yami Marik with utter distain and hatred because of what they've done in trying to take over the world and plunge the world into a reign of eternal darkness, and she swore if she ever saw them again, she would rend and tear their dark souls apart and banish them to Oblivion.

Me: Whoa.

Eli: Which means Ariana has the powers of Shu.

Lincoln: That's right, she has the powers of Shu, and she's a powerful master of light.

Tchang Zu: Your snowmen are all intact.

Snowman: I can see that.

Duff Killigan,: You'll make a good addition to our ranks.

Me: Yeah.

Metal Sonic: We just need to find an archenemy for you.

Leap Frog: But that can wait.

Gramma Stuffum: I'll make a hot meal for us

Me: Good idea.

Nico: It's cold. Great job today everyone.

Courage: (To the viewers) This was a really cold one.

Me: It sure was.

We had a good hot meal and then we went back home and warmed up by the fire and had warm apple cider and enjoyed the rest of the day and went to sleep.

Announcer: Another hour closer to Christmas!

BONG!

It showed that there were 25 days 15 hours and 59 minutes left.

Me: Whoa! That is what I call awesome Christmas celebration.

Nico: Yep. Been a while since we were in Whoville.

Sakura Knudson: I always wanted to come here. The Grinch was one of my favorite stories back when I was a little girl.

Nico: So cute Sakura.

Me: Yeah. We were here last year and it was fun.

Lola: It sure was.

Haruto: This is awesome though.

Varie: Yep.

Nico: Haruto, I want to thank you, Koyo Ozaki, and your teams for coming

Haruto: Anytime Nico. It'll be fun.

Cheryl Velarrian: It sure will.

Litwick 1: Lit.

Litwick 2: Litwick.

Nico: Cheryl, what do you like to do in your free time?

Cheryl Velarrian: I like to do artwork on Vampire Castles.

Litwick 3: Lit.

Me: Vampire castles. So awesome.

Qin: Yep.

Lucy Loud: My kind of paintings.

Nico: Can I see one?

She pulled out a picture and it was a really haunting and scary vampire castle in the middle of a dark and creepy and foreboding landscape with a haunted forest. It had a scary haunted orange moon in the sky.

Me: Ooh that is scary.

Brittney: That is my kind of landscape.

Lucy Loud: It's beautiful Cheryl.

Lucille Loud: (Scottish Accent) Aye lass. You did a great job too.

Cheryl Velarrian: Thanks guys. That means a lot to me.

Nico: You're welcome Cheryl.

Qin: Yesterday was awesome.

Nico: It sure was.

Maria: Yesterday was cold!

Me: It sure was. But it was amazing that we got to battle the Snowman.

Bai Tza: It sure was. Thank goodness we helped him get back with his friends before that.

Lana: Yeah poor guy was just lonely.

May: Who can blame him?

Me: Yeah I agree.

Lana: He just wanted to find a way for his kind to survive.

Qin: Yeah.

Nico: But it seems peaceful right now.

Me: Yeah. Lets hope it stays that way.

Nico: Me too.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that August May Who has come back for revenge on us.

WE GASPED!

Me: What, that greedy former mayor has come back?! We better get The Grinch.

The Grinch arrived.

Grinch: No need, J.D., I got here as soon as possible, and I've got some hair clippers with his name on it.

Nico: Perfect, and we're sending him to The Masters of Evil.

Lincoln: J.D. has his reasons since he's Cindy's father.

Me: Right.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: That mayor's in for some WHOVILLE CHRISTMAS SPIRIT PAIN!

Solaria Harmonia: And I'm going to show the power of friendship and make sure August May Who get a powerful lesson in the powers of the Elements of Harmony.

Hailey Harmonia: Our little sister's going to transform, this is going to be good.

Melanie Harmonia: You said it, now let's get after August May Who and teach him a lesson.

Butterfree landed on Lori's head.

Lori: (LAUGHS) This is literally so cool.

Me: It sure is.

Camie: Who is Augustus May Who again?

Me: Oh right. He was the Mayor of Whoville. He was also responsible for making the Grinch hate Christmas.

I went over his history.

Mayor Augustus Maywho is the main antagonist of the 2000 live-action adaptation of Dr. Seuss' How the Grinch Stole Christmas.

He is the greedy and self-serving mayor of Whoville and the archenemy of the Grinch. His main goal is to marry Martha May Whovier and to keep himself popular. Though initially shown as a minor neutral character, he is later revealed to have bullied the Grinch since childhood, making him responsible for the Grinch's hatred of Christmas and the film's plot.

He was portrayed by Jeffrey Tambor, who had also played K. Edgar Singer in Muppets from Space, and also voiced Crazy Quilt in Batman: The Brave and the Bold, Captain Flarty in Bob's Burgers, Mr. Big in WordGirl, Crocker in Batman: The Animated Series, and Dr. Zin in Jonny Quest; while Ben Bookbinder portrayed an eight-year-old Augustus May Who.

Augustus first appeared after hearing that Whoville's postman Lou Lou Who's teenage sons (along with their girlfriends) have trespassed in the perimeter of the Grinch's lair in Mount Crumpit. Lou assured to Augustus that the teenagers weren't doing anything to provoke the Grinch before explaining to his daughter Cindy Lou about the Grinch's existence. Needless to say, Cindy Lou took an interest in the Grinch after he reluctantly saved her life from being killed by the post office's sorting machine.

Using her dad's recorder for several interviews, Cindy learned that the Grinch used to live in Whoville as a mischievous yet kind child, but was ridiculed by a young Augustus and his friends for his appearance while Martha May Whovier took an interest with him. When Cindy Lou interview Augustus about the story, he blatantly lies by saying that he tried to offer the Grinch his friendship.

In reality, back when Augustus was eight years old, he was nothing but a bully to the Grinch. He had a crush on Martha first, but was appalled by Martha liking the Grinch. Therefore he continued to ridicule the Grinch out of jealousy so no one will ever take Martha away from him. Due to Martha's act of kindness, the Grinch made a makeshift angel as a present for her, but starts to feel insecure about his appearance due to Augustus' teasing. The Grinch tried to use a razor but was forced to cover his razor marks with shaving paper. When Augustus soon learns about this, he took the opportunity to mock the Grinch by calling him a 'hack job', causing the other kids to laugh at him, except for Martha. Fed up with this mockery, the Grinch loses his temper by destroying the class' tree and presents (including the makeshift angel), scaring Augustus and the other kids away.

The Grinch then ran off to live in Mount Crumpit, developing a hatred of Christmas and the people of Whoville for their mockery against him for several years while Augustus became the new mayor; even arranging a new system of trash chutes (known as Dumpit to Crumpit) that would dump all of Whoville's garbage into Mount Crumpit. Augustus would also try to make Martha his wife as she was now a beautiful woman, but she still longed for the Grinch to return.

Touched by this sad story and having her own doubts of the holiday, Cindy Lou decides to invite the Grinch to the Whobilation festivities by nominating him as Cheermeister, much to the others' surprise. Though Augustus tried to explain to Cindy that the Grinch won't join the festivities due to his hatred of Christmas in which he turns out to be wrong about him not joining in (but is right about his hatred of Christmas), he reluctantly allows this due to Cindy Lou explaining her reasons to the other citizens. Needless to say, Augustus is astounded to see that the Grinch has indeed arrived for the celebration due to the promise of an award.

At first, the Grinch finds himself uncomfortable during the contests, but slowly finds himself accepted after getting his reward, much to Augustus' dismay. Though it would've seemed that the Grinch has finally enjoyed himself and is about to be won over, Augustus (in an act of jealousy) gave him a present: an electric razor to remind him of his traumatic school memory before getting the other citizens to laugh at him for it on purpose just so he can be bullied again, under the impression that Augustus is giving him a razor like a good-natured joke (as several Whos don't even know why the Grinch abandoned Whoville even if the mayor did). Augustus even tops this off by proposing to Martha with a diamond ring and a new car, which finally drove an angry Grinch to wreck havoc by scratching and wrecking the new car so hard with his finger, scaring the citizens, paying the Mayor back by shaving his head violently right down the middle with the razor, and destroying the large Christmas tree with a makeshift flamethrower before escaping back to Mount Crumpit. Though it was fruitless when Augustus brought in a spare tree to replace it.

Deciding that it was time to stop Christmas from coming, the Grinch made a Santa Claus disguise and a flying sleigh (with his dog Max as a reindeer) to steal all of Whoville's gifts, decorations and food. During his burglary that night, the Grinch comes across a sleeping Augustus dreaming about kissing Martha. Seeking his revenge, the Grinch makes Augustus kiss Max's butt, much to Max's embarrassment. The Grinch also ties up a rope between Augustus' bed and a police car.

After the Grinch finishes his burglary by riding his sleigh up into Mount Crumpit, the people of Whoville soon learned about the

Grinch's scheme just as Augustus wakes up after his bed ends up being pulled by the police car due to the panic. Realizing what happened, Augustus angrily lets out a tantrum and blames Cindy Lou for the incident, but Lou (finally realizing what Cindy Lou is trying to say and now sees the mayor's true nature) stands up by reminding everyone that the true meaning of Christmas is to be with friends and family instead of getting gifts or doing contests; even berating Augustus for his treatment towards Cindy Lou and the Grinch even when the Grinch was younger.

Realizing that Lou is right, all of the citizens of Whoville agreed to celebrate the holiday without their gifts and started singing in cheer, much to Augustus' frustration. Cindy then takes the opportunity to head up to Mount Crumpit in hopes of inspiring the Grinch with everyone singing. Upon hearing everyone singing in cheer, the Grinch initially got frustrated that his plan failed, but soon realizes the true meaning of Christmas before developing a change of heart.

With the help from Max and Cindy Lou, the Grinch rides his sleigh back to Whoville to return all of the gifts, decorations and food to the citizens. The Grinch then confesses and apologizes for his crimes before surrendering himself to the police as he is willing to accept his punishment. Wanting the opportunity to get back at the Grinch, Augustus orders the police to arrest the Grinch and blind him with pepper spray, but the police and the citizens decided to forgive the Grinch, as they have all learned a lesson about the true meaning of the holiday including Augustus even though he was still mean. Even Martha, who was also mad at Augustus for his treatment of the Grinch even when he was bullied by him, turned down Augustus' proposal by giving him back the ring, saying that her heart belongs to the Grinch.

Realizing now that all of Whoville's citizens have turned against him for what he did to the Grinch even when he was a child, Augustus reluctantly shakes the Grinch's hand to assure no hard feelings, though the latter laughs at him before telling him to cheer up since it's the holidays. Regardless, it's strongly implied that Augustus no longer harassed the Grinch anymore and likely lost any chance he had at reelection due to him being materialistic and being mean to the Grinch on purpose.

It's presumed that Maywho was arrested and sent to jail for his crimes of keeping Whoville "Grinch-less".

When I was done everyone that hadn't heard about it was shocked!

Qin: Yeah no kidding!

Sakura Knudson: Man this guy hated the Grinch since they were kids and he still hasn't changed. Maybe some reeducation in the M.O.E. Will do him some good.

Me: Yeah. Like I said I have my reasons.

Qin: Yeah.

Camie: Boy he deserves the M.O.E.

Ed played the song You're a Mean One, Mr. Grinch

YOU'RE A MEAN ONE, MR. GRINCH BY THURL RAVENSCROFT PLAYS

You're a mean one, Mr. Grinch

You really are a heel

You're as cuddly as a cactus, you're as charming as an eel, Mr. Grinch

You're a bad banana with a greasy black peel

You're a monster, Mr. Grinch

Your heart's an empty hole

Your brain is full of spiders, you've got garlic in your soul, Mr. Grinch

I wouldn't touch you with a thirty-nine-and-a-half-foot pole

You're a vile one, Mr. Grinch

You have termites in your smile

You have all the tender sweetness of a seasick crocodile, Mr. Grinch

Given a choice between the two of you

I'd take the seasick crocodile

You're a foul one, Mr. Grinch

You're a nasty-wasty skunk

Your heart is full of unwashed socks, your soul is full of gunk, Mr. Grinch

The three words that best describe you are as follows, and I quote, "Stink, stank, stunk"

You're a rotter, Mr. Grinch

You're the king of sinful sots

Your heart's a dead tomato splotched with moldy purple spots, Mr. Grinch

Your soul is an appalling dump heap overflowing with the most disgraceful assortment of deplorable rubbish imaginable

Mangled up in tangled up knots

You nauseate me, Mr. Grinch

With a nauseous super "naus"

You're a crooked jerky jockey and you drive a crooked horse, Mr. Grinch

You're a three-decker sauerkraut and toadstool sandwich

With arsenic sauce

Grinch: Love this song!

Me: (LAUGHS) Me too!

Qin: (LAUGHS) Yeah!

Sakura Knudson: (LAUGHS) Love that song too.

Nico: (LAUGHS) Yeah!

Grinch: Even though it's about me it's still perfect.

Qin: Yeah. Still funny.

Ed: We should go after the asshole while this is still playing!

Me: Good idea!

Camie: (LAUGHS) Yeah! I can't believe that Augustus hated the Grinch since they were kids.

Me: I know! That is an unhealthy vendetta.

Lola: Yeah no kidding!

We were flying and we spotted August May Who, and he was on the rampage tearing the place apart trying to find us.

Lincoln: Yikes, man, did we really really make him mad! Okay, time to teach him a lesson.

Suddenly, the Crest of Harmony appeared in the sky and the Elements of Harmony fired elemental blasts that hit August May Who and sent him flying into a tree and the snow fell on him, and he got out of the snow, and then, the Elements of Harmony converged and a massive pillar of rainbow energy erupted as a Phoenix Cry and Thunderbird Screech were heard, and we appeared, and that angered August May Who.

August May Who: YOU! YOU RUINED ME!

Me: That was your fault, not ours.

Nico: And we're not surprised you broke out to get revenge.

Lincoln: But, since you're here, time for you to experience some Whoville Christmas Holiday Pain

Me: Everyone get inside! Don't want you to get caught in the crossfire.

They did so.

Lincoln turned into Ultimate Lincoln and used the powers of Frankenstrike.

Lincoln: FRANKENSTRIKE!

Lincoln fired blasts of green lightning which electrocuted August May Who.

Camie: Wait, how did you…?!

Me: I forgot about the fact that Lincoln had an Omnitrix of his own years ago, and it had not only Ben's aliens, but he also scanned the alien DNA of the many aliens we've encountered years ago as well, and he also unlocked his Ultimate Lincoln form using The Omnitrix Cyber Planet Key.

That amazed everyone who hadn't joined.

Nico: Damn it, I forgot about that.

Lisa: And the new Omnitrix I made also merged with his current one.

August May Who got out a machine gun and fired at Lincoln, but the bullets bounced off his body thanks to the combination of his indestructible superhuman skin and superhuman hardened muscular system. Then, Lincoln grabbed the machine gun and crushed it with his hands and blasted August May Who with more lightning until his hair was literally frizzy.

Me: How did he get a machine gun?!

Solaria Harmonia: Either way, he's about to learn a very painful lesson

Suddenly, Solaria Harmonia's magenta eyes turned neon magenta, and she was surrounded by a magenta energy aura with stars, magic, plants, purple fire, Alicorns, phoenixes, and angels, she unholstered her purple fire sword from her back, and as she approached August May Who, she left magenta energy, stars, magic, plants, purple fire, Alicorns, phoenixes, and angels with every step.

Solaria Harmonia: So, everything that I heard from J.D. and Nico was indeed true, you really are a selfish man, but I'd known all about you for years being one of The Three Avatars of Harmony. August May Who, your selfish actions have caused nothing but discord and chaos in Whoville, and you must be taught a powerful lesson: one that you'll never forget.

Suddenly, Solaria Harmonia was surrounded by a massive vortex of magenta energy with stars, magic, plants, and purple fire surrounding the vortex, there are Alicorns, phoenixes, angels, and Sunny Starscout, Izzy Moonbow, Zipp Storm, Hitch Trailblazer, Pipp Petals, Misty Brightdawn, and Opaline Arcana flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at August May Who: the red eyes of judgement.

Suddenly, Solaria Harmonia felt a sharp pain on her back, and then, her massive golden yellow angel wings with magenta tips on the large golden yellow feathers and purple fire above them grew much larger for her new body and medium sized golden yellow angel wings with magenta tips grew and sprouted out underneath her massive golden yellow angel wings and the tails of Sunny

Starscout, Izzy Moonbow, Zipp Storm, Hitch Trailblazer, Pipp Petals, Misty Brightdawn, and Opaline Arcana also grew larger and longer and they now have magenta tips and magenta markings. Nico: You said it.

Melanie Harmonia: And our sister transformed and taught him a painful lesson, nice one.

Hailey Harmonia: You said it. Plus, we know you guys are also planning on your future weddings.

Me: That's right. Plus, we'll be increasing security around the chapel.

Nico: Yeah, we can't have any musclebound thugs of our resident jerks coming, and we've also got to keep an eye out for any old enemies of ours looking to get revenge on me and J.D. for ruining them in the past.

Lincoln: That's one thing you guys don't want.

Poromon: Yeah, that's one thing we don't want, along with someone trying to ruin it to slake his thirst for… !

Sebastian Mendez: Poromon, cut it out already!

Me: We already knew it was Lord Zedd's doing from long ago he was even more malevolent and even more worse than ever, but that doesn't mean you can still find ways to blame him.

Poromon: You'll see, you'll all see, we'll gather evidence of whatever crimes Sebastian has up his sleeves.

Poromon and Poliwag: And you will all know the truth! (LAUGHING CRAZILY)

Eli: Yikes, they've really gone cuckoo.

Sebastian glared angrily at them, and that scared them so bad, they turned white and ran into Nico's hair to hide.

Lincoln: We better keep an eye on Poromon and Poliwag in the days leading to the future wedding before it turns into a huge roadside fist fight.

Nico: Poromon and Poliwag will no doubt strike first at Sebastian, but Sebastian with his nasty temper and rage problems will strike back, so we'll keep a close eye on him.

Ben: Hmm. Let me see if I can turn into Magica.

He scrolled through his aliens and he saw that he doesn't have an Anodite form.

Ben: Aw no I can't!

Me: Hey no sweat Ben. Maybe your grandmother can allow you to do that.

Nico: Nice job, Butterfree!

Butterfree: Thanks Nico. That was fun.

Poliwag did Puppy Eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Sebastian Mendez: Yeah.

Me: Sebastian if I may?

Sebastian Mendez: What's wrong?

Me: I know the mascots and Nico don't like you but I think you need to face your past and have them forgive you. It's time to let it go.

Sebastian Mendez: You're right.

Me: Nico it's time for you and the mascots and Qin and friends to let go of whatever bad things Sebastian did to you all in the past.

Before anymore could be said, Verdona appeared

Verdona: I heard someone call.

Ben Tennyson: Grandma!

Gwen Tennyson: Hello Grandma.

Verdona: Hello kids.

Sunny Tennyson: How have you been?

Verdona: Great Sunny and it's good to see you all again.

Me: You too Verdona.

While no one was looking, Gatomon was pouring salt on Mevya

Me: I saw that Gatomon!

Kari Kamiya: Gatomon! Stop that!

Me: Wait. What's that?

I saw something on Gatomon.

Me: Hold still Gatomon.

I grabbed something off of Gatomon and it was a chip.

Me: A chip! What the?

I looked at it with my Data Eyes and saw that it was a CRAVING CHIP! It was a Craving Chip Programed with a huge Tom and Jerry Craving for Mevya!

Me: This is a Craving Chip! This is making Gatomon crave Mevya!

Gatomon: That explains it!

Me: But I wonder how this got there!

Gatomon: I just couldn't help myself!

Me: Even though you are a Digimon Cat you still got to show respect for your friends.

Mevya: Yeah and Gatomon I don't taste as good as Earth Fish.

Gatomon: I'm sorry, Mevya.

Mevya: It's okay Gatomon.

Gatomon: Awesome.

Me: Lets see. Wait a second.

I looked at it further and saw that it was made by Incognito Laboratories!

Me: Incognito Laboratories!

Lisa Loud: (GASP) Sweet Science Laws gone Wrong!

Me: Must've been a dormant experiments.

Nico: Yeah. Good thing we destroyed it.

Me: Yep.

I crushed the chip and destroyed it.

Me: Never again.

Mevya: You can lick if you want proof that I won't taste good

Gatomon: Okay.

Gatomon did so and then…

SQUISH LOW HONK!

Gatomon: YUCK! THAT TASTES AWFUL!

Mevya: See?

Gatomon: I don't know why I thought you would taste good! You need a shower!

Mevya: I guess it has been a while.

Poromon: (laughs) Careful what you wish for!

Me: Yeah. Anyway back to what I was saying about Sebastian.

Nico: I'll think about it.

Me: Okay.

Qin: Yeah.

Me: I know it'll take time but you need to stop this grudge on Sebastian. It'll hurt you guys.

Nico: You're right. We'll give him a chance to prove himself.

Qin: Yeah.

Lisa Loud: Also we'll need to check him for more chips.

Me: Good idea.

Nico: But he better not make us regret this!

Me: You won't. We'll look him over and watch him. But Nico I got this hunch. I have a feeling that many of your old enemies including some of the mascots enemies WANTED to make Sebastian into a monster. So they put chips in him that MAKE him do all that stuff.

Nico: HMM! You may be onto something there. I'm ordering you to run a full battery of tests on Sebastian later on. In the coming week.

Lisa Loud: Affirmative.

Nico: Starting later.

Me: Right now we got other things to do.

Qin: Like the Anothers for starters.

Eli: Lets see. (CONCENTRATES) Whoa! We got Another Koyo Ozaki (Bungo Stray Dogs), The Caramel, Strawberry, Vanilla, Chocolate, Banana Syrup Gang, Shelob, Grizzly Bear (Balto), Evil Killer Frost and Chaos (Primal Rage).

WE GASPED!

Qin: WHOA! Looks like we're having bear steaks for lunch.

Nico: Bear is really tough meat.

Me: If the people of Finland like it then maybe we will too.

Lana: I'll eat the Another Shelob.

Me: EW!

Nico: Um… Who's up?

Me: Haruto, Cheryl Velarrian, Maria Mysterio, Serenity Dunames, Haliya Yastrzhembsky and Emily Bathory.

Qin: Nice!

Me: This will be awesome.

Nico: Yep.

Laney: Yeah!

Eli: And I sense that the Anothers minus Koyo are 3 people.

Me: WHOA!

Nico: THERE THEY ARE!

Out came ANOTHER The Caramel, Strawberry, Vanilla, Chocolate, Banana Syrup Gang, Shelob, Grizzly Bear (Balto), Evil Killer Frost and Chaos (Primal Rage)!

Me: This will be good!

Camie: Yep!

But then we smelled the beautiful scent of roses.

Me: (Sniffs) Ooh I smell roses.

Eli: Pretty.

Another Chaos: (In a girls voice) Yeah it's me.

Me: (GASP) That voice.

They merged and split into 3 figures. 1 was a girl with red hair and red eyes and red clothes and had red rose angel wings and had a tiara with the Rose Dopant Symbol on it and on her skirt and had a rose sword. The 2nd girl had red and orange hair and red eyes and fire angel wings and had orange and red clothes and had the symbol of the Phoenix (Wizard) Dopant, a Dopant for Wizard, on it and the same symbol on her skirt and she had Phoenix's sword. And the 3rd girl had black hair and purple eyes and had a nasty burn on her left cheek over 25% of her face and covered it with a mask and she had black clothes and a tiara with the symbol of the Phantom Dopant on it and on her skirt and she had black angel wings and a scythe in her hand.

Me: (GASP) Rhoda Rose, Susan Phoenix and Carmen Phantom!

Nico: The Embodiments of the Rose, Wizard Phoenix and Phantom Dopants right?

Rhoda Rose: That's right. Awesome to see you again J.D.

Carmen Phantom: Same here.

Lincoln: Why are you wearing a mask?

Carmen Phantom: Oh this is why.

She took it off and showed that part of her face was horribly scarred and disfigured.

Laney: OOH! That is a bad burn!

Me: Yeah she got burned in a fire and it left part of her face severely scarred and horribly disfigured.

Nico: OUCH!

Qin: That must've been really painful!

Carmen Phantom: It was. I look like the Phantom from Phantom of the Opera. One of my favorite operas by the way.

Me: Mine too. The Phantom got severely burned in a fire like that. And he had to wear a mask too.

May: Can we fix it?

Me: Let me do that.

I went over to her and my hand glowed blue and I put it on her and healed her up.

Me: Take a look.

I showed a mirror and she was better!

Carmen Phantom: I have my beautiful face back! After all this time.

Me: I know Carmen. I'm sorry that happened.

Carmen Phantom: It's okay but thank you.

Me: Anytime.

Susan Phoenix: That was awesome.

Haruto: Boy it sure was! Also we never met a Dopant for Phoenix before. That is amazing!

Me: It sure is. He put up an amazing battle. By the way is the Another Koyo Ozaki friendly or hostile?

Susan Phoenix: Friendly and she is an incredibly hot one.

Me: WHOA!

Nico: Sorry we have to do this girls.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Qin: OH YEAH!

Lana, Timon and Pumbaa ate the Another Shelob and we turned the Another Grizzly into bear steaks.

We cooked the bear steaks.

Me: I learned how to cook Bear steaks like this from a Finland Chef. It's really interesting.

Nico: That is cool!

We then got to eating.

Poromon ate a steak.

Poromon: (Eating) Mmm!

Me: (Eating) It's tough but tastes like steaks.

Nico: Wow!

We cooked the bear steaks.

Me: I learned how to cook Bear steaks like this from a Finland Chef. It's really interesting.

Nico: That is cool!

We then got to eating.

Poromon ate a steak.

Poromon: (Eating) Mmm!

Me: (Eating) It's tough but tastes like steaks.

Nico: Wow!

Poromon: That's weird.

Me: WHEW! Man did it get hot.

Nico: Yeah. From her!

We saw ANOTHER KOYO OZAKI!

Me: WHEW! Man Another Koyo is infernal hot!

Nico: She doesn't have fire powers does she?

Another Koyo: No but my true self does.

Lincoln: That voice!

She reverted back and was a girl with orange and red hair and red eyes and had orange and yellow and red clothes and had fire angel wings and the symbol of the Volcanic Monsters in the middle of her forehead and on her skirt and she had a volcano sword.

Lincoln: Vanya Volcanic!

Me: The Avatar of the Volcanic Monsters?

Lincoln: Yep. Let me introduce you. This is Vanya Volcanic, Avatar of The Volcanic Duel Monsters, she's my Guardian Angel from Michigan and she's a very powerful fire angel and has a very massive power over fire, and she's more than once burned Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies on the butt leaving them with a nasty case of butt burn. I made her a lava sword, and to show thanks, she kissed me on the lips, and as a result, I promised that when he comes of age, that I would marry Vanya along with the rest of my harem. But, out of all of my enemies, the one person she despises is Flip, the reason why is because he conned her family out of all their money, and because of it, it drove her mother to kill herself and her father suffered a mental breakdown and was committed to a nuthouse for life. That filled Vanya with so much anger and hatred towards Flip, that she vowed that she would make that mutant pay with his life!

WE GASPED!

Me: Flip you stupid mutant!

Nico: Now I REALLY Wish we could kill you tomorrow! But we can't!

Qin: That mutant Tightwad!

Kaito: (gets out Kyoryuger gear) Did Swartz promise you anything?

Zocks: (gets out ToQger gear) Because we can grant it instead.

Kaito got a Dino Charge blaster and Zocks got a Rail Sword.

Vanya Volcanic: What else? To get revenge on Flip for ruining my family!

Qin: That we can do but at a later date.

Me: We have him being used as humiliation fodder right now and everyone wants him dead.

Sougo (gets out Dino Charge Ridewatch): You don't need to worry about Flip.

Geiz (gets out ToQger Ridewatch): The time to kill him is coming very soon.

Sougo got DinoChargeRedArnor while Geiz got out ToQ1gouArmor

Me: Just give it a few more days.

Vanya Volcanic: Okay.

Lincoln: Lets separate you first.

We did so and the heat was gone.

Qin: There! That's better.

We were ready.

Nico: (Gets out Koyo Ozaki's ridewatch) This will be fun!

May: (Gets out Shelob's ridewatch) Time to web you up!

Maria: (Gets out Evil Killer Frost's ridewatch) Time for you to freeze!

Cheryl Velarrian: (Gets out The Caramel, Strawberry, Vanilla, Chocolate, Banana Syrup Gang Ridewatch) Lets flavor it up!

They used the powers of Koyo Ozaki (Bungo Stray Dogs), The Caramel, Strawberry, Vanilla, Chocolate, Banana Syrup Gang, Shelob, Grizzly Bear (Balto), Evil Killer Frost and Chaos (Primal Rage) and blasted the another.

Me: (Gets out Chaos (Primal Rage) Ridewatch) I've always wanted to try this one.

I activated it and released a dark green fart cloud and it hit the Another and she had a nasty seizure!

Nico: I don't know when but I promise Flip will die somewhere in December!

Me: Okay!

Then Commander Saturn, Ty-Foo, Cloud (Marvel), Cloud of Darkness, Cloud Creatures and Silver St. Cloud came.

Nico: Whoa! Nice team Saturn.

Commander Saturn: It sure is.

Qin: Nice!

Vanya: You swear Flip is gonna die in December?

Nico: I'll try and see if you can have first crack at him before everyone else

Vanya: Thank you.

Me: Good.

Joe Swanson: I want him dead as much as anyone else does.

Qin: Yeah.

?: We all do.

Infinity Mijinion came!

Me: Infinity Mijinion! Whoa!

Infinity Mijinion: (In a girls voice) I hate that mutant.

Nico: Irena Mijinion!? Whoa!

Irena Mijinion: Awesome to see you again Nico. I got this.

She fired waves of energy and blasted the Another and I caught the ridewatch and purified it.

Qin: Take that!

She reverted back and was a girl with blue hair and blue eyes and had a purple bikini and had blue angel wings and had a jellyfish in front of the Infinity symbol in the middle of her forehead.

Irena Mijinion: That was awesome!

Ed: What does Mijinion mean?

Me: Oh they are a small plankton called a Daphnia.

Nico: REALLY? That is cool!

Qin: It sure is.

Me: This is what they look like.

I showed one on a hologram.

---

Daphnia is a genus of small planktonic crustaceans, 0.2-6.0 mm (0.01-0.24 in) in length. Daphnia are members of the order Anomopoda, and are one of the several small aquatic crustaceans commonly called water fleas because their saltatory swimming style resembles the movements of fleas. Daphnia spp. live in various aquatic environments ranging from acidic swamps to freshwater lakes and ponds.

The two most commonly found species of Daphnia are D. pulex (small and most common) and D. magna (large). They are often associated with a related genus in the order Cladocera: Moina, which is in the Moinidae family instead of the Daphniidae, and is much smaller than D. pulex (roughly half the maximum length).

---

Nico: WHOA! That is interesting.

Rarity: It sure is. Lets get you some warm clothes darling.

Rarity and the fashion brigade gave Irena new blue and purple clothes.

Irena Mijinion: Wow! I look cool.

Maria: You sure do.

Ed: I was just wondering.

Nico: I didn't know those existed.

Me: Me neither until I read about them.

Qin: Cool.

Me: Do you have any favorite memories of Nico?

Irena Mijinion: When me and Nico went down to the bottom of the Puerto Rico trench and found a huge treasure there.

Me: Whoa!

Nico: Pirate ship treasure long thought to have been lost.

Qin: That is amazing.

Lola: It sure is!

Nico: Yep.

Nico and Irena hugged.

Nico: I've missed you.

Irena Mijinion: Same here.

We went back home.

Lincoln: Ah, we're here in Bikini Bottom, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we got bad news: Ultimara Tzolkin, the evil version of The Crimson Dragon, has been sighted, and we're going to take him down and send him to The Masters of Evil.

Nico: So, we're facing the evil version of The Crimson Dragon, huh? This should be interesting.

Me: You said it.

Haruto: Facing the evil version of The Crimson Dragon will be a challenge alright.

Lincoln: But, we've dealt with many challenging villains before, this is going to be another challenge we'll overcome.

Suddenly, we saw a very beautiful and super sexy girl with long light blue hair and dark blue headband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a light blue sleeveless crop top, necklace with a blue gem for the pendant, light blue skirt, light blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, lightning, dragons, phoenixes, and angels on the coattails and on the back is Hieratic Dragon of Su, holstered on her back is a massive light greatsword with angel runes etched on the 7'9" massive, wide, double-edged golden yellow blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel and with her are the twelve girls.

Lincoln: (GASPS) Ariana Abner, Avatar and Gene-Slammer of Hieratic Dragon of Su.

Ariana Abner: That's right, and I rescued the girls from the evil version of The Crimson Dragon.

Suddenly, we heard a roar and we saw Ultimara Tzolkin, the evil version of The Crimson Dragon, heading right for us.

Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln fired a rainbow energy blast that hits Ultimara Tzolkin, and sent him flying to The Masters of Evil via a portal Lincoln opened up. We cheered as we holstered our weapons and powered down.

Lincoln: And with that, we've sent the evil version of The Crimson Dragon to The Masters of Evil. (To Ariana Abner) And it's so good to see you again, Ariana.

Ariana Abner: You too, Lincoln, it's been seven years since we last met.

Suddenly, Ariana Abner wrapped her arms around Lincoln's neck and she proceeded to kiss him on the lips and then all over the place: face, arms, pecs, eight-pack abs, and stomach. When Ariana Abner was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Ariana Abner: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Ariana Abner's waist and hugged her, and Ariana Abner is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ariana Abner: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are

really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Ariana Abner, Avatar and Gene-Slammer of Hieratic Dragon of Su, she's Lincoln's Guardian Angel from Egypt and she's a very powerful Angel of Light. She's the Avatar and Gene-Slammer of Hieratic Dragon of Su, and she has powerful lightning powers and her favorite Duel Monster was Hieratic Dragon of Su. She's also a powerful master and defender of Egypt's long history and she's the light magic sorcerer of The Order of The Hieratic Egyptian Duel Monsters, a group that formed over 5,000 years ago during the time of Pharaoh Atem, and their goal was to defend Egypt from the dark forces of The Shadow Realm and its ruler, Zorc Necrophades, who fought alongside Pharaoh Atem against Zorc Necrophades and after he was sealed away, the order was tasked in guarding The Millennium Items, so that nothing bad ever happens again and that no one would use them for evil. Lincoln knew about Ariana and her friends along with The Order of The Hieratic Egyptian Duel Monsters from Pharaoh Atem a few years ago, and he knew Ariana would be the next one to train him in mastering the powers of light. Lincoln made her a powerful light greatsword, and to show her thanks, Ariana kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. She's an old friend of Pharaoh Atem because of the strong friendship he had with her ancestor, one of the thirteen founders of The Order of The Hieratic Egyptian Duel Monsters, and she not only hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a blazing passion, but she utterly despises Zorc Necrophades, Dark Bakura, and Yami Marik with utter distain and hatred because of what they've done in trying to take over the world and plunge the world into a reign of eternal darkness, and she swore if she ever saw them again, she would rend and tear their dark souls apart and banish them to Oblivion.

Nico: Just like we heard yesterday, and we'd already sent Yami Marik and Dark Bakura to The Black Gates.

Ariana Abner: Good, those two were monsters.

Lincoln: Absolute monsters is the word I call them, and now that you're here, Ariana.

Lincoln went up to and hugged Ariana Abner in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Ariana Abner: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ariana Abner with light blue gems on the gold lightning bolts and light blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Ariana Abner: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ariana Abner.

Ariana Abner had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ariana Abner's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Ariana Abner had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the twelve girls, and when Lincoln saw the twelve girls, he immediately recognized them. The twelve girls are Bronte Shirley Shindo, Izumi Okawara, Kaoru Tsukigase, Minaho Ootori, Minamo Ootori, Natsumi Kyuhoji, and Sara from Oppai Gakuen Marching Band Bu! and Liliane Royer, Celestia Wordsworth, Elise Heinzel, Fiore De Sanctis, and Paula from Princess Crisis.

Lincoln: Oh wow, it's Bronte Shirley Shindo, Izumi Okawara, Kaoru Tsukigase, Minaho Ootori, Minamo Ootori, Natsumi Kyuhoji, and Sara from Oppai Gakuen Marching Band Bu! and Liliane Royer, Celestia Wordsworth, Elise Heinzel, Fiore De Sanctis, and Paula from Princess Crisis.

Nicole: So, those are the girls who got caught in the path of the evil version of The Crimson Dragon.

Lincoln: Thank goodness Ariana got them away from him. Are you girls okay?

Bronte Shirley Shindo: Yes, we're okay, thanks to you.

Then, when Bronte Shirley Shindo and the other eleven girls saw who it was that saved them from Ultimara Tzolkin, the evil version of The Crimson Dragon, their faces turned atomic red upon seeing the Liliane Royer: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Izumi Okawara: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bronte Shirley Shindo, Izumi Okawara, Kaoru Tsukigase, Minaho Ootori, Minamo Ootori, Natsumi Kyuhoji, Sara, Liliane Royer, Celestia Wordsworth, Elise Heinzel, Fiore De Sanctis, and Paula with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Ultimara Tzolkin, the evil version of The Crimson Dragon.

But, when Lincoln showed what we all did in beating him down and Lincoln firing an energy blast that hit him and sent him to The Masters of Evil, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Ariana Abner have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so you guys took down the evil version of The Crimson Dragon?! Yikes!

Lincoln: He was definitely powerful alright, but now, while we have The Crimson Dragon as part of the team, The Masters of Evil now have the evil version of The Crimson Dragon.

Nico: That's fair, Lincoln.

Me: You said it.

---

After Lincoln and all of us beat down Ultimara Tzolkin, the evil version of The Crimson Dragon and sent him to The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ariana Abner saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ariana Abner: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been

continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ariana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Ariana Abner: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Ariana Abner: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and

their noses were bleeding.

Suddenly, the alarm rang, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a clone of Dark Lynn and she was causing mass destruction on a wild rampage.

Me: WHAT THE FUCK!? IS THAT A CLONE OF DARK LYNN?!

Nico: Yep.

MONSTROUSLY LOUD BELCH!

Lincoln: There's no mistaking that monstrously loud belch and the smell of her sweaty pits from anywhere. Let's head out there and take that stupid gorilla down.

We flew out of The World Tree Estate, and Lincoln fired waves of rainbow energy and elements at Dark Lynn and they hit her hard, and when we landed and she saw Lincoln, she went absolutely ballistic and roared like an animal and beat her chest like a gorilla.

Lincoln: You just don't even know when to quit, do you, you filthy animal.

Suddenly, we saw a golden energy aura surround Lincoln.

Eli: Hey, is he planning on turning her into a gold statue?

Me: No, he isn't, Eli. Something's up alright, this isn't like using the Gessius Flores Vengeance Curse or The King Midas' Golden Touch Vengeance Curse.

Nico: (Gasps) Wait a second, that gold energy aura, you've seen it around me, Kakarot, Vegeta, Gohan, Goten, Trunks, and Pan whenever we transform into our Super Saiyan forms, and Lincoln did absorb the evil version of Vegeta, Broly, the Universe 666 versions of Kakarot, Vegeta, Gohan, Goten, Trunks, and the Saiyans, along with that arrogant Mirror Nico and he made all of their powers and abilities his.

Luna: And I remembered your words saying that if our bro has access to the Super Saiyan transformations.

Me: And how I'd be (GULPS) proven right.

Then, we saw the image of a Golden Great Ape form from the gold energy aura surrounding Lincoln, and then, lights burst out and a massive pillar of gold energy erupted from Lincoln.

We had sunglasses on protecting our eyes, but as for Sebastian, he roared demonically and he covered his eyes with his right arm to protect him from the blinding lights like he's a vampire. Then, the lights faded and the dust settled, we saw Lincoln emerge, but we were stunned by what we saw: Lincoln's long wild white hair that went down to the bottom of his neck grew and it resembles Goku's hair when he transforms into Super Saiyan 4 and his arms and most of his upper body except for his chest and abs were covered in crimson red fur and his tattoos were glowing, and he has gold dragon tattoos around his arms, he has a red outline over his eyes, his eleven massive and long white wolf tails turned crimson red except for the rainbow tips and rainbow markings.

Me: WHOA! What the! Lincoln, is that you?! What on Earth?

Lincoln: (Deeper Voice) Sorry this had to come as a shock and surprise to you and everyone, J.D., and everything you said about me acquiring all of the powers and abilities of the evil version of Master Vegeta, Broly, the Universe 666 versions of Master Goku, Master Vegeta, Gohan, Goten, Trunks, and the Saiyans, along with that arrogant Mirror Nico are indeed true.

Lincoln's harem had an extreme atomic blush on their faces.

Lily the Mermaid: (In Heaven) Just when we thought he couldn't get any more manlier and even more attractive!

Dark Lynn clone: I'LL KILL YOU, STINKOLN!

The Dark Lynn clone belched as she charged at Lincoln on all fours and growling like a dog.

Lincoln: (Deeper Voice) Heh, seriously? Charging at me on all fours again?

Lincoln dodged with incredible superhuman agility and avoided the

Dark Lynn clone's attack.

Lincoln: (Deeper Voice) I always knew you were a wild animal, but you just never learn your lesson as it goes in one ear and out the other and you always listen with your butt and not your mind or heart. Well, if you want to resort to using brute force, fine. But, I'm not giving an animal like you any mercy because you deserve none.

Lincoln charged at the Dark Lynn clone and he was brutally thrashing her with such incredible superhuman strength as he punched, kicked, and karate chopped her all over the place.

Nico: Holy crap! Lincoln's really giving it to that filthy animal!

Me: That dumb moron's been asking for it for seven years.

Then, Lincoln punched the Dark Lynn clone hard in the stomach and caused her to belch out massive tons of blood, and then, he did tons of rapid fast punches and kicks to the Dark Lynn clone's entire body and she wound up getting tons of black and blue marks.

Lincoln: (Deeper Voice) Just so you know, that was for all the times you've beaten me up and tried to kill me by yourself.

Dark Lynn Clone: (ROARS)

Then, Lincoln kicked the Dark Lynn clone hard into the air.

Lincoln: (Deeper Voice) And that was for all the times you've tried to kill my Guardian Angels!

Then, Lincoln charged at the Dark Lynn clone.

Lincoln: (Deeper Voice) This is for conspiring with Lori, Lola, Lisa, and Luan to try and kill me and for beating up Paula, Polly, and Margo in the past!

Lincoln dealt a two-handed downward punch to the Dark Lynn clone's head and sent her flying down to the ground, and Lincoln flew down and right after her, and he charged up a Negative Karma Ball.

Lincoln: (Deeper Voice) And this is for using fear to control my parents and force Leni, Luna, Laney, Lucy, Lana, and Lily to join your damn Hive Mind and leave me all alone!

Lincoln fired the Negative Karma Ball at the Dark Lynn clone and it exploded and destroyed her and she was sent to The Black Gates forever. We were really amazed by what Lincoln did as the crimson red fur covering his arms and most of his upper and lower body disappeared along with the gold dragon tattoos covering his arms and red outline of his eyes and his eleven massive and long crimson red wolf tails changed back to white and we cheered wildly as we returned home and continued our workouts.

Me: Oh man, Lincoln, that was so awesome!

Nico: And you proved J.D. right, what we saw was your Super Saiyan 4 form, but with some added features like the gold dragon tattoos and glowing tattoos.

Luna: Dude, you really thrashed that Dark Lynn clone brutally.

Lincoln: That animal's been asking for it for seven years, and it felt good thrashing her once again.

Eli: Remind me never to mess with you.

We got a shower, and then, Lincoln, Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy are heading to Gelato Beach. But, they're not going alone, Ed Cowart and his harem are also joining in as well.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

Ed Cowart snapped his fingers, and the 7'5" dark brown-haired, handsome, and extremely muscular man's dressed in a large dark blue speedo with Cerberus and phoenix surrounded by dark blue fire and stars on it and dark blue flames coming off the speedo, sandals, his jewelry, and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Darcy: Wow, so this is Gelato Beach. It sure is beautiful.

Lincoln: It sure is, Darcy, and it's perfect for our first date. Shall we?

Ed Cowart: You got it.

Lincoln, Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy along with Ed Cowart and his harem dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him and Ed Cowart's harem got a massive and extreme deep atomic red blush on their faces when they saw Ed Cowart lift thirteen massive 900,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long dark blue wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy placed their hands on the massive pecs of Lincoln and his clones.

And Ed Cowart made clones of himself, and he and his clones went up to his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls placed their hands on the massive pecs of Ed Cowart and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Universe 666 Icy, Universe 666

Stormy, and Universe 666 Darcy and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs, same with Ed Cowart.

Me: (Whistles) Wow, it looks like you and Ed really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so…

Ed Cowart: (In Heaven) SO AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy are in your harem, Linky.

Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy showed the marks Lincoln made on the right sides of their necks.

Nico: And it's been a long while since you've gone on a double-date with Lincoln and his harem, Ed.

Ed Cowart: It sure has, but it was so awesome.

Jenna: And Flip had some nerve trying to kill them, that mutant is

just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Icy, Universe 666 Stormy, and Universe 666 Darcy, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

It was time for another awesome Super Mario Odyssey adventure.

Nico: Next is Cloud Kingdom for Round 2.

Me: Nice!

Qin: Yeah!

Scott Truman: Me and TJ will go with.

Nico: Okay then.

They went into the simulator and it activated and they were in Cloud Kingdom!

Nico: Here we are.

Scott Truman: Nice.

Nico: Any tips Nicole?

Nicole: Well you guys are going to like the next baddie you'll face here.

Nico: Really?

Nicole: Yep. He should be coming right… about… now!

They heard a moo and saw FREAKAZOID'S ENEMY LONGHORN!

Nico: Longhorn!

Scott Truman: This guy is gonna be tough!

Nico: Hi there!

Longhorn: I'm going to ram you down and smash your head off!

Nico: I'm going to turn you into steaks!

TJ: Anyone got a red hot branding iron?

Nico pulled out a red cape!

(SPANISH BULLFIGHTING MUSIC PLAYS)

Nico: HA HA TORO TORO

Longhorn then charged at Nico and then Longhorn hit the cape!

KRABLANG!

HE HIT AN ANVIL THAT WAS BEHIND THE CAPE!

Nico: OLE!

Longhorn was really pissed now!

Scott Truman: RPM! GET IN GEAR!

TJ: SHIFT INTO TURBO!

They transformed and were ready!

Nico: How about this too!

Nico threw a RED HOT BRANDING IRON! He ducked and It flew back and then…

SIZZLE!

LONGHORN LET OUT A SCREAMING MOO!

On his butt was something! It said PROPERTY OF SAIKO VALLIERE!

Scott: Who's Saiko?

Me: She's Drakus' friend that just joined us.

Nico: Yep.

Scott: Oh right I forgot about that.

Nico: No worries.

TJ did a bring it on gesture

Longhorn mooed!

?: (ECHOING) ICE PHANTOM!

A wave of blue fire hit Longhorn and froze his legs to the ground!

Out came BlueMeramon and a girl with blue hair and blue eyes and blue clothes and she had blue angel wings and a tiara with the symbol of Burst Man on it.

Me: BlueMeramon!

Nico: WHOA!

Brianna Burst: And Brianna Burst - Embodiment of Burst Man.

BlueMeramon: (In a girls voice) Awesome to see you again Nico.

Nico: Alice Blue Mera!? Whoa!

BlueMeramon: Yep. Good to see you.

Scott: Been a while Brianna!

TJ: You're looking great.

Brianna Burst: You too Scott and TJ. Been a while

Nico: (gets out Piedmon and Koyo Ozaki's Ridewatches) Time for this clown to get his swords out!

Nico activated them and threw a bunch of swords!

TJ and Scott fired waves of energy and blasted Longhorn all over.

Alice Blue Mera reverted back and she was a girl with blue hair and blue eyes and had blue flaming angel wings and had blue clothes and BlueMeramon in the middle of her forehead and on her skirt and had a blue fire sword and had a tattoo in the shape of the kanji for Blue on her arm.

Alice Blue Mera: This will be good. COLD FLAME!

She fired blue fireballs and blasted Longhorn and froze his horns.

Brianna Burst fired bombs and they hit him and exploded!

KRABBBBBBBBBOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMM!

He was knocked down and gave the white flag of surrender.

Nico and team got more Power Moons!

Nico: Awesome!

Scott: YEAH!

They all high five

Nico: How did you meet Scott and TJ?

Brianna Burst: I met Scott and the RPM team when they were battling Heat Bot the first time. He put up one helluva fight and I helped them defeat him by blowing him to smithereens before he grew giant by Venjix.

Nico: WHOA! That is amazing.

Scott: Those bombs she has are awesome.

Brianna Burst: Yep. And I met TJ when he and his team were battling Mad Mike the Pizza Chef and he turned me into a Ghost Pepper Pizza. I couldn't stop myself from eating myself. I tasted good.

WE LAUGHED!

Nico: That is funny.

Brianna Burst: Yeah it sure was. I let out a massive blast of fire from my mouth and incinerated him into ashes.

Nico: That is awesome!

TJ: Yeah she loves nuclear hot spicy food.

Nico: That is cool!

Alice Blue Mera: It sure is!

Scott: What's your favorite memory of Nico?

Alice Blue Mera: Mine is where me and Nico were over in Antarctica and we found an amazing treasure buried under the ice in an ice cave. It was really amazing.

Nico: That was cool. We found a hidden crystal temple there.

Nicole: WHOA! That is amazing!

Nico: Yep.

Nico and Alice hugged.

Nico: I've missed you.

Alice Blue Mera: Same here.

Nico: Would you both like to join us?

Brianna Burst: We would be honored.

They left and we cheered for them.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Later we saw the macvots doing something.

Mandy Edgarton: What are you guys doing?

Poromon: Building our own duel decks.

Poliwag: Yeah this will be awesome!

Jaden: Sweet! Can me and my fellow Duelist's help you out?

Manaphy: Sure.

They got to helping them out.

Patrick: What cards do you have so far?

Poromon: I picked ones for Fire Princess and burn powers.

Poliwag: Water and fish for me.

Manaphy: Angels of legends for me.

Horsea: Sea Serpents and water for me too.

Tentacool: Plants for me.

Jirachi: Insects for me.

Hoppip: Fairies for me.

Jaden: Sweet choices.

Alexis: They sure are.

Crumplezone: These are good choices

Poromon: Thanks.

We got them done

Wideload: There! Your decks are all done

Poromon: Yep.

Manaphy: they sure are!

Nico: What do you guys think?

Jaden: They look great!

Alexis: They sure do.

Poromon: We agree with them.

Nico: Yeah.

Shego: Do you guys have any Fusion monsters?

Poromon: Yep.

They showed us Charubin the Fire Knight, Roaring Ocean Snake and many more.

Qin: Awesome choices.

Poromon: We even have Polymerization.

Me: Good thinking.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was notorious robber and thief, Gary Riley, and he's causing havoc. When we saw it, we knew it meant trouble as the vision orb vanished.

Lincoln: Oh boy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and I hope you guys are ready for one ice-cold battle: I just had a vision and I saw who it was that we're going to confront today, it's none other than notorious robber and thief, Gary Riley, and he's causing havoc.

WE GASPED!

Ed Cowart: Hey, I've heard of him, he's a notorious robber and thief who's robbed tons of banks and people, and he's wanted in ten states because of his rampage. Plus, I've been after that asshole for years, but he's gotten away and he gave me the finger before he ran off.

Nico: What?! That motherfucking pissant, I'm gonna punch his brains out!

Me: Save some for the rest of us.

Ed Cowart: I'm never going to let that pissant get away, he and the rest of his gang are going straight to prison, but not before we break his limbs.

Nico: Now, you're talking. Let's get going and kick that jerk's butt.

Lincoln: If there's one thing we can't stand, it's a thief and a robber running loose in the city.

Nico: And I know the perfect trap for him. We'll use our new bullet train for him.

Me: We built it. It's part of our new Vacuum Tube Intercontinental Rail System.

Camie: COOL!

Xenia: Yep.

We went to the surface and showed our brand new station for it.

Me: There it is. Welcome to the Phoenix Intercontinental Railway.

Qin: WOW!

We saw an awesome fast bullet train system inside a huge vacuum tube system.

Nico: WOW! This is amazing!

Me: Check it out.

I showed the routes and they went ALL OVER the world.

Nico: WOW! That is amazing! It goes all over the world.

Me: Yep.

The previous group came.

Carmen Dillo: That is amazing that you guys built this.

Qin: It sure is guys.

INSTIGATOR: Can me, Kaos, Vreedle Brothers, Carmen Dillo, El Oso, Tchang Zu, Duff Killigan, Metal Sonic, Leap Frog and Gramma Stuffum go with you guys?

Octagon: And those are nice Duel Decks.

Poromon: Thanks!

Nico: And yes you all can come with us.

Kaos: Awesome!

Carmen Dillo: How fast does this train go?

Me: 5,000 miles per hour. This thing can go all the way around the world in 4 hours.

Nico: WHOA! That is amazing!

Qin: Yep. The tube is like a giant Vacuum Tube and it's a perfect vacuum.

Eli: Amazing!

Ed Cowart: It's perfect for our trap for him. Here's my plan.

It was to use our own car as our base of operations. And he will go after the high class passengers in their car. When that happens we get him.

Nico: I like it!

Poison Ivy: Nico, which Gene Slammer do you think you'll meet next?

Nico: Tornado Tonion next.

Qin: Windy!

Xenia: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and

our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than a clone of The Ox (Marvel), and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to a clone of Raymond Bloch A.K.A. The Ox, and he's coming here to destroy us.

We gasped.

Me: Raymond Bloch, I've heard of him, he was a member of the Enforcers, and he's really strong, but not bright.

Camila Parker: That reminded me of Lynn when her Dark Side came out. And I heard Vypra recruited Bloch into The Masters of Evil, but someone made a clone of him to kill us.

Lincoln: Right, and we can only guess the jerk behind it: Flip.

Nico: That miserable goddamn moron, when we face him, I hope you and your family tear that mutant to pieces. Alright, team, let's go, we're heading out to face Gary Riley.

Lincoln: And send him to prison, and once we get done with him, you're next, clone of Raymond Bloch.

Camila Parker: You better be ready, you lumbering ox, we're beating you down and sending you to The Black Gates.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us got on the train and headed out to the city to take down Gary Riley and send him to prison, and once we do that, Lincoln and Camila Parker along with me are going to destroy the clone of

Raymond Bloch A.K.A. The Ox.

The train was off!

ZOOM!

---

It was going really fast!

Nico: WHOA!

Lola: Look how fast we're going!

Ed Cowart: Wow! No kidding!

In less than 20 minutes we were already on the bottom of the Pacific Ocean!

El Oso: (Spanish Accent) Look at the view!

Xenia: So many amazing fish!

Camie: Wow!

Eli: Look how fast we're going though!

Lola: Yeah no kidding! It's amazing how we got to this spot this quickly!

Varie: It sure is amazing.

Me: The train is on a Maglev Train Rail. This track uses no wheels. It's all magnetic levitation.

Nico: That is amazing.

Lea: Might as well get comfy while waiting

Me: Yeah.

Nico: Boy this amazing that you built this. Now we can see much of the entire planet in a 6th of a day.

Qin: Yep.

Me: And people can go all over the world in seconds or minutes.

Nico: Where did you get the idea for this?

Me: I saw it on a documentary about the Transcontinental Railroad. It's a rail system that goes through the Atlantic Ocean. But to build that would cost $12,000,000,000,000.00

Qin: WHOA! But that's just small change compared to what we have.

Me: Exactly. With the kind of money we got it was all done easily.

Qin: Wow! I remember there's also a book about it from Jules Vernes.

Me: That's right! It was Jules Vernes book The Transcontinental Railroad that gave rise to it.

Qin: That is cool.

Duff Killigan: (Scottish Accent) Any food here?

A food lady came. It was Inga Bittersweet!

Inga Bittersweet: Anything off the food cart boss?

Me: Oh sure.

Nico: Inga Bittersweet? You now work on the new train system?

Inga Bittersweet: I sure do dear. I'm now food server for the train.

Mary Knudson: I gave her a promotion from the Prison Cafeteria Worker to the Phoenix Railroad Currier.

Nico: That is cool.

I gave her some money and we got snacks. They were the Wizarding World snacks.

Me: Also the pay is good for her too.

Qin: Nice.

Venom: Any chocolate?

Me: Chocolate Frogs too.

Ron Weasley: (British Accent) All right!

Me: Yep.

Nico: Cool!

Ron Weasley: It's the cards you want.

Me: I remember these.

I opened one and the frog came alive and it hopped and I ate it.

CHOMP!

Me: Mmm!

Nico: Cool!

I looked at the card I got and it was Salazar Slytherin.

Me: Salazar Slytherin.

Nico: Not surprising there.

Renee Ravenclaw: (British Accent) I've got one for my ancestor Rowena Ravenclaw.

Nico: That one is perfect for you Renee.

Sakura Knudson: I got one for Bertie Bott, the creator of Bertie Botts Every Flavor Beans.

Me: Those are awesome.

Helena Hufflepuff: (British Accent) I got a card for my ancestor

Helga Hufflepuff.

Nico: That one is perfect for you Helena.

Me: Yep.

Selene Slytherin: (British Accent) I got one for my ancestor Salazar Slytherin. Even though I hate him he still is my ancestor.

Me: True.

Elizabeth Gryffindor: (British Accent) And I got one for my ancestor Godric Gryffindor.

Me: That's cool girls. You all got one for your ancestors.

Metal Sonic: Scanning for any sign of Gary.

He scanned the train.

Me: Which card did you get Nico?

Nico: I got one for Harry Potter. Look.

He showed us a card for him.

Harry Potter: (British Accent) Wow! A card for me. I'm truly honored.

Nico: Yeah!

Laney: I had a feeling.

Lola: Look at this one. Garrick Ollivander.

Me: That's the Store Owner of Ollivander's Wands in Diagon Alley.

Camie: Wow!

Gramma Stuffum: I'll add my own food to the mix

Nico: Cool!

We got burgers and fries and more.

Taylor Earhart: Now this one is cool. Jocunda Sykes.

Hermione Granger: (British Accent) She was the first to fly over the Atlantic Ocean on a broomstick back in 1915.

Me: Wow! Like Amelia Earhart but with a Broomstick.

Nico: That is really cool that she did that.

Me: Yeah.

Lily: Look at this one. Circe.

Me: The legendary Sorceress of Greek Myth.

Wonder Woman: And one of my archenemies.

Me: I didn't know she was famous in the Wizarding world.

Harry Potter: That is surprising.

Brittney: Look at mine. Morgan Le Fay.

Me: The legendary Dark Sorceress.

Qin: We faced her many times before.

Sakura Knudson: Boy I heard all about that. That was awesome.

Lola: It sure was.

Lucy Loud: GASP! Look here.

We saw one for Count Vlad Drakul.

Me: Count Vlad Drakul? The father of Vlad the Impaler?

Nico: That is a wicked one. I didn't know Vampires were part of the wizarding world.

Brittney: Well for centuries people believed that vampires were masters of dark magic too.

Lucy Loud: She's right on that one.

Qin: That is cool that Vampires are part of the wizarding world lore.

Teresa: Let's see what I got.

She got a card for Devlin Whitehorn.

Teresa: Devlin Whitehorn.

Hermione: The founder of the Nimbus Racing Broom company.

Qin: Wow! That is cool.

Me: Interesting.

Nico: Wonder why no dark wizards are shown in the Chocolate Frogs cards.

Me: Probably because they did terrible things. Then again who would want to remember Dark Wizards anyway for all the terrible atrocities they did.

Nico: True.

Leap Frog: Can I have a chocolate frog?

I gave him one.

Me: Sounds a bit insulting to you don't you think Vincent?

Leap Frog: It does. But lets see.

He got a frog and opened it and ate it.

Leap Frog: Mmm! Chocolatey.

Me: Yeah.

Leap Frog looked at his card. It was Herpo the Foul.

Leap Frog: Herpo the Foul.

Me: He was said to be the very creator of the Horcruxes back in Ancient Greece.

Qin: Whoa.

Bai Tza: Which we destroyed.

Me: Yep.

We saw that we were over in the Himalayan Mountains.

Me: Wow! We're in the Himalayas.

Nico: Beautiful seeing it as we are going this fast.

Nicole: No kidding

Tchang Zu: Any luck, Metal Sonic?

Metal Sonic: He's making his move.

Me: That wait was worth it. That was fun.

Nico: Lets save more of the snacks for later.

Me: Good idea. Time to make our move.

We went to the high class dining car.

Riku: Is he inside or outside?

Me: In a perfect vacuum tube like this? You would have to be out of your mind to go out there now.

Riku: Good point.

Nico: So he's inside. Lets go.

We were over Pakistan and we saw the war raging.

Me: Whoa the War On Terror is still raging on.

Nico: Amazing and scary seeing it.

Carmen Dillo: Search every compartment!

?: Okay give me all your money!

Me: Won't have to. Look.

We peeked through a window and saw him. GARY RILEY!

Me: Target sighted.

Xion: What's he doing?

He is having everyone give all their wallets and jewelry to him.

Me: Stealing wallets and jewelry. He's done this before many times.

Camie: You're right.

Nico: We'll have to use our artsy entrances instead of the explosion entrance.

Qin: Agreed.

Rhomboid: Gonna blow him up real good!

Nico: Lets do it. Entrance time.

We went to face him.

Gary Riley: That's right! Give me all the dough!

But then the spirits of trains came and swirled around him and then converged and then toy trains came and tooted horns around him and then they popped open and out came confetti and then out of a Japanese Party Banner ball came us.

POP!

Me: Tadah!

Nico: Nice one.

Gary Ridge: Oh no! Team Loud Phoenix Storm!

Me: That's right. You're under arrest Gary Riley.

Stewie: I hope breaking in here was worth it!

Me: Because you're looking at spending the rest of your life in prison. Also what do you think of our new train? Nice isn't it?

Gary Riley: It's a nice train. But you will never take me alive!

He tried to run but we had him trapped.

Me: There's nowhere for you to run. Also you can't go outside. It's a perfect vacuum and you'll die in an instant.

Kaos: Fortunately, you WILL be taken alive.

Me: Yep.

I punched him in the stomach and kicked him in the face.

But he was stuck to the floor.

Me: Your feet have been glued to the floor.

Twilight charged at him and fired waves of magic.

Twilight Sparkle: Time for the magic of friendship to show its power.

Spyro: You said it.

Twilight Sparkle and Spyro: MAGIC DRAGON STARSTORM!

They fired waves of stars and blasted him all over.

Pinkie Pie charged at him

Pinkie Pie bashed him and blasted him with confetti cannons!

Pinkie Pie: How about that for party time!

Sprocket: The fix is in!

Pinkie Pie and Sprocket: FIXING PARTY BLAST!

They fired balloon blasts and blasted him all over.

Applejack charged at him and punched him all over!

Applejack: How do you like them apples?

Flashwing: Including some crystal.

Applejack and Flashwing: CRYSTAL APPLE BLAST!

They fired crystal apple blasts and smashed him all over.

Rarity charged at him and punched him in the stomach all over.

Rarity: Your fashion choice is really distasteful.

Gill Grunt: You said it!

Rarity and Gill Grunt: WATER JEWEL BASH STORM!

They fired water and jewels and bashed him all over.

Fluttershy charged at him.

Fluttershy punched and bashed him.

Fluttershy: Oh um I will be needing those please.

She took his loot and gave it all back to those he took it from.

Stealth Elf: That was easy.

Fluttershy: It was.

Fluttershy and Stealth Elf: LEAF NINJA BASHER!

They fired waves of leaves and grass and blasted him all over.

Sunset Charged at him and bashed him all over.

Sunset Shimmer: Feel the burn!

Sunburn: And the burn of fire!

Sunset Shimmer and Sunburn: FIRESTORM BURN SHOT!

They fired waves of fire and blasted him all over.

We Regrouped

Ed Cowart: Alright, I've had it up to hear with you to last an eternity, Gary, your robbing spree ends here and now.

Suddenly, Ed Cowart's dark eyes turned neon dark blue and he was surrounded by a dark blue energy aura with stars, dark blue flames, dark fire, darkness, spirits of The Underworld, souls of the damned, three-headed hellhounds, phoenixes, and angels, he unholstered his Hades' Infernal Dark Fire Underworld Hellhound Damned Soul Greatsword of Dark Fire Underworld Damned Soul Hellhound Justice from his back, and as he approached Gary Riley, he left dark blue energy, stars, dark blue flames, dark fire, darkness, spirits of The Underworld, souls of the damned, three-headed hellhounds, phoenixes, and angels with every step.

Ed Cowart: I've had it up to hear with you, you miserable goddamn pissant. For far too long, you've gotten away with robbing a lot of people and stealing from banks all over the country and every single time, you've gotten away before the cops could catch you, and I couldn't forget of the many times you've given me the finger and pissed me off. Well, your rampage ends here and now, you filthy animal, time to say hello to a lifetime behind bars.

Suddenly, Ed Cowart was surrounded by a massive vortex of dark blue energy with stars, dark blue flames, dark fire, and darkness surrounding the vortex, there are souls of the damned, spirits of The Underworld, souls of the damned, three-headed hellhounds, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix glaring at Gary Riley: the red eyes of judgement.

Nico: Oh boy, last time Ed transformed, it was against that crazy bastard, Mikey Tomlinson.

Me: Now, he's going to tear Gary Riley apart.

Then, as the vortex faded, Ed Cowart emerged, but he was changed forever.

Ed Cowart grew from 7'9" to 8'9" in height, in height, his abnormally massive and powerful upper and lower body muscles grew much larger for his new body and he still retained his eight-pack abs, he has gold metal braces on his massive biceps and thighs and he has twelve large dark blue planets orbiting around his legs, he has dark blue highlights in the bangs of his long wild dark brown hair going down to his neck and he has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind his head, he has neon dark blue eyes and a dark blue energy aura with stars, dark blue flames, dark fire, darkness, spirits of The Underworld, souls of the damned, three-headed hellhounds, phoenixes, and angels surrounding him and immense rainbow protective aura with all the elements swirling around it, he has Cerberus and surrounded by a phoenix and angel emblazoned on his forehead and Third Eye with dark blue iris, he has hellhound earrings with dark blue gems for eyes and holding the Dark, Fire, Infernal, and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with dark blue gem embedded in the black crescent moon links and dark blue crystal links and a dark blue three-headed hellhound-shaped Element of Harmony and on the bottom of The Element of Harmony is a hellhound with dark blue gems for eyes and holding the Dark, Fire, Infernal, and Eternity Kanjis in its paws for the pendant on his bare chest and he now has fine hair on his forearms, short beard stubble on his jawline, and chest hair on his massive pecs and a gold version of He-Man 2002's chest harness with a large gold chest harness with a phoenix on it and large red gems surrounding it and dark blue gems on the gold straps and a kanji on the back of the straps that said, "Ed Cowart, Brave Warrior, Leader, and Loving Boyfriend". Suddenly, Ed Cowart felt a sharp pain on his now wider and more muscular back, and then, his massive dark brown angel wings with dark blue tips on the large dark brown feathers grew much larger for his new body and medium sized dark brown angel wings with dark blue tips grew and sprouted out underneath his massive dark brown angel wings and his eleven massive and long dark brown wolf tails with dark blue tips and dark blue markings grew larger and longer for his new body. Ed Cowart has on a Ring of The Phoenix with dark blue gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern ring on his left ring finger and Stone of Gelel embedded in his large left hand, and he has on dark blue fingerless gloves with gold-plated armored claws on his fingers and smaller planets orbiting around his fingers.

Suddenly, Ed Cowart's massive Hades' Infernal Dark Fire

Underworld Hellhound Damned Soul Greatsword of Dark Fire Underworld Damned Soul Hellhound Justice and all of the greatswords and swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of dark blue energy, stars, dark blue flames, dark fire, darkness, spirits of The Underworld, souls of the damned, three-headed hellhounds, phoenixes, and angels, and when it emerged, it was transformed into Ed Cowart's Cosmic Eternal Almighty Hades True Immortal Infernal Dark Fire Underworld Damned Soul Hellhound Phoenix God Angel Greatsword of Cosmic Eternal Almighty Hades True Immortal Infernal Dark Fire Underworld Damned Soul Hellhound Phoenix God Angel Justice, it's a brand-new massive greatsword with dark blue embedded gems and the Greek God of The Underworld, Hades, etched on the 7'9" massive, wide, double-edged midnight black blade, midnight black hellhound heads for the crossguard, large white angel faces built into both sides of the hilt and large dark blue gems embedded in the foreheads, longer midnight black handle, four large midnight black hellhound heads with dark blue gems for eyes and a large midnight black hellhound head with dark blue gems for eyes and dark blue gem in its mouth on the bottom of the midnight black hellhound heads for the pommel, he has on his new large gold Bracers of the Champions of The Universe with dark blue gems on his wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on his left gold Bracer, his new large gold Belt of Elemental Bravery with a large gold hellhound head with dark blue gems for eyes and a dark blue gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. Lincoln and his harem: VEHICLE FINAL SMASH: VEHICLE BLAST!

Lincoln and his harem fired Ki blasts based on planes, trains and automobiles which slammed into Gary Riley and exploded, and he and his gang got knocked out.

Ed Cowart and Lincoln fired dark blue and rainbow energy blasts that tied Gary Riley and his gang up in straitjackets so they can't escape.

Sheila: Your crime spree ends here, Gary, you're looking at spending the rest of your life in prison.

Gary Riley: NOOOOOOOO! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

Gary Riley and his gang were loaded up into police vans that took off to the prison.

Ed Cowart holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve dark blue planets orbiting around his legs, smaller planets orbiting around his fingers, and massive dark brown angel wings and medium sized dark brown angel wings underneath are permanent.

Ed Cowart: Go to Hell, Gary, and don't you dare come back.

Nico: Take that, asshole!

Me: Never show your face in front of us again!

Lincoln: He and his gang deserve to rot in prison. Now, there's only one last thing to do and one last loose end to tie up: the clone of Raymond Bloch A.K.A. The Ox.

?: MUST CRUSH PUNY WEAKLINGS!

Suddenly, the twelve large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters' legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve large green planets orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier that protected all of us from the barrage of boulders that came from nowhere and hit the barrier, but it stood strong.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, clone of Raymond Bloch, or I'm forcing you out.

A figure came out, and it was none other than the clone of Raymond Bloch A.K.A. The Ox.

Me: Raymond Bloch A.K.A. The Ox, or rather, a clone of him.

Nico: Clone or not, he's just as dangerous as the real one.

Camila Parker: But, he needs to be stopped, and he's going to be absorbed by Lincoln.

Suddenly, Camila Parker's purple eyes turned neon purple and she was surrounded by a black and purple energy aura with stars, darkness, fairies, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached the clone of Raymond Bloch A.K.A. The Ox., she left black and purple energy, stars, darkness, fairies, phoenixes, and angels with every step.

Camila Parker: I shouldn't be surprised that Flip would create you to try and kill us, that moron has and always be a loser, and I'm so going to enjoy pissing that mutant off even more by getting rid of you.

Suddenly, Camila Parker was surrounded by a massive vortex of black and purple yellow energy with stars and darkness surrounding the vortex, there are fairies, phoenixes, angels, and Fortune Lady Dark flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at the clone of Raymond Bloch A.K.A. The Ox: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: We've all seen what happens when Camila Parker gets mad when she sees Lori, Lynn, Lola, Lisa, and Luan causing trouble, and now, that fury's about to be unleashed once again.

Then, as the vortex faded, Camila Parker emerged, but she was changed forever.

Camila Parker grew from 6'5" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large black and purple planets orbiting around her legs, she has the body of a goddess, she has black highlights in the bangs of her long purple hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a black and purple energy aura with stars, darkness, fairies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Fortune Lady Dark with the Dark Kanji in her hands emblazoned on her forehead with green iris, she has on fairy earrings with purple gems for eyes and holding the Star, Dark, and Eternity Kanjis in her hands, she also has Fortune Lady Dark with purple gems for eyes and holding the Star, Dark, and Eternity Kanjis in her hands for the second pendant on the bottom of her purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Camila Parker has on a purple short-sleeved blouse, sleeveless purple crop top, purple skirt, purple jeans, purple knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, darkness, fairies, phoenixes, and angels on the coattails, and on the back is Fortune Lady Dark and surrounded by darkness, and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a purple gem with neon glowing purple lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Camila Parker felt a sharp pain on her back, and then, massive purple angel wings with black tips on the large purple feathers grew and sprouted out of her back and medium sized purple angel wings with black tips grew and sprouted out underneath her massive purple angel wings and she also now has eleven massive and long purple wolf tails with black tips and black markings, Camila Parker has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and fingerless gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Camila Parker's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, darkness, fairies, phoenixes, and angels, and when it emerged, it was transformed into Camila Parker's Cosmic Eternal Shadow Darkness Fortune Lady Dark Phoenix God Angel Greatsword of Cosmic Eternal Shadow Darkness Fortune Lady Dark Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Fortune Lady Dark and runes etched on the 7'9" massive, wide, double-edged midnight black blade, large purple phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple phoenix heads with black gems for eyes and on the bottom of the large purple phoenix heads is a large purple phoenix head with black gems for eyes and black gem in its mouth for the pommel, Camila Parker has on her brand-new large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Fortune Lady Dark's head with purple gems for eyes and purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Camila Parker's Super Angel-Fortune Lady Dark-Fairy-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the clone of Raymond Bloch saw it, he roared in rage and charged at her to kill her, but Camila Parker fired a massive barrage of purple and black energy, stars, darkness, fairies, phoenixes, and angels which hit the clone of Raymond Bloch and sent him flying into another wall, he got back up, and he gripped his long sleeved shirt and tore it off and he roared and beat his chest like a gorilla: NOW, HE WAS MEGA PISSED!

Stella Parker: Oh man, Camila's transformed, this means things are so going to get messy.

Lincoln: You said it, Stella. We haven't faced the real Raymond Bloch before, but I've seen how dangerous he is.

Camila Parker: (Divine Echoing Godly Voice of The Darkness Fury Fortune Dark Light Fairy Phoenix God Angel and Divine Cosmic Eternal Darkness Fury Fortune Lady Dark Fairy Phoenix God Angel Love) Either way, I'm going to clobber that overgrown behemoth! Let's get him, boys!

Me: Now, you're talking!

Lincoln, Camila Parker, and I went after the clone of Raymond Bloch A.K.A. The Ox, and we fired extremely powerful blasts of rainbow energy, purple and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the clone of Raymond Bloch A.K.A. The Ox, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Camila Parker also did the same by firing purple and black energy slashes from her massive greatsword, and he, Camila Parker, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the clone of Raymond Bloch A.K.A. The Ox even more madder and even more insane with rage as he let out another bellowing roar of rage.

Svetlana Succubus: Boys, stand back!

Svetlana Succubus forms a glowing purple dust in her hands, and she blew it right at the clone of Raymond Bloch A.K.A. The Ox which hit him.

The Ox (Marvel) Clone: WHAT THE FUCK IS… This?

Suddenly, the clone of Raymond Bloch A.K.A. The Ox's eyes turned red and his body was suddenly taken over by overpowering lust and sexual arousal as he saw Svetlana Succubus, and then, his body suddenly began growing as his already huge muscles suddenly began growing much larger and he also now has eight-pack abs.

Nico: Uh oh.

Suddenly, Lincoln sprouted tentacles with suctions from his chest and the tentacles latched onto the clone of Raymond Bloch A.K.A. The Ox's now massive pecs, and then, Lincoln began sucking the clone of Raymond Bloch A.K.A. The Ox dry of his newly gained massive muscle mass, virility, and massive physical strength and he was groaning in pain as he began shrinking in muscle mass and he was also being drained of his life force.

Then, all of the clone of Raymond Bloch A.K.A. The Ox's newly gained massive muscle mass, virility, and massive physical strength was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS) Oh man, this really feels so incredible!

Then, when Lincoln was done, the tentacles detached themselves from the clone of Raymond Bloch A.K.A. The Ox's pecs and went back into Lincoln, and the clone of Raymond Bloch A.K.A. The Ox was thin as a rake and sucked bone dry of his newly gained massive muscle mass, virility, and massive physical strength and he also had the life sucked out of him as he died and he was sent to The Black Gates forever. Everyone cheered wildly for what Camila Parker, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Camila Parker's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large purple and black planets orbiting around her legs, smaller planets orbiting around her fingers, and massive purple angel wings and medium sized purple angel wings underneath are permanent.

Camila Parker: Take that, you moronic mutant. Thanks for helping me take down the clone of Raymond Bloch A.K.A. The Ox, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Camila.

Me: My pleasure, Camila.

Suddenly, Camila Parker wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Camila Parker's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Fortune Fairy Dark flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Camila Parker sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Camila Parker and hugged us.

Luna: No kidding dudes, you guys taught that clone that mutant sent after us a lesson.

Luan: And Lincoln did the same thing he did to Terrence and Marcus yesterday.

Me: Thanks to Svetlana's Succubus Lust Dust. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the girl: Acacia Sahara, Avatar and Gene-Slammer of Hieratic Dragon of Sutekh.

Selene Emperyous: The desert master of The Order of The Hieratic Egyptian Duel Monsters, incredible, and you guys will love meeting her, Acacia Sahara is Lincoln's Guardian Angel from Egypt and she's a very powerful Angel of The Desert. She's the Avatar and Gene-Slammer of Hieratic Dragon of Sutekh, and she has powerful desert and fire powers and her favorite Duel Monster was Hieratic Dragon of Sutekh. She's also a powerful master and defender of Egypt's long history and she's the desert master of The Order of The Hieratic Egyptian Duel Monsters, a group that formed over 5,000 years ago during the time of Pharaoh Atem, and their goal was to defend Egypt from the dark forces of The Shadow Realm and its ruler, Zorc Necrophades, who fought alongside Pharaoh Atem against Zorc Necrophades and after he was sealed away, the order was tasked in guarding The Millennium Items, so that nothing bad ever happens again and that no one would use them for evil. Lincoln knew about Ariana and her friends along with The Order of The Hieratic Egyptian Duel Monsters from Pharaoh Atem a few years ago, and he knew Acacia would be the next one to train him in mastering the powers of light. Lincoln made her a powerful fire greatsword, and to show her thanks, Acacia kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. She's an old friend of Pharaoh Atem because of the strong friendship he had with her ancestor, one of the thirteen founders of The Order of The Hieratic Egyptian Duel Monsters, and she not only hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a blazing passion, but she utterly despises Zorc Necrophades, Dark Bakura, and Yami Marik with utter distain and hatred because of what they've done in trying to take over the world and plunge the world into a reign of eternal darkness, and she swore if she ever saw them again, she would rend and tear their dark souls apart and banish them to Oblivion.

Me: Whoa.

Eli: Which means Acacia has the powers of Set.

Lincoln: That's right, she has the powers of Set, and she's a powerful master of the desert and fire.

Webstor: You are SO under arrest.

Bane: And we didn't damage the train.

King Hiss: No, we didn't.

Shiv: This calls for a celebration!

Calamitous: Can we do it on the train?

Nico: Yes we can. Great job today everyone. I hereby call our train around the world a success.

EVERYONE CHEERED!

Lola: YEAH!

Princess Celestia: (To the Viewers) This was a fun and great adventure.

Lola: Yeah it was!

We had a great celebration and later went back home and enjoyed the rest of the day and went to sleep.

Also we're going to battle Another Commander Saturn, Ty-Foo, Cloud (Marvel), Cloud of Darkness, Cloud Creatures and Silver St. Cloud who are the embodiments of Luster Dawn and Rainbow Dash. Also we're going to meet a gene-slammer for Tornado Tonion and her name is Tanya Tornado and she is a powerful force.

Alright, and for tomorrow, the match-up is for Aurora Parker, Gene-Slammer of Fortune Lady Every, and she and Lincoln are going to destroy Hagoromo Gitsune, the demon fox and the head of the Kyoto Yōkai from the anime, Nurarihyon no Mago

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the planet Glaren, but we got really bad news: the evil dream version of me has come back from the dead to get revenge, but we're going to take him down and Lincoln's going to absorb him. And we're going to meet Acacia Sahara, Avatar and Gene-Slammer of Hieratic Dragon of Sutekh, she's Lincoln's Guardian Angel from Egypt and she's a very powerful Angel of The Desert. She's the Avatar and Gene-Slammer of Hieratic Dragon of Sutekh, and she has powerful desert and fire powers and her favorite Duel Monster was Hieratic Dragon of Sutekh. She's also a powerful master and defender of Egypt's long history and she's the desert master of The Order of The Hieratic Egyptian Duel Monsters, a group that formed over 5,000 years ago during the time of Pharaoh Atem, and their goal was to defend Egypt from the dark forces of The Shadow Realm and its ruler, Zorc Necrophades, who fought alongside Pharaoh Atem against Zorc Necrophades and after he was sealed away, the order was tasked in guarding The Millennium Items, so that nothing bad ever happens again and that no one would use them for evil. Lincoln knew about Ariana and her friends along with The Order of The Hieratic Egyptian Duel Monsters from Pharaoh Atem a few years ago, and he knew Acacia would be the next one to train him in mastering the powers of light. Lincoln made her a powerful fire greatsword, and to show her thanks, Acacia kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. She's an old friend of Pharaoh Atem because of the strong friendship he had with her ancestor, one of the thirteen founders of The Order of The Hieratic Egyptian Duel Monsters, and she not only hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a blazing passion, but she utterly despises Zorc Necrophades, Dark Bakura, and Yami Marik with utter distain and hatred because of what they've done in trying to take over the world and plunge the world into a reign of eternal darkness, and she swore if she ever saw them again, she would rend and tear their dark souls apart and banish them to Oblivion.

Get ready for a hairy adventure as we go and find a cure for Poromon that was bitten by a werewolf and was turned into A WEREMASCOT! And the Werewolf that bit him is Lawrence Talbot from Alvin and The Chipmunks Meet The Wolfman! It's going to be brutal and awesome!

See you all next time.

# NIGHT OF THE WERE-MASCOT

This chapter is based on the Animaniacs Episode Moon Over Minerva as well as Alvin and The Chipmunks Meet The Wolfman

Poromon was flying around the Estate at night

It was on the night of the full moon!

Poromon: Whoa it's a beautiful night.

AWWWOOOOOOOOOO!

Poromon: Uh oh. A wolf.

But then a growl was heard.

Then he turned and saw something and then he screamed!

Me: Ahh!

Nico: Boy this is good.

Qin: Yeah it sure is.

Camie: You said it.

May: Ahh. You got that right. Especially when I don't have to worry about geetting hit anymore.

Qin: Don't jinx it May.

May: Sorry.

Varie: Yeah.

Adrien Gekko: Yeah it's fun.

Nico: Adrien, I want to thank you, Saturn, and your teams for coming

Adrien Gekko: No problem Nico. This will be awesome.

Camie: It sure will.

Claudia Cloudian: I'm looking forward to this one.

Adrien Gekko: But it's an honor to have the Avatar of the monsters I use in my deck with us.

Claudia Cloudian: I'm honored too Adrien.

Xenia: Yeah and Lincoln has one of his angels back too.

Me: He sure does.

Nico: Claudia, I'm sorry Scoots killed you

Claudia Cloudian: I know. What she did was horrible!

Me: She is a cold-blooded snake!

Qin: I'm glad we saw the last of that bitter old crow.

Varie: Me too.

Lincoln: Yeah. But I promised that if a clone came that I would avenge her.

Claudia Cloudian: I'm glad you would do that Linky.

Nico: But why do I get the feeling that it's a good thing You're in Adrien's ream right now?

Me: Well she is the Avatar of the Cloudian Monsters and Adrien uses the Cloudians in his deck. No surprises there. But I have a feeling that her goal is going to be in reach very shortly.

Nico: Good point. But It's possible. We'll have to wait and see.

Qin: Yeah.

Nico: Yep. Boy yesterday was so fun!

Me: I'll say! How did you guys like the train ride around the world?

Nico: I LOVED IT!

WE ALL CHEERED!

Qin: That was so fun!

Lincoln: Boy that was so awesome! And it was really fast too!

Lana: I'll say!

Apple Bloom: And that was really cool seeing the world in 4 hours!

Camie: That was a lot o fun!

Applejack: YEEHAW! Boy that was the most fun we've ever had.

Me: Glad you guys all liked it!

Laney: And the sweets were awesome too. Especially the Chocolate Frogs and the treats.

Nicole: I wasn't expecting Inga Bittersweet to work on the train too.

Maria: Me neither.

Nico: That was awesome that Mary gave her a promotion like that. That was cool.

Lola: Yep. But now Gary Riley is in prison.

Me: Yep. Sentenced to 50 consecutive terms of 65 years in prison without parole.

Nico: So that's…

Lisa Loud: 3,250 years in prison.

Me: Yep.

Nico: Wow! No way in the 9 levels of Hell is he getting out anytime soon.

May: And the train wasn't damaged.

Me: Nope it held together perfectly.

Varie: That was so fun.

Camie: Yep.

Me: Yeah. Oh Nico I found this on the ground by the estate near the elevator entrance.

I pulled out a wolf head Borgia Cane.

Nico: Where did you find that?

Me: It was by the front door. The head is made entirely out of pure silver.

Nico: Whoa.

Me: I'm holding on to it so I can return it to them.

Nico: That's thoughtful of you.

Me: Thanks.

Maria: I'll get us hot dogs.

Me: Okay.

She went and did so

Maria went to a hot dog cart.

Maria: Can I have some hot dogs please?

Hot Dog Vendor: Coming right up.

She got us a lot of hot dogs.

We had some hot dogs.

Me: (Eating) Mmm!

Varie: Nothing like having good hot dogs.

Nico: Yep. (Eating)

May ate one.

May: (Eating) Mmm!

Qin: This is great!

Me: Yep.

We finished up our hot dogs.

Me: Ahh. That was great!

Nico: You said it!

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that a clone of that evil scooter riding maniacal old goat, Scoots, has been sighted, and she's coming after me to make sure I die.

WE GASPED!

Me: WHAT?! A CLONE OF THAT EVIL SCOOTER RIDING HECKLING MANIACAL OLD GOAT IS HERE?!

Nico: That dumb old goat's really going to get it!

Claudia Cloudian: Now it's personal!

Qin: Big time!

Lincoln: Big time, and I've got a special kind of place to throw the clone of that old goat: it's known as The Black Abyss.

WE GASPED IN HORROR!

Nico: W-what is that?!

Lincoln: It's a place that's INFINITELY worse than The Black Gates and even far worse than Hell, this place is meant for the worst of the worst who've done nothing but cause trouble to everyone around them, and Scoots is one of those individuals, but in her case, she's more than earned it: not only has she tried to kill me numerous times and caused tons of trouble in Royal Woods for decades, but she killed Claudia Cloudian seven years ago and she showed no remorse and absolute disregard for everyone around her, and if that person gets sent to The Black Abyss, there's no chance of them ever returning and I mean ever! It's just like getting sent to The Black Gates, but this time, when they get sent there, they will never return and like The Black Gates, it's meant for the most evil.

WE GASPED IN EVEN MORE HORROR!

ME: THAT IS HORRIBLE!

Varie: OH MAN!

Nico: OKAY NOW I'M REALLY SCARED!

Lincoln: Yep, and like The Black Gates, it's also meant for the most evil, and it's triggered by drawing the kanji for Abyss 深淵 on their forehead. Then, the kanji starts to glow, and like The Black Gates, the spirits of those they've harmed or killed come back and judge the guilty, and once found guilty, they are seized by the spirits of their victims and they immediately fade away by being consumed by black flames: The Black Flames of The Black Abyss. I made this technique especially for monsters like Flip and the jerks.

Nico: A technique that's more horrible than The Black Gates?! Yikes! And you intend to use it on that old goat?

Lincoln: Yes, she murdered Claudia seven years ago leaving me and the rest of my Guardian Angels devastated while she rode off laughing and cackling like the rotten old hag that she is! I swore I will never forgive her, I'm going to kill her and use The Black Abyss on her!

Claudia Cloudian: My death really hurt you right in your heart, Lincoln. I'm so sorry.

Anna Anyanova: Claudia, this wasn't your fault, Scoots was to blame. Now, revenge has come at long last.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: Lincoln was so deeply hurt by what that miserable old goat did to Claudia seven years ago, there's literally no way we're letting a clone of that old goat get away with this, this time, she dies here and now!

Me: You said it, Lori. Let's get after that old goat and beat the panties off of her!

Qin: YEAH!

I then noticed that Poromon's arm was bandaged up and there was blood on the bandages.

Me: (In my head) Oh man! Poromon got really hurt by something. Whatever it was really hurt him bad. I hope it's nothing serious.

Girl Jordan heard a Pokemon Cry.

Girl Jordan: Look here!

We saw a Galarian Articuno!

Me: Whoa a Galarian Articuno!

Qin: Wow! And the poor thing hurt its leg.

Galarian Articuno: I was sleeping and then a scooter riding maniac ran over my leg.

Me: Scoots. We'll heal you up.

Leeli: Yeah.

We got to healing it up.

Girl Jordan: Are you okay now?

Galarian Articuno: Yeah thanks to you.

Poromon: Thank goodness.

Me: Would you like to come with us?

Galarian Articuno: I would be honored.

Me: Awesome.

Poromon: All right! (WINCES IN PAIN) OW! Oh man!

He clutched his arm.

Me: Man Poromon something really hurt you!

Qin: Yeah! What happened?

Poromon: I don't know. A dog bit me last night.

Me: Oh man.

Nico: Poromon, after the clone's dead, we need to have a talk.

Poromon: Okay.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack

abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the Scoots clone) AHA! Gotcha, you miserable old goat! I just spotted the clone of Scoots, she's 20 yards away and she's heading right for me! Let's go, the time to get revenge for the death of Claudia Cloudian seven years ago is at hand!

Eli: Did Lincoln just…?!

Me: He did, he lost one of his Guardian Angels seven years ago, and that wound hit him hard in his heart.

Nico: Claudia may have returned and that part of his heart healed, but it won't be fully healed not until Scoots pays the ultimate price for what she did.

Lincoln: That's right. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began

growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Scoots clone.

We were off.

We were flying and we landed and started looking for the clone of that miserable old goat.

Nico: Alright, now where the Hell is that miserable old goat hiding?

Me: She won't be hiding, Nico, she never hides.

Nico: Look out for a scooter.

Me: You don't have to tell me twice.

Lincoln: That's right, we've known Scoots never hides when it came to trying to kill me, and when she winds up backed into a corner, she rides off like a coward. But, she's not going to hide, she'll come.

Eli: Yep.

Suddenly, we heard the sound of an electric scooter!

?: LOUD, I'M GOING TO FINALLY RUN YOU OVER AND KILL YOU!

Michelle Emperyous: YEAH, FUCK YOU TOO, YOU OLD GOAT!

We then saw our target, the clone of Scoots, and she was heading our way towards Lincoln to finally kill him and she was laughing and cackling like the miserable old hag that she is.

Lincoln: (Rainbow Energy Aura flares up extremely) Seven years ago, you murdered Claudia in cold blood right in front of me, because of you, I suffered from depression and you also devastated the rest of my Guardian Angels. (RAINBOW ENERGY AURA

EXTREMELY FLARES UP EVEN MORE AND MUSCLES BULGE) (SUDDENLY GETTING EXTREMELY PISSED OFF IN AN EXTREME MANNER) But, as always, you showed absolutely no remorse and you showed a complete disregard for everyone around, all you've ever cared about is yourself, you pathetic little worm! (SCREAMING AND YELLING AT THE TOP OF HIS LUNGS) I'VE HAD IT UP TO HEAR WITH YOU, SCOOTS! I'M GOING TO KILL YOU AND AVENGE CLAUDIA AND SEND YOU A PLACE FAR WORSE THAN HELL! (WOLF ROAR)

Lincoln unholstered his massive Lincoln Loud's Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Universal Hope Elemental Cosmic Heavenly Bravery and True Unbreakable Eternal Bonds and True Immortal Heroism, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

But, as soon as the clone of Scoots even got near, Lincoln fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals which knocked that old goat off her scooter, and he grabbed her scooter and tore it apart with slashes from his massive greatsword.

Scoots Clone: HEY! That was a priceless electric scooter!

Lincoln: Like I even give a damn about your stupid scooter, you tried to run me over with that stupid thing in the past, and you did the same thing to so many others!

Lincoln flew at the clone of Scoots, and he attacked her with powerful slashes from his massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws, his massive greatsword, and his two new massive angelic and demonic greatswords and he even fired red and blue wolf fire at her, and he attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of his extremely excessive brute superhuman strength, along with elemental blasts, and this was driving the clone of Scoots even more madder and even more insane with rage.

Selene Emperyous: You've had this coming for seven years, you miserable old goat!

Lincoln's Guardian Angels went at Scoots and they brutally thrashed her horribly!

Me: Damn, seven years of revenge bottled up inside them, that's brutal.

Claudia Cloudian: My death hit Lincoln really hard in his heart, same with the rest of my fellow Guardian Angels, I'm going to help them end those seven years of pain they've had to deal with when I died.

Me: Scoots, you are in a WHOLE LOT of Trouble!

Lynn Sr.: I'm glad I banned you from the restaurant you spineless old crow!

Varie: And we sent you to the nuthouse!

Claudia Cloudian: And you killed me by stabbing me in the back with a sword of glass! That shows that you are nothing but a heartless little cowardly old bat!

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a wave of lightning and it hit Scoots and electrocuted her!

Suddenly, Claudia Cloudian's blue eyes turned neon blue, and she was surrounded by a lilac purple energy aura with stars, clouds, rain, lightning bolts, phoenixes, and angels, she unholstered her massive lightning greatsword Lincoln made for her, and as she approached the clone of Scoots, she left lilac purple energy, stars, clouds, rain, lightning bolts, phoenixes, and angels with every step.

Claudia Cloudian: Even after you killed me seven years ago, you still make me sick to no end, Scoots. You've tried numerous times to run Lincoln over and kill him, you've shown absolute zero remorse and you've always had a complete disregard for the lives of those around you, because all you care about is yourself, you pathetic little worm. The real Scoots paid the price by getting sent to The Black Gates, but you, you're going to be sent somewhere far worse, but not before I get payback for what you did in killing me seven years ago and left a gaping wound in Lincoln's heart and in the hearts of the other Guardian Angels, you miserable old goat!

Suddenly, Claudia Cloudian was surrounded by a massive vortex of lilac purple energy with stars, clouds, rain, and lightning bolts surrounding the vortex, there are phoenixes, angels, and The Cloudian Duel Monsters flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at the clone of Scoots: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: Oh man, the storm's been unleashed!

Lincoln: And now, Scoots is about to pay the price for what she did to her, me, and the rest of my Guardian Angels seven years ago.

Then, as the vortex faded, Claudia Cloudian emerged, but she was changed forever.

Claudia Cloudian grew to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large lilac purple planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long lilac purple hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a lilac purple energy aura with stars, clouds, rain, lightning bolts, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has the symbol of The Cloudian Duel Monsters and gold cross emblazoned on her forehead with blue iris, she has on Thunderbird earrings with lilac purple gems for eyes and holding the Star, Cloud, Storm, and Eternity Kanjis in its talons, she also has the Cloudian Duel Monsters with lilac purple gems for eyes and holding the Star, Cloud, Storm, and Eternity Kanjis in their hands for the second pendant on the bottom of her lilac purple angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with lilac purple crystal links from her merged Crystal Necklace of the Buddha and lilac purple gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Claudia Cloudian has on a purple sleeveless vest, sleeveless lilac purple crop top, blue skirt with the symbol of The Cloudian Duel Monsters on it, light blue knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, clouds, rain, lightning bolts, phoenixes, and angels on the coattails, and on the back is a gold cross and surrounding it are The Cloudian Duel Monsters and surrounded by clouds and storms, and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a lilac purple gem with neon glowing lilac purple lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Claudia Cloudian felt a sharp pain on her back, and then, her massive blue angel wings with lilac purple tips on the large blue feathers grew much larger for her new body and medium sized blue angel wings with lilac purple tips grew and sprouted out underneath her massive blue angel wings and she also now has eleven massive and long lilac purple wolf tails with blue tips and blue markings, Claudia Cloudian has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and fingerless gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Claudia Cloudian's massive lightning greatsword, massive gold greatsword, and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of lilac purple energy, stars, clouds, rain, lightning bolts, phoenixes, and angels, and when it emerged, it was transformed into Claudia Cloudian's Cosmic Eternal Lightning Storm Holy Justice Cloudian Duel Monster Thunderbird Phoenix God Angel Greatsword of Cosmic Eternal Lightning Storm Holy Justice Cloudian Duel Monster Thunderbird Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded lilac purple and blue gems and The Cloudian Dual Monsters and runes etched on the 7'9" massive, wide, double-edged gold blade, large gold Thunderbird heads for the crossguard, large white angel faces built into both sides of the hilt and large lilac purple gems embedded in their foreheads, longer midnight black handle, four large gold Thunderbird heads with blue gems for eyes and on the bottom of the large gold Thunderbird heads is a large large gold Thunderbird head with blue gems for eyes and lilac purple gem in its mouth for the pommel, Claudia Cloudian has on her brand-new large gold Bracers of The Champions of The Universe with large lilac purple gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Cloudian Storm Dragon's head with blue gems for eyes and lilac purple gem in its mouth for the belt buckle and gold versions of the heads of Cloudian - Acid Cloud, Cloudian - Altus, Cloudian - Cirrostratus, Cloudian - Eye of the Typhoon, Cloudian - Ghost Fog, Cloudian - Nimbusman, Cloudian - Poison Cloud, Cloudian - Sheep Cloud, Cloudian - Smoke Ball, and Cloudian - Turbulence with blue gems for eyes and lilac purple gems in their mouths around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a lilac purple kanji with lightning bolts and rain drops in between the kanji below the gold cross surrounding The Cloudian Duel Monsters that said, "Claudia Cloudian, Avatar of The Cloudian Duel Monsters, Powerful Master of Rain, Clouds, and Storms, Master of The Powers of The Cloudian Duel Monsters, Powerful Force of Good, Thrasher of The Bad Guys, True Immortal and Omnipotent Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Destroyer of Scoots, Archenemy of Ty-Foo, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Clouds, Rain, Lightning, Storms, Thunderbirds, Phoenixes, Angels, and The Cloudian Duel Monsters"

We were amazed by Claudia Cloudian's Super Angel-Cloudian Duel Monsters Avatar-Thunderbird-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the clone of Scoots saw it, she went mad and got out the one thing that killed Claudia seven years ago: a sword of glass.

Scoots Clone: DIE! DIE! DIE! (LAUGHING AND CACKLING)

The Scoots Clone ran at Claudia hoping to skewer her again, but Claudia Cloudian fired a massive barrage of lilac purple energy, stars, clouds, rain, lightning bolts, phoenixes, and angels which hits the clone of Scoots and shatters the sword of glass into pieces and it was also blasted by fire blasts. The clone of Scoots got back up, but now, she was really mad now as she was ranting like crazy!

Lincoln, Claudia Cloudian, and I went after the clone of Scoots, and we fired extremely powerful blasts of rainbow energy, lilac purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the clone of Scoots, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Claudia Cloudian, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the clone of Scoots even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit her and slashed at her with his dark greatsword, Then, Lincoln, Claudia Cloudian, and I fired powerful blasts of energy, stars, clouds, rain, lightning bolts, and planets at the clone of Scoots, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked her and she got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is the end for you, you rotten old goat!

Suddenly, Lincoln's Dragon Ball Bracelet glowed and fired seven red energy beams which formed into a massive red energy ball and he condensed it to the size of his body, but it also glowed brighter red as all of Scoots' crimes were also added in and made it even stronger!

NEGATIVE KARMA BALL!

Lincoln fired the energy ball and it hits the clone of Scoots and exploded with incredible power and it destroyed her. Then, the Scoots clone's spirit appeared.

Lincoln drew the kanji for Abyss 深淵 on her forehead.

Suddenly, the Abyss Kanji on the Scoots clone's forehead glowed, and then, all of the spirits of those Scoots has harmed or killed came back and they grabbed her.

Spirits: GUILTY!

She was found guilty, and then, she was being consumed by black flames: The Black Flames of The Black Abyss and she immediately began to fade away.

Scoots Clone: NO! NO! CURSE YOU, YOU STUPID LOSERS! (SCREAMS AND FADES AWAY)

Everyone cheered wildly as we holstered our weapons and powered down, and Claudia Cloudian's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long lilac purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large lilac purple planets orbiting around her legs, smaller planets orbiting around her fingers, and massive lilac purple angel wings and medium sized lilac purple angel wings underneath are permanent.

Claudia Cloudian: That old goat finally got what she deserved, first, the real Scoots got sent to The Black Gates, and now, her clone is in The Black Abyss.

Lincoln: Yes, she's finally gone.

Suddenly, Lincoln faced Claudia Cloudian and he hugged her tightly. Suddenly, she felt his breathing become heavy, and she looked up as she saw tears forming and falling from his eyes. Claudia knew how badly he was hurt when Scoots killed her seven years ago, and she hugged Lincoln back.

Claudian Cloudian: (Soothing Voice) It's okay, it's over, Lincoln, it's finally over.

Lincoln: (Voice Breaking) I know.

We saw it for ourselves.

Nico: Scoots, you really crossed the line seven years ago.

Me: She sure did. She's crossed it too many times too much!

Laney: I don't know if you know this, but Lincoln promised that when he came of age, he was going to marry Claudia along with the rest of his harem. But, thanks to Scoots, she cut short that promise.

WE GASPED!

Me: That miserable old… ! Now, I'm really glad we sent that old shrew to The Black Gates for good.

Nico: Of all the repulsive actions she'd committed, this was by far the worst!

Suddenly, Lincoln leaned his head down the right side of Claudia Cloudian's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Claudia Cloudian: Lincoln…? You…?

Lincoln: Yes, I marked you, and the necklace and choker you have on, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Claudia Cloudian.

Claudia Cloudian had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Claudia Cloudian's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Claudia Cloudian had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

Stewie was rebuilding her scooter.

Nico: Stewie, are you rebuilding her scooter?!

Stewie: Hey, it can work with us!

Laney: I was thinking of giving it to Pop Pop anyway.

Me: Mr. Albert will love it.

Rita Loud: Dad will love it.

Nico: Yeah.

Poromon: I agree there! (WINCES IN PAIN) Ouch!

Nico: Nice job, Galarian Articuno!

Galarian Articuno: Thanks Nico. It was cool.

Me: It sure was.

Poromon: Want a (WINCES) OUCH!

Msnaphy got out a beer bottle.

Poromon: Want a beer?

Galarian Articuno: Oh no thanks. I don't drink.

Poromon: Okay then.

Polowag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough. But thanks for reminding me. Poromon we need to talk.

Poromon: About what?

Me: About what happened that lead you to get hurt.

Manaphy: Babe, please tell us

Poromon: I told you. It was a dog that bit me.

Me: Let me take a look.

I unwrapped the bandages and then saw a strange mark. I saw that it was a WOLF PAWPRINT! Poromon had two bite wounds too.

Me: (GASP!) Oh no! Is that what I think it is!?

Brittney saw it too!

Brittney: Oh no it is!

Me: Poromon that was no ordinary dog that bit you! That was a WEREWOLF!

WE GASPED IN SHOCK AND HORROR! POROMON IS NOW CURSED TO BE A WEREWOLF ON THE NIGHT OF THE FULL MOON!

Qin: OH MAN! This is not good!

Lola: Poromon is going to kill people left and right when the moon is full!

Lana: This is awful!

Poromon: That's impossible!

Lincoln: Fine! Don't believe us! It's your choice!

Me: LINCOLN! This is serious! Poromon is going to kill people all over the place if we don't help him! And the next full moon is tonight!

Poromon: OH NO! I'M CURSED! YOU GUYS HAVE TO HELP ME!

Poliwag:… mercy kill?

Me: No Poliwag. Cold-blooded murder. He'll rip anyone that gets in his way to shreds!

Nico: Yeah! Remember how we killed all those werewolves in Paris?

Nicole: Yeah.

Me: Then they will want to kill him! With silver bullets!

Nico: And Poliwag no! We won't use a mercy kill on Poromon!

Horsea: Lock him up?

Nico: That's probably wise.

Camie: We'll have to chain him up.

Manaphy then started crying hard and jets of tears erupted out of her.

Manaphy: (WAILING HARD) I DON'T WANT TO LOSE POROMON!

May comforted her.

Manaphy: WHY?! WHY?!

May: Oh there there Manaphy.

Nico: We got to find a cure though.

Me: And fast. We've got 9 hours until the moon rises.

Nico: We better get to work then.

Lisa Loud: I'll think of something!

Eli: Yeah.

Me: Nico I think we should call off the fight with the Anothers until next time. We got more dangerous matters here.

Stewie: No. We should still have the fight with the Anothers. The Full Moon isn't until tonight. And I'll be helping Lisa anyway.

Me: You're right.

Qin: Yeah.

Eli: Speaking of which lets see. (Concentrates) Whoa! We got Commander Saturn, Ty-Foo, Cloud (Marvel), Cloud of Darkness, Cloud Creatures and Silver St. Cloud.

Qin: Wow! Cloud power.

Adrien Gekko: Yeah.

Qin: So Adrien Gekko, Claudia Cloudian, Cloudian Storm Dragon, Cloudian - Eye of the Typhoon, Cloudian - Cirrostratus and Cloudian Poison Cloud are up.

Eli: I sense that the anothers minus Commander Saturn are one person.

Me: Nice.

Rainbow Dash: Boy this is gonna be awesome!

Then Rainbow Dash's cutie mark started glowing.

Rainbow Dash: My cutie mark!

Me: It's glowing R.D. and that means only one thing.

Lola: Yeah.

Nico: There they are!

We saw Another Ty-Foo, Cloud (Marvel), Cloud of Darkness, Cloud Creatures and Silver St. Cloud!

Me: WHOA!

Xenia: This is gonna be awesome!

Another Ty-Foo: It sure will be.

They merged and she reverted back and was a girl with rainbow hair and magenta eyes and had blue angel wings and had blue sports clothes and had a tiara with Rainbow Dash's Cutie Mark on it and on her shorts and she had Rainbow Dash's tail anf had Rainbow Dash's sword.

Renee Rainbow Dash: Renee Rainbow Dash - Embodiment, Gene-slammer and Legacy of Rainbow Dash.

Rainbow Dash: WOW! Awesome! It's cool to meet you!

Renee Rainbow Dash: Same to you Rainbow Dash.

Me: Wow! It's awesome to meet you Renee.

Renee Rainbow Dash: Yep.

Me: By the way is the Another Commander Saturn friendly or hostile?

Renee Rainbow Dash: Friendly and she is amazingly powerful too.

Me: Wow!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Qin: OH YEAH!

Maria: (Turns Dial) SAMURAI FORCE 6!

She summoned Koyo Ozaki (Bungo Stray Dogs), The Caramel, Strawberry, Vanilla, Chocolate, Banana Syrup Gang, Shelob, Grizzly Bear (Balto), Evil Killer Frost and Chaos (Primal Rage)!

Me: YEAH!

Renee Rainbow Dash: That was awesome! Oh I heard about Poromon being bitten by a werewolf. I think I might know who did it?

Me: You do?

Renee Rainbow Dash: Yeah. Check that house there just before the Moon rises.

She pointed to a creepy house.

Me: That's the house of Lawrence Talbot.

Nico: Noted.

Eli: Something is strange with him. He is telling people to stay away from him especially when the Full Moon is rising.

Me: But his name is also very familiar. But we'll look into it later.

Manaphy was crying hard still.

May: (Soothing voice) Manaphy it's okay. It's okay.

Manaphy: Really, mama?

May: Manaphy we'll cure Poromon. We will cure him.

Nico: Yeah we will.

Manaphy: (Sniffles) Thank you.

Luster Dawn: You're welcome.

Then Luster Dawn's Cutie Mark was glowing.

Me: Luster Dawn's Cutie Mark is glowing now.

Nico: That means one thing too.

Poliwag: We'll save you, Poromon!

Qin: Just hold on.

Nico: THERE!

We saw ANOTHER COMMANDER SATURN!

Qin: Whoa!

Lola: This will be good.

Another Commander Saturn: It sure will.

She reverted back and was a girl with orange sun color hair and had yellow eyes and had pink angel wings and had yellow and pink clothes and had a tiara with the symbol of Luster Dawn's Cutie Mark on it and on her skirt and she had a tattoo with the Kanji for Legacy of The Sun of Friendship on her arm.

友情太陽遺産

And she had Luster Dawn's Tail and had a Sword of the Sun in her hand.

Lillian Luster Dawn: Lillian Luster Dawn - Legacy, Gene-slammer and Embodiment of Luster Dawn, The Second Coming of Friendship.

Qin: Wow!

Luster Dawn: Wow it's an honor to meet you Lillian.

Lillian Luster Dawn: Same here. I'm a leader and always willing to help with friendship.

Commander Saturn: Just like me. I was a leader of my own troop too.

Nico: Cool!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Lillian Luster Dawn: No he didn't promise me anything.

Sakura Knudson: Because I helped her get out undetected.

Me: Wow! Smart move there.

Nico: Nice.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you first.

We did so.

Me: Nice!

Nico: Lets do it!

We faced the Another.

Nico: (gets out Commander Saturn's Ridewatch) Time to use one of Saturn's Pokémon!

May: (Gets Out Cloud's Ridewatch) Lets bring the clouds!

Maria: (Gets out Cloud Creatures ridewatch) The clouds are rolling in!

Claudia Cloudian: (Gets out Ty-Foo's ridewatch) Time to blow you away!

They used the powers of Commander Saturn, Ty-Foo, Cloud (Marvel), Cloud of Darkness, Cloud Creatures and Silver St. Cloud!

Nico: YEAH!

Then Teruteru Hanamura, Universe 666 Adagio Dazzle, Universe 666 Aria Blaze, Universe 666 Sonata Dusk, Universe 666 Tirek and Universe 666 Storm King came!

Nico: WHOA! Nice team Teruteru!

Teruteru Hanamura: Thanks Nico

Nico: Cool!

?: I'll say!

Tornado Tonion came!

Me: Whoa! Tornado Tonion!

Xenia: Awesome!

Tornado Tonion: (In a girls voice) This will be fun!

Nico: Tanya Tornado!? Whoa!

Tanya Tornado: Awesome to see you again Nico. I heard about Poromon and I'm sorry. But I have something that might help him out.

Nico: Really?

Tanya Tornado: Yep. One sec.

She fired a wave of wind and blasted the another and I caught the ridewatch and purified it!

Nico: YEAH!

Me: That did it!

She reverted back and was a girl with green hair and blue eyes and had green angel wings and had a green bikini on and had a symbol for a tornado with onions swirling around it and had a wind sword in her hands.

Tanya Tornado: Here Nico.

She pulled out a slip of paper and on it was a formula for the Werewolf Curse Antidote.

Nico: Whoa! Thanks Tanya.

Manaphy hugged Poromon

Manaphy: You'll be okay.

Lisa: I'll take a look at this.

She did so.

Lisa Loud: Hmm. Fascinating. These are all easily found ingredients. This antidote is very easy to synthesize too.

Me: Awesome. How soon can you whip this stuff up Lisa?

Lisa Loud: It'll take about at least 3 hours. So by the time you guys get back from the next Ambassador Mission for Yona it'll be ready.

Nico: Perfect.

Tanya Tornado: Awesome.

Lisa Loud: But there's a catch. It has to only be administered when Poromon transforms the first time.

Me: Oh boy. I knew there was a catch somewhere.

Poromon: (GULPS) Well if it'll be worth it to help me out then I'll do it.

Rarity: Lets get you some clothes on darling.

The Fashion brigade gave her an awesome new blue and green outfit.

Tanya Tornado: Wow! I look awesome. Thanks.

Maria: Anytime.

Nico: The tricky part is to catch Poromon before he hurts anyone. Or himself.

Me: And once he changes there's no telling what he is capable of as a werewolf. Luckily I do have a plan for that.

Lincoln: Me too.

Claudia Cloudian: Tanya do you have a favorite memory of Nico?

Tanya Tornado: I sure do. When me and Nico made a really awesome tornado simulator for science class and it won us an award for best science project.

Nico: That was cool.

Qin: That was a cool project.

Nico: Yep.

Nico and Tanya hugged.

Nico: I've missed you.

Tanya Tornado: Same here.

Nico: What's your plan guys?

We told them that we'll have Poromon chained in a clear indestructible plexiglass box and when he turns into his werewolf form we'll inject it into him through the back hatch of the box.

Nico: That's genius!

Lincoln: The chains will be made of neutronium.

Me: Good thinking.

Camie: Yeah.

We went back home and got everything ready.

Lincoln: Whoa, we're here on Planet Glaren, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got really bad news: the evil dream version of J.D. has come back from the dead to get revenge.

WE GASPED!

Me: Wait, what?! That evil dream version of me has come back?!

Nico: Oh God.

Eli: That's seriously not good.

Lincoln: He may be weaker than J.D., but he's still incredibly dangerous, so we can't let our guard down on him ever.

Svetlana Succubus: And I'm going to use a mega enhanced Succubus Lust Dust on him, and that'll enable you to absorb him since he'll be mega distracted upon seeing me.

Me: Just be careful, Svetlana.

Adrien Gekko: And he chose Glaren, at least, we're far from the city where he won't do any damage to anyone.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and yellow headband, yellow eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful brown angel wings, she's dressed in a golden yellow sleeveless crop top, necklace with a red gem for the pendant, golden yellow skirt, brown knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, desert sands, flames, dragons, phoenixes, and angels on the coattails and on the back is Hieratic Dragon of Sutekh, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel and with her are the five girls.

Lincoln: (GASPS) Acacia Sahara, Avatar and Gene-Slammer of Hieratic Dragon of Sutekh.

Acacia Sahara: That's right, and I got the girls away from that evil dream version of J.D. before he could destroy them.

Svetlana Succubus: Alright, stand back!

Svetlana Succubus forms an even more powerful glowing purple dust in her hands, and she blew it right at my evil dream self which hit him.

Evil Dream Me: WHAT THE FUCK IS… This?

Suddenly, my evil dream self's eyes turned red and his entire body was suddenly taken over by extremely powerful overpowering lust and sexual arousal as he saw Svetlana Succubus, and then, he suddenly grew to 9'8" in height and his body suddenly began growing as his already huge muscles suddenly began growing much larger and the muscle growth caused his shirt to rip off showing off his newly muscular upper body and eight-pack abs, and his powers also increased to a massive degree.

Svetlana Succubus: (Divine Echoing Godly Voice of The Voluptuous Beauty Darkness Magic Love Succubus Dopant Embodiment Succubus Phoenix God Angel and Divine Cosmic Eternal Voluptuous Beauty Darkness Magic Love Succubus Dopant Embodiment Succubus Phoenix God Angel Love) Okay, Lincoln, now!

Suddenly, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into my evil dream self's massive pecs, and then, Lincoln began absorbing my evil dream self as he groaned in pain.

Then, all of my evil dream self's newly gained massive muscle mass, massive excessive virility levels, massive superhuman strength, and all of his powers were being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized angel wings with aurora and orange tips underneath spread out and glowed and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon

Then, when Lincoln was done and the stingers changed back, there was nothing left of my evil dream self except for his clothes and he was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: And with that, the last remnants of the nightmare started by Weiss' father three years ago ends here. (To Acacia Sahara) And it's so good to see you again, Acacia.

Acacia Sahara: You too, Lincoln, it's been seven years since we last met.

Suddenly, Acacia Sahara wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and then all over the place: face, arms, pecs, eight-pack abs, and stomach. When Acacia Sahara was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in

Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Acacia Sahara: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Acacia Sahara's waist and hugged her, and Ariana Abner is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Acacia Sahara: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Acacia Sahara, Avatar and Gene-Slammer of Hieratic Dragon of Sutekh, she's Lincoln's Guardian Angel from Egypt and she's a very powerful Angel of The Desert. She's the Avatar and Gene-Slammer of Hieratic Dragon of Sutekh, and she has powerful desert and fire powers and her favorite Duel Monster was Hieratic Dragon of Sutekh. She's also a powerful master and defender of Egypt's long history and she's the desert master of The Order of The Hieratic Egyptian Duel Monsters, a group that formed over 5,000 years ago during the time of Pharaoh Atem, and their goal was to defend Egypt from the dark forces of The Shadow Realm and its ruler, Zorc Necrophades, who fought alongside Pharaoh Atem against Zorc Necrophades and after he was sealed away, the order was tasked in guarding The Millennium Items, so that nothing bad ever happens again and that no one would use them for evil. Lincoln knew about Ariana and her friends along with The Order of The Hieratic Egyptian Duel Monsters from Pharaoh Atem a few years ago, and he knew Acacia would be the next one to train him in mastering the powers of light. Lincoln made her a powerful fire greatsword, and to show her thanks, Acacia kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. She's an old friend of Pharaoh Atem because of the strong friendship he had with her ancestor, one of the thirteen founders of The Order of The Hieratic Egyptian Duel Monsters, and she not only hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a blazing passion, but she utterly despises Zorc Necrophades, Dark Bakura, and Yami Marik with utter distain and hatred because of what they've done in trying to take over the world and plunge the world into a reign of eternal darkness, and she swore if she ever saw them again, she would rend and tear their dark souls apart and banish them to Oblivion.

Nico: Just like we heard yesterday, and we'd already sent Yami Marik and Dark Bakura to The Black Gates.

Acacia Sahara: Good, those two were monsters.

Lincoln: Absolute monsters is the word I call them, and now that you're here, Acacia.

Lincoln leaned his head down the right side of Acacia Sahara's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Acacia Sahara: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Acacia Sahara with golden yellow gems on the gold lightning bolts and golden yellow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Acacia Sahara: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Acacia Sahara.

Acacia Sahara had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Acacia Sahara's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Acacia Sahara had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the five girls, and when Lincoln saw the five girls, he immediately recognized them. The five girls are Ranshia Esuto-Ru, Eria Meiheru, Lilly Florian, Serena Rorgrens, and Shiguria Syuderay from Hentai Yuusha no Nakadashi Eiyuuki.

Lincoln: Oh wow, it's Ranshia Esuto-Ru, Eria Meiheru, Lilly Florian, Serena Rorgrens, and Shiguria Syuderay from Hentai Yuusha no Nakadashi Eiyuuki.

Me: Tough and beautiful warrior girls, oh man, they could've easily attacked him.

Nicole: Not a chance, you know the damage your evil dream self's capable of, Dad.

Lincoln: That's why Acacia blinded him and got them away. Are you girls okay?

Ranshia Etsuo-Ru: Yes, we're okay, thanks to you saving us from J.D.'s evil dream self.

Ranshia Esuto-Ru: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ranshia Esuto-Ru: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ranshia Esuto-Ru, Eria Meiheru, Lilly Florian, Serena Rorgrens, and Shiguria Syuderay with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was the evil dream version of me who's come back from the dead to get revenge on me.

But, when Lincoln showed what we all did in beating him down and Svetlana Succubus using a specially enhanced Succubus Lust Dust on him which caused his entire body to suddenly be taken over by extremely powerful overpowering lust and sexual arousal as he saw Svetlana Succubus, and he suddenly grew to 9'8" in height and his body suddenly began growing as his already huge muscles suddenly began growing much larger and the muscle growth caused his shirt to rip off showing off his newly muscular upper body and eight-pack abs, and his powers also increased to a massive degree and Lincoln turning the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into my evil dream self's massive pecs, and then, Lincoln began absorbing my evil dream self and assimilating all of his massive muscle mass, massive excessive virility levels, massive superhuman strength, and powers and sent him to The Black Gates, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Acacia Sahara have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so you guys took down J.D.'s evil dream self?! I thought we were rid of him three years ago.

Lincoln: We sent him to The Warp, but he decided to come back for revenge.

Nico: But, Svetlana used a specially enhanced Succubus Lust Dust on him and that turned him into a hulking 9'8" virile and muscular behemoth.

Me: Who wound up getting absorbed by Lincoln, and that ended the nightmare Weiss' vile father started three years ago.

---

After Lincoln and all of us beat down my evil dream self and he absorbed him and sent him to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Acacia Sahara saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Acacia Sahara: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Acacia, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Acacia Sahara: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Acacia Sahara: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Me: So far, it's quiet. (SUDDENLY SENSES AN EXTREMELY MASSIVE POWER SIGNAL) WHOA! WHAT ON EARTH WAS THAT?! I'VE NEVER FELT SOMETHING THAT POWERFUL!

?: Sorry about that, and I get that a lot.

Suddenly, we saw a very beautiful and super sexy girl with long purple hair, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings, she has The Sun above her head and Mercury, Mars, Earth, The Moon, Venus, Jupiter, Saturn, Uranus, Neptune, and Pluto orbiting around her legs, she's dressed in a purple sleeveless crop top, necklace with a purple gem for the pendant, purple skirt, light blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, planets, nebulae, galaxies, phoenixes, and angels on the coattails and on the back is the entire Solar System, holstered on her back is a massive star greatsword with angel runes etched on the 7'9" massive, wide, double-edged purple blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln: (GASPS) Marianna Andromeda, Avatar of The Agents of The Planets Duel Monsters, The Legendary Planets Duel Monsters, The Cosmos, The Galaxy, and The Universe.

Selene Arcangela: (GASPS) Oh God, I knew we'd run into her!

Nico: I've never felt a power signal that massive and powerful before, and you all know her?

Selene Arcangela: We sure do. Everyone, meet Marianna Andromeda, Avatar of The Agents of The Planets Duel Monsters, The Legendary Planets Duel Monsters, The Cosmos, The Galaxy, and The Universe, she's Lincoln's Guardian Angel from the Andromeda Galaxy and she's a SUPER MEGA INFINITE-TIMES POWERFUL ANGEL OF SPACE AND THE UNIVERSE! Marianna has all the powers of The Agents of The Planets and Legendary Planets Duel Monsters, and she's also a powerful master of the stars, galaxies, nebulae, planets, moons, lasers, space powers, and more, and she also has omnipotent power and she has the power of 2,000 galaxies at her command, and she has The Sun above her head and Mercury, Mars, Earth, The Moon, Venus, Jupiter, Saturn, Uranus, Neptune, and Pluto orbiting around her legs.

Me: UNREAL!

Michelle Emperyous: Plus, she's also travelled all over the universe and she's met many alien species and dealt with many dangerous threats across the infinite reaches of the universe. Lincoln met her when she came to Royal Woods, and he really fell in love with her, and the rest of his Guardian Angels were also impressed by just how powerful and dedicated she is to defending Lincoln. Lincoln made her clothes that reflect the stars and galaxies, and to show her thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he will marry her along with the rest of his harem, and she hates ALL OF LINCOLN'S ENEMIES WITH A VERY BLAZING AND TERRIBLE PASSION EVEN MORE SO THAN SELENE EMPERYOUS, AND SHE SWORE IF SHE EVER SAW THEM TRYING TO KILL LINCOLN ONCE MORE, SHE WILL SEND THEM THROUGH A PORTAL INTO DEEP SPACE WHERE THEY WILL DIE FROM LACK OF OXYGEN AND THEIR BODIES DRIFT FOREVER IN SPACE!

CLANG!

Our jaws dropped and Eli put them back.

Qin: Yikes, this is one Guardian Angel no one wants to ever fuck with!

Nico: Not unless they want to wind up in deep space where they'll die from lack of oxygen and drift in space forever.

Lincoln: You thought Sakura Shinju was that dangerous when she gets mad, getting Marianna that mad will earn you a death sentence, and it's so good to see you again, Marianna.

Marianna Andromeda: You too, Lincoln, it's been seven years since we last met, and you've really really grown into quite a man.

Lincoln went up to and hugged Marianna Andromeda in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also

kissed where he bit her.

Marianna Andromeda: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Marianna Andromeda with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Marianna Andromeda: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marianna Andromeda.

Marianna Andromeda had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Marianna Andromeda's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Marianna Andromeda had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, he continued his workouts.

Marianna Andromeda: And I heard of what you did yesterday to that Dark Lynn clone.

Eli: We were still in shock and awe.

Nico: But, he really did tons of damage to that rampaging animal, and she got what she deserved.

Me: I would've wanted to see her piss herself, but not with Dark Lynn, she just reacted with anger.

We got a shower, and then, Lincoln, Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru are heading to Laverra Beach.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Julia Fernandez: Wow, so this is Laverra Beach. It sure is beautiful.

Lincoln: It sure is, Julia, and it's perfect for our first date. Shall we?

Lincoln, Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was

being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru and they hugged the girls in their abnormally massive and powerful muscular arms and Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru are in your harem, Linky.

Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Queen, Julia Fernandez, Ming-Ming, Jelly, Killy, and Hikaru, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for the third Geats Mission.

Nico: Anyone else want to go with Lefou, Crazy Cat Lady, Mesmeralda, Yona, Himiko, and Carlota? Besides Elyon, Ty Rux, and Dino Tyranno?

Lightning: I'll go!

Zzzax: So will I.

Girl Jordan: I'll go.

Leeli: Same here.

Nico: Okay then.

Sheila: I might as well go too. Since only one of the Evil Riders is left there for me to catch.

Me: Okay then.

Nico: Lets go.

Girl Jordan: Yes every single word of it.

Me: Girl Jordan HATES Carnage with a vengeance.

Girl Jordan: Yeah. But there are some versions of Carnage that I can accept in the M.O.E.

Nico: And this is Lefou, Crazy Cat Lady, and Mesmeralda.

LeFou: Awesome to meet you guys.

Crazy Cat Lady: (Yelling Incoherently)

Mesmeralda: Pleasure to meet you all.

Neon: Same here.

Me: Crazy Cat Lady doesn't talk munch. She wasn't always like this though.

Nico: Yeah.

Neon: (to Lefou) Weren't you in that song related to your former sex offender friend?

LeFou: That's right. But I changed it to Nico. It was cool and fun.

Neon: Good.

Keiwa (to Mesmeralda): And what can you tell us about yourself?

Mesmeralda: I'm one of the Skylanders enemies and I did puppet shows.

Girl Jordan: Long story on that but it was cool.

Leeli: It sure was.

Ty Rux: I'm what you get when you cross a dinosaur with a construction vehicle

Me: Ty comes from a world of Anthropomorphic Dinosaur Construction Vehicles.

Girl Jordan: It's really cool.

Me: When we had the missions with Ty we piloted our Zoids there and helped them out there.

Ty Rux: You should have seen it.

Neon: That is cool!

Ty Rux: It sure is! And we love our work.

Me: Yep. Ty and his friends are so cool.

Eli: Especially Garby. He's half Stegosaurus and half Garbage Truck. And (LAUGHS) He has a really nasty gas problem but we get a good laugh out of it.

Ace Ukiyo: It's true. He farts really bad but we get a great laugh from it.

Dino Tyranno: And I'm a Dinosaur Alien

Me: Dino Tyranno is very much in similarity to the Cybertronians. And he and his team defend the universe from the evil forces fo Gigano Dragon and his horde of Dragozaurs.

Neon: WHOA! What do they do?

Me: They steal life force from worlds and suck them dry and turn them into dead husks.

Neon: That's horrible!

Leeli: It was.

Elyon: And I'm the Queen of Meridian

Neon: What's that?

Me: Meridian is the realm that Elyon rules. Before she ruled it, it was under the tyrannical rule of one of our most dangerous enemies.

Elyon: My evil brother Prince Phobos.

Me: He was a ruthless and honorless tyrant that ruled over that land with an Iron Fist.

I went over his history and what happened and how we killed him.

Neon: (GASP) That's horrible!

Ace Ukiyo: But it's all true.

Himiko: It was awful. But yeah.

Zzzax: As for me? I'm just made of electricity

Nico: It's true.

Zzzax: Yep.

Neon: Wow! Electrifying.

Nico: Yep.

Girl Jordan: It's true but awesome.

Ace Ukiyo: That is awesome.

Keiwa: Girl Jordan how did you and Leeli meet?

Girl Jordan: We met on the planet Aerwiar and she and her family were on the run from the dark forces of Gnag the Nameless.

Me: He was really Davion Wingfeather who was trying to kill his own family.

Nico: Yeah.

Neon: That's horrible!

Leeli: It was.

Me: Yep.

Nico: Yeah. We found out that during one of my rescues that Girl Jordan and Leeli have a very powerful spiritualistic connection.

Girl Jordan: When I heard Leeli sing her song it supercharged my powers and that's when we discovered the connection.

Nico: It's true and it was amazing.

Me: Leeli's song is magical. It purified the land of the Yokai Realm and even terraformed Venus back into an Earth World from millions of years ago before it turned into a scorching hot wasteland.

Neon: Wow! That's amazing!

Nanette: It sure is. We were amazed at how powerful Leeli's song is.

Nico: Yeah.

Neon: There's also a full moon tonight. You guys excited?

Me: Well not really. The reason is because Poromon was bitten by a werewolf last night.

They gasped!

Keiwa: Oh man! That's awful!

Neon: You saying Poromon could turn into a Werewolf?!

Me: I'm afraid so. And if we don't cure him by the full moon tonight, he's going to kill anyone that comes into his sights.

Neon: Oh man.

Michinaga: I hope he doesn't kill that many animals or people.

Me: Don't worry we have a plan.

Girl Jordan: Our future husband Lincoln is known as the man with the plan for a reason.

Me: Yep. Lincoln is called that.

Nico: Yep.

Ace: Anyway, we have a surprise ally against Morio

Me: Really?

Out came Win Hareruya A.K.A. Kamen Rider Punkjack!

Me: Win Hareruya!

Win Hareruya: It's an honor J.D.

Nanette: Been a long time Win.

Win: Nanette! Long time no see!

Nanette: You're looking great.

Win: Same here. So Morio is back.

Me: Yeah and Sheila is going to capture him after we bring him

down.

Eli: Yep and it will be good.

Nico: Where is he?

I looked through a viewing winder and saw that he was on the roof of the Tokyo Convention Center..

Me: The Roof of the Tokyo Convention Center.

Eli: This will be rough.

Nico: Lets head out.

We were off.

* * *

We arrived and saw our target! MORIO KOGANEYA A.K.A. KAMEN RIDER MARY!

* * *

Morio Koganeya is a participant in the Desire Grand Prix who transforms into Kamen Rider Mary and a supporting antagonist in Kamen Rider Geats.

He is portrayed by Japanese comedian and actor Koji Obe.

History

Morio Koganeya originally ran an illegal gambling den overseas, before fleeing to Japan after his den was shut down. He was later approached by Tsumuri and selected to be one of the participants in the Desire Grand Prix.

Morio got along with his fellow participants initially, keeping his true past and motives a secret from them. In the fourth round of the DGP, in which the Riders were sorted into pairs and sent to fight the Trump Jyamato, Morio was partnered with DGP staff member Kamen Rider Punkjack due to there being an odd number of players. Dissatisfied with his partner, Morio used some of his points to pay for a ticket to swap partners and was able to choose Michinaga Azuma to be his new partner. He also stole the Boost Buckle that Ace Ukiyo had given Keiwa, but Michinaga revealed to Keiwa what his partner had done and offered him the chance to get it back. However, Morio was able to best Keiwa in the challenge for who would get the Buckle and got keep it. He allowed Michinaga to use it, but Michinaga found Morio to be distasteful and used some of his own points to purchase a ticket to switch partners, resulting in him being paired with Keiwa again while Morio was stuck back with Punkjack. After Michinaga and Keiwa scored more points than he did, Morio lost the round and was booted from the game.

---

Ace: Long time no see, dirtbag.

He turned and saw us!

Me: Morio Koganeya A.K.A. Kamen Rider Mary, You're under arrest.

Morio: On what charges?

Me: Illegal gambling and fraud.

He looked at Michinaga.

Morio: I remember you, traitor. You were my partner and you ditched me!

Michinaga: Me? You had that coming!

Nanette: Because you cared about winning by any means necessary!

Eli: There's no honor in fighting dirty!

Girl Jordan: TIme for you to face the consequences of your crimes jerkball!

Morio: It's my lucky day then! My new boss Suel is paying me a million dollars if I can kill you idiots!

Nico: Sorry to disappoint you but Suel is going to die!

Me: And he will be sent to the black gates.

Eli: And it won't be pretty.

Me: The only thing you're going to get is eternal loneliness in an ice cold dark prison cell.

Morio: We'll see about that. Henshin!

He turned into Kamen Rider MARY!

Ace, Neon, Keiwa, Michinaga and Win: HENSHIN!

They transformed and were ready!

READY FIGHT!

Me: GAME START!

Ty Rux: Let's Trux it up!

Dino Tyranno: DINO TYRANNO! POWER OF THE ANCIENTS! SILVER SWORD! DINO KNIGHT READY! LETS DO IT!

Me: YEAH!

I teleported and slashed him with my sword and kicked him in the back of the head and knocked him all over.

Girl Jordan fired a water dragon blast and Leeli fired a light blast and the blasts all hit him and blasted him all over.

Ty Rux got out his Wizard Ring

LIVE ACTION DEMOLISHOR! PLEASE!

He fired waves of energy and blasted him all over!

Nico: YEAH!

Dino Tyranno got out his Wizard Ring!

ICARUS PROMETHEUS! PLEASE!

He fired waves of energy and blasted Morio all over

Lightning got out his Wizard Ring!

SPORTSMASTER! PLEASE!

He fired soccer ball bombs and blasted him all over!

Eli: Take this!

He fired a wave of Force Lightning and electrocuted him!

Me: What's wrong Morio? Had enough?

Elyon got out her Wizard Ring

TERMINATOR 1984! PLEASE!

Elyon: Hasta la vista, baby!

She fired energy blasts and blasted him all over.

Eli: Take that!

Nico: Take that!

But then a figure came and it was a girl with red hair and red eyes and had black clothes and blad angel wings and she had a tiara with Ultimate Rath on it!

Me: (GASP) Tigra Rath!

Nico: The embodiment of Ultimate Rath!

Me: Yep.

Tigra Rath: (GRUNTS) I'm not going to let this virus control me! LEMME TELL YA SOMETHING MORIO KOGANEYA! YOU WILL NEVER GET ANOTHER CENT ON OUR WATCH!

POW! BLAM SMASH WHAM!

She mercilessly thrashed Morio!

Me: GET HIM!

Tigra Rath then lost control and punched Zzzax

But she got electrocuted when it made contact with him.

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPP!

Tigra Rath: Ow.

Zzzax: That's what happens when you punch me. Because I'm made of pure lightning.

Nico: To quote Ed, "Zappity Zap Zap".

Eli: Yep.

I fired an electron blast and it injected the antidote into her.

Lightning charged at her and piledrove her and smashed her down.

?: (ECHOING) DARK BLAST!

A laser beam blast hit Morio and blasted him down and out came ANCIENTSPHINXMON!

Me: AncientSphinxmon!

Eli: WHOA!

AncientSphinxmon: (In a girls voice) That will teach you not to mess with Nico and friends!

Nico: Selene Ancient Sphinx!? Whoa!

Me: Cool!

Then Tigra was cured as the antidote took effect.

Tigra Rath: (Groans) That really hurt.

Mesmeralda: My turn!

She used her phantom hands and punched and pulverized Morio all over the place!

Girl Jordan: Take this one!

She fired more water Dragon blasts and blasted Morio!

Crazy Cat Lady yelled incoherently and threw cat bombs and blasted Morio all over.

Selene reverted back and she was a girl with black hair and purple eyes and black clothes and black angel wings and had the symbol of AncientSphinxmon in the middle of her forehead and on her skirt and she had a sword of darkness in her hand.

Selene Ancient Sphinx: How do you like those nine lives?

Yona: Yona ready for smashing!

Nico: Yeah!

Me: Lets finish him!

We fired a massive wave of energy and blasted Morio all over and blasted him down and he was defeated!

GAME OVER!

Morio: I'm still here?

Ace: You're keeping your memories to remember this defeat.

As if on cue, several police officers came.

GUNS CLICK!

Officer: Morio Koganeya, you're under arrest! Get down in the ground!

Me: You heard him Morio!

He did so and they slapped the cuffs on him.

Morio: You have nothing on me!

Me: Tell it to the judge you loudmouth schnook!

One officer tazed him.

ZZZZZZAAAAAAAAPPP!

BOP BOP BOP BOP BOP!

They bopped him with their clubs and took him away.

Me: See ya. Hate to be ya.

Nico: Yeah!

Me: (Imitating Foghorn Leghorn) That guy, I say that guy is lower than a snake full of buckshot.

Nico: Yep.

Selene Ancient Sphinx: That was cool!

Ace: The Cops finally caught him.

Me: Yep.

Neon: They sure did.

Ace Ukiyo: Do you have any favorite memories of Nico?

Selene Ancient Sphinx: When me and Nico were in Egypt and we visited the Sphinx and it was awesome.

Me: That is awesome.

Eli: It sure is.

Selene Ancient Sphinx: That was fun.

Nico: Yep.

Nico and Selene hugged.

Nico: I've missed you.

Selene Ancient Sphinx: Me too Nico.

---

Later we came back.

May: How did it go guys?

Me: Really awesome!

We told them everything and it was cool!

May: Awesome!

Lola: Yep.

Nico: Next time, Matt Olson, Haruto, and Dante Vale should come.

Me: Good idea! And all the riders and their ambassadors too.

Nico: Cool!

Eli: Yep.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lori then came home crying and really tired.

(GOODBYE RODNEY PLAYS)

Me: Lori?

Sakura Yamamoto: You okay, Lori?

She then plopped onto the couch and was wailing hard.

Roxanne Santiago: Mom? What's wrong?

Bobby: Babe?

Lori: (CRYING) It was literally A BUSY NIGHTMARE!

Bianca Mantodea: What happened?

Lori: (Crying) SO MANY CUSTOMERS! SO BUSY!

Me: Oh there there Lori.

Nico: She was REALLY overworked.

Qin: Poor Lori.

Poromon: (GETS AN IDEA!) Wait I got an idea! Roxanne, mascots come with me! I got an idea!

Nico: Go for it!

They went to the Estate Park!

French Narrator: (French Accent) 6 Hours Later

Poromon: Okay Lori here we are!

Lori: [gasps.]

She walks into the park and into a Hawaiian-like beach with tikis, palms, and waterfalls

Lori: It's, it's, it's… beautiful! [gazes in amazement] It's too good to be true! [Gary walks by with a coconut and Lori grabs it]. [SpongeBob slingshots a Hawaiian shirt on her. Patrick uses a fishing pole to reel down a hat, sunglasses, and a lei and drapes it around Lori' head.]

She was drinking her coconut along the way, then comes to a waterfall, goes inside, and takes a shower. Then she comes back out to see a tiki boat waiting for her. She gets in and floats down a stream, drinking the coconut. Then she realizes it is empty.

Lori: Empty? [notices a tiki bar ahead and stops] A refill, my good friend! [notices Sunny Starscout behind the bar blending a smoothie]

[Sunny turns around and pours the drink into Lori's coconut. While he takes out a newspaper and reads it, Lori drinks the drink.]

Lori: It's delicious!

Sunny Starscout: Banana Pineapple and Orange flavor.

Lori: Delicious. Thank you

[The tiki song starts as three tikis watch Lori in the boat.]

Tikis: Hoo-ha-hoo, tiki tiki

Tiki #1: Hey fellas, look! it's Lori!

Tikis: Hoo-ha-hoo, tiki tiki

Tiki #2: Hey, bubby, where ya been?

Tikis: Hoo-ha-hoo, tiki tiki

Lori: Hit it boys!

Tikis: (Hoo-ha-hoo, tiki tiki) Welcome, to Lori's Tiki Land! (Hoo-ha-hoo, tiki tiki) / (Hoo-ha-hoo, tiki tiki) Welcome, to Lori's Tiki Land! (Hoo-ha-hoo, tiki tiki) / (Hoo-ha-hoo, tiki tiki) You can relax all day like a tiki can (Hoo-ha-hoo, tiki tiki) / (Hoo-ha-hoo, tiki tiki) Or lay out in the sun for a tiki tan (Hoo-ha-hoo, tiki tiki)

Lori: (Hoo-ha-hoo, tiki tiki) Or drink from a coconut that's full of flan! (Hoo-ha-hoo, tiki tiki) [drinks from the coconut]

Tikis: (Hoo-ha-hoo, tiki tiki) Here in Lori's Tiki Land! (Hoo-ha-hoo, tiki tiki) / (Hoo-ha-hoo, tiki tiki) You can play all day in a tiki band (Hoo-ha-hoo, tiki tiki) / (Hoo-ha-hoo, tiki tiki) Then dance all night on the tiki strand (Hoo-ha-hoo, tiki tiki)

Lori: (Hoo-ha-hoo, tiki tiki) Don't matter to me 'cause, 'cause I'm CRAZY, man! (Hoo-ha-hoo, tiki tiki)

Tikis: (Hoo-ha-hoo, tiki tiki) Here in Lori's Tiki Land! (Hoo-ha-hoo, tiki tiki) [song continues as Lori floats down the stream]

Lori: Ahhhh, this is the life!

[The boat bumps onto land where Poromon puts out a canvas and paint. Poromon then paints a picture of the wonderful scenery.]

Roxanne: Mom it's beautiful.

Lori: Oh guys you literally made me so happy!

Me: You're welcome Lori.

Roxanne: This is your own little Hawaiian sanctuary just in case you need to calm down and relax.

Lori: Oh thank you guys so much!

Poliwag: You're welcome Lori.

Triggerhappy: Poromon, are you sure you should be involved in making this? Especially in light of what we just learned?

Poromon: Just because I was bitten by a werewolf doesn't mean I can still help out with you guys.

Me: Besides the moon doesn't rise for another 2 hours.

Triggerhappy: You're right.

?: This is an amazing place you guys built.

Then out came a girl with aqua green hair and had green eyes and green clothes and had green angel wings and had a tiara with the symbol of Block Man on it.

Bianca Block: Bianca Block - Embodiment of Block Man.

Lucca: Bianca!

Wheeler: Wow its been a while.

Bianca Block: Lucca and Wheeler. It has been a while.

Sureshot: How did you meet Lucca and Wheeler?

Bianca Block: I met Lucca when she, Crono and Marle were battling the evil forces of Lavos. I helped them destroy him and got Crystal magic.

She grew a crystal in her hands.

Me: Ooh pretty.

Bianca Block: Yeah. It was a brutal battle. But it was awesome.

Nico: Cool.

Bianca Block: And I met Wheeler when he and the Planeteers were battling Captain Pollution. I helped them by battling him.

Me: That is cool!

Nico: We destroyed him a while back and it was brutal.

Me: Yep.

Bianca Block: Boy thank goodness.

Me: Would you like to join us?

Bianca Block: I would be honored.

Me: Cool. I'm gonna go out for a walk. Be back soon.

Nico: Okay. Careful.

Me: Will do.

I went out.

I was walking along a meadow and then I saw a girl that had blue hair and blue eyes with glasses and she had overalls and had black shoes on.

Me: Oh hello miss. Are you lost?

Girl: Oh no I'm not. Just come out here to think.

Me: Okay. Are you looking for someone?

Girl: My friend Nico.

Me: He's over at the estate. And you are?

Becky Wolfkini: Becky Wolfkini.

Me: Pleasure to meet you.

Becky Wolfkini: I have a problem I need to tell you about. Or better yet, I'll show you in a few seconds.

Me: What's wrong?

Then the full moon came out from the clouds.

Becky Wolfkini: Watch.

She then grew longer blue hair and then her eyes turned neon blue and her glasses vanished and her body grew more beautiful and her breasts grew voluptuous and her clothes were replaced by a smoking hot blue bikini and she grew blue angel wings and she looked like a beautiful goddess!

I gasped!

Then a bird did a catcall and a wild take! Same with a bunny and a frog!

Me: Oh wow!

Becky Wolfkini: (Beautiful voice) (Seductive Voice) Like what you see big boy?

Me: Becky you are not just beautiful! YOU'RE A SMOKING HOT BABE!

Becky Wolfkini: Thanks. I was hit with the curse of the Werekini.

Me: How can this be a curse? This is more like a beautiful makeover transformation.

Becky Wolfkini: I get that all the time when this happens to me. Trouble is I can't do this at will. Only when the Full Moon is out.

Me: So once a month. No sweat. We can help you.

Becky Wolfkini: Thank you. I teleported her to the estate and used my magic to have her stay this beautiful.

---

At the estate Nico was thinking.

Me: Nico I have someone here to see you.

Becky Wolfkini: Hello Nico.

Nico saw her and gasped.

Nico: (GASP) (DOES A MINERVA MINK WILD TAKE)

His eyes popped out of his face and he looked at Becky and was steaming and blood shot out of his nose.

Nico: Wow! Becky Wolfkini! You look amazingly radiant!

Me: She's what's called Werekini. She's a girl that turns into this smoking hot babe on the night of the full moon.

Nico: I didn't know about this!

May: Wow! That is an amazing power!

Me: She calls it a curse. But this is not a curse.

Bleez (sighs): Don't you think we have enough full moon problems?!

Little did we know that Poromon was groaning in pain.

Poromon: NO!

Me: It's happening!

We got him into the plastic box and chained him up.

Camie: Poromon we don't like doing this but it's for your own good.

We saw him transform! HE HAD BROWN FURRY SKIN, WOLF EARS, A WOLF TAIL, SHARP FANGS, RED EYES, AND CLAWS!

Unfortunately, not only did Poromon transform into his Were Mascot form but he also broke out of the Estate, leaving a hole in the roof.

Lori: I'm literally not fixing that!

Me: Let me go talk to Lawrence Talbot while you guys find Poromon.

Nico: Okay.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was Poromon, but he's been turned into a Were-Mascot, and he's running wild. When we saw it, we knew it meant trouble as the vision orb vanished.

Lincoln: Oh boy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're going to have to turn into J.D. and Lincoln the Nocturnal, J.D.: I just had a vision and I saw who it was that we're going to confront today, it's none other than Poromon, but he's been turned into a Were-Mascot, and he's running wild.

WE GASPED!

Me: Uh yeah we just saw that.

Nico: And get an antidote into him and fast.

Lincoln: We've got a Final Smash technique with the antidote ready for him. Now, we've got to transform and hunt him down.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles bulged and grew even bigger and white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the large white wolf ears with rainbow markings on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail with rainbow markings above his white wolf tails, his claws on his fingers surrounded by his golden-armored finger claws, his large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind his head turned midnight blue, and he let out a powerful howl as Lincoln transformed into Lincoln The Nocturnal.

Me: Let me join in too, Lincoln.

I let out a growl as lighter brown fur begin growing on my abnormally massive and powerful muscular body with tan fur growing on my massive and wide muscular pecs and eight pack abs and my nose changed to a wolf's nose and muzzle and my abnormally massive and powerful upper and lower body muscles bulged and grew even bigger, my blue eyes had slit pupils, my rainbow wolf ears on top of my head turned brown, I still had claws on my fingers surrounded by my golden-armored finger claws, my eleven massive and long rainbow wolf tails turned brown, and my large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind my head turned midnight blue, and I let out a powerful howl as I transformed into J.D. The Nocturnal.

Nico: Alright, now let's go find Poromon.

Me: (Beastly Voice) It won't be easy though, he's not going down without a fight, he better be ready. (CRACKS KNUCKLES AND NECK)

Lincoln: (Beastly Voice) But, we're ready for him since we took down his clones especially the Steroid Poromon clone. (CRACKS KNUCKLES AND NECK)

Me: I'll head out to talk to Talbot.

Nico: Okay.

I went to talk to Talbot.

Then the previous group came.

Webstor: Can me, Vypra, Vexen, Firefly, Leonard, Hydro Man, Bane, King Hiss, Shiv and Calamitous go with you guys?

Nico: Yes you all can come with.

Webstor: So Poromon is a Werewolf!? We heard about what happened from Commander Saturn! That's terrible!

Camie: We got the cure for him.

Nico: Yep.

Qin: We'll find him.

Blizzard Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Wind Crowrang next.

Laney: Cool!

Qin: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Hagoromo Gitsune, the demon fox and the head of the Kyoto Yōkai from the anime, Nurarihyon no Mago, and she's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: (Beastly Voice) Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: (Beastly Voice) You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Hagoromo Gitsune, the demon fox and the head of the Kyoto Yōkai from the anime, Nurarihyon no Mago, and she's coming to destroy us.

Nico: Uh oh, that's not good.

Nicole: It sure isn't, she's a delusional sadist and she enjoys the pain and suffering she causes to humans.

Aurora Parker: She can't be underestimated, she has centuries of combat experience and she's a master of the dark arts.

Nico: She's one dangerous Yokai alright, but we've dealt with worse. Alright, gang, let's go, we need to stop Poromon and get him cured.

Lincoln: (Beastly Voice) We can't let Poromon keep running loose, we need to cure him and fast, and we get done with curing Poromon, you're next, Hagoromo Gitsune.

Aurora Parker: You better be ready, you sadistic demon fox, we're beating you down and sending you to The Black Gates.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the city to cure Poromon, and once we get done with that, Lincoln and Aurora Parker along with me are going to destroy Hagoromo Gitsune.

Everyone was off to find Poromon and help him.

Nico: Hang On Poromon! Hang on!

Vexen: I suspect that the transformation has increased Poromon's abilities.

Nico: I agree there.

---

In the city I got to the door of Talbot. I knocked on the door.

Lawrence Talbot answered.

Lawrence Talbot: Yes?! Oh J.D. Knudson. And I see you're a werewolf as well. I was. I was just going out.

Me: I understand. But I believe I have something that belongs to you.

I showed him his cane.

Lawrence Talbot: Ah my cane. I've been looking for that. Perhaps you should come in.

The moon was starting to show itself.

Lawrence Talbot: But make it fast.

---

Nico and everyone was looking for Poromon.

Oceanus Shenron: Poromon is already capable of causing so many antics by himself. Imagine what a werewolf version can do!

Nico: There's no telling what he's capable of now that he's a werewolf!

Camie: Yeah.

May: Oh Poromon.

Manaphy was crying hard!

---

Back at Lawrence's house he was telling me how his cane was mane.

Lawrence Talbot: This cane head was made out of the silver bullets that were used to kill my great grandfather.

Me: That explains why the head is made of pure silver. And wait? Your great grandfather…

Lawrence Talbot: Yes. He was a werewolf too and he was killed by them.

Me: Oh man! I'm sorry.

Lawrence Talbot: I know.

Me: I guess it had to be done because he was killing people left and right and then the next morning he was covered in blood.

Lawrence Talbot: Yes. Just like I am. When the full moon comes out I can't control myself.

Me: Oh man.

---

Camie: How are we going to find Poromon in big city like this?

Leonard: (To his pigs) Spread out and find him!

They went and did so.

Plant Man: Manaphy, it's going to be okay.

Manaphy: (CRYING) I JUST WANT POROMON BACK! (WAILING)

Unknown to everyone something was watching them and then it whimpered.

?: (Whimpers) (Beastly voice) Man-a-phy? (GRUNTS) Please guys. Help me

Me: This curse must've been a terrible nightmare for you for generations.

Lawrence Talbot: Yes it has.

He then went to the window and saw the full moon.

Lawrence Talbot: I've been trying to find a way to cure myself since. But no luck.

He held up ha hand to the moon and a mark glowed.

Me: Don't give into the beasts will. You can control it and it can become a magnificent power. Just like I reigned in the power of the werewolf to the strength of my will. It can become a great power.

Lawrence Talbot: You think so?

Me: Yes. I can transform at will. And you can too. You just got to reign it in. You control the power. The power doesn't control you.

Bane: (Spanish Accent)I promise we ARE going to get him back.

Nico: Yeah we will.

They came to Mr. Grouse's house and saw his yard in shambles.

Nico: What a mess!

Lincoln: Yeah.

Mr. Grouse: Louds?

Mr. Grouse: Oh dear.

---

At Talbot's house I was talking to him.

Lawrence Talbot: I'm not (grunt) sure if I can.

Me: Yes you can Lawrence. Reign it in. Let it become part of you like I have.

I stepped back and saw him change right in front of my eyes!

Talbot growled.

Me: (GROWLS)

Talbot: (ROARS)

Me: (ROARS)

I Jumped and we locked hands.

Me: Talbot! Control yourself! Reign it in!

He grunted.

Me: That's it! You can do it!

He held his hand and roared.

Me: I got an idea!

I opened the door and he chased me.

Me: (HOWLS LOUDLY)

Nico and everyone heard me.

Nico: J.D.'s coming! Talbot must've changed.

May: Poromon is not going to be far behind!

Another howl was heard!

Caitlyn heard the sound of frightened chickens.

Caitlyn: You guys hear that?!

Nico: Sounds like Rolf's chickens!

They heard growling!

They went and saw Poromon now a Were-puppy mascot growling at the chickens!

Nico: There he is.

May: Oh Poromon is so cute.

Fluttershy: Aww he sure is cute.

Shiv: I got an idea!

Shiv got out a rubber steak and threw it, getting Poromon's attention.

Poromon sniffed it and he panted like a dog.

Burst Man: (to the chickens) Get close to us while you can!

Fluttershy: (Clicks)

Fluttershy had them come to us.

Burst Man: Oh right I don't have Animal Communication powers.

Nico: Good thinking Fluttershy.

Nico went over to him.

Nico: Easy Poromon. Easy. It's me Nico. Can you understand me?

Poromon: (Grunts) Nico? Nico? Help me.

Poromon flew away… just as another growl was heard behind us.

King Hiss: That must be our other werewolf problem!

I jumped out and Talbot followed me!

Everyone hid.

I dodged his strikes.

Me: Talbot take it easy! Take it easy.

Nico: Entrance time!

They went at us.

Talbot roared. Then the spirits of the moon came and they swirled around him and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

A massive fiery explosion blasted off above us and then a phoenix cry was heard and everyone came out!

Nico: So Talbot is a werewolf too!

Me: Yep.

Alvin: Not good.

Luxord: I suggest we cure him first!

Poromon saw Talbot and jumped out and growled at him.

Me: Boy it's a werewolf growlfest!

Eli: Yeah!

Hydro Man fired water at them both

SPLASH!

Nico: Uhh water won't do good.

They shook themselves off like dogs.

Theodore: Mr. Talbot try and remember! I saved you before! Remember?

Talbot looked at Theodore and whimpered. He remembered that. It was at a school dance and he got bit by Theodore who was turned into a werewolf and he got cured somehow thanks to him!

Mewtwo: Theo, I can sense his mind is coming out thanks to you!

Me: Keep at it Theodore.

Theodore: Mr. Talbot, you were cured by me. Remember? You turned me into a werewolf too. I cured you by biting you.

He remembered that. They he roared at trying to fight it.

Me: Talbot remember? Try and remember. Remember what I said. You control the power! It does not control you!

Eli: Excuse me, guys. But I must discipline the Nanny-

Poromon, having quite enough of the bonking heads method from Eli, used his mutated wing to slash Eil's wrists and then threw him at Lincoln, knocking them both to the ground.

Firefly: I guess Poromon had enough of that!

Me: Yeah no kidding!

Eli: Why you little!

Varie healed him up.

Me: Poromon stop this!

Talbot then roared and then he turned into like me as J.D. the Nocturnal! HE WAS NOW LAWRENCE TALBOT THE

NOCTURNAL!

Lawrence Talbot: (GASP) (Beastly Voice) I did it! I… I have full control!

Me: Lawrence you did it! How do you feel?

Manaphy: Forgive us Poromon!

She fired waves of energy and blasted him all over.

Vypra: Poromon, don't make us do this!

Poromon: (Grunts) GUYS! JUST HIT ME HARD AND KNOCK ME OUT! HIT ME! HELP ME! I CAN'T CONTROL IT! HIT ME!

Nico: Well what do you want us to do? Blow up the moon?

Me: Nico that's far too extreme! I had to resort to that to destroy Obito's plan for the Eye of the Moon project.

Nico: Really?

Me: Yeah. After that I vowed NEVER to do that ever again. Now we're going to help Poromon. Just let us administer this antidote to help him!

?: Boy crazy day huh?

A figure came out and it was FLAPNAROK from episode 10 of seaon 2 of Dino Fury!

---

Sometime after Santaura became Void Queen, Mucus came back to Area 62 with a special collar that could grow somebody into a giant. Intrigued by the power of the collar, Santaura goes to the machine and pulls out Flapnarok's Sporix Egg. Flapnarok hatches out of her egg and Santaura tells Mucus to give her the collar. Mucus refuses to out of the 'finders keepers' rule, but Santaura zaps her and the collar flies into Flapnarok's hands. With the collar, Flapnarok grew without needing to wait for the Sporix's biological time frame to grow naturally and attacked Pine Ridge. The Rangers get an alert of Flapnarok's rampage, shocked how a Sporix Beast grew that quickly. The five teleport to Pine Ridge as Flapnarok continues to destroy the city, nearly zapping the Rangers in the process. After morphing, the Rangers summon their Zords and form the Megazords. Zayto leads Amelia and Ollie in the Dino Fury Megazord Smash Formation, while the Garcia siblings pilot the Ptera Freeze Zord Battle Mode. They manage to stop Flapnarok from flying to New York, but she zaps the Ptera Freeze Zord in response. Knowing they need more power, the Rangers combine the Megazords into the Ptera Smash Ultrazord. However, none of their attacks work against Flapnarok, and she shoots lightning at them, bringing the Ultrazord down. The Rangers are ejected from the

Ptera Smash Ultrazord as Flapnarok taunts them of their defeat. However, she soon shrinks back to human size, realizing the collar ran out of energy. Flapnarok summons the Hengemen as the Rangers try to get the collar out of her hands. However, the monster and the Hengemen overwhelm the team and they retreat to Area 62. Once the collar is recharged, Flapnarok returns to the city to resume her attack. However, the Rangers came back for a rematch with the newly stabilized Primal Ultrazord. The Rangers confront Flapnarok in the Ultrazord, using its speed to get behind her and toss her through the mountains. After taking Flapnarok through the sky and the ocean, they blast her into space with the Primal Triple Beam. Zayto summons the Megafury Saber as the Rangers finish Flapnarok with the Primal Ultra Blast. It's presumed that Flapnarok returned to her Egg form and the Rangers collected her

Xenia: Yep.

Lincoln: (Beastly Voice) That is so cool.

Nico: That's right. Awesome job, team, we cured Poromon.

Lincoln: (Beastly Voice) And stopped him before anyone got hurt. Now, there's one last thing to do and one last loose end to tie up: Hagoromo Gitsune, the demon fox and the head of the Kyoto Yōkai.

?: (Demonic Voice) Soon, all of humanity shall drown in turmoil and hatred.

Suddenly, the twelve large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters' legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve large green planets orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier that protected all of us from the swift attacks of nine fox tails that came from nowhere and hit the barrier, but it stood strong.

Lincoln: (Beastly Voice)(Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Hagoromo Gitsune, or we will force you out.

A female with long black hair and nine white fox tails came out, it was Hagoromo Gitsune, the demon fox and the head of the Kyoto Yōkai.

Nicole: Hagoromo Gitsune, I should've known you'd show up here.

Hagoromo Gitsune: (Demonic Voice) You will never leave here, Team Loud Phoenix Storm, you will all die!

Aurora Parker: You're completely delusional, we're immortal and invincible, but your total narcissism blinded you to the truth. Not that it matters though, this is where your life ends.

Suddenly, Aurora Parker's blue eyes turned neon blue and she was surrounded by a blue energy aura with stars, lightning, fairies, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Hagoromo Gitsune, she left blue energy, stars, lightning, fairies, phoenixes, and angels with every step.

Aurora Parker: I will never forgive you for what you've done over a thousand years ago, Hagoromo Gitsune. Over the millennia, you have caused trouble by gathering power by absorbing the hatred, envy, anger, despair and large quantities of malice, and you also showed a complete dislike of humans. That is something I will never forgive, and now, you shall face death for everything that you've done!

Suddenly, Aurora Parker was surrounded by a massive vortex of blue energy with stars and lightning surrounding the vortex, there are fairies, phoenixes, angels, and Fortune Lady Every flying around the vortex, and in the vortex is a light blue phoenix with red eyes glaring at Hagoromo Gitsune: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: (Beastly Voice) We've all seen what happens when Aurora Parker gets mad when she sees Lori, Lynn, Lola, Lisa, and Luan causing trouble, and now, that fury's about to be unleashed once again.

Then, as the vortex faded, Aurora Parker emerged, but she was changed forever.

We were amazed by Aurora Parker's Super Angel-Fortune Lady Every-Fairy-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Hagoromo Gitsune saw it, she got out her Long Sword of the Three Tails and charged at her to kill her, but Aurora Parker fired a massive barrage of blue energy, stars, lightning, fairies, phoenixes, and angels which hit Hagoromo Gitsune and sent her flying into another wall, she got back up, but now, she was angered.

Stella Parker: Oh man, Aurora's transformed, this means things are so going to get messy.

Lincoln: (Beastly Voice) You said it, Stella. Now, it's high-time we took care of Hagoromo Gitsune once and for all.

Lincoln, Aurora Parker, and I went after Hagoromo Gitsune, and we fired extremely powerful blasts of rainbow energy, blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Hagoromo Gitsune, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Aurora Parker also did the same by firing blue energy slashes from her massive greatsword, and he, Aurora Parker, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Hagoromo Gitsune even more madder and even more insane with rage and she revealed her true form.

Lincoln formed a red glowing dust, and he blew it right at Hagoromo Gitsune and it hit her.

Hagoromo Gitsune: (Demonic Voice) What in The Nine Hells is… This?

Suddenly, Hagoromo Gitsune's eyes turned red and her body was suddenly taken over by overpowering lust and sexual arousal as she saw Lincoln.

Svetlana Succubus: (GASPS) Oh God, I'd recognize that red glowing dust, that's Incubus Lust Dust, it's like The Succubus Lust Dust I create, but Incubi Lust Dust is used only on female victims, and like with male victims hit with Succubus Lust Dust, female victims hit with Incubus Lust Dust wind up having their body taken over by overpowering lust and sexual arousal, and it'll enable Lincoln to drain her life force.

Nico: (Whistles)

Then, Lincoln walked over to Hagoromo Gitsune, and he bear-hugged her and he bared his fangs and sank them into Hagoromo Gitsune's right trapezius and she yelled in pain, and he began sucking out her blood, powers, and life force and he was also draining her soul and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Suddenly, Hagoromo Gitsune's skin began shriveling up and her long black hair began turning white and her nine long white fox tails and hidden weapons were suddenly being absorbed by Lincoln as he continued draining her soul and life force. Then, as soon as Lincoln was done, Hagoromo Gitsune was nothing more than a withered mummified corpse, and he sent her soul to The Black Gates forever. Everyone cheered wildly for what Aurora Parker, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Aurora Parker's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive blue angel wings and medium sized blue angel wings underneath are permanent.

Aurora Parker: Your thousand year desire of gaining power by causing despair is over. Thanks for helping me take down Hagoromo Gitsune, Lincoln, you too, J.D.

Lincoln: (Beastly Voice) (Smiles Warmly) You're welcome, Aurora.

Me: (Beastly Voice) My pleasure, Aurora.

Suddenly, Aurora Parker wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aurora Parker's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Fortune Fairy Every flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and lightning behind them and we cheered wildly. Then, Lincoln and Aurora Parker sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Aurora Parker and hugged us.

Luna: No kidding dudes, you guys taught that demon fox a lesson.

Luan: And Lincoln used that Incubus Lust Dust on her.

Me: (Beastly Voice) And he drained her completely dry and took all of her powers and abilities. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: (Beastly Voice) I've got just the girl: Aurora Oceania, Avatar and Gene-Slammer of Hieratic Dragon of Tefnuit.

Selene Emperyous: The water master of The Order of The Hieratic Egyptian Duel Monsters, incredible, and you guys will love meeting her, Aurora Oceania is Lincoln's Guardian Angel from Egypt and she's a very powerful Angel of Water. She's the Avatar and Gene-Slammer of Hieratic Dragon of Tefnuit, and she has powerful water powers and her favorite Duel Monster was Hieratic Dragon of Tefnuit. She's also a powerful master and defender of Egypt's long history and she's the desert master of The Order of The Hieratic Egyptian Duel Monsters, a group that formed over 5,000 years ago during the time of Pharaoh Atem, and their goal was to defend Egypt from the dark forces of The Shadow Realm and its ruler, Zorc Necrophades, who fought alongside Pharaoh Atem against Zorc Necrophades and after he was sealed away, the order was tasked in guarding The Millennium Items, so that nothing bad ever happens again and that no one would use them for evil. Lincoln knew about Aurora and her friends along with The Order of The Hieratic Egyptian Duel Monsters from Pharaoh Atem a few years ago, and he knew Acacia would be the next one to train him in mastering the powers of light. Lincoln made her a powerful water greatsword, and to show her thanks, Aurora kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. She's an old friend of Pharaoh Atem because of the strong friendship he had with her ancestor, one of the thirteen founders of The Order of The Hieratic Egyptian Duel Monsters, and she not only hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a blazing passion, but she utterly despises Zorc Necrophades, Dark Bakura, and Yami Marik with utter distain and hatred because of what they've done in trying to take over the world and plunge the world into a reign of eternal darkness, and she swore if she ever saw them again, she would rend and tear their dark souls apart and banish them to Oblivion.

Me: (Beastly Voice) Whoa.

Eli: Which means Aurora has the powers of Tefnut like Maria.

Lincoln: (Beastly Voice) That's right, she has the powers of Tefnut like Maria, and she's a powerful master of water.

Me: Cool!

Poromon groaned.

Poromon (groans): Am I cured?

Snake: You sure are, dude.

Selma: And no traces of the curse is left in you.

Krusty: And it's not even morning.

Eccentro: Which is good.

Beautiful Gorgeous: Let's get Poromon to bed

Nico: Awesome! (YAWNS) I'm bushed. Great job today everyone.

Nighty night. (FAINTS)

FWOMP!

Nico fainted.

Me: The pressure got to him.

Lawrence Talbot: Thank you so much J.D.

Me: You're welcome Lawrence. How would you like to be in the M.O.E.?

Lawrence Talbot: For you I'll do both sides.

Me: Awesome. (To the viewers) Boy what a crazy battle huh?

Nico: (Snoring)

We went back home and got ready for sleep.

Lincoln made her a powerful water greatsword, and to show her thanks, Aurora kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. She's an old friend of Pharaoh Atem because of the strong friendship he had with her ancestor, one of the thirteen founders of The Order of

The Hieratic Egyptian Duel Monsters, and she not only hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a blazing passion, but she utterly despises Zorc Necrophades, Dark Bakura, and Yami Marik with utter distain and hatred because of what they've done in trying to take over the world and plunge the world into a reign of eternal darkness, and she swore if she ever saw them again, she would rend and tear their dark souls apart and banish them to Oblivion.

Next up is where we battle Quillgin from Regular Show.

See you all next time.

Me: Nothing like a little shopping at the mall to start the day.

Nico: You said it!

Nico had Poromon in his arms who had bandages on him because of last night.

Me: Poor Poromon.

Nico: Yeah.

Poromon: I'm okay guys. Really.

Me: We know. We cured you.

Nico: But it's good to have fun at the mall.

Varie: It sure is.

Soji: I agree there.

Nico: Soji, I want to thank you, Teruteru Hanamura, and your teams for coming

Soji: No problem Nico. Even though me and my team are with you guys all the time it's fun.

Varie It sure is.

Fire Lori: We always literally have fun.

Me: Yep.

Nico: Fire Lori, do you have anyone as a boyfriend right now?

Fire Lori: Yes I still do. Bobby who is made of sound.

Me: Right we saw that he was made of sonic energy which was really cool.

Fire Lori: It sure was.

Air Lincoln: And all the girls in my harem from my world are all elemental too. Ink Stella, Sand Girl Jordan, Poison Ronnie Anne, Blood Taylor and more.

Me: WHOA! That is cool!

Xenia: Yeah.

Stone Luna: Sam in my world is made of diamonds.

Lola: That is awesome.

Nico: Yep. Wow! That is cool.

Qin: Yeah.

Nico: I was just asking because the Lori we know is already married

Me: Just as a precautionary measure.

Fire Lori: I know.

Nico: Okay.

Nico looked at Poromon.

Me: Poromon took quite a beating.

Poromon: I'll be okay guys. Really.

May: We know Poromon. Sorry we had to rough you up like that.

Maria: Though you did go berserk on Mr. Grouse's lawn

Poromon: I know. I can't believe I did that! I tried to fight it but it was too strong for me to handle.

Camie: You did try to resist it as long as you could.

Eli: Yeah. I still got hurt though.

Nico: Ouch.

Lincoln: Yeah but at least it's over. J.D. I was not expecting you to go talk to Mr. Talbot and get him to have his werewolf half become part of his power.

Nico: Yeah.

Me: If I can have a werewolf half as my power then so can he.

Lincoln: That's cool.

Me: Yep.

Nico: Was that cane his?

Me: It was. That wolf head on it was made from the silver bullets that were used to kill his great grandfather.. Turns out the curse of the werewolf ran in his blood.

Nico: Oh boy.

Poromon: How's Manaphy?

May: She'll be okay. She's just relieved that you're okay.

Qin: Good.

Nico: Yeah.

Me: Nico how do you know Becky Wolfkini?

Nico: She was a girl that I stood up for back when I saw in school and me and Qin defended her from bullies.

Qin: That's right and also I knew there was something magical about her. I didn't know what it was until the full moon.

Me: Wow! No kidding! Boy what a smoking hot bombshell. (CATCALL)

BLANG!

I got hit in the face with a fist from Nicole!

Me: OUCH!

Nicole: Do that catcall again and I will gouge your eyes out!

Me: Okay okay!

Maria: And Sebastian and Winter were willing to kill Poromon!

Lincoln: Maria you know that my guardian angels never let go of a grudge because of what happened to me.

Poromon: Yeah he's right!

Maria: You're right. But Sebastian really went too far on that!

Me: I know!

Nico: He's on thin ice more than enough already!

Me: All right that's enough guys! In the lab we found out more about why Sebastian is like this. And my hunch was correct.

Lisa Loud: It's correct. We found these on him.

She pulled out a bag and in it was NUMEROUS chips!

Nico: What are those?

Me: Rage, anger, monster and brutality chips. We found out who did it too. It was someone that took them from the ruins of Incognito labs.

Nico: Oh man.

May: I still say we should put him on leave for a while!

Me: May no! We did that once with Billy and look what happened to him. No way in hell are we going to let that happen again.

May: But you saw…

Nico: May! J.D. is right. We can't afford a repeat of what happened to Billy to happen again.

May: Oh (Pouts) fine!

Poromon: Just treat him like how Eustace is usually treated.

Me: Bash him on the head with a rolling pin.

Nico: Yeah.

May: Okay.

Me: Like this!

BONK!

I bashed Nico on the head with a Rolling Pin!

Nico: OUCH! What did I do!?

Qin: That's funny.

Nico: Right now, let's just go around the mall.

Me: Lets do it.

We went and did some fun shopping and more.

We went to our favorite shops and got lots of great stuff.

Nico: Let's buy stuff to ensure this never happens again.

Me: Agreed.

We went and did so and got all the stuff too.

We got all kinds of stuff.

May: You still looked cute though.

Poromon: I did?

Fluttershy: Oh you sure did.

Poromon: Aww thanks guys.

Me: You're welcome.

After a great shopping session, we decided to head to the food court.

Me: We'll eat in the food court after we defeat the villain at large. Lincoln should be telling us who it is now.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one that's perfect for Christmas: we're going to take down Ebenezer Scrooge and send him to The Masters of Evil.

Me: I knew we'd be facing him.

Nico: You said it. So, we're going to take him down and send him to Vypra.

Me: This is so going to be good.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: That miserly Christmas Hater is about to experience the true spirit of Christmas.

Me: You said a mouthful. Let's get after him.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing

window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Ebenezer Scrooge) AHA! Gotcha! I just spotted Ebenezer Scrooge, let's give him a scare courtesy of the Ghosts of Christmas Past, Present, and Future.

Me: Ooh! Now, that's a good idea for an entrance.

Nico: This should be good.

Lincoln: Time for him to see the true spirit of Christmas. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Ebenezer Scrooge.

Kaz: You okay now?

Mega Magcargo: Thanks to you.

Me: Awesome. You want to come with us?

Mega Magcargo: Sure.

Me: Awesome.

Nico: Now to find Scrooge.

Lincoln: There he is. Now, to show him the true spirit of Christmas Loud House style.

Ebenezer Scrooge was looking around to see if any more spirits are bound to show up. Then, the snow began falling even more, and then, the spirits of The Ghosts of Christmas Past, Present, and Future appeared from out of nowhere, and Ebenezer Scrooge was hit by jeweled orbs matching the colors of Christmas. Then, the spirits converged, and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard, and we appeared.

Nicole: If it isn't Ebenezer Scrooge. Just the person we were looking for.

Me: Looks like we didn't have to track you this far. Now, we're going to send you to some friends of ours, but first. Lincoln.

Lincoln: On it.

Lincoln turned into Ultimate Lincoln and used the powers of Big Chill.

Lincoln: BIG CHILL!

Lincoln fired blasts of endothermic ice fire and ice which hit

Ebenezer Scrooge and he was frozen in a block of ice. Then, Eli punched the block and shattered it leaving Ebenezer freezing.

Me: Okay, now that's just cold.

Christmas X-Mas: You said a mouthful, but now, it's high-time to teach Ebenezer Scrooge a lesson in the spirit of Christmas.

Nico came out and he was in his Sexy Jutsu form in a smoking hot dress!

Nicolette: Yoo-hoo! Oh Scroogy boy? Look who's here for you! [cue laugh track].

[However, he speaks too soon, as Horsea shoots more snow into Scrooge's mouth. Slow motion occurs then resumes to normal speed. Scrooge swallows the snowballs and blows out cold breath. A gun cocks and Horsea fires more snowballs and this time the snowballs get stuck in his mouth]

Suddenly, Christmas X-Mas' red eyes turned neon red and she was surrounded by a red and green energy aura with stars, snow, ice, Christmas lights, presents, Christmas decorations, reindeer, phoenixes, and angels, and as she approached Ebenezer Scrooge, she left red and green energy, stars, snow, ice, Christmas lights, presents, Christmas decorations, reindeer, phoenixes, and angels with every step.

Christmas X-Mas: There is absolutely no way I'm going to let you get away from any sort of punishment for being a despiser of Christmas, Ebenezer Scrooge. Your bitterness and hate for the Christmas Spirit hasn't gone unnoticed for years, and I've been looking forward to this for a long time. I'm going to teach you a lesson in the spirit of Christmas: one that you'll never ever forget.

Suddenly, Christmas X-Mas was surrounded by a massive vortex of red and green energy with stars, snow, ice, Christmas lights, presents, and Christmas decorations surrounding the vortex, there are reindeer, phoenixes, angels, and Santa Claus flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Ebenezer Scrooge: the red eyes of judgement.

Ebenezer Scrooge and sent him flying into a tree and snow fell on him, he got back out, and he was really mad now.

Lincoln, Christmas X-Mas, and I went after Ebenezer Scrooge, and we fired extremely powerful blasts of rainbow energy, red and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Ebenezer, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by

firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Christmas X-Mas, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Ebenezer Scrooge even more mad.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Christmas X-Mas, and I fired powerful blasts of energy, magic, stars, snow, ice, Christmas lights, and planets at Ebenezer Scrooge, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Evelyn Nicholas: Now, to have you wrapped up and sent to Vypra as an early Christmas present.

Evelyn Nicholas fired red and green energy blasts and tied Ebenezer Scrooge up in a red and green energy straitjacket and was put in a red box with a gold bow on it and sent to Vypra through a portal Lincoln opened up. Everyone cheered wildly as we holstered our weapons and powered down, and Christmas X-Mas' new body, clothes, weapons, jewelry, eleven massive and long red wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large red and green planets orbiting around her legs, smaller planets orbiting around her fingers, and massive white angel wings and medium sized white angel wings underneath are permanent.

Nico: Wow, you wrapped him up in a straitjacket..

Evelyn Nicholas: That's right, consider it an early Christmas present for Vypra.

Lincoln: You should've seen what she did to a gang of criminals who'd been causing trouble to all of Royal Woods six years ago, she tied them all up in straitjackets and put them inside a massive red box with a gold bow and sent it to the police, and when they opened it, they were stunned.

Me: The FBI were looking for that group of criminals and so were the cops. Evelyn gave them quite a Christmas present that time.

Nico: To the police, that's a Christmas miracle and gift wrapped up in one.

Nico: Sorry about that, Mr. Scrooge.

Mr. Scrooge: Oh I had it coming. And the M.O.E. is good for me.

Qin: Good.

And with that we put him inside a box and sent him right to Vypra.

Qin: There.

Me: Now time for some grub.

Our stomachs growled.

Nico: Nice job, Mega Magcargo!

Mega Magcargo: Thanks Nico.

Me: That was awesome.

Qin: Yep.

Poromon: Want a beer?

Mega Magcargo: No thanks. I don't drink.

Poromon: Okay then.

oliwag did puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Okay.

Eddy: Manaphy, tell me if this still scares you. (Shows her picture of Werewolf Poromon)

Manaphy: (GASP) (CRYING AND BAWLING UNCONTROLLABLY)

ME: EDDY!

KRABLAM!

Nico bashed Eddy in the face with a piano!

We went and got a lot of good food.

Me: (Slurping ramen)

Nico: (Eating chicken wings)

Goku: (Eating ribs) Ahh this is good stuff!

We were really eating everything all over.

Horsea: What should I eat?

Maria: (Eating Soup) Pick what you want.

Horsea was eating sushi.

Eddy: I didn't mean anything bad. I was just checking to see if she got over it. Like with Horsea and the Haunted Car.

May: NEXT TIME YOU DO SOMETHING LIKE THAT AGAIN I'M GOING TO RIP YOU APART WORSE THAN WHAT THE VENGEANCE EXPRESS WOULD DO TO YOU!

Eddy: (GULP) I think I just soiled my pants

Nico: (hugs May) Easy, May. Eddy was just checking. Like with Horsea after the Haunted Car tried to kill her

May: Oh you're right.

Me: Eddy don't do that again. Let Ino handle Manaphy on her own accord without you making things worse.

Eli: Yeah.

Eddy: It wasn't a problem when I did the same thing regarding Horsea. I even gave her a jawbreaker.

Horsea: It was yummy!

Me: Yeah you did. But making Manaphy cry is a different thing.

Qin: Yeah.

Eddy: Okay. But how am I supposed to check on her progress?

Me: Maybe instead of showing a picture you could ASK her how she is doing?

Everyone agreed with me on that.

Eddy: Okay, Manaphy. Instead of pictures, I'm going to ask you personally. Does the thought of Werewolf Poromon still scare you?

Manaphy: Good and yes it does.

Qin: See?

Eddy: Okay. I'm going to keep asking you this question to check on your progress. Do a good job and you'll get a special treat!

Manaphy: Will do!

Qin: Great!

Horsea: (pouts) Real shame you're not gonna show pictures this time. I liked the one where you accidentally showed Luan in a bikini!

Me: That was funny..

Eddy: (LAUGHS) Yeah!

Luan: Yeah!

Eddy: Sorry, Horsea. I would love to show pictures. But May just threatened me not to. And I don't want Manaphy crying again. My hands are tied. You understand, right?

Horsea: Yes. I do.

Qin: Yeah.

Eddy: Good.

Poromon: I'm really sorry, Manaphy.

Manaphy: Poromon. (CRIES HARD AND HUGS HIM) I THOUGHT I WAS GOING TO LOSE YOU!

Poromon: It's ok. I'm not going anywhere

Manaphy; Really?

Poromon: Sure. It'll take more than a werewolf to do me in.

Manaphy: Oh good.

Poromon kissed her.

Me: Aww.

Xenia: So cute.

Lola: Yeah.

Nico: Lets get back to eating.

We had a really awesome meal and man were we hungry.

Nico: You know you both share the same stomach, right?

Cat: That's right we do.

Dog: But we love different things.

Cat: Yep.

Nico: Too true.

We were really eating a lot.

Hoppip ate some food.

She was eating Salad.

Hoppip: (Eating) Mmm! Love salad. I'm a vegetarian.

Nico: That's cool.

Jared: (Eating salad) Welcome to the party.

Hoppip: I still drink beer though

Nico: Beer is made from fermented wheat. That's true.

Lola: Yep.

Hoppip: Yeah.

We were really eating and it was awesome.

Poromon ate some.

We were really eating.

Later we were stuffed.

Goku: Ahh! That was great!

Me: Boy it sure was!

Nico: I'll say!

Poromon: I feel better now.

Me: Good!

Theodore: Thank goodness. When I was a werewolf I was asking for steaks all the time.

Me: Boy I don't blame you Theodore.

Poromon: At least I'm over that.

Nico: Good.

Poromon: I almost ate Rolf's chickens!

Me: Thank goodness you didn't. But I don't think a werewolf puppy would cause any damage.

Nico: Yeah. Now a full grown werewolf like Talbot is a whole different ballgame.

Xenia: Yeah.

Camie: That is true.

Poromon: You're right on that.

Nico: You hit Eli though.

Poromon: I know and I'm sorry.

Eli: It's all right.

Nico: Good.

Eli: Now that we're all fed lets get down to business.

Nico: Yep. The Anothers.

But, we're also going to find out she also had conspirators, namely old enemies of Nico, Qin, their friends, and Poromon and Poliwag, and that they were the masterminds responsible for the chips being implanted on Sebastian and why even after he was freed from his Dark Side he was still acting like a horrific monster from Hell.

Lincoln: Looks like my rescue's here in Rome, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we got bad news: we found the person responsible for the chip being implanted on Gatomon.

Me: And as such, it was someone from Incognito Labs.

Lincoln: That's right, and the person was none other than Madeline Linnaeus, the sister of the long dead cold blooded heartless Dr. Carol Linnaeus, and she's equally cold blooded and heartless as her sister.

We gasped.

Nico: Why did she do that?!

Lincoln: For one reason: she wanted revenge on us for killing her sister.

Lisa Loud: Should've known that was the reason.

Eli: Well, we're not letting her live any longer, she's joining her sister in The Black Gates forever.

Qin: But, why do I also have the feeling that she also had conspirators, namely old enemies of me, Nico, our friends, Poromon, and Poliwag, and that they're the masterminds responsible for the chips being implanted on Sebastian and why even after he was freed from his Dark Side he was still acting like a horrific monster from Hell.

Nico: You're about to be proven right.

Soji: I'm afraid so.

Suddenly, we saw a very beautiful and super sexy girl with long aqua blue hair and aqua blue headband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in an aqua blue sleeveless crop top, necklace with a blue gem for the pendant, aqua blue skirt, aqua blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, water, ocean waves, dragons, phoenixes, and angels on the coattails and on the back is Hieratic Dragon of Tefnuit, holstered on her back is a massive water greatsword with angel runes etched on the 7'9" massive, wide, double-edged aqua blue blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel and with her are the eleven girls.

Lincoln: (GASPS) Aurora Oceania, Avatar and Gene-Slammer of Hieratic Dragon of Tefnuit.

Aurora Oceania: That's right, and I got the girls away from Dr.

Linnaeus' equally cold-hearted sister, but I also saw a group of people with her: three boys and three girls.

Andrea Martin: Oh God, don't tell me their names are… !

Nico, Qin, their friends, Poromon, and Poliwag: Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin!

Sebastian Mendez: WHAT?! Those pieces of crap! They were the ones who… ! (ROARS DEMONICALLY)

Sebastian clawed at his own body with sharp claws and we indeed saw chips those pieces of crap put on him, and when he was done, he was riddled with scratches and covered in his own blood.

WE HURLED OUR GUTS OUT!

Me: OH GOD, NOW THAT WAS JUST NASTY!

The scratches healed and his clothes repaired themselves.

?: (ENRAGED SCREAM) YOU HAIRLESS APES WILL ALL PAY FOR WHAT YOU DID IN KILLING MY SISTER!

We saw our target, Madeline Linnaeus, heading right for us, and she was out for blood.

Sylvester: So, now all we got to do is deal with Linnaeus' sister.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln sprouted a tentacle from his back and he sent it into Madeline Linnaeus' ear and he sucked out her brain and it went into him and he consumed it, and she was left as a brainless zombie. Then, he set her body on fire and sent her to The Black Gates, we cheered as we holstered our weapons and powered down.

Lincoln: I never want to see another of Linnaeus' relatives here ever again. (To Aurora Oceania) And it's so good to see you again, Aurora.

Aurora Oceania: You too, Lincoln, it's been seven years since we last met.

Suddenly, Aurora Oceania wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and then all over the place: face, arms, pecs, eight-pack abs, and stomach. When Aurora Oceania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Aurora Oceania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Aurora Oceania's waist and hugged her, and Aurora Oceania is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aurora Oceania: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Aurora Oceania, Avatar and Gene-Slammer of Hieratic Dragon of Tefnuit, she's Lincoln's Guardian Angel from Egypt and she's a very powerful Angel of Water. She's the Avatar and Gene-Slammer of Hieratic Dragon of Tefnuit, and she has powerful water powers and her favorite Duel Monster was Hieratic Dragon of Tefnuit. She's also a powerful master and defender of Egypt's long history and she's the desert master of The Order of The Hieratic Egyptian Duel Monsters, a group that formed over 5,000 years ago during the time of Pharaoh Atem, and their goal was to defend Egypt from the dark forces of The Shadow Realm and its ruler, Zorc Necrophades, who fought alongside Pharaoh Atem against Zorc Necrophades and after he was sealed away, the order was tasked in guarding The Millennium Items, so that nothing bad ever happens again and that no one would use them for evil. Lincoln knew about Aurora and her friends along with The Order of The Hieratic Egyptian Duel Monsters from Pharaoh Atem a few years ago, and he knew Aurora would be the next one to train him in mastering the powers of water. Lincoln made her a powerful water greatsword, and to show her thanks, Aurora kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. She's an old friend of Pharaoh Atem because of the strong friendship he had with her ancestor, one of the thirteen founders of The Order of The Hieratic Egyptian Duel Monsters, and she not only hates Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies with a blazing passion, but she utterly despises Zorc Necrophades, Dark Bakura, and Yami Marik with utter distain and hatred because of what they've done in trying to take over the world and plunge the world into a reign of eternal darkness, and she swore if she ever saw them again, she would rend and tear their dark souls apart and banish them to Oblivion.

Nico: Just like we heard yesterday, and we'd already sent Yami Marik and Dark Bakura to The Black Gates.

Aurora Oceania: Good, those two were monsters.

Lincoln: Absolute monsters is the word I call them, and now that you're here, Aurora.

Lincoln leaned his head down the right side of Aurora Oceania's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Aurora Oceania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on the neck of Aurora Oceania with ocean blue gems on the gold lightning bolts and ocean blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Aurora Oceania: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aurora Oceania.

Aurora Oceania had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Aurora Oceania's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Aurora Oceania had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the eleven girls, and when Lincoln saw the eleven girls, he immediately recognized them. The eleven girls are Noel, Sasha, Mia, and Melia from Deep Body ~Hentai Ingu Dorei Choukyou Yuugi~ and Helen Kent, Raglia, Hikari Kuwashima / Angel Flare, Miyuki Aizaki / Angel Aqua, Saeka Saijou / Angel Light, Saki Shindou, and Yuri from Totsuzen Kaijinken Jimuin no Ore ga Mahou Shoujotachi o Otosu Hanashi.

Lincoln: Oh wow, it's Noel, Sasha, Mia, and Melia from Deep Body ~Hentai Ingu Dorei Choukyou Yuugi~ and Helen Kent, Raglia, Hikari Kuwashima / Angel Flare, Miyuki Aizaki / Angel Aqua, Saeka Saijou / Angel Light, Saki Shindou, and Yuri from Totsuzen Kaijinken Jimuin no Ore ga Mahou Shoujotachi o Otosu Hanashi.

Nicole: So, those are the girls Aurora saved from that bitch, Madeline Linnaeus, and from Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin.

Lincoln: When we face them on Nico's rescue, I will drain all six of them dry of blood. Are you girls okay?

Noel: Yes, we're okay, thanks to you.

Then, when Noel and the other ten girls saw who it was that saved them from Madeline Linnaeus, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid,

Noel: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Noel: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Noel, Sasha, Mia, Melia, Helen Kent, Raglia, Hikari Kuwashima / Angel Flare, Miyuki Aizaki / Angel Aqua, Saeka Saijou / Angel Light, Saki Shindou, and Yuri with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Madeline Linnaeus, the sister of the long dead cold blooded heartless Dr. Carol Linnaeus and when we told everyone that she was responsible for that chip she put on Gatomon and all because she wanted revenge on us for killing her sister and the enemies of Nico, Qin, and their friends, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin being exposed as the masterminds of putting those chips on Sebastian, they were all absolutely pissed off.

But, when Lincoln showed what we did in beating her down and Lincoln sprouting out a tentacle that went into her head and he sucked out her brain turning her into a zombie and lighting her on fire and sending her to The Black Gates, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Aurora Oceania have a lot of catching up to do, now that she's back in town.

Maria: I cannot believe it! So, that bitch was behind Gatomon's desire to eat Mevya and all to get revenge on us for killing her equally heartless cold blooded sister!

Nico: And Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin were the masterminds of putting those chips on Sebastian and on Poromon and Poliwag! Those bastards!

Lincoln: They're finished, I'm going to tear them apart.

Me: On Nico's rescue tomorrow, you can do just that and drain them dry of blood, Lincoln.

Nico: He's right, when we cripple those fools, you can do just that, Lincoln: tear them all to shreds and drain them dry.

* * *

After Lincoln and all of us beat down Madeline Linnaeus and sent her to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Aurora Oceania saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Aurora Oceania: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Aurora, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Aurora Oceania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Aurora Oceania: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a clone of Sherlock Hound's old enemy, Professor Moriarty.

Sherlock Hound: (British Accent) A clone of Moriarty has been sighted. This is no doubt the work of Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin.

Nico: They're trying to slow us down with a clone, I knew they were stupid, but this is a whole new level of stupid.

Lincoln: Wait, take a closer look at his eyes.

We saw it, and Lincoln's right: that clone of Professor Moriarty has red eyes and fangs.

Me: Oh, you've got to be kidding, they used vampire blood.

Sherlock Hound: (British Accent) The vampire blood they used are the blood of the two vampires who've been butchering whole families and the blood of the priest assigned to the village of Cheddar: three vampires who met their end at the hands of Hellsing.

Alucard: Well, it seems like they decided to get creative apparently.

Seras Victoria: All the same, it must be destroyed.

We flew out of The World Tree Estate, and we ambushed the vampire clone of Professor Moriarty who hissed in anger upon seeing us.

Sherlock Hound: (British Accent) You may be a clone of Moriarty, but you lack all of his traits that I've come to know, and you're just like the weaker vampires, you lack the powers of a true vampire.

Sherlock Hound unholstered his massive Sherlock Hound's Cosmic Eternal Demonic Dark Knight Almighty Sparda True Immortal Eternal Angelic Demonic Demon Hound Phoenix God Angel Greatsword of Cosmic Eternal Demonic Dark Knight Almighty Sparda True Immortal Eternal Angelic Demonic Demon Hound Phoenix God Angel Justice and transformed into Super Angel-Demon Hound-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Stellar Blood-Stained Dark Demonic Dark Knight Demon Hound Phoenix God Angel of Divine Cosmic Eternal Stellar Blood-Stained Dark Demonic Dark Knight Demon Hound Phoenix God Angel Justice and Divine Cosmic Eternal Stellar Blood-Stained Dark Demonic Dark Knight Demon Hound Phoenix God Angel Compassion.

Sherlock Hound: (Divine Echoing Godly Voice of The Cosmic Eternal Stellar Blood-Stained Demonic Darkness Dark Knight Demon Hound Phoenix God Angel and Divine Cosmic Eternal Stellar Blood-Stained Demonic Darkness Dark Knight Demon Hound Phoenix God Angel Compassion) (British Accent) Now, I'll show you how real vampires do battle, Moriarty!

Suddenly, we saw a black and red aura of darkness appear behind him with multiple red eyes opening up, and dog heads forming from the darkness: the black dog familiars. They charged out and were about to maul him, but he dodged them and tried to run only to get his legs blasted off by Alucard.

Professor Moriarty Clone: Please, make it stop! What are you?! This wasn't how it was supposed to be.

Sherlock Hound: (Divine Echoing Godly Voice of The Cosmic Eternal Stellar Blood-Stained Demonic Darkness Dark Knight Demon Hound Phoenix God Angel and Divine Cosmic Eternal Stellar Blood-Stained Demonic Darkness Dark Knight Demon Hound Phoenix God Angel Compassion) (British Accent) I was right, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin were the ones who created you and they sent you here to get rid of us, but you failed.

Sherlock Hound cut down the Professor Moriarty clone and he burst into a cloud of dust and was sent to The Black Gates as he powered down and we returned home and continued with our workouts. Just then, we heard six loud screams of rage.

Nico: Up yours, jerks.

Qin: Just you wait, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin, you'll get yours very soon.

Natasha Hernandez: You six bastards are going to pay for what you did, I swear it.

We got a shower, and then, Lincoln, Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki are heading to Seaside Hill.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Erika Amazake: Wow, so this is Seaside Hill. It sure is beautiful.

Lincoln: It sure is, Erika, and it's perfect for our first date. Shall we?

Lincoln, Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki and they hugged the girls in their abnormally massive and powerful muscular arms and Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki are in your harem, Linky.

Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki showed the marks Lincoln made on the right sides of their necks.

Spitfire: I knew Erika, Karin, and Samantha had feelings for Lincoln, but I knew Nae Aki had a boyfriend, so we decided to introduce her Simulator counterpart to him, and it worked out.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Erika Amazake, Karin Junmai, Samantha, and Simulator Nae Aki, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: It's Cloud Kingdom for Round 3.

Me: Nice!

Applejack: YEEHAW! Me, Apple Bloom, Sheila, Lupin, Andros and Tommy Oliver.

Nicole: And it's good Applejack is going with becaus she's skilled with a Snake charming flute. You'll see why soon.

Nico: Okay.

They went in and it activated and they were at CLOUD KINGDOM for round 3!

Nico: Here we are!

Applejack: YEEHAW! This will be as fun as a rodeo!

Apple Bloom: It sure will!

Nico: Any tips Nicole?

Nicole: Well you're about to see why I had Applejack go with you right now.

Out came Freakazoid's enemy COBRA QUEEN!

---

Audrey Manatee was a former shoplifter who stole an experimental cosmetic that had been in the sun too long. Upon using it, she was transformed into a half-human/half-snake woman. By the time she was in high school, she could not get dates because of skin problems (i.e., shedding).

Her powers include the ability to command snakes and lizards (but not dogs or plucky game fish), and to spit venom which can melt concrete. She has several giant pet snakes who do her bidding. She made a lair for herself in the sewers, making herself immune from crime fighting forces, who hate sewer smells. After a robbery, she enjoys returning to the sewer, putting on something special, and listening to the 1960s group the Ray Conniff Singers. Due to her lisp, she is incapable of saying, "Silly Sally sells sappy silver seashells in Seattle," and passes out when she attempts to do so. She hates being compared to Sylvester the Cat.

Besides Freakazoid, Cobra Queen has another nemesis named Atomic Boy. She occasionally teams up with Freakazoid's other enemies to defeat him, generally when they are all brought together by the Lobe. She eventually enters a romantic relationship with Cave Guy, and they try to steal the Diamond Hat of the Czars. Even after being sent to jail by Freakazoid, the two seem to continue their romantic dalliance, and are seen embracing during the closing musical number in the series finale.

She and Steff bond when they have to repair the Prison Airplane, which crashed on a mysterious island while Freakazoid was transporting all of his enemies to France.

---

Nico: Cobra Queen!

Cobra Queen: Ssso nice to see you Nico. Now you will face my venom!

She spit some venom and they dodged it and it burned some of the area like super strong acid!

Nico: WHOA! That is nasty poison lady!

Cohra Queen: Ssso are my petsss.

She summoned 2 HUGE COBRAS!

Cobra Queen: I know poison can't kill you. But it can still hurt you!

Nico: Bring it on!

Cobra Queen: Attack!

Then Applejack played a snake charming flute and her snakes were charmed!

Nico: You aren't the only one that knows how to use snakes! SUMMONING JUTSU!

He summoned Huge Snakes and they were ready to strike!

Leo Corbett: This is gonna be good!

Cobra Queen: Bring it on!

Nico fired waves of energy and blasted her.

Sheila: What else you got?!

Nico: Besides a lisp that's like Sylvester!

Cobra Queen: I HATE THAT COMPARISON!

?: (ECHOING) THUNDER RAY!

A beam of lightning blasted Cobra Queen and electrocuted her.

Out came YANMAMON and on it was a girl with blond hair and brown eyes and brown clothes and she had brown angel wings and had a tiara with the symbol of Impact Man on it.

Ida Impact: Ida Impact, Embodiment of Impact Man.

Cole: Wow! Awesome to see you Ida!

Leo: Same here!

Ida Impact: You too Cole and Leo! Been a while.

Yanmamon: (In a girls voice) It's awesome!

Nico: Yasmine Yanma! Wow!

Yanmamon: Its been a while Nico.

Nico: We can talk later. Lets get her!

Leo and Andros fired waves of energy and blasted her.

Sheila fired energy waves.

Lupin then teleported and swiped all the jewelry she stole.

Nico: (gets out Teruteru Hanamura and Commander Saturn's Ridewatches) Time to cook up some Pokemon!

Nico activated them and fired energy waves and blasted her.

Yasmine reverted back and was a girl with green hair and yellow clothes and had green eyes and had dragonfly wings and on her forehead was Yanmamon and on her skirt was Yanmamon and also had a dragonfly tattoo on her arm and had a dragonfly sword.

Yasmine Yanma: Take this! (ECHOING) ASSASSIN ARROW!

She fired an energy blast from her hand and it hit Cobra Queen and blasted her all over!

Nico: YEAH!

Ida Impact: IMPACT BASHER!

She ran and punched her down with devastating force! She was knocked out!

Nico: Take that!

Applejack: YEEHAW!

Apple Bloom: YEEHAW! That was fun!

Nico: YEAH!

They got more Power Moons!

They all high five

Nico: How did you meet Cole and Leo?

Ida Impact: I met Cole when he was battling Master Org. When we heard all about Master Org's origin and how he was in Dr. Adler and how he killed Cole's parents I went absolutely apeshit all over him and punched his face in all over the place! I wanted to kill him!

Cole: She really bashed his face in left and right!

Nico: GEEZ! Then again who doesn't want to smash his face in for that.

Ida Impact: I know. And I met Leo when he was battling Trakeena. She beat the living shit out of me.

Me: Welcome to the party Ida. I know the feeling myself.

Leo: It's true.

Ida Impact: Yeah but I delivered a nasty blow to her and wounded her bad.

Nico: Nice.

Yasmine Yanma: Good she did.

Apple Bloom: Do you have a favorite memory of Nico?

Yasmine Yanma: I sure do. When me and Nico went after The Digimon Emperor when he had MetalGreymon under his control and I bashed his face in and kicked him in the balls! I threatened that if he didn't stop this crusade that I would kill him.

Nico: Yep. I beat her to the punch unfortunately.

Yasmine Yanma: Yep.

Nico and Yasmine hugged.

Nico: I've missed you.

Yasmine Yanma: Same here.

Nico: Would you two like to join us?

Ida Impact: We would be honored.

They left and we cheered for them.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Later we were out on a walk.

Veronica Tesla: What a nice day.

Nico: You said it.

Poromon: Yeah I love it.

Camie: Me too.

?: Well well well if it isn't the little feathered pipsqueak!

We saw a punky boy with black hair and a skull shirt and had black clothes.

Poromon: Caleb Voltner!

Nico: Caleb Voltner! Why am I not surprised.

Me: You guys know him?

Nico: Poromon does. He was a bully that picked on him back when I was in school. He was a nightmare. He HATES Poromon with a vengeance and wants to make him suffer.

Nicole: Oh yeah! I've heard about you. You are a jerk that was responsible for blowing up an electric power plant and you got sent to prison for it for 12 years!

Caleb Voltner: That's right!

Jenna Jinda: You're going to prison again, asshole!

Caleb Voltner: Sure about that?

He then took out a video containing footage of Poromon turning into a Werewolf.

Eddy:… well fuck.

Caleb Voltner: If Poromon doesn't do what I say from now on, this video goes viral. Then everyone will know that he turned into a murderous monster!

I grabbed the phone from him!

Me: I don't think so!

POW!

I punched him in the face!

Sheila: I told everyone about it already and everyone knows it wasn't his fault.

Qin: So that's old news.

Me: And you are really stupid.

Nico: Word gets around very quickly.

We checked the phone… only to find out he already sent it!

Misfire: Oh crap.

Sheila: Nice try.

She cancelled the upload.

Caleb Voltner: You're too late!

Me: Don't be so sure!

She switched the video with Caleb in a tutu and he was dancing in ballet.

Pointblank: Poromon, you may do the honors

Poromon: Gladly! (ECHOING) LIGHTNING JAVELIN!

He fired a wave of lightning and electrocuted him!

Then we arrested him again

Nico: Just imagine if that video WAS sent!

Me: Don't talk about it.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was Quillgin, another of Mordecai and Rigby's enemies and Santa's arch-enemy and he's out to destroy Christmas. When we saw it, we knew it meant trouble as the vision orb vanished.

Lincoln: Oh boy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and we're going to need to bundle up and get to The North Pole and fast to help Santa and Mordecai, Rigby, and the crew: I just had a vision and I saw who it was that we're going to confront today, it's none other than Quillgin, another of Mordecai and Rigby's enemies and Santa's arch-enemy and he's out to destroy Christmas.

WE GASPED!

Nico: Oh God, this is seriously not good at all!

Me: It sure isn't. We got to head down to The Park at once and take down this terrorist, he's a threat to Christmas!

Lincoln: Trying to destroy Christmas, not on our watch!

Nico: That's right, he's getting The Black Gates!

Lincoln: No, Nico, he's committed truly evil and unforgiveable acts that we've seen from Scoots and Flip, but this, this is on another whole scale of evil, there is only one punishment for him: The Black Abyss.

Me: Aw yeah, now you're talking!

Nico: No guys he's getting sent to the Noto Prison.

Me: Even better. But who is this guy anyway?

Liincoln: Well he's an anti-Christmas terrorist.

He told us about him.

---

Quillgin is the main antagonist of the Regular Show Christmas Special. He was a former scientist at Santa Claus' toy factory who later betrayed him, became Santa's arch-enemy and tried to destroy Christmas for ruining his life's work. Quillgin originally designed the best gift of all, which could give the person who opened it whatever they wanted, but it turned out to be dangerous due to the usage of dark magic in its creation.

He was voiced by Thomas Haden Church, who also played Roach in Tales from the Crypt Presents Demon Knight, Lyle Van de Groot in the George of the Jungle duology, Killer Moth in Teen Titans, Dwayne LaFontant in Over the Hedge, the Sandman in Spider-Man 3 and Spider-Man: No Way Home and Tal Hajus in John Carter.

Quillgin was once the lead toy designer for Santa's workshop. He also had a dream of creating the perfect present: a box that when opened will magically materialize whatever the holder wanted, which he had worked his whole life to make. His plan was to create a box for each person in the world so that they would never have to fight over anything again. However, in order to complete his project, Quillgin resorted to using dark magic, making it dangerous and indestructible.

One day, Quillgin informed Santa of his project, and they both then tested it on a simple family. But upon opening the box, the individuals looking into it suddenly turned selfish and violent as their worst impulses were brought out by it's glow. Santa deemed the project a failiure and had the box sealed in a vault. He also had all of Quillgin's research destroyed by a hazmat team to prevent it from ever being recreated. Quillgin tried to stop them, but Santa prevented him from interfearing and likely fired him as well. As a result, Quillgin gained an immense hatred for Santa for destroying his life's work and vowed revenge.

## Present

A few months later on the night of Christmas Eve, Quillgin assaulted the Toy Hangar and stole back the box in order to use it to destroy Christmas forever. He stole Santa's Sled as a mode of transport and made his escape, but Santa caught up to him on a hoverboard and attempted to take the box from him. Quillgin shot Santa with his gun and knocked him off the sleigh, but before he fell Santa took the present with him.

After he discovered that Mordecai, Rigby and the other employees of the Park had his present and were going to East Pine to throw it in their lava pit to destroy it, Quillgin and his henchmen infiltrated East Pines and attacked Gene's Forest Rangers. Wanting to save Christmas so he could celebrate it with his wife and son, Gene helped buy the Park's employees time and led them to the Cave where the lava pit was. However, Quillgin and his henchmen made it past the guards and followed the Park crew into the cave. They attacked the Park's employees on the ice bridge as Benson was playing a pin ball machine to create it, but Benson deliberately lost the game and caused Quillgin's henchmen to fall off.

However, Quillgin found an emergency staircase and used it to reach the Park's employees as they made it to the pit. He threatened to kill them if they didn't give him the present. It was then that Santa himself appeared, riding in on his hoverboard, and wrestled Quillgin's gun away from him before revealing he used a bulletproof vest to survive Quillgin's gunshots. Not ready to give up, Quillgin threw a grenade at Santa and the Park employees before taking the box back from him. He then used it to create bombs on every piece of Christmas decorum, as well as everyone celebrating Christmas, planning to blow all of them up in order to destroy Christmas. Before he could press the detonator to the bombs however, Mordecai decided to sacrifice himself by tackling Quillgin into the lava pit.

Rigby then jumped into the pit himself in order to save his friend. When Rigby reached Mordecai and Quillgin, he fought with Quillgin over the box and managed to pass it to Mordecai. Mordecai used the present to wish for a flying double skate board, that he and Rigby used to fly out of the pit. Quillgin then tried to reach his creation to finally destroy the Christmas but ended up falling into the lava before he could do so and meeting his demise.

When he was done we were shocked!

Lola: He used dark magic to make the perfect gift!? That's insane!

Brittney: He should have known better that dark magic never give away stuff like that for free.

Nico: It always comes with a terrible price.

Varie: Yeah!

The previous group came.

Eccentro: Can me, Springfield Bullies, Rich Texan, Skinner, Cargill, Comic Book Guy, Snake Jailbird, Patty & Selma, Krusty, and Beautiful Gorgeous go with you guys?

Dolph: We saw what Caleb tried to do.

Patty: That wasn't cool.

Nico: No it wasn't and yes you all can come with.

Qin: Cool.

Inque: Nico, which Gene Slammer do you think you'll meet next?

Nico: Snipe Anteater next.

Lola: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow

fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Melakuera the Conciliator and the Great Spirit of Fire, the main antagonist of the 2016 Re:Zero Starting Life in Another World, and he's coming here to destroy us to uphold his notion of peace. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Melakuera the Conciliator and the Great Spirit of Fire, the main antagonist of the 2016 Re:Zero Starting Life in Another World, and he's coming here to destroy us to uphold his notion of peace.

Nicole: Oh, not good. Melakuera is known as the Great Spirit of Fire, but he's a xenophobic judge and he tried to kill Emilia, as he believed she may be a descendant of the infamous Witch of Envy who had destroyed half of the world four centuries prior.

Lincoln: But, Emilia isn't like the Witch of Envy at all. He must be defeated at once.

Naomi Parker: And we will defeat him, and I hope you absorb him into your body, Lincoln.

Me: Just like you did to Pyron a year ago.

Nico: Hadn't forgotten about that. Alright, team, let's bundle up and head for the North Pole to help Santa, Mordecai, and Rigby and destroy Quillgin.

Lincoln: I will never forgive that terrorist for trying to destroy Christmas because of his hatred toward Santa, he must pay for his crimes, and once we destroy him for good, you're next, Melakuera.

Naomi Parker: You will never be forgiven for trying to kill Emilia, Melakuera, and for that, you will face your own judgement and your own punishment for your xenophobic hatred towards her.

We bundled up and Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the Park to help Santa, Mordecai, Rigby, and the gang and destroy Quillgin, and once we destroy Quillgin, Lincoln and Naomi Parker along with me are going to destroy Melakuera.

We were off

Lincoln formed a massive indestructible diamond barrier and it was infused with absorption energy that protected all of us from the barrage of fireballs that hit the barrier only to be absorbed into us, and we grew even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the scent of fire from anywhere, come out of the shadows, Melakuera, or we will force you out.

A horse-like figure made of flames came out, it was Melakuera the Conciliator and the Great Spirit of Fire.

Melakuera: Even if all of you are Gods among men, thou are still inferior, and thou shall perish in flames!

Naomi Parker: You arrogant spirit of fire, you have no right to judge others around you, and I will make sure you pay for your xenophobic ways.

Suddenly, Naomi Parker's orange eyes turned neon orange and she was surrounded by an orange and black energy aura with stars, time, darkness, fairies, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Melakuera, she left orange and black energy, stars, time, darkness, fairies, phoenixes, and angels with every step.

Naomi Parker: I will never forgive you for what you've done over four hundred years ago, Melakuera, you viewed Emilia's existence as a sin when it's something that isn't even her fault. Yet, you have made repeated attempts to take her life believing that she's a descendant of the Witch of Envy who almost destroyed the world, that is something I will never forgive, and now, you shall face our judgement for everything that you've done!

Suddenly, Naomi Parker was surrounded by a massive vortex of orange and black energy with stars, time, and darkness surrounding the vortex, there are fairies, phoenixes, angels, and Fortune Lady Past flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Melakuera: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: We've all seen what happens when Naomi Parker gets mad when she sees Lori, Lynn, Lola, Lisa, and Luan causing trouble, and now, that fury's about to be unleashed once again.

Then, as the vortex faded, Naomi Parker emerged, but she was changed forever.

Naomi Parker grew from 6'5" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large orange and black planets orbiting around her legs, she has the body of a goddess, she has orange highlights in the bangs of her long black hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon orange eyes and an orange and black energy aura with stars, time, darkness, fairies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Fortune Lady Past with the Past Kanji in her hands emblazoned on her forehead with orange iris, she has on fairy earrings with orange gems for eyes and holding the Star, Past, Dark, and Eternity Kanjis in her hands, she also has Fortune Lady Past with orange gems for eyes and holding the Star, Past, Dark, and Eternity Kanjis in her hands for the second pendant on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Naomi Parker has on an orange sleeveless vest, sleeveless black crop top, orange skirt, black jeans, black knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, time, darkness, fairies, phoenixes, and angels on the coattails, and on the back is Fortune Lady Past and surrounded by darkness and time and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding an orange gem with neon glowing orange lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Naomi Parker felt a sharp pain on her back, and then, massive black angel wings with orange tips on the large black feathers grew and sprouted out of her back and medium sized black angel wings with orange tips grew and sprouted out underneath her massive black angel wings and she also now has eleven massive and long black wolf tails with orange tips and orange markings, Naomi Parker has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and fingerless gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Naomi Parker's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange and black energy, stars, time, darkness, fairies, phoenixes, and angels, and when it emerged, it was transformed into Naomi Parker's Cosmic Eternal Chrono Darkness Fortune Lady Past Phoenix God Angel Greatsword of Cosmic Eternal Chrono Darkness Fortune Lady Past Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded light orange gems and Fortune Lady Past and runes etched on the 7'9" massive, wide, double-edged black blade, large black phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in their foreheads, longer midnight black handle, four large black phoenix heads with orange gems for eyes and on the bottom of the large black phoenix heads is a large black phoenix head with orange gems for eyes and orange gem in its mouth for the pommel, Naomi Parker has on her brand-new large gold Bracers of The Champions of The Universe with large orange gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Fortune Lady Past's head with orange gems for eyes and orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji with clocks and crescent moons in between the kanji below Fortune Lady Past that said, "Naomi Parker, Gene-Slammer of Fortune Lady Past, Loving Sister of Stella Parker, Hazel Parker, Natalie Parker, Maya Parker, Victoria Parker, Camila Parker, and Aurora Parker, Powerful Force of Good, Thrasher of The Bad Guys, True Immortal and Omnipotent Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Chandler, Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan, Archenemy of Krusty the Bomb Clown, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, True Immortal Hero, and Master of Darkness, Time, Fairies, Phoenixes, Angels, and Fortune Lady Past"

We were amazed by Naomi Parker's Super Angel-Fortune Lady Past-Fairy-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Melakuera saw it, he fired more fireballs at her to kill her, but Naomi Parker absorbed them and it made her stronger and she fired a massive barrage of orange and black energy, stars, time, darkness, fairies, phoenixes, and angels which hit Melakuera and sent him flying into another wall, he got back up, but now, he was angered.

Stella Parker: Oh man, Naomi's now the last of The Fortune Lady Gene-Slammers to transform, this means things are so going to get messy.

Lincoln: You said it, Stella. Now, it's high-time we took care of Melakuera once and for all.

Naomi Parker: (Divine Echoing Godly Voice of The Chrono Darkness Fortune Fairy Past Fairy Phoenix God Angel and Divine Cosmic Eternal Chrono Darkness Fortune Fairy Past Fairy Phoenix God Angel Love) We can't let him get away with what he's tried to do to Emilia along with his xenophobic paranoia. Let's get him, boys!

Lincoln, Naomi Parker, and I went after Melakuera who continued firing fireballs at us, but we continued to absorb them, and we fired extremely powerful blasts of rainbow energy, orange and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Melakuera, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Naomi Parker also did the same by firing orange and black energy slashes from her massive greatsword, and he, Naomi Parker, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Melakuera even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal

Lincoln ran up to and put Melakuera in a bearhug so he couldn't escape. Suddenly, Lincoln began to absorb the Great Spirit of Fire into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done, Melakuera was fully absorbed into his body and he sent Melakuera to The Black Gates forever. Everyone cheered wildly for what Naomi Parker, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Naomi Parker's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large orange and black planets orbiting around her legs, smaller planets orbiting around her fingers, and massive black angel wings and medium sized black angel wings underneath are permanent.

Naomi Parker: Your xenophobic judging is over. Thanks for helping me take down Melakuera, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Naomi.

Me: My pleasure, Naomi.

Suddenly, Naomi Parker wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Naomi Parker's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Demon, and Fortune Fairy Past flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Naomi Parker sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Naomi Parker and hugged us.

Luna: No kidding dudes, you guys taught that fire spirit a lesson.

Luan: And Lincoln absorbed him into his body, that was really fiery.

Me: And he assimilated all of his powers and abilities. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got an idea, for this next set of girls: we're going to be meeting Avatars of The Major Arcana.

WE GASPED!

Selene Arcangela: I knew you'd suggest them next, The Avatars of The Major Arcana are powerful masters of tarot cards, white magic, and the Occult, and they have deck of Tarot Cards they use to read peoples' fortunes and see into the future.

Me: That's incredible.

Lincoln: Yep, and the first of these girls we're meeting tomorrow is Mariana Gébelin, Avatar of The Major Arcana and White Magic Master.

Selene Arcangela: I knew you'd pick her, and you guys are going to love meeting her, Mariana Gébelin is Lincoln's Guardian Angel from France and a very powerful master of tarot cards, white magic, and the Occult, and she has an deck of Tarot Cards that she uses to read peoples' fortunes and see into the future. She's the descendant of 18th Century French Occultist Antoine Court de Gébelin who paved the way for tarot readings, and she's discovered much about the secrets of the tarot cards ever since she was growing up. She's also the leader of a group of white magicians who use their holy arts to defend innocent people from dark magicians who use the dark arts to hurt others for their own amusement. Mariana came to Royal Woods where she met Lincoln, and she eventually did a tarot reading for him, and she foretold that he would soon be transformed into a truly powerful hero and be part of a very powerful force of immortal heroes who fight to defend the universe and the universes beyond, and she's also good friends with Lucy and they do tarot readings as well on the side. Lincoln made Mariana a greatsword and necklace with a blue gem pendant, and to show thanks, Mariana kissed Lincoln on the lips, and he promised that when he comes of age, he'll marry Mariana along with the rest of his harem. Mariana also hates Flip, Icky Vicky, and the other jerks, and she did a tarot reading on them, and for Icky Vicky and Flip along with the other jerks, her tarot reading foretold their punishment would be one of karmic justice as they would die horribly for the crimes they've committed and be forgotten from existence.

Nico: Oh man! Did she predict that Flip and Icky Vicky are the foretold jerks to die?

Lincoln: She did, and her predictions from her tarot card readings are extremely accurate.

Me: Even I was impressed by how extremely accurate her predictions are.

Evil Green Ranger: Nice job, Sonoza.

Sonoza: Thanks!

Koragg: That's two scumbags you sent to the Noto Prison.

Me: Yep.

Whirlwind: But it's not a contest.

Me: Yeah not everything is a contest.

Living Laser: Either way, Christmas is safe.

Nico: Yep.

Aqueduct: Let's have a warm meal.

Nico: Good idea. Great job everyone.

Christmas X-Mas: (To the viewers) Mess with the spirit of Christmas and there will be hell to pay.

Me: Yep.

We went to Lynn's Table and had a great meal and went back home and enjoyed the rest of the day and went to sleep.

Nico: Yep. But being an astronomer is cool. Just like my days at Space Camp.

Qin: You remember that, right?

Nico: How can I forget? That was so fun and awesome.

Camie: Yeah what a jerk! But it's what happens when he messes with Dark Magic.

Varie: That's right.

Qin: Yeah. Big mistake.

Brittney: Dark Magic never gives away stuff like that for free. There's always a price and it's not a good one.

Maria: Just ask Aunt Spiker and Aunt Sponge

Nico: Yep.

Qin: That is too true.

Nico: Yep and they had to learn the hard way.

Qin: They sure did.

Sakura Knudson: Man I HATED AND LOATHED Spiker and Sponge back when I was a little girl. They were not human. Spiker was a Vulture and Sponge was a Hog.

WE LAUGHED!

Qin: (LAUGHS) That is funny. But Yeah I hate them too.

Nico:… the point is that Christmas isn't ruined!

Eli: You got that right!

Qin: Yep.

Nico: Thank goodness.

Varie: Yep.

Me: No one is ruining Christmas on our watch.

Nico: For now, let's enjoy the peace and quiet.

Me: Yeah.

We were sitting by the lake.

Nico: It's so beautiful out here.

Lola: You said it.

Horsea was swimming in the lake.

So was Manaphy, Poliwag and Tentacool.

Nico: This is awesome.

Lola: Yeah.

Camie: I'm still ready for any baddie that comes our way.

Lana: Me too.

Lily: Lets see what Lincoln has for us.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that a clone of Johnny from Home Alone's Angels with Filthy Souls has been sighted!

WE GASPED!

Me: A CLONE OF THAT FILTHY FUCKING ANIMAL IS HERE?!

Nico: Oh God, a clone of that filthy animal is here?! Damn, we're gonna have a lot of trouble with him.

Eli: We'll send him to Vypra, unlike with the real Johnny, a clone of him will be a better addition to their ranks, like with that clone of Stank Breath Bolhofner.

Me: Good idea, Eli. Speaking of Stank Breath, I wonder what Vypra's doing to keep him in line.

Lincoln: You don't want to know, J.D. What she's got to keep him in line is way too horrific. Right now, let's get after that filthy animal and tear his hide apart.

Nico: Let's get him.

Me: YEAH!

Sakura Knudson: I remember Johnny from that movie Angels with Filthy Souls in Home Alone. That was awesome and man that guy was a jerk. He killed anyone that got in his way.

Nico: I know. What an asshole.

Me: What a fucking filthy animal.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: That filthy animal's going to get torn to pieces after everything he's done.

Lola: Yeah!

Camie: Yep.

Sakura Knudson: But it was so funny how Kevin laughed with him to scare the shit out of people including the Wet Bandits.

Megan: (LAUGHS) Yeah! Kevin showed me how he did it and that was pure genius!

Qin: It sure was!

Nico: Yeah!

Tahu heard a Pokemon Cry.

Tahu: Look here brothers!

We saw a Camerupt!

Me: Cool a Camerupt!

Lola: Oh wow!

Me: Oh the poor thing is cold.

Nico: Lets warm it up.

We got to warming it up.

Camerupt: Ahh thank you very much.

Tahu: You're welcome.

Nico: How do you feel?

Camerupt: Much better. Thank you.

Me: Anytime.

Tahu: You want to come with us?

Camerupt: Sure.

Nico: Great.

Megan: Awesome. (GASP) Oh no! Mom and dad forgot me and Kevin again!

Qin: Oh no not again!

Sakura Knudson: Never gets old.

Me: Hey no sweat we'll just head out after Kate calls. It'll be sometime later this afternoon.

Camie: Yeah.

Me: Where is your family going this time?

Megan: We're going to Australia. I've always wanted to swim in the Great Barrier Reef.

Cornelia: You'll love that Megan.

Megan: Yeah. MAN! We got to stop sleeping in every time there's a big trip. But mine and Kevin's alarm clocks are broken.

Me: We got to get those fixed.

Horsea: Me and the other mascots will hop on you two if you sleep in.

Megan: Thanks Horsea.

Me: We brought Kevin and Megan to their flight with our awesome new Supersonic transport plane. We'll show it to yoo when Kate calls.

Nico: How long is their flight?

Megan: 21 Hours and 52 minutes.

Me: Plenty of time.

Manaphy: You two will know when we hop on you

Megan: Thanks Manaphy.

Eli: Cool.

Nico: What time did they leave?

Megan: Right around 8:00 AM Sharp. Me and Kevin didn't wake up till 9:00.

Me: Oops. Like I said we'll just wait for Kate to call and then we'll head out.

Nico: They got to be over in Los Angeles.

Maria: That's pretty far

Me: Yeah it takes 5 hours and 14 minutes to get there.

Nico: So they won't be getting to Australia till tomorrow morning.

Nicole: Long flight.

Lola: Yep.

Me: We'll wait for them to call like I said.

Nico: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing

window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Johnny) AHA! Gotcha, you filthy animal! I just spotted that gangster, he's 20 yards away. (GASPS) And he's got hostages: the other ten Christmas Gene-Slammers and my Guardian Angels!

Pyra Scorchsword: WHAT?!

Corona Crystaldrago: THAT FILTHY FUCKING ANIMAL! WE'RE GONNA RIDDLE HIM WITH BULLETS IF HE HURTS ONE HAIR ON THEIR HEADS!

Lincoln: Easy, girls, we'll get them away from that filthy animal before he can kill them. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began

growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Johnny.

We were walking around the park to find him.

Sakura Knudson: You and your family sure travel a lot don't you Megan?

Megan: Yeah we love going to so many awesome places and all that.

Me: It's awesome.

Nico: It sure is.

We were walking around we spotted Johnny by a bunch of benches, and like Lincoln said, he's taken the other ten Christmas Gene-Slammers who are also his Guardian Angels hostage and he's going to shoot them.

Lincoln: There he is, and there's the other ten Christmas Gene-Slammer Guardian Angels.

Me: In broad daylight? Not a smart move.

Lincoln: We need to get them out and fast before he starts shooting.

Paige Pigpen: Ooh, leave this one to me.

Nico: Uh… oh.

Paige Pigpen snuck up to him, and she raised her arm up exposing her armpit, and it released a massive stink cloud and gassed the area!.

LIGHTHOUSE FOGHORN!

MAJOR P.U.! This caused the Johnny clone to be blinded and he started shooting like crazy!

But, before he could shoot the other ten Christmas Gene-Slammer Guardian Angels, Lincoln made a portal of darkness and got the other ten Christmas Gene-Slammer Guardian Angels out.

Me: WHEW! Man, that was really stinky!

Nico: Big time!

Lori: That was literally even worse than dealing with Lynn or Lana stinking up the house. I should've brought out a tub of tomato juice and threw them in and scrubbed them down long ago.

Lincoln: You would wind up in a full body cast thanks to Lynn and get bite marks thanks to Lana. Okay, now to take care of that animal.

The Johnny clone came out, and he was super enraged upon seeing us,

Johnny: YOU!

Me: That's right us! You are a fucking piece of trash you motherfucking filthy animal!

He got his tommy gun to shoot at us, but Lincoln formed a massive indestructible diamond barrier. But, that idiot gangster was too consumed by bloodlust and he started shooting, but the bullets bounced off the barrier and it stood strong.

Lincoln: Okay, stupid, you asked for it.

Nico: And it's going to hurt really bad!

Lincoln went ULTIMATE LINCOLN and used the powers of Lodestar.

Lincoln: LODESTAR!

Lincoln fired magnetic blasts and snatched the gun out of the gangster's hands and crushed it, and he fired electromagnetic blasts that also removed loads of ammunition that gangster had on him.

Nico: Ooh, nice one!

Gwen T: Now, he's got no chance of defending himself.

Suddenly, the Johnny clone got out another tommy gun and was about to shoot, but Sebastian fired a blast of dark fire which melted it and burned his arms and hands at once.

Johnny Clone: OW! You stupid bastard, who the Hell do you think you are?!

Tsukasa: Just some people passing through.

Me: And they are people that you fucked around with!

Nico: And they are REALLY PISSED OFF!

Johnny: I'm gonna give you to the count of 10, to get your ugly, yella, no-good keister off my property, before I pump your guts full of lead!

Venom: (steps forward) Take your best shot then. (Points to his chest) Right here. Hit us with your best shot.

Johnny: 1… 2… 10!

GUNSHOTS FIRING! LAUGHING MANIACALLY!

But the bullets were not having any effect on him as they were bouncing off him like they were nothing.

He blasted him until he ran out of ammo.

CLICKING

Venom: Ha. That didn't hurt us at all.

Some of the bullets were sucked into him.

Venom: Plus, ammo is expensive. Have some back!

He fired the bullets back at him with his hands and blasted his legs all over.

Johnny's legs were shredded from them.

Nico: I bet that had to hurt!

Me: Like when you killed Snakes and your Girlfriend Carlotta! Right!?

Qin: Yeah!

Me: Also we're in a park you son of a bitch! It's for EVERYONE! Not you!

Nico: Yeah!

He got up.

Johnny: I'm gonna give you to the count of three to get your lousy, lyin', low-down, four-flushing carcass OUT my door!

Me: This is a park you motherfucking pissant!

He pointed the gun at me.

Me: Take your best shot you shitfucking fucksack.

Johnny: 1… 2…

MULTIPLE GUNSHOTS! MANIACAL LAUGHTER!

I grabbed all the bullets with lightning fast speed! And he ran out again.

Me: 3. Merry Christmas you fucking filthy animal!

I fired his bullets back at him and hit him in his other leg.

Me: And a happy fucking new year!

I fired a bullet and blasted his arm!

He got out his gun and I fired laser vision blasts and blasted his gun and melted it!

Then, he was met with getting slashed on the chest by Lincoln with his claws and it left claw marks and scars on his chest along with a punch to his nose.

Lincoln: That's for trying to murder my Guardian Angels, you filthy animal. If I could, I wish I could kill you right here right now! (STEAM BLEW OUT OF LINCOLN'S NOSE AND THE SCLERA OF HIS EYES TURNED BLOODSHOT WITH RAGE TOWARDS THAT FILTHY ANIMAL)

Nico: Oh, you really did it, you filthy animal! Trying to murder his Guardian Angels is a deadly line no one, and I mean, no one would dare to cross.

Me: You've got some nerve, asshole. Well, no skin off our nose if Lincoln tries to skin you alive.

Paige Pigpen: Now, it's time to give you a complete thrashing, you scumbag.

Poromon pecked him.

POINK POINK POINK POINK POINK POINK POINK POINK!

Poromon: You like that! How about this!? (ECHOING) LIGHTNING JAVELIN!

He fired a wave of lightning and electrocuted him.

He was down!

Nico: Top this! (ECHOING) THUNDER STOMP!

He used Pajiramon's powers and smashed his chest and Johnny belched up a HUGE AMOUNT OF BLOOD!

Nico: That had to hurt did it!

Horsea squirted Ink and blinded him.

Suddenly, Paige Pigpen's yellow eyes turned neon yellow and she was surrounded by a grey and yellow energy aura with stars, trash, smelly junk, stink clouds, Alicorns, phoenixes, and angels, and as she approached the Johnny clone, she left grey and yellow energy, stars, trash, smelly junk, stink clouds, Alicorns, phoenixes, and angels with every step.

Paige Pigpen: You really are nothing more than a filthy animal always resorting to using violence just because you can't control your bloodlust. That's what I hate about people like you, and I'm going to make sure you pay the consequences of your actions, you piece of trash!

Johnny Clone: WHAT THE FUCK DID YOU JUST SAY, BITCH?! I'LL KILL YOU!

Suddenly, Paige Pigpen was surrounded by a massive vortex of grey and yellow energy with stars, trash, smelly junk, and stink clouds surrounding the vortex, there are Alicorns, phoenixes, and angels flying around the vortex, and in the vortex is a grey phoenix with red eyes glaring at the Johnny clone: the red eyes of judgement.

Me: OH MAN! THIS IS GOING TO GET REALLY STINKY!

We all had on 22nd Century Exopacks on thanks to our 28th Century silver Miracle Box backpacks.

Nico: Big time stinky!

Lincoln: This guy's going to get covered in tons of trash and smelling like a dumpster after Paige gets through with him, P.U.!

Then, as the vortex faded, Paige Pigpen emerged, but she was changed forever.

Paige Pigpen grew to 8'3" in height, she now has large gold metal braces on her biceps and thighs, and she now has twelve large grey and yellow planets orbiting around her legs, she has the body of a goddess, she has grey and yellow highlights in the bangs of her long brown hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon yellow eyes and a grey and yellow energy aura with stars, trash, smelly junk, stink clouds, Alicorns, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Pigpen with her tiara emblazoned on her forehead and Third Eye with yellow iris, she has on Alicorn earrings with yellow gems for eyes and holding the Star, Trash, Magic, and Eternity Kanjis in their hooves, she also has Pigpen with yellow gems for eyes and holding the Star, Trash, Magic, and Eternity Kanjis in his hooves for the second pendant on the bottom of her grey trashcan-shaped Element of Harmony along with with grey crystal links from her merged Crystal Necklace of the Buddha and grey gems on the gold star links, and she also has on her white and gold accented choker on her neck. Paige Pigpen has on a short-sleeved grey shirt with Pigpen's cutie mark on it, grey pants, no shoes, and long sleeveless white trenchcoat with stars, trash, smelly junk, stink clouds, Alicorns, phoenixes, and angels on the coattails, and on the back is Pigpen surrounded by stars, magic, trashcans, and junk and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding a grey gem with neon glowing grey lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Paige Pigpen felt a sharp pain on her back, and then, her massive brown angel wings with grey tips on the large brown feathers grew much larger for her new body and medium sized brown angel wings with grey tips grew and sprouted out underneath her massive brown angel wings, and Pigpen's tail grew larger and longer for her new body, Paige Pigpen has on her Ring of the Phoenix with large grey gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and red fingerless gloves with gold-plated armored claws on her fingers and smaller planets orbiting around her fingers.

We were amazed by Paige Pigpen's Super Angel-Pigpen Legacy Embodiment-Alicorn-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when the Johnny clone saw it, he went mad and got out another tommy gun to shoot her, but Paige Pigpen fired a massive barrage of grey and yellow energy, stars, trash, smelly junk, stink clouds, Alicorns, phoenixes, and angels which hit the Johnny clone and the gun melted because of the stink and he got sent flying into another wall, he got back out, but boy, was he madder than ever.

Lincoln, Paige Pigpen, and I went after the Johnny clone, and we fired extremely powerful blasts of rainbow energy, grey and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Johnny clone, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Paige Pigpen, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Johnny clone even more mad.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Paige Pigpen, and I fired powerful blasts of energy, magic, stars, trash, and planets at the Johnny clone, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Then, Lincoln threw a massive El Mongo Stink Bomb which hit the Johnny clone and exploded, and he was covered in smelly gunk and he smelled like a dumpster.

Me: Merry Christmas you fucking filthy animal.

Nico: And a Happy Fucking New Year.

Then, he was dragged into the portal opened up by Lincoln to Vypra and thrown into an isolation tank. Everyone cheered wildly as we holstered our weapons and powered down, and Paige Pigpen's new body, clothes, weapons, jewelry, eleven massive and long red wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large grey planets orbiting around her legs, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings underneath are permanent.

Me: That'll teach that moronic gangster!

Nico: He's gonna be in for severe re-education from Vypra after getting a bath.

Lincoln: You said it.

We then went up to the ten Christmas Gene-Slammers, and Lincoln recognized them immediately.

Lincoln: (GASPS) Maria Windknight, Gene-Slammer of MedievalGallantmon, Zoey Zombievenger, Gene-Slammer of Avendread Savior, Kuro Dākusutīrudoragon, Gene-Slammer of

Darkness Metal, The Dragon of Dark Steel, Natsumi Kurisutaruraito, Gene-Slammer of Tistina, the Divinity that Defies Darkness, Leona Illusionbeast, Gene-Slammer of Berfomet the Mythical King of Phantom Beasts, Sonnya Supernova, Gene-Slammer of Red Supernova Dragon, Liara Steamtrain, Gene-Slammer of Superheavy Samurai Steam Train King, Amelia Colorcrystal, Gene-Slammer of Ultimate Crystal Rainbow Dragon Overdrive, Sara Tripleelement, Gene-Slammer of the Gate Guardians Combined, and Boa Bora Blazespear, Gene-Slammer of Gaia Prominence, the Fierce Force.

Pyra Scorchsword: That's who that filthy animal tried to shoot?! I hope Vypra puts him through Hell!

Corona Crystaldrago: He's lucky we didn't decide to end him forever!

Maria Windknight: Thank you all for saving us. (Sees Lincoln) (GASPS) Lincoln, is that you?!

Lincoln: It's me, Maria. Thank goodness we got you all away from that filthy anima.

Just then, the other Christmas Gene-Slammers ran up to Lincoln and kissed him all over and many of them cried tears on his chest: THAT FILTHY ANIMAL TRIED TO KILL THEM IN COLD BLOOD TO SLAKE HIS THIRST FOR BLOOD! VYPRA'S GONNA PUT HIM THROUGH FUCKING HELL FOR THIS!

Corona Crystaldrago: I can't believe that moron tried to kill them, Vypra's so going to put him through fucking Hell!

Nico: Oh, big time. So, you gonna introduce us?

Pyra Scorchsword: Oh right. The first girl is Maria Windknight, Gene-Slammer of MedievalGallantmon, she's Lincoln's Guardian Angel from France and classmate in English and she's also the cousin of Adrien Agreste A.K.A. Cat Noir. She and Lincoln love to try on various outfits, and she like her cousin has yellow hair. She's one of the best fashionistas among Lincoln's guardian angels as she made Lincoln a tuxedo and pants that can adapt to Lincoln's transformations and it's orange in color too. To show thanks, Lincoln kissed Maria on the lips, and she hates The Wet Bandits with a blazing passion, why? Because they once tried to steal her clothes and her money and by extension her family's money which Lincoln, Maria, and surprisingly Gabriel Agreste did not take kindly to. So, Gabriel as Hawk Moth prior to his arrest summoned Stormy Weather to work alongside Lincoln and Maria to get not only Maria's clothes and money back, but also, to scare The Wet Bandits away screaming like little girls.

Eli: You guys had help from Gabriel before you went after him?!

Lincoln: Yep, I remember that all too well, he didn't take kindly to Marv and Harry for what they did, and we got Maria's clothes and money back, and sent those boobs screaming back to prison.

Nico: Yeesh, messing with Gabriel's family by trying to steal his niece's clothes and money, that's basically getting yourself sent to Hell for that.

Corona Crystaldrago: The second girl is Zoey Zombievenger, Gene-Slammer of Avendread Savior, she's Lincoln's Guardian Angel from Texas and classmate in Gym, and is surprisingly a zombie girl and is an expert of the zombie apocalypse. She and Lincoln prepped everything for when they head to worlds that have zombie apocalypse and she has pink hair. Lincoln made Zoey a pink necklace with black gems, and to show thanks, she kissed Lincoln on the lips, and she hates perverts with a blazing passion.

Nico: Drat, we should've met her during any of our zombie-themed missions.

Lincoln: One day, you'll see us both in action against the hordes of zombies.

Pyra Scorchsword: The third girl is Kuro Dākusutīrudoragon, Gene-Slammer of Darkness Metal, The Dragon of Dark Steel, she's Lincoln's Guardian Angel from Japan and classmate in Math, and she's the cousin of Jet. Her last name, Dākusutīrudoragon means Darkness Steel Dragon in Japanese. She is the master of crafting powerful weapons and master of various types of magic. She and Lincoln also helped Luan with birthday parties as well. Lincoln made Kuro a black necklace, and to show thanks, she kissed Lincoln on the lips, and she hates Trina Riffins with a blazing passion.

Nico: Whoa, a skilled blacksmith and master of various types of magic?! That's awesome.

Lincoln: I eve used magic spells and infused my sword with it to do extra damage to enemies.

Corona Crystaldrago: The fourth girl is Natsumi Kurisutaruraito, Gene-Slammer of Tistina, the Divinity that Defies Darkness, she's Lincoln's Guardian Angel from Japan and classmate in Science, and she's also the cousin of Fuu from Samurai Champloo. Her last name, Kurisutaruraito, means Crystal Light in Japanese. She, Fuu and Lincoln would hunt for various crystals in caves, and she like Lincoln has white hair. They even made various jewelries out of crystals and Lincoln made Natsumi a white necklace, and to show thanks, she kissed Lincoln on the lips, and she hates Flip with a blazing passion.

Fuu (Samurai Champloo) Natsumi and Lincoln made some awesome crystal jewelries, take a look.

Fuu showed us a pair of crystal earrings, bracelets, and necklace he and Natsumi made five years ago.

Rarity: My word, that's an amazing set of earrings, bracelets, and matching necklace you all made.

Lincoln: Thanks, Rarity.

Pyra Scorchsword: The fifth girl is Leona Illusionbeast, Gene-Slammer of Berfomet the Mythical King of Phantom Beasts, she's Lincoln's Guardian Angel from Texas and classmate in Gym, and she's also the cousin of Tina Armstrong and a very strong wrestler. She even protected Lincoln from bullies as well and she has yellow hair. To show thanks for protecting him, Lincoln kissed Leona on the lips. She hates Hawk and Hank and even Chandler with a blazing passion.

Me: I've seen her wrestle the biggest, meanest, and toughest bullies into the ground, and she's tough.

Nico: Nice.

Selene Emperyous: The sixth girl is Sonnya Supernova, Gene-Slammer of Red Supernova Dragon, she's Lincoln's Guardian Angel from New Domino City and classmate in Math, and she's also the cousin of Jack Atlas. She and Lincoln practiced with various Duel Decks and they even won a few tournaments. She has red hair, and Lincoln made Sonnya a red necklace, and to show thanks, she kissed Lincoln on the lips, and she hates Icky Vicky with a blazing passion.

Lincoln: We practiced with various Duel Decks even the Duel Monsters many of my Guardian Angels were Gene-Slammed into, and she's used her cousin's Duel Deck before.

Me: Incredible.

Michelle Emperyous: The seventh girl is Liara Steamtrain, Gene-Slammer of Superheavy Samurai Steam Train King, she's Lincoln's Guardian Angel from Michigan and classmate in Math and she's also the cousin of Clover and she's a lover of trains, and like her cousin, she has yellow hair. She and Lincoln love trains, and he made Liara a trained themed necklace, and to show thanks, she kissed Lincoln on the lips. She hates Lila Rossi with a blazing passion in the same way Clover despises Mandy.

Nico: Yikes! And I can guess it got ugly if they got into a physical fight.

Lincoln: It sure did, she trashed Lila the same way Clover trashed that spoiled brat, Mandy.

Clover: It was so awesome.

Laney Emperyous: The eighth girl is Amelia Colorcrystal, Gene-Slammer of Ultimate Crystal Rainbow Dragon Overdrive, she's Lincoln's Guardian Angel from Michigan and classmate in Science, and she's also a lover of jewels and crystals and she's the cousin of Alex. She and Lincoln love to make various jewels and even made jeweled necklaces. Lincoln made Amelia a blue diamond necklace, and to show thanks, she kissed Lincoln on the lips, and she hates

Flip with a blazing passion.

Lincoln: We've made a lot of various jewels and jeweled necklaces, and we even found jewel quarries nearby in town, and they have some of the most amazing jewels there.

Alex: They were really amazing, one day, we'll show you guys.

Nico: This we got to see.

Rachel Emperyous: The ninth girl is Sara Tripleelement, Gene-Slammer of the Gate Guardians Combined, she's Lincoln's Guardian Angel from Michigan and classmate in Science, but she loves to study the sky during the day and night and she's also the cousin of Sam Simpson. They also made a massive diorama of the weather as well as how it affects various ecosystems. Lincoln made Sara a green, yellow, and blue necklace, and to show thanks, she kissed Lincoln on the lips. She hates Lila Rossi with a blazing passion in the same way Sam despises that spoiled brat, Mandy.

Sam: Wait, I remember that all too well, their diorama project amazed everyone in school and even the science committee was impressed by it, and they've studied the sky during the day and night.

Lincoln: My favorite was studying the night sky, we saw the stars and we saw the constellations and wrote them all in a journal for class.

Vorya Emperyous: You both wound up getting an A for that. And the tenth girl is Boa Bora Blazespear, Gene-Slammer of Gaia Prominence, the Fierce Force, she's Lincoln's Guardian Angel from Michigan and classmate in Gym, but she's also one of the fiercest and strongest of Lincoln's Guardian Angels, and she's the cousin of Boa Hancock. She even hates bullies as well, and to show thanks for protecting him from even Lynn, Chandler, and other bullies, Lincoln kissed Boa Bora on the lips, and she hates bullies and perverts, and even Lynn with a blazing passion.

Nico: Yeesh, and I can guess Lynn and Chandler got beaten to a bloody pulp, right?

Lincoln: Worse than that, she turned Chandler into a human pretzel and threw him into the sewers and she threw Lynn into a nest of skunks and she got sprayed hard.

Me: I almost hurled when I smelled Lynn, she smelled even worse than ever.

Luna: We threw her in an industrial sized tub of tomato juice.

Lincoln: She deserved it, and it's so good to see you all again, girls.

Maria Windknight: You too, Lincoln, and you've really really grown into quite a man.

Amelia Colorcrystal: You sure have, and thank you for saving us from that filthy animal.

Me: He wasn't going to forgive that filthy animal for trying to kill you girls.

Nico: He never forgave that old goat, Scoots, for what she did killing Claudia, hurting one of his Guardian Angels is basically grounds for eternal damnation.

Selene Emperyous: That's right, eternal damnation befalls those who dare to hurt his Guardian Angels.

Ben: Let me see if I have Starlaser, Enchantreus, Furygreed, Willgiant, Hopeflare, and Bountyhuntor

He checked and nothing.

Ben: Nothing!

Me: We can fix that.

Nico: Nice job, Camerupt!

Camerupt: Thanks Nico. It was fun.

Qin: Yeah!

Camie: That was fun.

Poromon: Want a beer?

Camerupt: No thanks. I can't drink beer. I'm violently allergic to it.

Nico: What happens?

Camerupt: You do not want to know.

Me: Oh boy.

Poromon: I see what you mean.

Poliwag did Puppy Eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Okay.

Saint Walker: You can add me to your list of aliens, Ben.

Larfleeze: As well as me.

Kameo: Me too.

Cad Bane: And me too.

Kilowog: Me too.

Me: Also I based Starlaser from Sonar of the Air Minicon team

Qin: Cool!

Ben: I get it. Starlaser must be a Decepticon form. And Omniprime is an Autobot form

Me: I think so

Qin: Yeah.

Ben: But who do I scan for Starlaser?

Me: Sonar?

Sonar went over to him.

Ben: Oh, why not?

Ben scanned Sonar and the Omnitrix recalibrated Sonar's DNA for him and made Starlaser!

Ben: Oh yeah!

Camie: Cool!

Ben: And now, for the others.

He scanned them and got the powers of Enchantreus, Furygreed, Willgiant, Hopeflare, and Bountyhuntor.

A boy version of Enchantreus called Enchantor.

Nico: Awesome!

Ben: And I still have Omniprime

Nico: Yep.

Lola: Cool.

Nico: Yep. Now it's time for the Anothers.

Eli: Lets see. (Concentrates) Whoa! We got Another Phantom Puppeteer, Kabuki Succubus, Another Future Kiva, Blob (Simpsons), Werewolf (Freakazoid), and General Grievous.

Then the cutie marks of the rest of Sunset Shimmer, Fluttershy, Twilight Sparkle, Rarity, Applejack, Pinkie Pie and Microchips glowed.

Me: Whoa Sunset you and the rest of the girls and Microchips' cutie marks are glowing.

Eddy: Manaphy, before we go any further, does the thought of Werewolf Poromon still scare you?

Manaphy: Yes it does. But I'm getting better bit by bit.

Qin: Good.

Nico: Yeah she's making progress.

Nico: There they are!

Me: The last thing we want is for May to kill Eddy and Luan killing her.

Nico: Ino, when Horsea was scared by the Haunted Car, did you have therapy with her?

Ino: Yes I did and it produced amazingly awesome results. Horsea got over the fear of the Haunted Car in a few days.

Camie: That is amazing.

Qin: It sure is.

Varie: I agree there.

Maria: Are you doing the same with Manaphy?

Ino: Yep. She's doing well.

Me: Good. Keep it up.

Qin: Yep.

Me: Yep. There!

We saw the Another Phantom Puppeteer!

Me: WHOA!

Qin: Another Phantom Puppeteer!

Me: This will be good.

Another Phantom Puppeteer: (In a girls voice) Yes it sure will.

Me: (GASP) That voice.

She reverted back and was a girl with teal green hair and blue eyes and had green island clothes and blue angel wings and a tiara with the symbol of the Island Dopant on it and on her skirt and had a black phoenix sword.

Me: Jade Island! Awesome!

Jade Island: Good to see you again J.D.

Me: You too. Jade is from the island of Java and she is a treasure hunter. She goes after the most elusive of jewels in Indonesia. Also she is an amazing Wayang Kulit or Shadow Puppet master.

Nico: That is cool!

Nicole: Awesome to meet a Treasure hunter.

Jade Island: It sure is awesome.

Lola: Yeah.

Kaito (gets out Dynaman gear): Did Swartz promise you anything?

Zocks (gets out Bioman gear): Because we can grant it instead

Kaito got a Dynaman Sword and Zocks got a Bioman Sword.

Jade Island. Just to find this.

She held out a picture and it was a huge Fire Ruby Heart.

Nicole: (GASP) The Fire Heart of Vritra! I've been trying to find that for years.

Nico: (WHISTLES) That is a huge ruby.

Nicole: It's said to be the all-powerful heart of the Evil Fire Dragon God of Hindu Myth, Vritra. It has the powers of fire in its entirety in it.

Nico: Wow! That is amazing!

Me: We can gladly find that for you.

Jade Island: Thanks.

Nicole: I have a map leading to where it might be.

Jade Island: Great.

Sougo (gets out Dynaman Ridewatch): Where do you think it might be?

Geiz (gets out Bioman Ridewatch): Well, we'll have to find it some other time.

Sougo got DynaRedArmor while Geiz got Red1Armor

Nicole: It's said to be on an uncharted island somewhere in Indonesia.

Me: With over 18,110 islands there it's going to be like looking for a needle in a haystack.

Nico: Good thing that I know Indonesia like the back of my hand.

Nicole: You'll be a big help in finding it Nico.

Me: Yep.

Lincoln: Lets separate you first Jade.

We did so and we were ready.

Me: Snipe Anteater! Wow!

Nico: Cool!

Snipe Anteater: (In a girls voice) It sure will be.

Nico: Lola Anteater!? Whoa!

Snipe Anteater: Awesome to see you again Nico. I got this.

She fired energy waves and blasted the Another down and I caught the ridewatch and purified it.

Me: Awesome!

She reverted back and was a girl with pink hair and blue eyes and a pink bikini on and had pink angel wings and a giant anteater symbol in the middle of her forehead.

Nico: Awesome!

May: And I didn't get hit!

SPLAT!

She got hit in the face with a pie!

May: OH COME ON! (Slurps) Yummy! Oregon Marionberry.

Rarity: Lets get you some clothes darling.

The fashion brigade gave her awesome blue and pink clothes.

Lola Anteater: Awesome! Thanks.

Maria: You're welcome.

May: Who threw that pie?! Was it you Daffy Duck!

Daffy Duck: THAT IS CORRECT! ABSOLUTELY 100% ABSOLUTELY CORRECT! HOOHOOHOOHOOHOOHOHOHO!

May: WHY YOU LITTLE!?

Daffy Duck: Honestly, I did it to make things funny.

Nico: (LAUGHS) Yeah!

Daffy Duck: Besides, being crazy is what I do best! (HONKS MAY'S NOSE) HOOOHOHOHOHO!

WE LAUGHED!

Lola Anteater: Good times!

Serena Moon: Do you have a favorite memory of Nico?

Lola Anteater: When me and Nico went after that dopey anteater from Ants in The Plants.

Me: That is one of my favorites.

Qin: Good times.

Lola Anteater: Yeah we made him cry uncle.

WE LAUGHED!

Nico: Yeah.

Nico and Lola hugged.

Nico:: I've missed you.

Lola Anteater: Me too. Oh and I don't eat ants for real. I eat honey.

Nico: Nice.

We later went back home.

Then, Lincoln fired an energy beam that hit her and he drained her of her life force leaving her as a withered corpse. Then, he set her body on fire and sent her to The Black Gates, we cheered as we holstered our weapons and powered down.

Lincoln: Your days of stepping on people to get what you want and satisfy your neverending greed end here. (To Mariana Gébelin) And it's so good to see you again, Mariana.

Mariana Gébelin: (French Accent) You too, Lincoln, it's been seven years since we last met.

Suddenly, Mariana Gébelin wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and then all over the place: face, arms, pecs, eight-pack abs, and stomach. When Mariana Gébelin was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Mariana Gébelin: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Mariana Gébelin's waist and hugged her, and Mariana Gébelin is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you

were seventeen, and as you can see, I really grew a lot since then.

Mariana Gébelin: (French Accent) Mon Dieu, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Mariana Gébelin, Avatar of The Major Arcana and White Magic Master, she's Lincoln's Guardian Angel from France and a very powerful master of tarot cards, white magic, and the Occult, and she has an deck of Tarot Cards that she uses to read peoples' fortunes and see into the future. She's the descendant of 18th Century French Occultist Antoine Court de Gébelin who paved the way for tarot readings, and she's discovered much about the secrets of the tarot cards ever since she was growing up. She's also the leader of a group of white magicians who use their holy arts to defend innocent people from dark magicians who use the dark arts to hurt others for their own amusement. Mariana came to Royal Woods where she met Lincoln, and she eventually did a tarot reading for him, and she foretold that he would soon be transformed into a truly powerful hero and be part of a very powerful force of immortal heroes who fight to defend the universe and the universes beyond, and she's also good friends with Lucy and they do tarot readings as well on the side. Lincoln made Mariana a greatsword and necklace with a blue gem pendant, and to show thanks, Mariana kissed Lincoln on the lips, and he promised that when he comes of age, he'll marry Mariana along with the rest of his harem. Mariana also hates Flip, Icky Vicky, and the other jerks, and she did a tarot reading on them, and for Icky Vicky and Flip along with the other jerks, her tarot reading foretold their punishment would be one of karmic justice as they would die horribly for the crimes they've committed and be forgotten from existence.

Nico: Just like what we heard yesterday. So, it's true you can tell a person's future through the tarot cards you have.

Mariana Gébelin: That's right, and my readings are always accurate.

Lincoln: The Tarot Card readings Mariana and her friends have done are incredibly accurate, and Lisa's tried to debunk them many times, only to get a Tarot Card reading done on her, and it ended with Mariana saying that if Lisa didn't change her ways towards me, it would end with her future destroyed and getting sent to prison, same with Lori, Lynn, Luan, and Lola.

Me: It was really accurate and Lisa was horrified, along with Lori, Luan, Lynn, and Lola.

Lincoln: Angering the Arcana Avatars was a huge mistake on their part, and now that you're here, Mariana.

Lincoln leaned his head down the right side of Mariana Gébelin's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Mariana Gébelin: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Mariana Gébelin with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Mariana Gébelin: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Mariana Gébelin.

Mariana Gébelin had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Mariana Gébelin's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Mariana Gébelin had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the ten girls Lincoln was to rescue and the four girls Ets was to rescue, and when Lincoln saw the ten girls, he immediately recognized them. The ten girls are Corto Heilani, Mouse, Max, Hannah, Flora, Simulator Debbie, Mina, Victoria, and Laurel, and Universe 666 Gavinda Teach from Droners, and when

Ets saw the four girls, he saw who they were, the four girls are Katie, Debbie from Droners, Simulator Lucy from Ninjala, and Niko Nekose.

Lincoln: Oh wow, it's Corto Heilani, Mouse, Max, Hannah, Flora, Simulator Debbie, Mina, Victoria, and Laurel, and Universe 666 Gavinda Teach from Droners.

Ets: And Katie, Debbie from Droners, Simulator Lucy from Ninjala, and Niko Nekose.

Then, when Katie and the other three girls saw Ets, they ran up to Ets and kissed him.

Nicole: The girls definitely gave Ets his reward for saving them from Gavinda.

Lincoln: You said it. Are you girls okay?

Corto Heilani: Yes, we're okay, thanks to you.

Then, when Corto Heilani and the other nine girls saw who it was that saved them from Gavinda Teach, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command, Strategist, And Founder of Team Loud Phoenix Storm, Emissary of The

Corto Heilani: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Corto Heilani: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Corto Heilani, Mouse, Max, Hannah, Flora, Simulator Debbie, Mina, Victoria, and Laurel, and Universe 666 Gavinda Teach with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Gavinda Teach.

But, when Lincoln showed what we did in beating her down and Lincoln firing an energy blast that hit her and he drained her of her life force and lighting her on fire and sending her to The Black Gates, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Mariana Gébelin have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so you guys went after Gavinda Teach, I was hoping we'd go after her in the future.

Lincoln: Afraid not, the trouble she was causing couldn't be ignored any longer.

Nico: Nope, and in the end, we defeated her, took her down, and Lincoln drained her of her life force and sent her to The Black Gates.

Me: When we go after Flip, I hope you do much much worse to him.

Lincoln: Oh, I've got much worse for him.

After Lincoln and all of us beat down Gavinda Teach and sent her to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Mariana Gébelin saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Mariana Gébelin: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Mariana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Mariana Gébelin: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Mariana Gébelin: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was twenty five massive armies of large muscular beach bullies and they're out to get revenge on Lincoln for the deaths of their fellow comrades.

Lincoln: What the? Twenty five massive armies of large muscular beach bullies? Lori, this better not be some sort of contingency plan that control freak in you had in case she got destroyed forever.

Marana Gébelin: (French Accent) It was.

CLANG!

Luna whacked a Dark Lori clone Lori created in the face with a frying pan and sent that clone to The Black Gates.

Nico: Looks like it's feeding time, Lincoln.

We flew out of The World Tree Estate and Lincoln fired blasts of rainbow energy and elements right at the twenty five massive armies of large muscular beach bullies and they got pissed when they saw Lincoln and all of us.

Large Muscular Beach Bully 1: You're going to pay for this, you little… ! (Suddenly sees Lincoln) Oh, shit!

The twenty five massive armies of large muscular beach bullies saw Lincoln was now an 8'9" massive, extremely muscular man with muscles bigger than their heads and he can easily crush their heads in, but their hot blooded tempers got in the way.

Large Muscular Beach Bully 2: GET HIM!

The twenty five massive armies of large muscular beach bullies charged right at Lincoln, but Lincoln fired massive blasts of really strong wind at the twenty five massive armies of large muscular beach bullies and sent them flying into a tree and they easily got knocked out.

Lincoln: Now, for the feast.

Suddenly, Lincoln sprouted tentacles with suctions from his chest and the tentacles latched onto the twenty five massive armies of large muscular beach bullies, and then, Lincoln began sucking the twenty five massive armies of large muscular beach bullies dry of their massive muscle mass, massive levels of virility and testosterone, and massive superhuman strength and they were groaning in pain as they began shrinking in muscle mass and they were also being drained of his life force.

Then, all of the twenty five massive armies of large muscular beach bullies' massive muscle mass, virility, testosterone, and massive superhuman strength was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS) Man, these guys sure have been bulking up in muscle.

Nico: What on Earth made those bullies that large and muscular?

Me: Lisa found out Lori had given them her experimental muscle growth serum mixed in with some bull hormones, and it not only bulked them up that much and gave them massive muscle mass, but they were also given massive amounts of virility and testosterone and massive superhuman strength.

Nico: Dark Lori hated Lincoln that much, she resorted to something like that, what a bitch.

Then, when Lincoln was done, the tentacles detached themselves from the twenty five massive armies of large muscular beach bullies' pecs and went back into Lincoln, and the twenty five massive armies of large muscular beach bullies were thin as a rake and sucked bone dry of their massive muscle mass, virility, testosterone, and massive superhuman strength and they also had the life sucked out of them as they died and they were sent to The Black Gates forever. We returned home and continued our workouts.

Lincoln: If any more of those guys are out there, I'll suck them dry of their massive muscle mass, virility, testosterone, and superhuman strength.

Amara Roshansa: You got that right. (Seductively) Of course, we don't mind you getting even more larger in muscle mass, that'll just make our lovemaking even more intense and another reason to blush even more seeing you work out even more and flex those even more massive muscles you'd worked hard to gain.

Lincoln blushed madly and his nose bled.

Lincoln: (Thinking) Oh, you're in so much trouble tonight, Amara, with what I got planned.

We got a shower, and then, Lincoln and his entire harem are heading to Emerald Coast.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And his entire harem are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Lily the Mermaid: Ah, Emerald Coast, it's just as beautiful as ever.

Lincoln: It sure is, Lily. Shall we?

Lincoln and his entire harem dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and his harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking

Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to his entire harem and they hugged the girls in their abnormally massive and powerful muscular arms and his entire harem placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into his harem and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Lily the Mermaid: It was so amazing as always.

Jenna: And that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill us again, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta

appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Yona, Carlota and Himiko's final mission

Me: Anyone else want to go with Yona, Carlota, and Himiko? Besides Haruto, Matt Olson, and Dante Vale?

Kaos: I will go.

Jason Lee Scott: Count me in too.

Me: And I'm going to have the all the riders and their Ambassadors come with.

Nico: AWESOME!

Hitoshi: This will be awesome!

Lola: Yeah!

May: I'll go too.

Me: Okay.

We were off to Japan.

We arrived.

Ace Ukiyo: Hey guys!

Yona: Guys, Yona would like you to meet Haruto, Matt Olson, and Dante Vale.

Haruto: Awesome to meet you guys. Haruto, leader of Kamen Rider Wizard.

Matt Olson: Matt Olson.

Dante Vale: And I'm Dante Vale.

Neon: Pleasure.

Kaos: And it is I, KAOS. I am the former enemy of the Skylanders of Skylands.

Jason Lee Scott: And I'm Jason Lee Scott, leader of the Mighty Morphin Rangers.

Me: You may know them as the Zyurangers. This was when they first came out in America back 30 years ago in 1993.

Neon: Wow! It's an honor.

Jason Lee Scott: Same here.

Me: And also meet your fellow riders and their ambassadors..

They saw the riders and the Ambassadors.

Neon: Oh wow!

Hitoshi: It's a pleasure to meet you all.

Neon: Same here.

Elyon: Hey, guys!

Neon: Elyon! Awesome to see you!

Elyon: Same here.

They introduced themselves.

Keiwa: Wow! It's truly an honor.

Me: Yep. From July 7th to August 14th, 2022 we met and helped the Kamen Riders from Japan and helped them battle their major enemies.

Gali: That's right. We battled Kaendaishou in that one.

Neon: Wow!

Me: Yep. Kabuto was next.

Souji: That's right.

Nokama: That was a crazy one.

Souji: Issei Kurosaki was battled in that one.

Me: Then came Den-O.

Takanuva: That one was awesome and great.

Nico: After that was Kiva.

Me: That one was a true test of our vampire hunting skills.

Stella (Winx Club): It sure was awesome.

Maxxine: Then came Decade and that was a cool one.

Tsukasa: That was awesome. We faced Apollo Geist in that one.

Neon: Cool!

Me: Yep.

Nuju: Then came W.

Philip: Yep and we took down NEVER in that one.

Me: They were 6 people that were brought back from the dead as supersoldiers.

Neon: That's insane!

Nico: I know.

Me: They are now in the M.O.E. and they are the archenemies of some of Lincoln's guardian angels.

Nico: Yep.

Neon: That is cool!

Me: Yep.

Will: Then came OOO next.

Eiji: We took down Maki in that one.

Me: He and I had a really nasty history together. I blasted his arm off after he was defeated.

Nico: Yep.

Whenua: My mission was next and that was a cool one.

Me: We battled the Sagittarius Zodiarts in that one.

Nico: That one J.D. liked because of astronomy.

Keiwa: Wow!

Elyon: My missions were for Wizard.

Haruto: Yeah they were magical.

Me: Yep and we battled the Wiseman in that one.

Nico: Yep.

Lillian: For my missions we went to another planet and battled the Vengeful 6.

Kouta: It was located at the very distant edge of the universe and it was crazy.

Neon: That is amazing.

Me: Yep.

Onewa: My missions were an adrenaline rush with the Drive team.

Shinnosuke: Yeah that one was awesome. Everyone used our cars for that one.

Me: Banno was our target for that one.

Nico: Yep. And May ripped apart the monster that killed Shinnosuke's father.

Shinnosuke: It's true and she ate his heart.

Neon: YUCK!

Me: I know.

Onua: Ghost was an educational one. The Eyecons we used taught us all about figures from history we never knew anything about.

Takeru: It's true and that was awesome.

Keiwa: Wow! That is awesome.

Me: Yep. Then came Ex-Aid.

Kopaka: Yeah that one was Nicole's favorite too.

Me: My daughter Nicole is the Goddess of Video Gaming and she loves video games.

Emu: It's true and she is amazing.

Neon: That is awesome.

Pohatu: Then came the Build team.

Sento: My version of Japan was an Apocalyptic one.

Eli: Yeah no kidding. Japan was divided into 3 factions by a ginormous wall caused by an interstellar entity named Evolt.

Me: I let all hell loose on him.

Neon: WHOA!

Roxy: And when J.D. and the others had my mission, we learned that Swartz united the available Kamen Rider villains into Dai Shocker under his leadership.

Me: Yeah we sure did.

Michinaga: Whoa!

Maxxine: Then came my missions and that was where we battled Swartz.

Me: I unleashed my second most powerful transformation ever on Swartz and Nico and May, they tore that motherfucker to shreds.

Nico: I made him eat his own heart after I ripped it out of his chest.

Flora: My missions were after that.

Me: That one was one of our most technologically advanced missions and it was cool. We battled a malevolent artificial intelligence that was very similar to SKYNET and that was called ARC.

Keiwa: WHOA!

Aruto: I know and it was amazing.

Me: Yep and Aruto's jokes are really funny too. Luan likes them.

Nico: She sure does. Then came Megan's missions.

Me: That was for the Saber team.

Touma: That was where we fought Storious.

Me: That guy was one seriously fucked up douchebag. He was going to kill us all with the power of literature.

I showed my Wonder Ride Book.

Me: The power of the Wonder Ride Books is limitless.

Nico: Yep.

Neon: Wow! That is amazing.

Megan McCallister: Yep. Those 13 days were awesome.

Me: They sure were.

Kita: Me and the Revice team were next.

Me: We battled demons in that one and it was cool.

Neon: Whoa! That is amazing.

Me: Yep.

Cassidy: Then came Kamen Rider Blade and that one had a bittersweet story to it.

Neon: Really?

Me: Yep. Long and terrible story on that one.

I went over what happened and it was crazy.

Evelyn: Those were my missions and they were rough.

Nico: Yeah.

Kazuma: The team found me on a planet made of Sweet Potatoes.

Me: And I vowed to get terrible vengeance on Hitoshi and make him pay for what he did to the Blade team.

Eli: It's true.

Nico: Yeah.

Natalia: (Russian Accent) And then came my missions with Kit and his team.

Kit Taylor: It was really awesome.

Me: Kit is a friend that I helped back almost 16 years ago and I helped them kill Xaviax the first time.

Neon: Wow! That is amazing! And this was in America?

Me: Yep. It sure was.

Ace Ukiyo: That is amazing!

Me: It sure was.

Neon: Wow! That is awesome!

Me: I know. The Ryuki team I brought back. They are thinking about joining us soon. I got this postcard from Shinji. He's going to join us sometime next year.

Nico: Cool!

Jason Lee Scott: Yeah.

Neon: Sorry that Zedd got killed by Vilgax instead of your team.

Jason: Well, at least we killed Rita

Me: I agree. Like we said either way it was all an amazing victory for us because now we're free of all the rangers most dangerous major enemies.

Michinaga: That's a good thing.

Kit Taylor: It sure is.

Cassidy: Don't forget the missions of me and Kadma.

Me: Right. Cassidy did the 555 missions.

Kadma: And I did Agito.

Me: Those were awesome.

Me: We found Ryo Ashihara during the Ridonculous Race earlier in the jungles of Cambodia.

Ryo Ashihara: It's true and that was awesome.

Me: Yep.

Neon: We heard all about how you guys killed that Masato jerk.

Me: That's right! We sure did!

Takumi: He was an asshole!

Me: Big time! We are more comfortable with the Universe 666 version of him.

Neon: Universe 666?

Me: Oh right you didn't know about this. It was 1 year ago today. We battled an evil version of us.

Nico: Oh right! I completely forgot that was 1 year ago.

Eli: Yeah it was brutal!

We told them everything about what happened and it was absolutely shocking!

Michinaga: WHAT!?

Neon: That evil version of Nico wanted to destroy the Multiverse!? That's nuts!

Me: It was.

Nico: And to prevent myself from going down that path I put a Dark Orb Bomb inside me.

Me: And Lori Loud is the only one that has the detonator for it.

Nico: Actually we alternate on who gets it.

Neon: Smart thinking.

Eli: Yep.

Nico: Yeah. And Ace? Here's your Wizard Ring.

I gave him legend items for it.

Ace Ukiyo: Thanks Nico.

Me: You'll love who you have as your archenemy. And it's someone that you have something in common with.

Nico: Yep. We're working on archenemies for all of the Geats team.

Me: Yep.

Neon: We can't wait.

Nico: What's been going on since the last visit?

Neon: Well you remember Beroba?

Nanette: That heartless bitch of the Jyamato!? How can I forget! I was the one that killed her before.

Me: Boy I hate her! She is a cold-hearted monster. Also I remember her.

Haruto: What does it say about her?

Me: I'll show you.

I pulled up her info.

---

Beroba is the DGP sponsor behind the Jyamato and the secondary antagonist of Kamen Rider Geats.

She is capable of using her Laser Raise Riser to transform into Kamen Rider Beroba. She seeks to obtain the Desire Grand Prix's Goddess of Creation so she can use it to grant her wish and remake the world. After stealing the Game Master's Vision Driver, she becomes Game Master of the Jyamato Grand Prix in which the Jyamato are the players and the DGP Riders are the enemies. She later gains the access to transform with the Vision Driver, becoming Kamen Rider Glare2.

She is portrayed by Ayaka Namiki.

The other DGP sponsors like Gene and Kekera are aware of Beroba but do not like her very much due to her sadistic nature. Despite this, Niram allows her to participate by sponsoring the Jyamato side of the game.

When Michinaga Azuma was brought back to the Jyamato garden by Niram and Samas, Beroba revealed herself to him as the sponsor of Jyamato and persuaded him to join the team of Jyamato Riders she and Archimedel were building from former DGP Riders.

After Daichi Isuzu was voted as the "Desastar" by the other competitors and eliminated, Beroba recruited him to her team as well. After Michinaga discovered that Daichi was also working with the Jyamato, Beroba revealed to him that the goal of the Jyamato was to destroy the Desire Grand Prix and obtain the "goddess of creation" the game was built around.

As Archimedel came close to finishing building a massive Jyamato army, Beroba brought Michinaga and Daichi with her to steal the game master's Vision Driver. After Chirami decided to stage a "hide and seek" round of the game using himself as Kamen Rider Glare, the three Jyamato aligned individuals confronted him to steal his Driver. Michinaga and Daichi were able to easily overpower Chirami and force him out of his transformation, enabling Beroba to seize his Driver. However, their interference prompted the DGP sponsor Jean to intervene and assume his Kamen Rider form in order to stop them.

With the Vision Driver, Beroba was able to teleport into the Desire Temple and access the chamber where the Goddess of Creation was held. She presented her wish to it and ordered her to grant it, only for Niram to appear and inform her he had changed the permissions needed to access the Goddess and she now also needed the Game Producer's permission to get her wish granted. He then transformed into Kamen Rider Gazer in order to battle her, but Beroba teleported away from the scene and returned to the Jyamar Garden. Niram then dispatched the DGP Riders to the Jyamar Garden to recover the Vision Driver, leading Beroba and Archimedel to send Michinaga and Isuzu, along with a horde of Pawn Jyamato, to battle them. After Ace correctly guessed that the Desire Grand Prix Staff and sponsors were actually from the future, Beroba realized their time in the 21st Century was almost done and assumed her own Kamen Rider form to destroy the Jyamar Garden. Archimedel pleaded with her not to, but Beroba told him they would just get a new one when they entered the next time period.

Beroba later hijacked the recap broadcast being done by Niram and Samas to fill time while the DGP Riders worked to recover the Vision Driver. After taking control of the broadcast, Beroba announced the start of the "Jyamato Grand Prix", in which the Jyamato are the players and are incentivized to attack civilians. Beroba proclaimed that the goal of the Jyamato Grand Prix was to defeat Niram, the "final boss", and take his Vision Driver, and that whichever Jyamato succeeded in doing so would have their wish fulfilled. She then had Archimedel send out a massive horde of Jyamato to attack a city for the preliminary round of the game to see who qualified.

By the end of the preliminary round, a Knight Jyamato, Rook Jyamato, Bishop Jyamato, two Jyamato Riders and Michinaga Azuma, who had become a human-Jyamato hybrid, all passed and were allowed to advance on to the next round of the game. Beroba then announced that the first round of the Jyamato Grand Prix would involve attacking a festival that was being set up and constructing several towers to wipe out everything in sight. The Jyamato players caused lots of havoc and destruction in their first attack, but were forced to pull back after the time limit for the first half of the round ran out. In between that and the second half, Michinaga approached Beroba and requested she begin helping him more, to which Beroba offered to set up a "secret mission" for him to fulfill. The "secret mission" ending up being just to attack an enemy at very close range, which Michinaga easily achieved during his fight with Geats thanks to his preference for close combat. Michinaga was rewarded with the Jet Command Set Buckle, which he using to continue beating down Geats.

When Chirami attempted to retake the Vision Driver from Beroba, Beroba had two Jyamato Riders apprehend him and scanned his thumbprint before placing it over her own, enabling to transform with the Vision Driver. Beroba then became Glare2 and defeated Geats and Ziin with the help of two Jyamato Riders, whom she upgraded into GM Riders with the power of the Vision Driver. Before she could finish off Ace however, Tycoon and Na-Go intervened and rescued him. Later on, Ziin loaned Ace his Laser Raise Riser, enabling him to transform into Geats Laser Boost, and with his new power Ace was able to defeat Beroba and knock the Vision Driver off of her. Before either of them could pick it up however, Michinaga intervened and took it, resulting in Beroba agreeing to share control of the JGP.

When Michinaga made the next round of the Jyamato Grand Prix a "Bull Fight" round where the Jyamato participants would fight each of the enemy Riders in one-on-one fights, Beroba ordered Archimedel to revive the Dunkleosteus Jyamato to give the Jyamato an advantage in the round. She also at some point accessed the records in the Vision Driver to learn all the Desire Grand Prix's secrets, including the Goddess of Creation being Ace's mother Mitsume and Neon actually being a replacement daughter created for Kousei in exchange for his support. After Ace took Neon's place in the Bullfight round, Beroba revealed Neon's secret to the DGP's audience and set her up to be harassed and bullied by several spectators.

Once the Bullfight round concluded, Beroba initiated the final round of the JGP, a "Heaven or Hell" round where humans would be sacrificed to an "Evil Goddess" in a mockery of how the DGP's Goddess of Creation worked. The true purpose of the round was to clue Ace in as to the truth behind the DGP and the Goddess of Creation so he would search for more answers. Beroba later goaded Michinaga into fighting Ace, in order to give Ace a chance to retrieve the Vision Driver so he would learn the truth about the DGP. As Beroba had predicted, Ace ended up fighting Niram to take his Vision Driver so he could free his mother, creating an opportunity for Buffa to eliminate them both. After Buffa dragged both into one of the "Hell" pits and eliminated them, Beroba and Michinaga both claimed each Vision Driver and used them to access the Goddess of Creation. Beroba allowed Michinaga to have his desire granted, that being his wish to obtain the power to defeat all DGP Kamen Riders.

After the Vision Driver was taken by Kekera during Buffa and Geats' fight with Glare2, Beroba was approached by him. Kekera offered to show Beroba some entertaining misery in exchange for her reviving Keiwa, to which Beroba agreed. Together with Kekera, Beroba later watched Keiwa and the other Riders participate in the Desire Royale from a couch in the Sakurai apartment.

When it was done everyone was shocked!

Soji: What a monster!

Me: Yeah no kidding! But she died once. Sending her to the Black Gates will be overkill. So we'll send her to the Noto Prison.

Nico: Cool! I'll call in the Noto Trio.

Nanette: Time me and Maxxine went into our monster forms

Maxxine: She doesn't have any idea who she is messing with.

Me: You'll see why.

Maxxine and Nanette snapped their fingers and Nanette was in a red jumpsuit and Maxxine's was red too.

Neon: Nice jumpsuits.

Maxxine: Thanks.

Me: Lets see where that bitch is.

I showed a viewing window and it showed that she was on top of Mount Aso.

Me: Mount Aso.

Eli: That's where Rodan was sleeping a while back.

Dante Vale: Yes it is.

Me: Dante is another one of my friends that I met before Team Loud Phoenix Storm formed. I helped him, Lok Lambert, Sophie Casterwill and Zhalia Moon destroy the Organization.

Nico: They are a group that tried to take over the world by getting the most powerful titans.

Dante Vale: IT's true and it was awesome.

Me: I blew apart the Organizations Base with a powerful Kamehameha Wave and blew them to smithereeens.

Nico: Yep.

Neon: Wow that is amazing!

Me: Yep. That was awesome.

Nico: Let's not forget the Blood Spiral

Me: They were trying to kill the entire Casterwill Family.

Eli: But they were a whole new different story.

Neon: That's awful.

Me: Yeah.

We arrived at Mount Aso.

Me: Here we are. Mount Aso.

We walked around and it was deserted.

Me: No ones Here perfect.

Ace: Come out! We know you're here!

Beroba: YOU! You killed me!

Nanette: And I don't feel any shame for it all.

Me: You are going to pay for your crimes!

Beroba: And I thought you were dead Ace! You should have stayed dead!

Ace: I gave my life to erase the DGP. Because of that, no one's memories are getting erased!

Me: That's right! Also it's not just Ace and Nanette you have to deal with!

Beroba: I can beat you all!

Me: Well We're going to rip you apart!

Beroba: Yeah right! You and what army!?

Me: Us and THIS ARMY!

Out came all the riders and their Ambassadors!

Nico: Lets get her!

Japan Riders: HENSHIN!

Beroba punched Ace to the ground.

Beroba: On this day, I FINALLY KILLED KAMEN RIDER GEATS

I kicked her down.

Me: KAAAAAAA MEEEEEEE HAAAAAAAA MEEEEEEEE! HAAAAAAAAAAAAAAAAAA!

I fired a rainbow kamehameha wave and she formed a shield with the orbs. But the blast was too strong and the shield shattered and it hit her and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion sent her crashing into a rock wall.

I unsheathed my sword and slashed the orbs and destroyed them.

Ace: Time to see what this Wizard Ring does.

YOUKOMON! PLEASE!

Ace: (ECHOING) BLAZING FLAME TAIL INFERNO!

He fired balls of red fire and they flew around Beroba and blasted her all over in intense flames!

Haruto: Don't leave me out! I own these rings too!

WIND! PLEASE!

He went into his wind form and fired waves of wind and blasted Beroba all over in a tornado.

But then a figure rolled in and smashed down Beroba into a wall and we saw that it was a girl witn blue hair and red eyes and had black clothes and black angel wings and she had a tiara with Ultimate Cannonbolt on it!

Me: (GASP) Cammie Arboria!

Nico: The Embodiment of Ultimate Cannonbolt!

Cammie Arboria: (GRUNT) I'll hold her off a bit!

SMASH WHAM BIFF!

Cammie bashed her all over!

Cammie then clutched her head.

She lost control and attacked Kaos.

But Kaos dodged her and grabbed her and bashed Beroba down.

I fired an electron laser blast and it injected the antidote into her.

Nico: Yeah!

Jason charged at her and knocked her down.

Lasers of each color of the rainbow hit Beroba and Cammie and blasted them all over.

Abigail Ancient Kaze: Feel the wind! (ECHOING) HURRICANE GALE!

She fired a tornado and blasted Beroba and Cammie. Cammie then was cured and her blue eyes were back.

Haruto got out his Wizard Ring

Maxxine: Yep.

They transformed and ripped out of their jumpsuits and Nanette turned into THUNDERLEGS and Maxxine turned into QUEEN NAIL!

Beroba: WHAT THE!

Thunderlegs fired waves of lightning and Queen Nail fired earth blades and smashed her all over

Nico: Lets finish her!

We fired a massive blast of energy and it hit Beroba and exploded and she reverted back and I took the Vision belt!

Me: You don't deserve this.

She was back to normal but mangled up.

Nico: Beroba you have failed this world!

The Noto Trio Arrived.

Sononi: Beroba you are under arrest.

Sonoza: That's right.

Beroba: And who are you three supposed to be. The police?

Sonoi: That's right.

She sent Beroba to the Noto Prison.

Me: Hope she likes the rotten taste of chum.

Sonoi: It's been a while since I sent anyone to the Noto Prison.

Me: It has been a while guys.

Ace: The winners at the end are us!

Me: That's right. We ALWAYS Win.

Jason: That's right.

Me: And all EVIL Will ALWAYS Lose.

Nico: Yep. (Imitating Ace Ventura) LOOHOO SE HER!

We laughed!

Me: What's your favorite memory of Nico, Abigail?

Abigail Ancient Kaze: When me and Nico made rainbows all over and made them rain jewels.

Nico: It's true.

Abigail Ancient Kaze: Also not only that but I'm also the daughter of Iris the Greek Goddess of Rainbows.

Nico: Yep.

Me: Boy that is cool!

Himiko: It sure is!

Nico: Yeah.

Nico and Abigail hugged.

Nico: I've missed you.

Abigail Ancient Kaze: Same here.

Ace: Yona, ever since I met you, Himiko, and Carlota, I've seen you 3 as sisters.

Yona: Yona happy to hear that!

Himiko: Me too!

Carlota: Same here!

They hugged him!

Neon: Guess that makes me a sister too.

They hugged too.

Nico: So awesome.

Later we came home.

Nico: That was awesome!

Qin: How did it go?

We told everyone everything and it was awesome.

Camie: That is cool!

Nico: Yep.

Xenia: Awesome!

Nico: Smolder, you, Eli, and Chloe are up for missions next.

Smolder" Awesome! This will be cool!

Chloe Bolton: Yeah!

Eli: Right on!

* * *

The McCallister family was flying to Australia and Kate was stirring.

Pete McCallister: What's wrong?

Kate McCallister: I just feel like something is off.

She got to thinking.

Pete McCallister: What could it be?

Kate then suddenly realized…

Kate McCallister: KEVIN AND MEGAN!

* * *

Kevin and Megan were in their room sleeping… until the mascots entered.

They tiptoe to the middle of the room, and Poliwag makes some hand gestures.

Poromon: "2, 3, I am going! Aah!"

Kevin and Megan screams, suddenly awakened. It is apparent that The Mascots have jumped on their bed.

Megan: WHOA! We just were about to get up!

Kevin: Yeah!

Manaphy: Just testing you guys.

Poromon and Poliwag hopped on Kevin while Manaphy and Horsea hopped on Megan.

Celica Akamichi: What are you guys doing?

Megan: The mascots are waking us up.

Kevin: Yeah.

Then the phone rang.

Sally Spitfire: I'll get it!

Sally Spitfire answered.

Sally Spitfire: Hello? Team Loud Phoenix Storm Estate, Sally Spitfire here.

Kate McCallister: Sally it's Kate McCallister. We forgot Megan and Kevin.

Sally Spitfire: We were told about that earlier this morning. J.D. said that we would bring them over to you.

Kate McCallister: Oh thank you Sally.

Sally Spitfire: You're welcome. We'll be right over.

We got the call and got Megan and Kevin's bags and we got onto our awesome supersonic plane and we were heading to the McCallister's flight.

Me: Okay we should be coming up to the plane any second now.

Sakura Knudson: Wow this is awesome that you are a pilot of a plane like this bro.

Me: Yep.

Snapdragon: Wait! Let's wait until the Embodiment shows up.

?: I've been here the whole time.

We saw a girl with blue hair and blue eyes and she had a blue shirt and blue clothes and blue angel wings and blue angel wings and had a tiara with the symbol of Mega Man X on it.

Molly Mega X: Molly Mega X - Embodiment of Mega Man X.

Nico: Pleasure.

Winx Club Stella: Wow awesome to see you Molly.

Molly Mega X: Wow Stwlla awesome to see you and you too Cornelia. And Kevin. Sorry you guys got left behind again.

Kevin: It's okay but J.D. is helping us.

Molly Mega X: Awesome.

Crosshairs: How did you meet Cornelia and Stella?

Molly Mega X: I met Cornelia when she and her friends were battling Phobos and I helped them imprison him. I left a mark on him by blasting a scar on his back.

Nico: I did notice a nasty scar on him when we killed him.

Molly Mega X: Yep. And I met Stella when she was fighting

Chimera. I fired a blast of energy and blasted a wound into her back.

Stella: It's true. What a mark on her back.

Nico: Nice. Would you like to join us?

Molly Mega X: I would be honored.

Me: Plane sighted.

We pulled up to it.

Me: TLPS Transport calling Flight 1802. Requesting permission to bring aboard Megan and Kevin McCallister. Over?

Captain: Flight 1802 to TLPS Transport permission to bring aboard passengers granted.

Me: Copy that.

I extended the docking tube and it attached to the plane.

Heat Man: You two have fun!

Megan: We will.

Kevin: See you shortly.

Me: Will do.

Nico went on board with them.

The door opened and they went in.

Kate and Pete came.

Kate McCallister: Thank goodness.

They hugged them.

Kevin: Sorry about that guys.

Nico: The Mascots are going to wake them up whenever it's time for one of your trips.

Pete McCallister: Act like their alarm clock. Good idea.

Megan: I'll leave a clone with you guys

Nico: Good idea Megan. You all have fun.

Megan: We will.

We later went back home and Megan and Kevin were on their way to Australia.

We got back home.

Poromon: We enjoyed hopping on them.

Qin: Cool cool.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lana: Guys look at this!

Katherine Mulligan was on the news and we saw NUMEROUS TOY FACTORIES DESTROYED!

Katherine Mulligan: This is Katherine Mulligan reporting to you live from another scene that can only be described as a sight of terrorism. this makes the 40th toy factory destroyed and reduced to rubble.

WE GASPED!

WE SAW NUMEROUS KIDS CRYING HARD BECAUSE OF IT!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than our old enemy, Barnaby Crookedman, he's come back from the dead, and he still wants to kill Tom Piper, marry Mary Contrary to inherit her money, and take over Toyland. When we saw it, we knew it meant trouble as the vision orb vanished.

Lincoln: Oh boy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and this is one villain we're not going to like in the slightest: I just had a vision and I saw who it was that we're going to confront today, it's none other than our old enemy, Barnaby Crookedman, he's come back from the dead, and he still wants to kill Tom Piper, marry Mary Contrary to inherit her money, and take over Toyland.

WE GASPED!

Me: WHAT!?

Rei Miyamoto: What the Hell?! (Orange Energy Aura flares up with lava and flames)

Camie: Jeez, why is Rei fired up?

Nico, Lincoln, and I explained the situation that on Lincoln's rescue long ago, Rei Miyamoto went into a rage and transformed and killed Barnaby, and she and everyone who hadn't heard it were horrified.

Camie: What a con artist and murderer.

Me: That's right.

Nico: Either way, we're not letting this con artist get away, let's get going and tear this monster apart.

Lincoln: There's only one place a con artist like him belongs.

Me: The Black Gates.

Lincoln: Nope. The Black Abyss.

Me: Even better.

Camie: Who is Barnaby Crookedman?

Me: He's the main bad guy of the movies for Babes in Toyland.

Sakura Knudson: I loved those movies back when I was a little girl.

Me: Yep.

I went over his history and there were a bunch of versions of him. The one from 1997 is who we're going after.

---

Barnaby Crookedman is the main antagonist in the operetta Babes in Toyland and its various adaptations in other media. He is a miser and is often after someone's money. In some versions, he also desires power, specifically to conquer Toyland. Whatever the motivation, he is always shown to be a cruel, selfish weasel of a man who doesn't care who gets hurt in order for him to get everything he wants.

In the films, it is always left unknown and up for debate whether he dies, as he is often put in a scenario or suffers an injury that makes his death likely, but it is unknown whether he survives or escapes.

In the operetta, Barnaby is the uncle of Alan and Jane. He tries to kill them and steal their fortune. Eventually he is killed when he drinks poisoned wine intended for Alan.

1934 Film

In the 1934 film that stars Stan Laurel and Oliver Hardy as Stannie Dum and Ollie Dee, Barnaby holds the mortgage on the outsized shoe where Widow Peep and her daughter Little Bo Peep reside, and where Stannie and Ollie pay room and board. Bo Peep would be forced to marry the odious Barnaby if the rent isn't paid. The wedding between Barnaby and Bo Peep goes on as planned-except that it's Stannie, disguised as the bride, who ends up walking down the altar. Publicly humiliated, Barnaby vows revenge. He steals one of the Three Little Pigs and places the blame on Bo Peep's boy friend, Tom-Tom the Piper's Son on a trumped-up charge of "pignapping", and getting him banished to Bogeyland. Barnaby proceeds to abduct Little Elmer, one of the Three Little Pigs, and then has a henchman plant false evidence (including sausage links) in Tom-Tom's house. Tom-Tom is put on trial, convicted, and banished to Bogeyland, which he is taken to on a raft by two hooded executioners across an alligator infested river. A distraught but brave Bo Peep follows him. Meanwhile, Ollie and Stannie find evidence implicating Barnaby in the pignaping, including the fact that the alleged sausage links presented as evidence at Tom-Tom's trial are made of beef. They later find the kidnapped pig alive in Barnaby's cellar. A manhunt commences for Barnaby, who flees to Bogeyland through a secret passageway at the bottom of an empty well. Stannie and Ollie eventually follow Barnaby down the well. Meanwhile, Bo Peep crosses the river to Bogeyland, finds Tom-Tom and explains Barnaby's trickery to him. Barnaby catches up to Tom-Tom and Bo-Peep, and attempts to abduct Bo-Peep but gets into a fight with Tom-Tom, who gives Barnaby a well-deserved thrashing. An enraged Barnaby grabs a large stick and beats a stalactite to summon an army of Bogeymen, who chase Bo-Peep and Tom-Tom through the caverns of Bogeyland. The lovers run into Stannie and Ollie, who help them escape back through the well and are welcomed by the town, who now realize Barnaby's treachery. Barnaby leads an invasion of Toyland on a fleet of rafts in a scene reminiscent of the painting of Washington Crossing the Delaware. Ollie and Stan tell their story to Old King Cole,the King of Toyland and the townspeople as two Bogeymen scale the wall and open the gate. The crowd flees in panic as the army of torch-wielding Bogeymen attacks Toyland. Ollie and Stannie run and hide in the toy shop. There they discover boxes of darts and use them to fight off the Bogeymen. Stan and Ollie then empty an entire box of darts into a cannon, but as the two search for the last remaining darts, they realize instead that they should activate the wooden soldiers. Barnaby manages to escape and falls on the ground next to Little Elmer's house made of scraw, Elmer came out of his house and wreck Barnaby on the head as payback for kidnapping him earler. Barnaby is defeated and trapped and covered by blocks that spell "rat", while the Bogeymen are routed and driven back into Bogeyland, where alligators appear to feast on them, although this is never made clear.

1961 Film

In the 1961 film, Barnaby wants to marry Mary so he can get the money she will inherit. She is going to marry Tom, so he hires two mercenaries named Gonzorgo and Roderigo to kill him by throwing him in the sea, and also stealing her sheep that she could still get a living off of to force her to marry him. Unfortunately for him, Gonzorgo and Roderigo sell Tom to a Gypsy camp instead so they can receive more money. Barnaby and his henchmen follow Tom, Mary, and the kids to Toyland, where Barnaby looks for the right moment to attack but is always interrupted. Eventually, the toymaker's assistant, Grumio, creates a device that reduces things to a toy size. However the toymaker carelessly throws it out of the window and Barnaby catches it. He then uses it to shrink the toymaker. As he is attempting to do the same to Tom, Gonzorgo and Roderigo decide to stop being evil, so he shrinks them as well. He threatens to shoot Tom with the device again (which, if used twice, will completely destroy the object or victim) unless Mary marries him. The toymaker, as mayor of Toyland, presides over the wedding, though he delays it as long as possible. Gonzorgo and Roderigo help Tom escape and he leads an army of toys to fight Barnaby, but he destroys them and tries to destroy Tom with the shrinking device, but Mary destroys it with a toy cannon, causing it to explode and shrink him to Tom's size. Barnaby attempts to escape, but Tom stops him and engages him in a swordfight. Half the time, Barnaby topples objects over to try and crush Tom, but in the end, Tom is victorious, stabbing Barnaby and causing him to fall over the edge into a toybox. In the book adaptations it is revealed that he did survive, but is imprisoned by Mother Goose in a birdcage for his crimes.

He was portrayed by the late Ray Bolger.

1986 Film

Lisa arrives to Toyland before Mary Contrary is to be wedded to the unpleasant Barnaby Barnacle, although Mary loves Barnaby's nephew, Jack Nimble. Lisa stops the wedding and, with her new friends, finds out that Barnaby plans to take over Toyland. Barnaby confronts them and the Toymaster, finally showing his true colors, and steals a flask containing distilled evil that the Toymaster had been collecting, before leaving Lisa and company to be eaten by Trollock, a vulture-like monster with a single enchanted eye that Barnaby uses to spy on his enemies.

Barnaby reveals that he had been creating an army of trolls to take over Toyland, and then attempts to corrupt his captives into being his servants with the contents of the flask, stating he would replace Trollock with Lisa and make Mary his Troll Princess. Lisa, however, proves to be immune to the evil, and manages to reverse the effects on her friends. After escaping from Barnaby's stronghold, they return to the Toymaster. When Barnaby unleashes his army of trolls upon Toyland, Lisa's newfound belief animates an army of life-sized toy soldiers that the Toymaster had created, and they drive Barnaby and his trolls into the Forest of the Night. Barnaby, having lost control of his creatures and having failed at making Lisa his new Trollcok is then banished from Toyland. The trolls in his army turn against him when Lisa points out that he's the one who transformed them into their monstrous forms, and it's implied that they kill him.

In this version, he was portrayed by the late Richard Mulligan.

1997 Film

In the 1997 animated film, Barnaby is his first name rather than his last name (which is Crookedman). He is the uncle of Jack and Jill, and keeps them locked in the attic, while he is out to take over Tom and Mary's toy factory, so he can destroy it. He shoots down Tom's hot air balloon to make him fall into the Goblin Forest in an attempt to kill him, but Tom escapes unharmed, much to Barnaby's shock. Jack and Jill often sneak out of the attic to help Tom and Mary at the toy factory, to which Barnaby threatens to send them to the Goblin Forest if they do this again. He hires two mercenaries named Gonzargo and Roderigo to sabotage the toy factory, disguised as sheep, but Jack foils their plan. Jack and Jill chase them down, but run into Barnaby, who has Gonzargo and Roderigo take them to the Goblin Forest. Barnaby, meanwhile, knocks Humpty Dumpty over the edge of a wall, nearly killing him. Before he can destroy the factory, however, Tom and Mary show up to stop him, having gotten Jack, Jill, Gonzargo, and Roderigo safely out of the Goblin Forest. Barnaby leads the goblins to Toyland so they can destroy it and the factory, but Tom summons an army of toy soldiers that they created for Santa, and they defeat the goblins. Barnaby insults the goblin king, who tries to eat him, but Jack, Jill, and the soldiers all shine lights on him, killing him. Afterward, the goblins all chase Barnaby off. It is unknown whether he escaped them or whether they catch and eat him.

He was voiced by the late Christopher Plummer, who also portrayed Metamorphis in Gandahar, the Grand Duke of Owls in Rock-a-Doodle, Charles Muntz in Up, General Chang in Star Trek VI: The Undiscovered Country, Ralph Nickleby in Nicholas Nickleby, Mr. Caruthers in The Clown at Midnight, King Herod in The Star, 1 in 9, and Arthur Case in Inside Man.

When I was done everyone was shocked and HORRIFIED!

Rei Miyamoto: I absolutely HATE this monster with a vengeance! I will personally make sure he dies a HORRIBLE death when we're done with him.

Me: I know you will Rei.

Rei Miyamoto: And Jack and Jill deserve better. I'm going to adopt them after this.

Me: Wow! That is very noble.

Juran: Reminds me of Sid.

Me: Except he's 100,000 times worse! Crookedman wants to kill all toys and make sure NO ONE gets them. He wants EVERYONE to be as miserable as he is!

Xenia: This guy is a monster! He even tried to kill Jack and Jill.

Camie: What is the relationship of Crookedman to Jack and Jill?

Me: He's their uncle. Their biological father's older brother. And I ound out something worse. I did some tests and found out that he MURDERED their mom and dad in order to get all their money all for himself.

WE GASPED AGAIN!

Kaito: Say what now?!

Me: Yeah what a jerk!

Xenia: We're going to kill this jerk!

Me: Yeah Jack and Jill are the heirs to a fortune worth over $1,002,323,346,322,356,644.00.

Celica: Wow that's a lot of money!

Camie: And he wants to use that money to destroy all toys!? THAT SNAKE!

Me: Yeah!

The previous group came!

King Shark: Can me, Electro, Ebon, Vanitas, Evil Green Ranger, Koragg, Molten Man, Whirlwind, Living Laser and Aqueduct go with you guys?

Nico: Yes you all can come with us.

Qin: Yeah!

Vanitas: So that jerk Barnaby is back. And he destroyed numerous toy factories!? What a monster!

Camie: I know!

Spiderman: Now it's personal.

Varie: Yeah!

Heckyl: Nico, which Gene Slammer do you think you'll meet next?

Nico: Splash Warfly

Nicole: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and

our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Morsayati, the main antagonist of Dragalia Lost, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Morsayati, the main antagonist of Dragalia Lost, and he's coming here to destroy us.

Aprina Arabella: Morsayati won't get away with this, and I know you're going to absorb him, Lincoln.

Lincoln: That's right, Aprina.

Nico: This is going to be one fiery battle. Alright, gang, let's go, we're heading to Toyland, and we're going to destroy Barnaby Crookedman once and for all.

Lincoln: That con artist isn't getting away with this, this time, he dies here and now, and once we get done with him, you're next, Morsayati.

Aprina Arabella: You will never be forgiven for your genocidal madness, Morsayati, every last soul who lost their lives because of you will be avenged here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Toyland to help Tom Piper and Mary Contrary destroy Barnaby Crookedman, and once we destroy that murderous con artist, Lincoln and Aprina Arabella along with me are going to destroy Morsayati.

We were off to Toyland.

We arrived at Toyland.

Ebon: Is this it?

Me: Yep. Toyland.

Rei Miyamoto: So adorable.

Qin: Awesome.

Camie: Wow!

Natilee: Reminds me of Slumberland and it's beautiful.

Camie: It sure is.

Lola: Yep.

Me: And see that forest there?

We saw a scary and gnarled forest.

Me: That's the Dark Forest. Home to evil Goblins that will kill anyone in sight.

Nico: Scary.

Me: But they aren't our target. We're going after Crookedman.

Nico: Lets find Jack and Jill

Apeface: Is that a Joy Buzzer?

Me: It sure is.

I put it on.

Me: Shake Nico?

Nico: Sure.

He took my hand and then…

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPPPP!

WE LAUGHED!

Evil Green Ranger: It never gets old!

Me: The Granddaddy of all pranks.

Patrick: I don't get it.

SpongeBob: (LAUGHS)

Weirdwolf: It's ok, Patrick. No one expects you to

Patrick: Thanks. HEY Peanut brittle!

He opened a can and then…

BOING!

NUMEROUS springs flew out of it.

Patrick: OH DARN IT NOT AGAIN!

WE LAUGHED MORE!

Me:(LAUGHS) That never gets old!

Molten Man: Let's keep an eye out for Jack and Jill

Me: Yep.

Eli: I don't sense them in the Dark Forest.

Me: Good they're in the castle up ahead. First…

I fired a blast of fire and instantly incinerated the dark forest instantly!

Me: To make sure that Crookedman doesn't get reinforcements.

Nico: Oh. Good thinking.

Frenzy: He probably has enough already

Me: Yeah.

We saw Jack and Jill.

Jack: (GASP) GUYS!

Jill: GUYS!

Rei Miyamoto: Thank goodness!

They were in tattered clothes and Jill was hurt on her arm.

She hugged them.

Rei Miyamoto: Thank goodness you're all right. (GASP) Jill your arm. What happened?

Jill: Crookedman sent a goblin and it cut my arm!

Aqueduct: I see Frenzy's point

Laney: Is that the goblin there!?

We saw it!

Jack and Jill screamed!

Jim Lake: I got this clod! FOR THE GLORY OF MERLIN! DAYLIGHT IS MINE TO COMMAND!

He transformed!

Me: Lets get him Jim!

Jim Lake: IT'S BUTTKICKING TIME!

Yan Lin: Right behind you!

We went at the goblin and punched it in his face.

I slashed it in his eyes and blinded it!

Junk Man: How about some junk to go with toys?!

He fired junk and blasted the Goblin.

Yan Lin fired waves of wind and blasted him in a tornado.

Me: Lets do it!

Jim Lake: YEAH!

Me and Jim: LIGHT OF DAYLIGHT SPEAR BURST!

We charged and formed an energy spear and skewered the goblin and it bursted into intense flames and was incinerated in an instant!

Xenia: WHOA!

Nico: That… Was! AWESOME!

Varie was healing up Jill.

Living Laser: You two okay now?

Jack: Thanks to you guys.

Jill: Yeah that was cool!

Camie: It sure was.

Sakura Knudson: And we promise you that Crookedman will pay for everything he did.

Eartha: One of us has decided to adopt you two

Rei Miyamoto: And that is me.

Jack: Really?

Jill: Rei thank you!

They hugged her!

Rei Miyamoto: You're welcome.

Rainbow Dash then started weeping in joy at the sight.

Me: R.D. are you crying?

Rainbow Dash: (Sniffling) No I just got something in my eyes.

Whirlwind: It's okay to admit it

Rainbow Dash: Okay I am just so happy for them.

Camie: Aww it's okay Rainbow.

Sunny Flare: You two should know that Rei had a dark past

Jill: She did?

Rei Miyamoto: I sure did. And it was not pretty.

She told them what happened to her and what she went through because of the zombie apocalypse that was unleashed. And how she and her friends were always hiding and on the run until they found us and all that.

Jack and Jill were shocked and horrified!

Koragg: All because of Shido.

Me: Yep.

Jack: Wow!

Jill: That's awful!

Rei Miyamoto: It was.

Jack: That sure is awful.

Jill: I'm glad you're safe.

Nico: Also you two we don't know how to tell you this but we found out what happened to your biological parents.

Me: I'm sorry to tell you both this. Your so called uncle is the one that killed them.

THEY GASPED!

Me: He did it to get your inheritance,

I told them everything and it was shocking. Then they broke down crying hard.

Miyamoto comforted them.

Jill: (CRYING HARD) WHY!? WHY!?

Rei Miyamoto: I'm sorry guys.

Pam: But we're on our way to destroy him.

Me: Crookedman will pay for everything times 100,000.

Camie: Yeah that is for sure.

Varie: We won't let him get away with this.

Vanitas: Where is he right now?

Eli: (Concentrates) He's 50 klicks away and closing.

Nico: Okay.

Eli: It's payback time.

Yagura: And entrance time!

Nico: Lets go!

We were off.

* * *

Barnaby Crookedman was really pissed now!

Barnaby Crookedman: I am going to kill whoever destroyed the goblins over and over again!

Then the spirits of Christmas came and swirled around him and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

A massive fiery explosion blasted off above him and then a phoenix cry was heard!

Me: You are going to pay for your crimes Crookedman!

Barnaby Crookedman: YOU!

POW!

Jack and Jill punched him in the face and knocked him into the ground!

Jack: You took everything from us!

Jill: You murdered our parents all for their money!

Electro: Killing parents is one thing. But destroying toys?! When I'm done with you, you're gonna be roasted!

Me: Make that incinerated and destroyed. PERMANENTLY!

Nico: And it's going to hurt really bad.

Me: You are a monster Crookedman! You are no better than Princess Morbucks!

Barnaby Crockedman: DON'T YOU DARE COMPARE ME TO THAT LITTLE WRETCHED BRAT! I AM GOING TO KILL HER NEXT AFTER I FINISH WHAT I STARTED IN KILLING THOSE TWO THERE!

Nico: Hey, much as we don't like Morbucks, killing a kid like her might be harsh! She's going to the Noto Prison if she causes trouble again!

Me: Unlike you Crookedman you don't care who suffers! You are just a monster of a man! You only care about pain, suffering and making people miserable to get money! And you don't give a damn about stepping on others to get what you want! That makes you 1,000,000 times worse than Burns!

HE WAS REALLY SEEING RED!

Barnaby Crookedman: YOU WILL DIE FOR THAT!

He went at me and I kicked him in the face and knocked him down!

He then pulled out a knife and went at me and I kicked it out of his hand and then stabbed him in his leg with it!

STAB!

Nico: There's only one Org to call when toys are in trouble!

Toy Org appeared.

Toy Org: And that's me!

Lincoln swung his massive greatsword and fired a massive vortex of pitch black fire which hit Barnaby Crookedman and he was incinerated into nothing and his spirit was sent to The Black Abyss forever.

Nico: Holy… crap!

Me: Was that a…?

Lincoln: Yep, a Black Abyss-themed Surekill technique. I created this for one person I intend to use it on: Xehanort.

Eli: No way!

Me: That really is a powerful Surekill technique!

Lincoln: He deserves to be erased. Now, there's one last thing to do, and one last loose end to tie up: Morsayati.

Lincoln formed a massive indestructible diamond barrier and it was infused with absorption energy that protected all of us from the barrage of fireballs that hit the barrier only to be absorbed into us, and we grew even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the scent of infernal fire from anywhere, you can come out now, Morsayati, or we will force you out.

A figure came out, it was Morsayati, the demon of hatred.

Lincoln: I should've known you'd show up here, Morsayati, the fragment of Xenos' heart still dwells in you.

Morsayati: You absorbed my master, and for that, you will die!

Aprina Arabella: The only one dying here is you, Morsayati.

Suddenly, Aprina Arabella's crimson red eyes turned neon crimson red and she was surrounded by a crimson red energy aura with stars, fire, flames, magic, fairies, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Morsayati, she left crimson red energy, stars, fire, flames, magic, fairies, phoenixes, and angels with every step.

Aprina Arabella: I will never forgive you for what you've done over the eons, Morsayati, you caused so much pain and devastation to so many and tried to kill all the dragons and destroy everyone in your path and let the world drown in hatred, that is something I will never forgive, and now, you shall face judgement for everything that you've done!

Suddenly, Aprina Arabella was surrounded by a massive vortex of crimson red energy with stars, fire, flames, and magic surrounding the vortex, there are fairies, phoenixes, and angels flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Morsayati: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Aprina is capable of, and that deranged fairy-obsessed killer Randall Williams wound up on the wrong end of her wrath more than once, and he wound up getting burned more than once for his misdeeds.

Then, as the vortex faded, Aprina Arabella emerged, but she was changed forever.

We were amazed by Aprina Arabella's Super Angel-Fire Fairy Queen-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Morsayati saw it, he fired more fireballs at her to kill her, but Aprina Arabella absorbed them and it made her even more stronger and she fired a massive barrage of crimson red energy, stars, fire, flames, magic, fairies, phoenixes, and angels which hit Morsayati and sent him flying into another wall, he got back up, but now, he was angered.

Me: No way, did Aprina just transform?

Lincoln: She did, and now, it's high time we took care of Morsayati and make him pay for his crimes.

Aprina Arabella: (Divine Echoing Godly Voice of The Inferno Firestorm Fire Fairy Queen Phoenix God Angel and Divine Cosmic Eternal Inferno Firestorm Fire Fairy Queen Phoenix God Angel Love) The pain and suffering he caused will eventually be healed with him taken down for good. Lincoln, Aprina Arabella, and I went after Morsayati who continued firing fireballs at us, but we continued to absorb them, and we fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Morsayati, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Aprina Arabella also did the same by firing crimson red energy slashes from her massive greatsword, and he, Aprina Arabella, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Morsayati even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln ran up to and put Morsayati in a bearhug so he couldn't escape. Suddenly, Lincoln began to absorb Morsayati into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger as he assimilated all of Morsayati's Supernatural Strength, Supernatural Durability, Supernatural Stamina, Supernatural Endurance, Nigh-Invulnerability added to his Invulnerability, Nigh-Immortality added to his True Immortality, Possession, Dark Magic, Umbrakinesis, Photokinesis, Electrokinesis, Aerokinesis, Toxikinesis, Hydrokinesis, Cryokinesis, Pyrokinesis, Ergokinesis, Miniature Dimension Creation, Black Hole Manipulation, Black Mana Manipulation, Vast Demonic Powers, Miasma Manipulation, and Fiend Summoning.

Then, when Lincoln was done, Morsayati was fully absorbed into his body and he sent Morsayati to The Black Gates forever. Everyone cheered wildly for what Aprina Arabella, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Aprina Arabella's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large crimson red planets orbiting around her legs, smaller planets orbiting around her fingers, and massive crimson red butterfly wings and medium sized crimson red butterfly wings underneath are permanent.

Aprina Arabella: Your genocidal rampage is over. Thanks for helping me take down Morsayati, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Aprina.

Me: My pleasure, Aprina.

Suddenly, Aprina Arabella wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aprina Arabella's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames behind them and we cheered wildly. Then, Lincoln and Aprina Arabella sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Aprina Arabella and hugged us.

Luna: No kidding dudes, you guys taught that monster a lesson.

Luan: And Lincoln absorbed him into his body.

Me: And he assimilated all of his powers and abilities. So, Lincoln, who's the next Major Arcana Avatar we're meeting on your rescue tomorrow?

Lincoln: I've got just the one: Michelle Chapelain, Avatar of The Fool Major Arcana Tarot Card and White Magic Master.

Mariana Gébelin: (French Accent) I knew you'd pick her next, and you will love meeting her, Michelle Chapelain is Lincoln's Guardian Angel from France and a very powerful master of tarot cards, white magic, fire, and the Occult, and she also has an deck of Tarot Cards that she uses to read peoples' fortunes and see into the future. She's the descendant of 18th Century French Occultist and fortuneteller Magdelaine Chapelain, and she's discovered much about the secrets of the tarot cards ever since she was growing up. She's the pyromancer of the white magicians I formed and she's a very powerful master of fire and fire magic. Michelle came to Royal

Woods where she met Lincoln, and she eventually did a tarot reading for him, and she foretold that he would soon be transformed into a truly powerful hero and be part of a very powerful force of immortal heroes who fight to defend the universe and the universes beyond, and she's also good friends with Lucy and they do tarot readings as well on the side. Lincoln made Michelle a greatsword and necklace with a red gem pendant, and to show thanks, Michelle kissed Lincoln on the lips, and he promised that when he comes of age, he'll marry Michelle along with the rest of his harem. Michelle hates Lori with a fiery passion, and she did a tarot card reading on her, and she foretold that if Lori didn't change her ways, misfortune and misery will befall her, meaning that if Lori didn't change her ways, Bobby will break up with her, her friends will cut all ties with her, and the rest of the family will disown her forever, and the only thing that awaits her is getting thrown in prison forever and only a life of total misery awaits her, and if this continues, she will die a miserable and bitter rotten girl.

Me: And all because of her Dark Side implanted in her by Chase Young's Dark Side.

Nico: Whoa. So, if Lori, Lynn, Lola, Lisa, and Luan really didn't change, then… !

Lincoln: The only thing waiting for them is life in prison forever and a life of absolute misery, and if they continue on with their hatred of me and tried to seek revenge on me, they would die miserable and extremely bitter towards everyone in their path.

Moonstone: Jack and Jill's parents have been avenged.

Kyd Wykkyd: They sure have.

Speed Demon: May they rest in peace.

Me: And the best part is that Rei now has Jack and Jill as her awesome children.

Camie: She sure does.

Femme Fatale: Let's celebrate!

Titanium Toenail: Wonder what they serve for food here.

Me: I… don't know.

Nico: Well lets go to Lynn's Table. Megan I hope you and your family have a great trip.

Megan: Oh I know they will.

Me: Those clone contingency plans are awesome.

Nico: Got to love it. Great job today everyone.

Rei Miyamoto: (To the viewers) Money never gets you everything. But also Crime Doesn't Pay either.

Nico: Yep.

We went to Lynn's Table and Jack and Jill were really hungry. They ate just as much food as Nico and Goku. Later we got them settled into bunk beds in Rei's room. She now can keep an eye on both of them. We enjoyed the rest of the day and went to sleep.

Qin: Good to be here again.

Laney: Everyone is doing great since the last time we were here.

Fu: I agree there.

Himiko: Yeah I agree there too.

Camie Same here.

Nico: I know. Most of their major enemies all have been dealt with but some minor ones are still at large.

Takeru: We'll find them and deal with them later.

Camie: Yeah.

Nico: Takeru, I want to thank you, Jean Jacket, and your teams for coming

Takeru: Anytime Nico. This will be cool.

Me: It sure will.

Hari: I'm ready for this myself.

Brittney: Me too Hari.

Nico: Hari, remember when you met Brittney?

Hari: I sure do. That was when the whole Ambassador Mission program was in full swing.

Brittney: Yep. While Arkayna's missions were going on.

Twilight Sparkle: I thought those were really awesome.

Qin: He destroy 40 toy factories and made lots of people cry!

Xenia: That jerk!

Camie: YEAH!

Nico: What a jerk!

Maria: Thankfully, we fixed that

Me: No problem for me. Not to sound arrogant.

Nico: Good. But that was good you did that.

Rei Miyamoto: Yeah. That was cool.

Nico: Rei, I hope you give them motherly love

Rei Miyamoto: Don't worry. I'll give Jack & Jill the motherly love that they lost because of Crookedman. And give them the proper love that he would NEVER give.

Nico: Good for you.

Xenia: Awesome.

Me: Crookedman had a heart that was as black as night and he was pure evil incarnate.

Nico: Yeah. He deserved the Black Abyss.

Lola: That is for sure!

Xenia: He was a heartless snake.

Nico: Although you don't even know the fates of your own parents

Rei Miyamoto: They were killed by those zombies.

Me: But the anti-virus we made brought everyone back including those that were killed.

Qin: We'll bring them here when the time comes.

Xenia: Yeah.

Laney: What are your mom and dads names?

Rei Miyamoto: Tadashi Miyamoto and Kiriko Miyamoto. I'm sure they must be worried sick about me.

Saya: I remember you trying to call your Dad at the start

Rei Miyamoto: Yeah I did. But then my phone got destroyed.

Xenia: Hmm.

Nico: It was a zombie outbreak. What did you expect?

Me: It was utter chaos and people fighting for their lives to stay alive.

Xenia: Yeah.

Rei Miyamoto: You're right. That was a nightmare.

Miku Yuuki: It sure was a nightmare.

Me: Shido did that.

We walked around Atlas and Remnant was looking great.

Nico: Man, Remnant hadn't changed one bit.

Me: Nope. It's even better now that the terror of the Grimm are gone for good.

Xenia: I agree there.

Camie: Yeah.

Qin: And Salem is reformed.

Nico: Yep.

Twilight Sparkle: Thank goodness.

Me: And some of Remnant's major enemies are dead.

Nico: The snow in Atlas is perfect for this month.

Me: It sure is.

Nico: Good thing we have our coats on for it.

Me: Yeah.

Twilight Sparkle: I agree there.

Qin: I have a feeling the peace won't last long.

Me: Yep. Lincoln?

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that a clone of that greedy bastard, Jacques Schnee, has been sighted here on Remnant!

WE GASPED!

Me: WHAT?!

Nico: A clone of that greedy bastard has been sighted here on Remnant?! WHAT THE HELL!?

Qin: Who's responsible for this?!

Lincoln: Only six people are responsible for this: Axton Dodge, Axel

Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin.

Nico, Qin, and their friends: THOSE FUCKWEED ASSHOLE PIECES OF CRAP!

Weiss: I can't believe those six had the nerve to create a clone of that wretched psychopath and that pathetic and awful excuse of a father!

Winter Schnee: Those pieces of crap, they've just pissed us off even more.

Willow Schnee: I'm that close to sending all six of them to Hell for this!

Lincoln: We'll deal with them soon, it's only a matter of time. In the meantime, we better deal with that piece of shit!

Nico: Right, and he's only programmed to obey their commands.

Lincoln: Even though Jacques' soul was sent to The Black Gates last year, he'll say a lot of crap like the real one.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: Those spiteful pieces of crap are really going to get it, how dare they do this!

Nico: I hate those pieces of shit just as much as you do, Lori, but a lot more since we've had to deal with those losers long ago.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack

abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the Jacques clone) AHA! Gotcha, you filthy animal! I just spotted that clone, he's 20 yards away and he's coming straight for us.

Nico: Finally, let's tear him to shreds!

Lincoln: Never again will we have to deal with that piece of crap. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Jacques Schnee clone.

Carter heard a Pokémon cry.

Carter: Look here.

We saw a Galarian Zapdos!

Me: Whoa a Galarian Zapdos!

Qin: Cool!

Nico: Oh and the Poor thing hurt his leg.

We got to healing it.

Galarian Zapdos: Thank you. I hurt it after tripping on a rock.

Me: Ouch.

We healed it up.

Carter: You okay now?

Galarian Zapdos: I am now. Thanks to all of you.

Me: Awesome. You want to come with us?

Galarian Zapdos: I would like that.

Nico: Cool.

Me: Lets get a move on.

Camie: Yeah!

We were flying and we spotted the Jacques Schnee clone, and like Lincoln said, he's coming straight for us.

Lincoln: There he is, now to give him an icy surprise.

Lincoln fired orbs of ice at the Jacques Schnee clone and he wound up getting hit by ice blasts and the ice orbs also formed ice glaciers and ice crystal clusters on the ground. That angered the Jacques Schnee clone as we landed in front of him.

Weiss: I thought I was finally rid of you and I told you I never ever want to see your pathetic face here again!

Camie: She knows it's just a clone created by six pieces of crap, right?

Nico: She does, but she despised her father for everything he's done, you thought Jude Heartfilia was a piece of shit, Jacques Schnee was worse!

Jacques Schnee Clone: You shut your mouth, you insolent monkey! I will end all of you for ruining me!

Lincoln: Why don't you shut up, you pathetic excuse for a father!

Lincoln's loud booming voice caused the Jacques Schnee clone to shut up, and he was already intimidated by the 18-year-old 8'9" tall, handsome, and extremely muscular white-haired man.

Lincoln: Even if you're a clone, you're still nothing more than the same pathetic, monstrous, manipulative, scheming, power-hungry, black-hearted, abusive, controlling, and psychotic bastard who doesn't even give a damn about anyone but yourself.

Me: Yeah, you're nothing but a black-hearted monster from the depths of Hell, you have no love for your own daughter, and you're nothing but a selfish prick with a black heart.

Nico: The suffering you've caused can never be healed, you deserve to die a very gruesome death for everything you've done.

Weiss: That's right, and you don't deserve to live a single second further.

Winter Schnee: I never want anything to do with a piece of shit like you ever again!

Willow Schnee: Same here! Looking back I don't know what the fuck I was thinking marrying a cold heartless snake like you!

Xenia: That's right!

Me: You don't give a flying fuck about anyone but yourself! Now

EVERYONE here on Remnant knows your true colors! You are nothing but a traitor and a murderer!

Qin: And you're a war criminal!

Camie: And a cheater too!

Laney: Weiss, Willow and Winter have better morals than you do and you are pure evil incarnate!

Me: You are nothing more than a shallow petty monster! It was your big mouth that did you in the first time and you paid for it! You're now permanently alone because all you ever cared about is money and greed and you give a flying fuck who to step on to get what you want and that makes you nothing more than a selfish and heartless troll! You are pure evil incarnate and all you do is destroy people's lives!

Nico: Yeah what he said!

General Ironwood then came.

General Ironwood: Sorry I'm late.

Me: Actually you made it just in time General.

General Ironwood: Good. Jacques! I thought we were rid of you forever!

Jacques Schnee: Ironwood!

Ironwood: I thought I killed you the first time! But I'll enjoy doing so again if possible!

Nico: Yeah!

Jacques Schnee: Like I would ever let you do that! Those so-called daughters and wife of mine took EVERYTHING AWAY from me!

Me: No YOU did that to yourself! It's called Karma! You do bad things to others and then bad things will happen to you!

Nico: You got what's coming to you because you deserved it!

Eli: That's right! Take this!

He fired a blast of Force Lightning and electrocuted him.

Galarian Zapdos charged at him and punched and kicked and smashed him all over the place with powerful brutality!

Nico: Take that!

Suddenly, Weiss' pale blue eyes turned neon pale blue, and she was surrounded by a white and blue energy aura with stars, darkness, snow, ice, ice crystals, snowflakes, phoenixes, and angels, she unholstered her massive Ullr's Dark Arctic Ice Phoenix Greatsword of Dark Justice from her back, and as she approached the clone of Jacques Schnee, she left white and blue energy, stars, darkness, snow, ice, ice crystals, snowflakes, phoenixes, and angels with every step.

Weiss: I've said this before, and I will say it again: Jacques Schnee, I will never forgive you for abusing me when I was a child same with my sisters and for trying to kill me and my friends in the past, and I will never forgive you for trying to turn all of Atlas against Team Loud Phoenix Storm for your own amusement three years ago, and now, I'll see to it that you finally die a miserable painful death for everything that you've done!

We were amazed by Weiss's Super Angel-Dark Ice Angel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the clone of Jacques Schnee saw it, he fell into an insane unstable rage and tried to kill her by shooting her with a gun, but Weiss fired a massive barrage of white and blue energy, stars, darkness, snow, ice, ice crystals, snowflakes, phoenixes, and angels which hits the clone of Jacques Schnee and sent him flying into a wall, he got back out, but now, his murderous fury has reached its limit.

Weiss: (Divine Echoing Godly Voice of The Divine Darkness Arctic Ice Sword Master Remnant Savior Phoenix God Angel and Divine Cosmic Eternal Divine Darkness Arctic Ice Sword Master Remnant

Winter: That's right, I refuse to let someone like you live any longer! You've long since died at their hands, and now, we'll make sure you stay gone forever.

Suddenly, Winter Schnee's pale blue eyes turned neon pale blue, and she was surrounded by a white and blue energy aura with stars, darkness, snow, ice, ice crystals, snowflakes, phoenixes, and angels, she unholstered her massive Ullr's Dark Arctic Ice Phoenix Greatsword of Dark Justice from her back, and as she approached the clone of Jacques Schnee, she left white and blue energy, stars, darkness, snow, ice, ice crystals, snowflakes, phoenixes, and angels with every step.

We were amazed by Winter Schnee's Super Angel-Dark Ice Angel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the clone of Jacques Schnee saw it, he fell into an insane unstable rage and tried to kill her by shooting her with a gun, but Winter Schnee fired a massive barrage of white and blue energy, stars, darkness, snow, ice, ice crystals, snowflakes, phoenixes, and angels which hits the clone of Jacques Schnee and sent him flying into a wall, he got back out, but now, his murderous fury has reached its limit.

Winter Schnee: (Divine Echoing Godly Voice of The Divine Darkness Arctic Ice Sword Master Remnant Savior Phoenix God Angel and Divine Cosmic Eternal Divine Darkness Arctic Ice Sword Master Remnant Savior Phoenix God Angel Love) I don't know what Mom was even thinking of marrying a bastard like you, she should've divorced your sorry ass.

Willow Schnee: Mom did divorce him after what he tried to do three years ago, but now, we are going to make it official.

Suddenly, Willow Schnee's pale blue eyes turned neon pale blue, and she was surrounded by a white and blue energy aura with stars, darkness, snow, ice, ice crystals, snowflakes, phoenixes, and angels, she unholstered her massive Ullr's Dark Arctic Ice Phoenix Greatsword of Dark Justice from her back, and as she approached the clone of Jacques Schnee, she left white and blue energy, stars, darkness, snow, ice, ice crystals, snowflakes, phoenixes, and angels with every step.

Willow Schnee: Even though I missed out just like Winter, I'm just going to say it: Jacques Schnee, I will never forgive you for what you did abusing Weiss when she was a child same with me and Winter and for trying to kill Weiss and her friends in the past, and for what you did in trying to turn all of Atlas against Team Loud Phoenix Storm for your own amusement three years ago, you will never, and I repeat, never be forgiven, and now, I'll see to it that you finally die a miserable painful death for everything that you've done!

Suddenly, Willow Schnee was surrounded by a massive vortex of white and blue energy with stars, snow, ice, snowflakes, ice crystals, and darkness surrounding it, there are phoenixes and angels flying around the vortex, and inside the vortex is a white phoenix with red eyes glaring at the clone of Jacques Schnee: the red eyes of eternal death.

Nico: Oh crap!

Me: Now, Willow's also going to transform!

Lincoln: Willow may have missed out on wanting to give that pathetic coward what for last year, but she's not missing out this time.

Then, as the vortex faded, Willow Schnee emerged, but she was changed forever.

Willow Schnee grew to 8'3" in height, she now has large gold metal braces on her biceps and thighs, and she now has twelve large white and blue planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long flowing white hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon pale blue eyes and a white and blue energy aura with stars, darkness, snow, ice, ice crystals, snowflakes, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has an ice phoenix and ice angel with a blue jewel emblazoned on her forehead and Third Eye with pale blue iris, she has on phoenix earrings with pale blue jewels for the eyes and holding the Star, Snow, Ice, and Eternity Kanjis in its claws, she also has a phoenix with pale blue gems for the eyes and holding the Star, Snow, Ice, and Eternity Kanjis in its claws on the bottom of her pale blue angel-shaped Element of Harmony with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems embedded on the gold lightning bolt links, and she also has on her white and gold accented choker on her neck. Willow Schnee has on a long-sleeved white blouse with snowflakes on it, dark blue shirt with pale blue phoenix on it, white pants with pale blue snowflakes on them, white knee-high high-heeled boots, and long long-sleeved white trenchcoat with stars, darkness, snow, ice, ice crystals, snowflakes, phoenixes, and angels on the coattails and on the back is the symbol of Remnant surrounded by a phoenix and angel and surrounded by snowflakes and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a blue gem with neon glowing blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Willow Schnee felt a sharp pain on her back, and then, massive white angel wings with ice blue tips on the white feathers grew and sprouted out of her back and medium sized white angel wings with ice blue tips grew and sprouted out underneath her massive white angel wings. Willow Schnee has on a Ring of The Phoenix with ice blue gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern corps ring on her left ring finger and Stone of Gelel embedded in her left hand and white fingerless bridal gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

We did so.

We got it on!

Nico: (Gets out Jean Jacket's ridewatch) This cloud means business!

May: (Gets out Ghost of Widow McPhearson's Ridewatch) I will destroy the marriage of Ma Bagge!

Maria: (Gets out Gamettsui's ridewatch) This is gonna hurt!

Hari: (Gets out Angry Cheese's ridewatch) I am a nasty piece of cheese!

They used the powers of Jean Jacket, Angry Cheese, Ghost of Widow McPhearson, Yokai Kappa (Ninninger), Gamettsui, and Broly (DBS) and blasted the Another.

Then Eli Moon, Shriek, Shelly Junglelove, Rose Nezire, Jellyfish Demon (Kamen Rider Black) and Cyclopter came.

Me: Cool!

Nico: Nice team Eli!

Eli Moon: Thanks Nico.

Me: Awesome!

Kameo: Me and my team next! Cool!

?: I'll say!

Shining Firefly came!

Me: Whoa! Shining Firefly!

Nico: Nice!

Shining Firefly: (In a girls voice) Looks like the fun has started!

Nico: Hotaru Firefly!? Whoa!

Shining Firefly: Yep. I got this.

She fired waves of fire and light and blasted the Another and I caught the Ridewatch and purified it.

Me: Nice!

She reverted back and was a girl with yellow hair and purple eyes and had yellow angel wings and a yellow bikini on and had a Firefly that was glowing in the middle of her forehead.

Hotaru Firefly: That was fun!

May: And I didn't get hit!

KRASPLAT!

A pie hit her square in the face!

May: HEY! (Slurps) Yummy! Strawberry Pudding flavor!

Manaphy licked her.

Manaphy: Delicious!

Nico: OKAY WHO IS THE WISEASS!?

Manaphy licked May's face.

Me: Funny. But SERIOUSLY! Who keeps hitting May!?

Qin: Someone is REALLY Hitting May with pies.

Eddy: And it's NOT me or Luan.

Little did we know that someone was hiding in the shadows and hitting May with pies and all those pranks and is chuckling sinisterly.

Rarity: Lets get you new clothes darling.

The fashion brigade gave Hotaru new purple clothes.

Hotaru Firefly: Awesome outfit!

Maria: Thanks.

Hari: Do you have a favorite memory of Nico?

Hotaru Firefly: Just when me and Nico were out stargazing and the sky was cloudy. I summoned numerous fireflies and they formed into the stars and it was beautiful.

Nico: We were starstruck back then.

Me: Aww so adorable.

Nico: Yeah.

Nico and Hotaru hugged.

Nico: I've missed you.

Hotaru Firefly: Same here.

We later went back home.

Lincoln: Whoa, we're here in the world of the 1987 movie The Gate, and I know what we're going to do here, not only am I going to rescue the thirteen girls here, but we're also going to help Glen destroy The Demon Lord and seal The Gate forever.

Me: Oh God. Dad, do you remember seeing that movie?

Sumner: How could I forget, that movie terrified me, your mom, and a lot of teens when this movie came out in the theaters.

Nico: And I couldn't believe that a hole in the backyard of a suburban home is a gateway to a world of pure darkness.

Lincoln: We got to help Glen stop this madness and fast or the demons will retake the world and plunge it into eternal darkness.

Takeru: How are we going to destroy The Demon Lord and seal The Gate at the same time?

Me: If I remember right, only a symbol of love, light and purity can stop the rise of the Old Gods and destroy The Demon Lord forever.

Sumner: Glen's rocket!

We ran inside Glen's house and met up with Glen who told us of what's happened: his dog, Angus, died and was dropped into the hole, and the sacrifice led to the opening of The Gate, and that his sister, Al, and his friend, Terry, have already been dragged away by the demons, and Al and Terry representing the two human sacrifices led to the full opening of The Gate.

Nico: Oh no.

Glen: We got to get my rocket, it's the only thing that can seal The Gate and destroy The Demon Lord, and we got to hurry.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair and red flower beret, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in an a red sleeveless blouse, necklace with a red gem for the pendant, red skirt, purple lace stockings, red knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, fire, magic, phoenixes, and angels on the coattails and on the back is the Major Arcana Tarot Card, The Arcana, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel and with her are the thirteen girls.

Lincoln: (GASPS) Michelle Chapelain, Avatar of The Fool Major Arcana Tarot Card and White Magic Master.

Michelle Chapelain: That's right, and I got the girls away from those diminutive demons.

Vegeta got the rocket out of Al's room.

Vegeta: Is this what you were looking for?

Glen: The Thunderbolt.

Lincoln: Here, you'll need this.

Lincoln gave Glen batteries and put them into the remote control.

Suddenly, we saw a giant serpentine demon emerge from the chasm in the floor, it was The Demon Lord.

Sylvester: The Demon Lord has arrived, now we need to destroy him.

Glen: Guys, get back!

We got back, and Glen hit the button and launched The Thunderbolt, and it went into him and we saw beams of light coming out of him. We grabbed Glen and we ran outside as The Demon Lord exploded, and it was sent to The Black Abyss along with his minions and The Old Gods. Then, we saw the darkness disappear forever, and we also saw Angus, Glen's dog, emerge from the front closet, restored to life followed by his sister, Al, and his friend Terry, who are also unhurt. We cheered as we holstered our weapons and powered down.

Nico: Okay, that was a really close one!

Me: You said it. But, we also got to fix the damage that was done.

Lincoln snapped his fingers and the house was restored as we said our goodbyes to Glen, Al, and Terry.

Lincoln: That really was a close one, but we did it, The Demon Lord is gone forever and The Old Gods of Chaos will never retake the Earth. (To Michelle Chapelain) And it's so good to see you again, Michelle.

Michelle Chapelain: (French Accent) You too, Lincoln, it's been seven years since we last met.

Suddenly, Michelle Chapelain wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and then all over the place: face, arms, pecs, eight-pack abs, and stomach. When Michelle Chapelain was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Michelle Chapelain: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Michelle Chapelain's waist and hugged her, and Michelle Chapelain is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white

Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Michelle Chapelain: (French Accent) Mon Dieu, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Michelle Chapelain, Avatar of The Fool Major Arcana Tarot Card and White Magic Master, she's Lincoln's Guardian Angel from France and a very powerful master of tarot cards, white magic, fire, and the Occult, and she has an deck of Tarot Cards that she uses to read peoples' fortunes and see into the future. She's the descendant of 18th Century French Occultist and fortuneteller Magdelaine Chapelain, and she's discovered much about the secrets of the tarot cards ever since she was growing up. She's the pyromancer of the white magicians Mariana Gébelin formed and she's a very powerful master of fire and fire magic. Michelle came to Royal Woods where she met Lincoln, and she eventually did a tarot reading for him, and she foretold that he would soon be transformed into a truly powerful hero and be part of a very powerful force of immortal heroes who fight to defend the universe and the universes beyond, and she's also good friends with Lucy and they do tarot readings as well on the side. Lincoln made Michelle a greatsword and necklace with a red gem pendant, and to show thanks, Michelle kissed Lincoln on the lips, and he promised that when he comes of age, he'll marry Michelle along with the rest of his harem. Michelle hates Lori with a fiery passion, and she did a tarot reading on her, and she foretold that if Lori didn't change her ways, misfortune and misery will befall her, meaning that if Lori didn't change her ways, Bobby will break up with her, her friends will cut all ties with her, and the rest of the family will disown her forever, and the only thing that awaits her is getting thrown in prison forever and only a life of total misery awaits her, and if this continues, she will die a miserable and bitter rotten girl.

Nico: Just like what we heard yesterday. So, it's true you can tell a person's future through the tarot cards you have.

Michelle Chapelain: That's right, and my readings are always accurate.

Lincoln: The Tarot Card readings Michelle and her friends have done are incredibly accurate, and Lisa's tried to debunk them many times, only to get a Tarot Card reading done on her, and it ended with Michelle saying that if Lisa didn't change her ways towards me, it would end with her future destroyed and getting sent to prison, same with Lori, Lynn, Luan, and Lola.

Me: It was really accurate and Lisa was horrified, along with Lori, Luan, Lynn, and Lola.

Lincoln: Angering the Arcana Avatars was a huge mistake on their part, and now that you're here, Michelle.

Lincoln leaned his head down the right side of Michelle Chapelain's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Michelle Chapelain: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Michelle Chapelain: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Michelle Chapelain with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Michelle Chapelain: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Michelle Chapelain.

Michelle Chapelain had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Michelle Chapelain's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Michelle Chapelain had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the thirteen girls, and when Lincoln saw the thirteen girls, he immediately recognized them. The thirteen girls are Akiho Kousaka, Haruka Ichinose, Kotomi Ayano, and Ryouko Mioka from Binyuu Inmai Haruka, Miki Yuunagi, Yuu Amamiya, Chadoko Asagiri, Persephone, and Hera from Angelium, and Ayane Mochizuki, Honoka Manahime, Shion Manami, and Zaurara Kagura from Angels in School Uniform.

Lincoln: Oh wow, it's Akiho Kousaka, Haruka Ichinose, Kotomi Ayano, and Ryouko Mioka from Binyuu Inmai Haruka, Miki Yuunagi, Yuu Amamiya, Chadoko Asagiri, Persephone, and Hera from Angelium, and Ayane Mochizuki, Honoka Manahime, Shion Manami, and Zaurara Kagura from Angels in School Uniform.

Nicole: Thank God Michelle got the girls away from The Demon Lord's minions.

Lincoln: The Demon Lord's minions were no match for her, none of Hell's forces were a match for my Guardian Angels. Are you girls okay?

Akiho Kousaka: Yes, we're okay, thanks to you.

Then, when Akiho Kousaka and the other twelve girls saw who it was that saved them from The Demon Lord, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of

Akiho Kousaka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akiho Kousaka: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akiho Kousaka, Haruka Ichinose, Kotomi Ayano, Ryouko Mioka, Miki Yuunagi, Yuu Amamiya, Chadoko Asagiri, Persephone, Hera, Ayane Mochizuki, Honoka Manahime, Shion Manami, and Zaurara Kagura with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was The Demon Lord from the 1987 horror movie, The Gate.

But, when Lincoln showed what we did in beating him down and Glen launching his rocket into The Demon Lord and it exploded killing it and sending The Demon Lord and his minions to The Black Gates, sealing The Gate forever, and restoring Angus to life and saving Glen's sister, Al, and his friend, Terry, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Michelle Chapelain have a lot of catching up to do, now that she's back in town.

Maria: Whoa, talk about a demonic nightmare, but you guys did it, you sealed The Gate and destroyed The Demon Lord and his minions.

Lincoln: And stopped The Forgotten Gods of Chaos from reclaiming the Earth.

Nico: That was one frightening rescue.

Me: Never thought we'd go into another movie that gave my Dad nightmares.

Sumner: That's true, but we stopped The Demon Lord and ended an ancient evil.

---

After Lincoln and all of us beat down The Demon Lord and sent him and his minions to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Michelle Chapelain saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Michelle Chapelain: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing

900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Michelle, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Michelle Chapelain: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Michelle Chapelain: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was twenty five massive armies of large muscular beach bullies and they're out to get revenge on Lincoln for the deaths of their fellow comrades.

Lincoln: What the? Twenty five massive armies of more large muscular beach bullies? Lori, this better not be some sort of contingency plan that control freak in you had in case she got destroyed forever.

Michelle Chapelain: (French Accent) It was.

CLANG!

Luna whacked a Dark Lori clone Lori created in the face with a frying pan and sent that clone to The Black Gates.

Nico: Looks like it's feeding time, Lincoln.

We flew out of The World Tree Estate and Lincoln fired blasts of rainbow energy and elements right at the twenty five massive armies of large muscular beach bullies and they got pissed when they saw Lincoln and all of us.

Large Muscular Beach Bully 1: You're going to pay for this, you little… ! (Suddenly sees Lincoln) Oh, shit!

The twenty five massive armies of large muscular beach bullies saw Lincoln was now an 8'9" massive, extremely muscular man with muscles bigger than their heads and he can easily crush their heads in, but their hot blooded tempers got in the way.

Large Muscular Beach Bully 2: GET HIM!

The twenty five massive armies of large muscular beach bullies charged right at Lincoln, but Lincoln fired massive blasts of really strong wind at the twenty five massive armies of large muscular beach bullies and sent them flying into a tree and they easily got knocked out.

Lincoln: Now, for the feast.

Suddenly, Lincoln sprouted tentacles with suctions from his chest and the tentacles latched onto the twenty five massive armies of large muscular beach bullies, and then, Lincoln began sucking the twenty five massive armies of large muscular beach bullies dry of their massive muscle mass, massive levels of virility and testosterone, and massive superhuman strength and they were groaning in pain as they began shrinking in muscle mass and they were also being drained of his life force.

Then, all of the twenty five massive armies of large muscular beach bullies' massive muscle mass, virility, testosterone, and massive superhuman strength was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS) Man, these guys sure have been bulking up in muscle.

Nico: What on Earth made those bullies that large and muscular?

Me: Lisa found out Lori had given them her experimental muscle growth serum mixed in with some bull hormones, and it not only bulked them up that much and gave them massive muscle mass, but they were also given massive amounts of virility and testosterone and massive superhuman strength.

Nico: Dark Lori hated Lincoln that much, she resorted to something like that, what a bitch.

Then, when Lincoln was done, the tentacles detached themselves from the twenty five massive armies of large muscular beach bullies' pecs and went back into Lincoln, and the twenty five massive armies of large muscular beach bullies were thin as a rake and sucked bone dry of their massive muscle mass, virility, testosterone, and massive superhuman strength and they also had the life sucked out of them as they died and they were sent to The Black Gates forever. We returned home and continued our workouts.

Lincoln: Those are the last of those beach bullies. Dark Lori's contingency plan has been foiled.

Amara Roshansa: That bitch got what she deserved, how dare she try to hurt our man!

Me: She, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan were absolute monsters, glad they got their just desserts.

We got a shower, and then, Lincoln, Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea (Cardcaptor Sakura), Simulator Nikki (Cardcaptor Sakura), Simulator Rita (Cardcaptor Sakura), Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea are heading to Bubblaine.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea (Cardcaptor Sakura), Simulator Nikki (Cardcaptor Sakura), Simulator Rita (Cardcaptor Sakura), Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea (Cardcaptor Sakura), Simulator Nikki (Cardcaptor Sakura), Simulator Rita (Cardcaptor Sakura), Antiope, Philippus, Boa Marigold, Boa

Sandersonia, Cosmos, Blue Fan, and Sweet Pea all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Madison Taylor: Wow, so this is Bubblaine. It sure is beautiful.

Lincoln: It sure is, Madison, and it's perfect for our first date. Shall we?

Lincoln, Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea (Cardcaptor Sakura), Simulator Nikki (Cardcaptor Sakura), Simulator Rita (Cardcaptor Sakura), Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea (Cardcaptor Sakura), Simulator Nikki (Cardcaptor Sakura), Simulator Rita (Cardcaptor Sakura), Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea (Cardcaptor Sakura), Simulator Nikki (Cardcaptor Sakura), Simulator Rita (Cardcaptor Sakura), Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea (Cardcaptor Sakura), Simulator Nikki (Cardcaptor Sakura), Simulator Rita (Cardcaptor Sakura), Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea (Cardcaptor Sakura), Simulator Nikki (Cardcaptor Sakura), Simulator Rita (Cardcaptor Sakura), Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea (Cardcaptor Sakura), Simulator Nikki (Cardcaptor Sakura), Simulator Rita (Cardcaptor Sakura), Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea, Simulator Nikki, Simulator Rita, Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea are in your harem, Linky.

Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea (Cardcaptor Sakura), Simulator Nikki (Cardcaptor Sakura), Simulator Rita (Cardcaptor Sakura), Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea showed the marks Lincoln made on the right sides of their necks.

Sakura Avalon: I knew that Madison and Meilin had feelings for Lincoln, and we knew Chelsea, Nikki, and Rita had boyfriends, so we introduced their Simulator counterparts.

Wonder Woman: And Antiope and Philippus had their feelings for him and they enjoyed sparring with him.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Sakura Avalon, Madison Taylor, Meilin Rae, Simulator Chelsea, Simulator Nikki, Simulator Rita, Antiope, Philippus, Boa Marigold, Boa Sandersonia, Cosmos, Blue Fan, and Sweet Pea, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Next is Lost Kingdom for Round 1.

Me: That one was cool! That one was amazing being in the middle of a sea of poison.

Xenia: It sure was.

Jayden: Me and Brody will go with.

Nico: Okay.

They went in and it activated and they were at LOST KINGDOM!

---

The Lost Kingdom is the seventh kingdom visited in Super Mario Odyssey. It is the greater location of Forgotten Isle, a large island surrounded by poison. After defeating Bowser in the Cloud Kingdom, he orders his airship to shoot cannonballs at Mario. Mario gets hit by one of these, causing both him and the Odyssey to crash-land in this kingdom. The Odyssey becomes damaged, forcing Mario and Cappy to explore the island and collect at least 10 Power Moons. They can use these Power Moons to repair the Odyssey and continue their journey to the next kingdom - the Metro Kingdom.

The Lost Kingdom is located south-east of the Cloud Kingdom and south-west of the Metro Kingdom. It is the only one of the kingdoms to not involve any bosses at all (not counting the Darker Side). The kingdom resembles an archipelago of islands shaped like a palm tree.

According to The Art of Super Mario Odyssey, the Lost Kingdom is based on the rainforests of Southeast Asia, likely the island of Borneo and the nations of Indonesia and the Philippines, especially since the music for the kingdom is based on gamelan, traditional Indonesian ensemble music made up predominantly of percussive instruments. Due to the Lost Kingdom's large bodies of liquid, tall tree trunks, and dense foliage, it also bears a resemblance to the island nation of Madagascar.

---

Nico: WHOA!

Jayden: So this is Lost Kingdom.

Brody: Amazing!

Nicole: Yep and also one of the Core Medals did tell you what is coming. He's waiting at the top of the mountain there.

Jayden: Well, Golden Gutt was already introduced.

Nico: Yep.

They were off and at the top of the mountain in the middle of the island was Freakazoid's enemy THE LOBE!

Nico: The Lobe!

Brody: Boy that is a big brain.

Lobe: Yes I do have that don't I?

Ra's Al Ghul: That is coincidental that his voice sounds just like mine.

Me: So did Agent Alpha. His voice sounded like yours too.

Lobe: Did Freakazoid really believe he could join you guys and leave ME in the dust?!

Nico: Honestly no. I knew it was only a matter of time before you joined the M.O.E.

Jayden: Besides his enemies are just as cool as he is.

Lobe: Indeed we are.

Nico: Shame we have to fight like this. Hope we don't give you permanent brain damage. Because well you know.

Lobe: I know.

Nico: Yeah.

Lobe: At least you guys take things seriously than Freakazoid does.

Freakazoid: I heard that Lobe!

Nico: Freakazoid may be a goof and is wacky but at least he does it to make us laugh.

?: That's for sure!

Vermillimon and a girl with red hair and red eyes and red clothes and fire angel wings and a tiara with Flame Mammoth on it came!

Faye Flame Mammoth: Faye Flame Mammoth - Embodiment of Flame Mammoth.

Jayden: Faye! Awesome to see you.

Brody: Same here.

Faye Flame Mammoth: Awesome to see you too Jayden and Brody.

Vemillimon: (In a girls voice) And this guy is gonna burn.

Nico: Vicki Ann Vermilli! Whoa!

Vicky Ann Vermilli: Awesome to see you again Nico.

Nico: Same here. Lets get it on!

Lobe: I'll slash open your brain and see what makes you tick!

Nico: (gets out Jean Jacket and Phantom Puppeteer's Ridewatches) Time for this cloud to make some puppets!

He activated them and fired waves of energy and blasted him all over.

Vicky Ann Vermilli: (Echoing) VOLCANIC STRIKE S!

She fired a massive barrage of fireballs from her mouth and blasted the Lobe all over.

Nico: Nice!

Jayden and Brody fired waves of red energy and blasted him all over.

Nico: Nice! Hey Lobe! You want to see what makes me tick?

Lobe: What is it?

Faye Flame Mammoth fired waves of fire and blasted Lo

Nico put his thumb in his mouth and blew and his head popped open.

Nico then pulled out something and it was A TIME BOMB!

Nico closed his head head.

Nico: You wanted to see what makes me tick! Get it? Because it's a bomb.

Nico gave it to him!

Nico: Duck and cover!

Everyone ducked!

Lobe: I feel so used.

RIIIIINGG!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

He was blown up in an explosion and the Lobe was down and burned and charred.

He waved a white flag for surrender.

Nico: That was funny!

Vicki Ann reverted back and she was a girl with red hair, orange eyes, red and black clothes and had red and black angel wings and had Vermillimon on her forehead and on her skirt and a red sword.

Vicki Ann Vermilli: That was awesome!

They got 30 power moons!

Nico: YEAH!

They high five

Nico: How did you meet Jayden and Brody?

Faye Flame Mammoth: I trained with Jayden and the Samurai Rangers at the Dojo they went at and they taught me everything they know. It was awesome. We even battled some of the Nighloks too.

Nico: Cool!

Faye Flame Mammoth: Yep. And I gave Deker and Dayu a good challenge too.

Nico: Cool! When it's their turn for the usual battles you can challenge them again like old times.

Faye Flame Mammoth: Good idea. Also I met Brody when he and the rangers were battling Forcefear.

Me: WHOA! I remember him!

Nico: We haven't seen him in the usual battles yet.

Faye Flame Mammoth: It'll be awesome to face him again.

Nico: Yep.

Jayden: And Vicki Ann what's your favorite memory of Nico?

Vicki Ann Vermilli: When me and Nico were in Art Class and I drew an amazing landscape of an alien world of volcanoes.

Nico: It was beautiful. It had volcanoes with 2 red crescent moons.

Me: Ooh that's pretty.

Nico: Yep.

Nico and Vicki Ann hugged.

Nico: I've missed you.

Vicki Ann Vermilli: Same here.

Nico: Would you two like to join us?

Faye Flame Mammoth: We would be honored.

They came out and we cheered wildly.

Later the mascots were taking Chloe and Ikki to somewhere fun for a special blind date. Chloe was blindfolded and so was Ikki.

Ariel: You're gonna love this.

Chloe Bolton: I have a feeling it's gonna be fun.

Me: You're going to like where we're going.

Poromon: Yep.

Ikki: This will be cool.

Medabee: I have a feeling it will be good.

Me: Yep.

We arrived at the movie theater.

Me: Here we are!

Chloe Bolton: Wow!

Ikki: Cool!

Chloe: Ikki!?

Ikki: Chloe!?

Chloe and Ikki: YOU'RE MY BLIND DATE?!

Apple Bloom: What do y'all think?

Chloe Bolton: Awesome!

Me: The mascots arranged it. And we have just the movie too.

I pointed to a poster of The Grinch from 2018.

Ikki: Oh wow! The Grinch from 2018!

Me: Yep.

We went in and got some snacks and popcorn and went into the theater.

The movie then started

*SPOILER ALERT*

In the town of Whoville, the human-like people called Whos are filled with excitement about celebrating Christmas. However, the only one who is not thrilled is the grumpy, cantankerous and green-furred Grinch, born with a heart being "two-sizes too small". He lives in his cave with his dog, Max, and only goes into Whoville to buy groceries and harass the Whos.

One day, 6-year-old Cindy Lou Who notices her mother Donna is overworked trying to take care of herself and her twin infant brothers, Buster and Bean. Cindy Lou initially decides to send a letter to Santa Claus to help her mother, but after an encounter with the Grinch - who sarcastically tells her that, if the matter is so urgent, she will have to talk to Santa face-to-face about it - she decides to go to the North Pole to talk to Santa himself. When Donna tells her that a round trip to the North Pole would take a month, she instead decides to try trapping Santa with the help of her friends.

With Christmas approaching, an attempt by the Grinch to ruin a tree-lighting ceremony goes wrong, resulting in him having a flashback about his disjointed childhood spent alone and unwanted in an orphanage. Unable to bear these memories, the Grinch soon decides that he will steal Christmas from Whoville to assuage his distress. He and Max acquire a fat reindeer, whom the Grinch calls Fred, and steal a sleigh from his neighbor Bricklebaum. After a test run, the Grinch and Max discover that Fred has a family, and the Grinch emotionally agrees to let Fred go home with them.

On Christmas Eve, after making a Santa Claus disguise and crafting dozens of gadgets to help him with his plan, the Grinch and Max, who pulls the sleigh in Fred's place, go down to Whoville to steal the decorations and presents. He soon encounters Cindy Lou after falling into her trap. Her request to help lighten her mother's workload and her advice about listening to the Whos' singing to alleviate his sadness touches the Grinch's heart. Despite this, the Grinch continues his mission, unable to let go of the loneliness Christmas brought him.

After stealing every Christmas present and decoration, the Grinch and Max head back to Mount Crumpit to dispose of them. The Whos wake up and are shocked and disappointed to see that the presents and decorations are gone. Cindy Lou believes that she is to blame because of her trap, but Donna tells her that Christmas is not centered on presents and that Cindy Lou is the best thing that ever happened to her. The Whos join together to sing "Welcome Christmas", rendering the Grinch puzzled to see that they are celebrating Christmas despite his thefts. Seeing Cindy Lou and remembering her guidance, he immerses himself in their singing, causing his shrunken heart to blissfully triple in size.

Afterwards, the sleigh begins to fall off Mount Crumpit, and the Grinch attempts to save it. He succeeds when Fred and his family come to his aid. After securing the sleigh, the Grinch and Max slide down back to Whoville in order to return the stolen items, and the remorseful Grinch admits his actions and apologizes to the Whos before returning to his cave.

Feeling sorry for the Grinch, Cindy Lou later invites him and Max to celebrate Christmas at her house which he awkwardly attends. When seated for dinner, he realizes that it was not really Christmas he despised, but being alone and his bitterness over being neglected. With this, the Grinch finally accepts the Whos' friendship and enjoys Christmas with them giving a toast.

We were watching and it was fun and cool! It was fitting too because of December.

We were laughing at some of the funny parts. But we felt sad for the Grinch.

Poromon had a teleporter with him just in case

The movie was done and we cheered wildly!

Grinch: Brings back good memories.

Martha: Yeah it sure does.

Me: Yeah still was a good movie though.

Xenia: It sure was.

We left the movie theater.

Me: That was fun!

?: MAY CHAN!

We saw a girl with black hair and she had a red dress and her eyes were green. She was really mad at her.

May: (GASP) Arlene! Arlene Nelson!?

Arlene Nelson: You made me look like a fool in the world of Pokemon and here!

May: Of all the people I never thought I would see you again!

Me: You know her May?

Nico: And I take it she has a nasty vendetta against you.

May: She does. It was years ago before I joined the team. We met on Cinnabar Island and me and Glaceon and Manaphy were training for the next Pokemon Contest and Arlene was my competition. She was a snobby rich girl that thought she was better than everyone else. And she did all kinds of terrible ways to cheat. But I exposed her and she was disqualified and banned from contests permanently. She vowed revenge on me.

Me: So YOU did all those pranks on May! The bowling balls, the pies, the food! ALL of it!

Arlene Nelson: That's right! And I am glad I did! I wanted revenge on May for what she did to me!

Chloe Bolton: Hold on a sec will you? (to the mascots) Thanks for the movie, guys.

Poromon: You're welcome Chloe.

Poliwag: Glad you had fun.

Ikki: Yep.

Poromon: See ya.

ZAP!

They teleported.

First, they teleported to Cleveland's bathroom and Cleveland was taking a bath.

Cleveland: Poromon, Guys?

Poromon: Oh hello Mr. Cleveland! Sorry to pop in like this.

Cleveland: Another blind date?

Horsea: Yep.

CRASH!

An old satellite part crashed through the roof and smashed the house!

Cleveland: WHAT THE HELL!?

The floor tilted and the tub was sliding.

Cleveland and the Mascots: NO NO NO NO NO NO!

They fell and then..

CRASH!

The tub smashed and Cleveland and the mascots were on the ground.

Poromon: Well at least it wasn't one of Peter's shenanigans this time.

Horsea: This happened to you a lot in Quahog didn't it?

Cleveland: You have no idea.

Manaphy: Jeez!

Cleveland: You know when the others find you guys, you'll have to hide somwhere else, right?

Poromon: We know.

Me: AHA! Busted! Oh man! Cleveland!

We got him a towel and got him up and decent.

Me: There. Are you okay?

Cleveland: I'll be all right.

Varie: We better make sure nothing is broken.

Me: Where did that satellite part come from?

Nico: No idea.

Joe Swanson: Boy we haven't seen that happen in a long time Cleveland. You alright?

Cleveland: I'll be okay.

The mascots teleported to the Kwik E Mart.

They teleported there.

Apu: (India Accent) Oh Poromon and the Mascots. Another Blind Date hiding?

Poromon: Yep.

Apu: Ah in that case can I get you your usual? A Bucket of Mint Chip ice cream with miniature chocolate pies?

He held up said bucket.

Poromon: You know it.

He gave Apu money for it.

Apu: Thank you.

Poromon: No problem.

Manaphy: I hope Mama dealt with that bitch!

POW!

May punched Arlene in the face!

May: That was for bashing me on the head!

POW BIFF CRACK!

She smashed her face in with two punches and a wooden plank!

She was knocked out!

May: That's that.

She tied her up and put her on her shoulder..

May: Now for Poromon and the mascots.

Poromon ate his ice cream.

So did Manaphy.

May came in.

May: Afternoon Apu.

Apu: Hello May.

Manaphy: Hey Mama. Got that bitch taken care of?

May: Yep. Out cold after a good beating.

Manaphy: Want some of our usual ice cream?

May: Sure.

She had some with them.

May: (Eating) Mmm! Delicious! And the chocolate pies are good with it.

Then we came.

While she was distracted, the mascots teleported to Moe's Tavern.

ZAP!

May: Uh oh. Moes Tavern I'll bet.

At Moe's Tavern the mascots were drinking Duff Beer.

Moe: Another Blind Date Hideaway?

Manaphy: Yep.

Moe: Who went on the date this time?

Horsea: Chloe Bolten and Ikki Tenryou.

Moe: Nice.

Homer: I heard they went and saw The Grinch from 2018.

Poromon: We sure did.

Horsea: Yeah. By the way Moe did Bart prankcall you?

Moe: He sure did. Asked for Ima Buttface and Hugh Jass.

THEY LAUGHED!

Moe: You know one of those was a real person, right?

Poromon: We know. Bart told us how that one backfired on him.

We were there suddenly.

Me: Crazy how that one backfired.

Poromon: It sure did.

They realized something and then we grabbed them and tickled them.

Me: Coochie coochie coo!

Poromon: HAVE MERCY!

We tickled them.

Chloe Bolton: Say uncle!

Mascots: UNCLE!

Me: Say Grandma Moses Makes Munchy Meat Most Monday Mornings!

They were laughing too hard!

Poromon: Grandma Moses Makes Munchy meat we can't!

Sixshot: Thought you could get away from us for long, did you?!

May: (Eating) Good ice cream though!

Nico: (Eating with May) It sure is.

Me: Nice try though

We stopped.

Me: That was fun though.

Chloe Bolton: Yeah it sure was.

Poliwag: Glad you liked it.

Hardhead: Hope you enjoyed your date, Chloe.

Chloe Bolton: I sure did. It was fun!

Ikki: It sure was! Thanks.

Qin: You're welcome.

Hardhead: Hope you enjoyed your date, Chloe.

Chloe: We sure did.

Me: Good. We're glad.

Qin: COol.

Snaptrap: Deborah, are you happy for your daughter?

Deborah Bolton: I sure am.

Chloe Bolton: Soon my sisters will be getting dates too.

Me: Only a matter of time.

We went back home.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Nico: Let's not forget Deborah and Lena.

Me: Good idea.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than the Snowman from the Goosebumps story, Beware the Snowman, and he's causing havoc. When we saw it, we knew it meant trouble as the vision orb vanished.

Lincoln: Oh boy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and this is one villain we're not going to like in the slightest: I just had a vision and I saw who it was that we're going to confront today, it's none other than the Snowman from the Goosebumps story, Beware the Snowman, and he's causing havoc.

WE GASPED!

Nico: Oh God, this is another Goosebumps monster we hadn't gone after when Slappy returned.

Me: But, since we're approaching Winter, this is actually perfect.

Winter Icyin: (British Accent) That's right, but we're going to melt him into a puddle of water.

Lincoln: We've already got some fire-themed techniques for him, Winter.

Nico: Nice. Alright, team, let's get going and melt this monster into a puddle of water.

Me: We better bundle up for this fight.

Lincoln: He wants a snowball fight, we'll give him one.

Poromon: Can we drink him?

Me: After we destroy his spirit with the black gates.

Nico: Good idea.

The Previous group came

P'andor: (Russian Accent) Can me, Man Ray, Kitty, Tar Pit, Avalanche, Moonstone, Kyd Wykkyd, Speed Demon, Femme Fatale and Titanium Toenail go with you guys?

Nico: Yes you all can come with.

Man Ray: Awesome!

Sonata: Nico, which Gene Slammer do you think you'll meet next?

Nico: Shenzi, Banzai and Ed will like this one. Flame Hyenard Next.

Shenzi: That is one we lke.

Banzai: I agree there.

Ed (Lion King): (LAUGHS)

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Tsukuyomi of Dragalia Lost, and she's come here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Tsukuyomi of Dragalia Lost, and she's come here to destroy us.

Marianna Almaden: That bloodthirsty and power-hungry dragon, she's not getting away with this. I'm going to drown her and kick her scrawny butt, and you're going to absorb her, Lincoln.

Lincoln: That's right, Marianna.

Me: Uh oh, when she said the words "kick her scrawny butt", you know she's serious.

Nico: Oh, this should really be good. Alright, team, let's go, we're heading out to destroy The Snowman from Beware the Snowman.

Lincoln: This is one Goosebumps monster we're never going to let live, and once we get done with that living snowman monster, you're next, Tsukuyomi of Dragalia Lost.

Marianna Almaden: You will never be forgiven for your bloodthirsty powerhungry madness, Tsukuyomi, every last soul who lost their lives because of you will be avenged here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to destroy The Snowman from Beware the Snowman, and once we destroy that walking pile of snow, Lincoln and Marianna Almaden along with me are going to destroy Tsukuyomi of Dragalia Lost.

We got on our coats and we were off to Nunavut, Canada.

---

We arrived at Nunavut, Canada.

Man Ray: This is the place right?

Me: Yep. We fought the Snowman here before.

Lola: We sure have.

?: GUYS!

We saw Jaclyn and she was frantic.

Jaclyn: Guys! Thank goodness you all came!

Block Man: Hey, girl!

Me: The snowman is back. Yes we know Jaclyn.

Mothra 2019: Boy that was back when you guys met me the first time.

Came: Really?

Me: Yep.

Lola: That was so cool.

Kitty: How've you been?

Jaclyn: Cold. I hate coming up here.

Nico: Believe me we don't like it either.

Me: But it has to be done.

Jaclyn: Follow me goys.

We went to Jaclyn's house and warmed up for the time being.

Magma Man: I'll heat us up.

Magma Man got a fire going.

Me: Ahh.

Qin: Much better.

We warmed up with hot cocoa too.

Jaclyn: I heard about what happened during October. Slappy and the monsters were wreaking havoc.

Tar Pit: We wasted them all.

Nico: Yep. And banished Slappy to the black gates.

Qin: Now we can finish the Snowman too.

Lola: Perfect for Winter.

Nico: Yep.

Camie: It sure is.

Birdbrain: Um… guys?

We saw a snowman by the window. A two headed one!

Me: WHOA! A Two Headed Snowman!

Nico: UG-LY!

Qin: Scary!

Jaclyn screamed!

SMASH!

Avalanche: It just broke through the window!

Me: BURNING TORNADO!

I fired a swirling vortex of fire and melted it into water.

Barrage: I see one with only one eye

Lola fired waves of fire and melted that one.

Me: So the Snowman summoned an army.

Qin: Lets melt them all!

I fired waves of fire and melted them.

Moonstone: I see one with a face on its' stomach!

Me: Okay that is ugly!

I fired waves of fire and blasted it.

Me: Go for it!

He turned into a SMOKING HOT BIKINI BABE!

Cheetah: Guys?

Lincoln: What? More snowmen?!

Cheetah: No. Snow hounds!

Nico: Here doggies!

He fired exploding napalm bones and the snow hounds ate them and then they exploded into intense fire.

Qin: Exploding napalm bones! Clever.

Femme Fetale: How about we find the snowman now?

Me: Good idea.

Eli: I don't sense anymore snowmen or snow monsters coming.

Xenia: I think we got them all.

Camie: Yeah.

Nico: Lets go.

We fixed the house up.

We got our coats on again and we were off and we saw the SNOWMAN!

Me: Target sighted.

Silver Banshee: (Scottish Accent) ENTRANCE TIME LADDIES!

We went at him.

The Snowman was really pissed and then the spirits of fire came and swirled around him and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out.

Me: Hello you walking snowcone! Time to burn!

Titanium Toenail: Your snowmen are freaky, you know that!?

Snowman: Well, I didn't want to go with all snowmen!

Me: Point taken.

Qin: Not that it makes any difference!

Camie: Time for you to burn!

Tahu charged at him and fired waves of fire and blasted him.

Tahu: Take that!

Shoto: And this!

They fired waves of light and energy and blasted him all over

Jaden: Lets make this fun!

Evil Star: Trust us!

Nico; Okay okay.

Key: We heard you fought a clone of Jacques Schnee.

Nico: Yeah we sure did.

Toyman: (to Carter) You should take care of the Galarian Zapdos.

Carter: I will.

Me: That was still fun though.

Then out came NINPUKI!

Me: Ninpuki!

Ninpuki: Yep back for another round. To tell you the truth that movie we did wasn't that good anyway.

Me: I don't blame you.

Ninpuki: Now the movie you guys did? THAT WAS BETTER!

Qin: Glad you liked that one!

Lincoln: It sure was awesome!

Ninpuki: Whatever happened to those actors in my movie?

Me: You got that right, but man, that was a lot of fire we used on him.

Lincoln: He was a living snowman, and the heat was going to melt him into a puddle of water, so he had no chance of surviving that. Now, there's one last thing to do and one last loose end to tie up: Tsukuyomi of Dragalia Lost.

?: The world will soon be mine and all of humanity will be turned into my legions of the undead.

Suddenly, the twelve large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters' legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve large green planets orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier and it was infused with absorption energy that protected all of us from the barrage of dark energy blasts that hit the barrier only to be absorbed into us, and we grew even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the scent of blood

from anywhere, you can come out now, Tsukuyomi, or we will force you out.

A figure came out, it was Tsukuyomi, the bloodthirsty powerhungry dragon from Dragalia Lost.

Lincoln: I should've known you'd show up here, Tsukuyomi, but we will never allow you to run free any longer.

Tsukuyomi: You may have stopped the others, but I'm not that easy to take down.

Marianna Almaden: That is where you are wrong.

Suddenly, Marianna Almaden's blue eyes turned neon blue and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, magic, fairies, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Tsukuyomi, she left aqua blue energy, stars, water, ocean waves, magic, fairies, phoenixes, and angels with every step.

Marianna Almaden: I will never forgive you for what you've done over the eons, Tsukuyomi, you caused so much pain and devastation to so many and for what: to slake your endless thirst for blood and power, and on top of that, you tried to take over the entire world by corrupting all humanoids into zombies and defeat your own sister, Amaterasu, you make me sick, and now, you shall face judgement for everything that you've done!

Suddenly, Marianna Almaden was surrounded by a massive vortex of aqua blue energy with stars, water, ocean waves, and magic surrounding the vortex, there are fairies, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Tsukuyomi: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Marianna is capable of, and that deranged fairy-obsessed killer Randall Williams wound up on the wrong end of her wrath more than once, and he wound up getting burned more than once for his misdeeds.

Then, as the vortex faded, Marianna Almaden emerged, but she was changed forever.

Marianna Almaden grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large aqua blue planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long aqua blue hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and an aqua blue energy aura with stars, water, ocean waves, magic, fairies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a water fairy with a water drop in her hands emblazoned on her forehead with aqua blue iris, she has on fairy earrings with aqua blue gems for eyes and holding the Star, Magic, Water, and Eternity Kanjis in her hands, she also has a water fairy with aqua blue gems for eyes and holding the Star, Magic, Water, and Eternity Kanjis in her hands for the second pendant on the bottom of her aqua blue fairy-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. We were amazed by Marianna Almaden's Super Angel-Water Fairy Queen-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Tsukuyomi saw it, she fired more dark energy blasts at her to kill her, but Marianna Almaden fired a massive barrage of aqua blue energy, stars, water, ocean waves, magic, fairies, phoenixes, and angels which hit Tsukuyomi and sent her flying into another wall, she got back up, but now, she was angered.

Me: No way, did Marianna just transform?

Lincoln: She did, and now, it's high time we took care of Tsukuyomi and make her pay for his crimes.

Marianna Almaden: (Divine Echoing Godly Voice of The Oceanic Maelstrom Water Fairy Queen Phoenix God Angel and Divine Cosmic Eternal Oceanic Maelstrom Water Fairy Queen Phoenix God Angel Love) The pain and suffering she caused will eventually be healed with her taken down for good. Lincoln, Marianna Almaden, and I went after Tsukuyomi who continued firing dark energy blasts at us, but we continued to absorb them, and we fired extremely powerful blasts of rainbow energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Tsukuyomi, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Marianna Almaden also did the same by firing aqua blue energy slashes from her massive greatsword, and he, Marianna Almaden, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Morsayati even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God

Lincoln ran up to and put Tsukuyomi in a bearhug so she couldn't escape. Suddenly, Lincoln began to absorb Tsukuyomi into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger as he assimilated all of Tsukuyomi's Supernatural Durability, Supernatural Stamina, Dark Magic, Umbrakinesis, Necromancy, Manipulation, Brainwashing, Complete control over the Yomi, Yomi Chi Manipulation, Summoning, Regeneration, and Flight.

Then, when Lincoln was done, Tsukuyomi was fully absorbed into his body and he sent Tsukuyomi to The Black Gates forever. Everyone cheered wildly for what Marianna Almaden, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Marianna Almaden's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large aqua blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive aqua blue butterfly wings and medium sized crimson aqua blue butterfly wings underneath are permanent.

Marianna Almaden: Your desire to take over the world along with trying to destroy your sister and turn innocent people into zombies are over. Thanks for helping me take down Tsukuyomi, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Marianna.

Me: My pleasure, Marianna.

Suddenly, Marianna Almaden wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Marianna Almaden's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and water and ocean waves behind them and we cheered wildly. Then, Lincoln and Marianna Almaden sucked in and absorbed the elemental forces and water and ocean waves and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Marianna Almaden and hugged us.

Luna: No kidding dudes, you guys taught that rotten dragon a lesson.

Luan: And Lincoln absorbed her into his body.

Me: And he assimilated all of her powers and abilities. So, Lincoln, who's the next Major Arcana Avatar we're meeting on your rescue tomorrow?

Lincoln: I've got just the one: Marie Delaporte, Avatar of The Major

Arcana Tarot Card The Magician and White Magic Master.

Mariana Gébelin: (French Accent) I knew you'd pick her next, and you will love meeting her, Marie Delaporte is Lincoln's Guardian Angel from France and a very powerful master of tarot cards, white magic, water, and the Occult, and she has an deck of Tarot Cards that she uses to read peoples' fortunes and see into the future. She's the descendant of 17th Century French Occultist Marguerite Delaporte, and she's discovered much about the secrets of the tarot cards ever since she was growing up. She's the pyromancer of the white magicians Mariana Gébelin formed and she's a very powerful master of fire and fire magic. Michelle came to Royal Woods where she met Lincoln, and she eventually did a tarot reading for him, and she foretold that he would soon be transformed into a truly powerful hero and be part of a very powerful force of immortal heroes who fight to defend the universe and the universes beyond, and she's also good friends with Lucy and they do tarot readings as well on the side. Lincoln made Marie a greatsword and necklace with a blue gem pendant, and to show thanks, Marie kissed Lincoln on the lips, and he promised that when he comes of age, he'll marry Marie along with the rest of his harem. Marie hates Lynn with a fiery passion, and she did a tarot reading on her, and she foretold that if Lynn didn't change her nasty ways, misfortune and misery will befall her, meaning that if Lynn didn't change her nasty ways, her sports career will be destroyed as she's kicked out of all her sports teams, she'll be blacklisted from all sports competitions for life, her friends will cut all ties with her, and the rest of the family will disown her forever, and the only thing that awaits her is getting thrown in prison forever and only a life of total misery awaits her, and if this continues, she will die a miserable and rotten girl.

Me: And all because of her Dark Side implanted in her by Chase Young's Dark Side.

Nico: Whoa.

Lincoln: That's right, if Lynn didn't change any of her nasty ways, that would be the fate awaiting her.

Overdrive: That's the last of them.

El Diablo: I melted a snowman too.

Weather Wizard: I just use a thunderstorm to destroy most of them.

Villamax: Either way, they're all gone.

Wolf: Now, let's drink them!

We got a lot of water out of them.

We drank them all down.

Me: Ahh. Refreshing.

Jaclyn: Thanks guys! That was fun.

Me: It sure was.

Nico: Yep. Great job guys.

Mothra 2019: Thanks. (To the viewers) This was cold.

Me: Yep. WHOA! (DANCES AROUND) I GOT TO GO TINKIE!

Nico: Lets go the the bathroom!

We went back home and went to the bathroom and then enjoyed the rest of the day and went to sleep.

Rarity: But way?

Zipp Storm: Because she wanted the Unity Crystals?

Dragon Lord Spike: No. She wanted magic. All of it. Twilight's reign was peaceful for many moons until Opaline Aracna appeared. She'd been banished from Skyros.

Sunset Shimmer: .Hardly know that place, still surprised that there was a land fillied with Alicorns, But with how Opaline acted and what our friend Misty told us about her, it makes since why she was banished

Me: We found out that she was banished because she was messing around with the powers of Dragon Fire.

Dragon Lord Spike: Yes. Because she wanted to rule all ponies, She thought that Alicorns were superior, But our friends were strong, Our friendship created such powerful magic that Opaline had to resort to dark ways to overthrow Equestria. She even attacked the dragons to transform into a Fire Alicorn.

Me: Yeah we had no idea that Elemental Alicorns were possible until we dove into more and more of her history.

Xenia: And her crimes got our attention.

Dragon Lord Spike: She was dangerous.

Me: She was more than just Dangerous. She was pure evil incarnate! She tarnished and destroyed EVERYTHING that Twilight worked so hard to accomplish.

Dragon Lord Spike: I honestly find it ironic that after fighting villains like Chrysalis, Sombra, Tirek, Burns, Crocker, and Mr. Mind all these years, getting smacked down, shot at, blown up, THIS is how the lights of Twilight and the others go out?!

Me: Well this all didn't happen in our world thankfully. We dodged a MASSIVELY huge bullet and killed Opaline before such horrible crimes could happen there like it did here.

Xenia: Thank goodness for that.

Rainbow Dash: It's probably best if you didn't see that version of Equestria

Me: Yeah. It's for the best.

Nico: We found Canterlot totally abandoned and in ruins.

Qin: Yeah. Equestria is now a shell of its former self.

Me: Because of Opaline. But she's dead now. And we gave her the Black Gates.

Nico: After 24 floors of scumbags!

Me: Most of them were enemies that we faced over the last 3 years.

Dragon Lord Spike: Wow. I got a lot of catching up to do. But to be honest, I missed all of you so much.

Applejack: We sure missed you too Spike.

Spike the Dragon: And I got lots of things to ask my future self.

Dragon Lord Spike:… how are the mascots?

Nico: Doing really good.

Me: Still being funny and awesome as ever.

Qin: Yeah and we love them.

Varie: Yeah.

Nico: How have you seen any suspicious people here lately?

Dragon Lord Spike: Actually yes. And it's someone that Nico knows. Lincoln?

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: Nico, are you familiar with someone by the name of Jeremy Laurence?

Nico: (GASPS) WHAT?!

Qin: That big overgrown musclebound lummox?! He's here?!

Natasha Hernandez: Oh shit.

Me: You know him, Nico?

Nico: I really wish I hadn't. Take a look at his mugshot.

Nico showed us his mugshot, and he was one really mean son of a bitch: he was a towering black-haired hulk with tattoos of hatred on him and he had a mean scowl on his face and a glare in his empty black eyes.

Luna: (SHRIEKS) This guy is absolutely bad to the bone, dude!

Nico: I was afraid you'd say that, Luna. This bastard's an absolutely bad to the bone bully who really hates my guts. If I had to guess, he's here to get revenge on me for sending him to prison after I took him down.

* * *

Nico: (Narrating) Long before I moved to Gotham Royal York, I was at my old high school in New Jersey with Qin and the rest of my friends and we were still dealing with the fallout of Helen's disastrous wedding because of Clark and her slutty britches sister, Andrea, along with the betrayal of Sebastian and us cutting off all ties with him and my sibs sent him running back to Hell.

Past Nico: I still can't believe Sebastian gave into the darkness in his heart and he went mad.

Past Qin: He was once our friend and who sent Andrea's bitch sister running for the hills, now he's gone downhill and become just like all our old enemies. If he dares to return, I hope that Connor, Alicia, and Mindy send him straight to Hell.

Past Trudy Lawrence: But, not before we tear his fucking ass apart.

Suddenly, a student came running to Nico, Qin, and their friends.

Student: Hey! Nico, Qin, all of you, you better run immediately. Jeremy Laurence is heading this way, he's gonna kill you, Nico!

Past Qin: What the Hell?!

Past Nico: Okay, that's it, I've had enough of that overgrown musclebound brute, I'm taking him down!

Student: That's not all, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin are also coming here as well along with that demonic bastard.

Past Trudy Lawrence: Sebastian's also here?! Damn him!

Past Nico: Qin, everyone. LET'S GET THOSE FUCKING BASTARDS!

Past Trudy Lawrence: Yeah! I'm gonna nail those six assholes' hides to the wall!

Past Nicole Nefaria: Sebastian's demonic madness ends here and now!

Nico: (Narrating) We decided that enough was enough, so while I was going to pulverize that overgrown musclebound brute, Qin and the others were going to deal with Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin, along with Sebastian.

Nico, Qin, and their friends were at the courtyard, and there awaiting them were Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin.

Past Trudy Lawrence: There's the seven assholes, but where's that fucked-up deranged and completely demonic monster?

?: (LAUGHING DERANGELY) YOU WILL ALL PERISH!

Suddenly, they saw Sebastian arise from a pool of darkness and he tried to kill Nico and Qin, but Chun Li Xing Yuan used her martial arts and punched and kicked him all over the place.

Past Sebastian Mendez: AGH, YOU BITCH! (DEMONIC VOICE) I WILL SLAUGHTER ALL OF YOU!

Past Mira Torvald: Screw you, basket case!

Past Natalia Nefaria: Alright, enough trash talk, time for action.

Past Jeremy Laurence: I'M GONNA CRUSH YOUR FUCKING SKULL IN, MONKEY FREAK!

Past Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin: WE'LL HANG YOUR BLOODSTAINED CORPSES IN THE SCHOOL FOR ALL TO SEE THAT ANY WHO DEFY US WILL DIE!

Past Sebastian Mendez: How I'll delight seeing all of you die horribly at our hands. (CACKLING LIKE A FUCKED UP MADMAN)

Nico: (Narrating) We charged out and while Qin and the rest of my friends handled Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin along with Sebastian, I transformed into my Super Saiyan form and went after Jeremy Laurence and I really beat the shit out of him and knocked him out with one last punch to his jaw. Then, I helped Qin and the others take down Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin and knock those monstrous assholes down.

Qin: (Narrating) Finally, we went after Sebastian, but instead of taking him down, we had gotten rough with him as he tried to kill us, but we defeated him and had him impaled on a nearby skyscraper.

Trudy Lawrence: (Narrating) After that, we told the principal and Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin were kicked out of school and we tied Jeremy Laurence up in heavy chains and put him in a massive police van that took him straight to prison. Then, we tied Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin up in chains and put them in more police cars as they arrived and they got taken straight to prison.

Natalia Nefaria: (Narrating) But, as for Sebastian, he suddenly pulled himself off the pointed skyscraper and fled back to Hell as he wrote a threat in his own blood all over the skyscraper saying he will have his revenge on us.

FLASHBACK ENDS!

Me: Whoa! Wait, I remembered hearing about that on the news. So, you guys took down the demonic alliance of Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin.

Nico: Along with slaying the monster himself, Sebastian, but thanks to The Curse of Devil's Point, he came back and ran back to Hell.

Lincoln: Whoa, and I just got word that Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin have also been sighted, and that they were the ones who busted Jeremy Laurence out of prison.

WE GASPED!

Qin: So, now we know our mission: we're going to kill Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin and send them straight to The Black Gates.

Lincoln: Right.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: Those spiteful pieces of crap are really going to get it!

Nico: Now, not only am I going to get rid of Jeremy Laurence, but also, those six spiteful pieces of shit are also going to die as well.

But then we smelled something REALLY HORRIBLE!

(SEAL BARK)

Me: (Sniffs) OH GOOD GOD! WHAT THE FUCK IS THAT

HORRIBLE STENCH!?

Lola: EW! THAT IS NASTY!

Nico: YUCK! IT SMELLS BAD! ED!?

Ed: Not I Nico!

Loki heard a Pokémon cry

Loki: Look here guys!

We saw a Stunky!

Me: A Stunky! No wonder it smelled horrible!

Eli: PHEW! That is horrible!

I put on a nose plug.

Me: (Nasally) And the poor thing hurt its leg.

We got to healing it up.

Nico: You okay now?

Stunky: Thanks to you guys. (FART) Oops.

Me: Funny.

Nico: Want to come with us?

Stunky: Sure!

Loki Loud: Awesome!

Nico: Let's make ourselves immune to your stench.

Me: Gladly.

I snapped my fingers and that happened.

Me: There.

Nico: Ah. Much better.

Ed: Now instead of stink it smells like fresh cut spring flowers spewed across a babbling brook with a hint of lemon.

Eddy: Shut up Ed.

Double D: Though it is true

Elli: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin) AHA! Gotcha, you filthy animals! I just spotted Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin, they're 20 yards away and they're coming straight for Nico.

Nico: Finally, let's tear them apart and spit on their remains!

Lincoln: Never again will we have to deal with those pieces of crap, they're heading right for The Black Gates. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings and medium sized elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin.

Nico: Now lets go find : Wanna come with us, Spike?

Dragon Lord Spike: I would be honored. I've got tons of catching up to do.

Me: I can tell.

We were flying and we spotted Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin, and just as Lincoln said, they're out to kill Nico as revenge for throwing them in prison.

Lincoln: There he is, now to give them a planetary surprise.

Lincoln fired planets, suns, nebulae, and stars at Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin and they wound up getting hit hard by the blasts. That angered Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin as we landed in front of them.

Nico: Hello, bastards and bitches, long time no punch.

Jeremy Laurence: YOU! I'M GONNA CRUSH YOUR HEAD IN, YOU MONKEY TAILED FREAK!

Axton Dodge: And you, don't you dare think we hadn't forgotten that you ruined our plans to cause chaos among all of Team Loud Phoenix Storm! You ruined everything! We'll destroy all of you!

Axel Wolfe: We'll tear you all to shreds!

Blade Thorn: And we'll spit on your remains!

Arya Ruger: And then, we'll burn the world to the ground!

Elora Wesson: All who defy us will perish in flames!

Peyton Gatlin: Humanity will perish!

Me: Like hell it will!

I punched Peyton in his face and kicked Blade Thorn in the crotch!

?: Oh, shut up, you pieces of shit.

Marianna Andromeda: It seems as though I've no need for any words to describe how much you pieces of shit disgust me to no end, you each have caused more than your own fair share of trouble to Nico, Qin, and their friends for so many years, and all of you have shown not a single shred of remorse for your crimes. We were really amazed by Marianna Andromeda's Super Angel-Universe Avatar Angel-Galaxy Avatar-Cosmos Avatar-Agents of The Planets Avatar-Legendary Planets Avatar-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin saw it, they all went mad, and Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin went after her to kill her, but Lincoln fired energy chains that chained up Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin and they couldn't move.

Jeremy Laurence: That's it, I'm going to flatten you all!

Suddenly, Jeremy Laurence got out a green glowing liquid and he drank it, and then, Jeremy growled as he suddenly grew from 6'11" to 9'8" in height, his already huge muscles grew even larger and the extreme muscle growth caused his jumpsuit top to rip off leaving him shirtless and he also now has eight-pack abs and his jumpsuit pants tore and became shorts, and he let out a huge bellowing roar.

Jeremy Laurence: ME SMASH MONKEY TAILED FREAK!

Jeremy Laurence charged at Nico, but Marianna Andromeda fired a massive barrage of dark purple energy, stars, planets, nebulae, fire, water, earth, wind, light, darkness, cosmos, phoenixes, and angels which hit Jeremy Laurence and he got hurt, but it made him so mad, he let out another bellowing roar and he beat his massive chest.

Marianna Andromeda: (Divine Echoing Godly Voice of The Universal Galaxy Cosmos Agents of The Planets and Legendary Planets Avatar Phoenix God Angel and Divine Cosmic Eternal Universal Galaxy Cosmos Agents of The Planets and Legendary Planets Avatar Phoenix God Angel Love) Alright, now that we've tied up those filthy animals, it's time we took care of you, you overgrown musclebound brute, and Lincoln's going to drain you dry.

Lincoln, Marianna Andromeda, and I went after Jeremy Laurence and we fired extremely powerful blasts of rainbow energy, dark purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Jeremy Laurence, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Marianna Andromeda, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Jeremy Laurence even more mad.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Marianna Andromeda, and I fired powerful blasts of energy, magic, stars, galaxies, nebulae, and planets at Jeremy Laurence, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Suddenly, Lincoln sprouted tentacles with suctions from his chest and the tentacles latched onto Jeremy Laurence's massive pecs, and then, Lincoln began sucking Jeremy Laurence dry of his massive muscle mass, massive levels of virility and testosterone, and massive superhuman strength and he was groaning in pain as he began shrinking in muscle mass and he were also being drained of his life force.

Then, all of Jeremy Laurence's massive muscle mass, virility, testosterone, and massive superhuman strength was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS) Oh man, he really bulked up during his time in prison and that serum he drank really bulked him up even further.

Then, when Lincoln was done, the tentacles detached themselves from Jeremy Laurence's pecs and went back into Lincoln, and Jeremy Laurence was now thin as a rake and sucked bone dry of his massive muscle mass, virility, testosterone, and massive superhuman strength and he also had the life sucked out of him as he died.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness,

We then turned our attention to Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin, who were struggling to get out and they were also extremely super enraged after what they saw Lincoln do to Jeremy Laurence.

Nico: Alright, Lincoln, it's feeding time!

Lincoln ran at Axton Dodge and grabbed him by the neck, and then, Lincoln sank his fangs into Axton Dodge's neck and began draining him dry of blood.

Axton Dodge: (SCREAMING IN AGONY)

Then, when Lincoln was done, Axton Dodge was completely drained of blood and he was now a dried up corpse. Then, Lincoln went after Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin and he did the same to them as he sank his fangs into their necks and began draining them dry of blood.

Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin: (SCREAMING IN AGONY)

Then, when Lincoln was done, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin were completely drained of blood and they were dried up corpses just like Axton Dodge, and he banished the souls of Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin to The

Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Marianna Andromeda's new body, clothes, weapons, jewelry, eleven massive and long dark purple wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large dark purple planets orbiting around her legs, smaller planets orbiting around her fingers, and massive white angel wings and medium sized white angel wings underneath are permanent.

Nico: Good riddance not only to Jeremy Laurence, but also, to Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin.

Qin: Those bastards have more than caused enough trouble to last an eternity.

Me: You said it. So, Lincoln, are you going to introduce us?

Selene Arcangela: Leave that one to us, everyone, this is Asuka Valmorgia, Avatar of The Ninetales Fox Pokemon, Nine-Tailed Fox, Fox Fire Inari, Fire Lunalight Crimson Fox, Yoko, The Graceful Mayakashi, and Hu-Li The Jewel Mikanko, she's Lincoln's Guardian Angel from the planet Valmorg and she's a kitsune who was born with massively intense fire and lava powers along with kitsune powers, and as you can guess by her last name, she's the older sister of Amara Valmorgia. Asuka moved to Royal Woods and she met Lincoln and she fell in love with him at first sight, and she swore to protect him. She fiercely defended Lincoln from bullies, and that also included Lori, Lynn, Lola, Lisa, and Luan who were at the worst of their wrath, and she's more than once set their butts on fire. Lincoln made her a beautiful necklace, and as a result, Asuka kissed Lincoln on the lips, and as he promised, when he comes of age, he'll marry her along with the rest of his harem. She hates Lynn with a blazing hot passion, and she's more than once beaten that belching farting gorilla into the ground, and she's set her butt on fire and sent her running on all fours to the bathroom.

Nico: Amara, you didn't tell us that you had an older sister.

Amara Valmorgia: I must've forgot about that, but I didn't have that much contact with her when she moved to Royal Woods.

Selene Arcangela: That was the fault of the tons of bullies trying to hurt Lincoln, and that also includes Lori, Lynn, Lola, Lisa, and Luan when they go crazy.

Amara Valmorgia: Tell me they didn't try to kill her because if they tried to, I'm gonna… !

Lincoln: No, they didn't because she always used her tails to swat them away like flies and used her fire and lava powers to burn them, and it's so good to see you again, Asuka.

Asuka Valmorgia: You too, Lincoln, it's been seven years since we last met, and you've really really grown into quite a man.

Lincoln leaned his head down the right side of Asuka Valmorgia's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Asuka Valmorgia with crimson red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Asuka Valmorgia: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Asuka Valmorgia with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Asuka Valmorgia: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Asuka Valmorgia.

Asuka Valmorgia had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Asuka Valmorgia's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Asuka Valmorgia had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

Poromon: It's good to see you again, Spike

Dragon Lord Spike: You too Poromon and you as well Poliwag, Manaphy, Horsea, everyone.

Horsea: Same here

Nico: Nice job, Stunky!

Stunky: Thanks Nico!

Nico: You're welcome.

Poromon: Want a beer?

Stunky: No thanks. Beer gives me gas. (RIMSHOT) Seriously it does.

Poromon: Oh. Okay.

Manaphy: What about you, Spike? Do you want a beer?

Horsea: You're old enough for it now.

Dragon Lord Spike: Oh no thanks. Got any cider though?

Applejack: Sure thing Spike.

Applejack made some cider.

Poliwag did the Puppy eyes on Spike.

Poliwag: Pwetty Pwease?

Nico: Poliwag that's enough.

Applejack gave him a barrel of Cider and he drank it and MAN WAS IT TASTY!

Poromon: How about some chocolate then?

Dragon Lord Spike: Chocolate?

Poliwag: Yep. With or without nuts.

Dragon Lord Spike: No nuts please.

Tom the Chocolate Fish: (Offscreen) (INSANE SCREAMING) CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE!

HE CAME RUNNING WITH A MASSIVE CRAVING OF CHOCOLATE AND INSANITY! BUT IT WASN'T TOM! It was a girl that had brown hair and brown eyes and she had brown clothes and was in a brown straitjacket and she had MASSIVE CHOCOLATE INSANITY!

Nico: What the!? Stella the Chocolate Girl?

Maria: Better send her somewhere far away

Me: You know that nutcase?

Nico: That's Stella Corrugan and she is completely insane. She goes on an insane rampage at the very mere mention of chocolate. Chocolate is her favorite food and she goes cuckoo nuts for it.

Me: Geez!

Nico: Yeah. We went on a field trip to a chocolate factory and when she tasted chocolate for first time, SHE DESTROYED THE ENTIRE FACTORY! They had her committed to a Maximum Security insane asylum for out of control chocoholics.

Qin: Yeah.

Me: Holy crap! I think our Saturn Insane Asylum has a wing for that.

I snapped my fingers and sent her there.

Nico: That's probably not gonna be the last time we'll run into her.

Me: Nope.

Dragon Lord Spike: Boy that girl loves chocolate.

Nico: LOVE IS An understatement! She goes CUCKOO BONKERS for it!

Mary Knudson: That is what I call a girl with an INSANE Sweet Tooth.

Dragon Lord Spike: But yes, I'll have any chocolate with no nuts.

Poromon gave him lots of chocolate bars.

He ate some.

Dragon Lord Spike: MMM! Man I love chocolate.

Nico: You would have to be crazy not to love chocolate.

Twilight Sparkle: (LAUGHS) Yeah!

Nico: I hope you two don't plan to lie to sell these.

Poromon: No way! After what Lily told us when SpongeBob and Patrick did the same thing we're not going to do that.

Nico: Good.

Lily: SpongeBob and Patrick did the same thing with chocolate bars to get a taste of the good life. We met Tom and he was cuckoo bonkers for chocolate too.

Squidward: And you guys got your money scammed out of you.

Nico: Yeah.

SpongeBob: I know.

Lily: I reported that guy and he was sent to prison. And ordered to pay back SpongeBob and Patrick with interest.

Spongebob: He called him The Con Man.

Nico: Oh.

Lola: Wow.

Mac: I still can't eat chocolate.

Me: We know. Your condition.

Qin: Yeah.

Our Spike ate chocolate as well.

Spike the Dragon: Yummy!

Me: Yeah.

Camie: So funny.

Mevya ate chocolate as well.

Mevya: DELICIOUS!

Xenia: Cool.

Poromon: What we plan to do with money we earn from this is still undecided

Nico: Yeah.

Me: True.

Nico: Now for the next order of business.

Me: The Anothers.

Qin: Yep.

Eli: (Concentrates) WHOA! We got Another Eli Moon, Shriek, Shelly Junglelove, Rose Nezire, Jellyfish Demon (Kamen Rider Black) and Cyclopter.

Nico: Wow!

Me: So Kameo, Princess Yue, Noriko Furya, Erika Shiragami, Seiryu Azulongmon and Sylphy the Wind Fairy.

Qin: Yep.

Eli: And I sense that the anothers minus Eli are 8 people.

Nico: This is gonna be crazy!

Qin: Yep.

Nico: There they are!

Nico: Whoa!

Qin: This will be rough.

Another Shriek: I believe you know us Nico.

They reverted back and 1 split into three and they were 8 girls Nico knew.

They were the gene-slammers of Flamedramon, Raidramon, Halsemon, Shurimon, Digmon, Submarimon, Pegasusmon and

Nefertimon.

Nico: (GASP) Felecia Flamedra, Renee Raidra, Hailey Halse, Yuriko Shuri, Dana Dig, Salina Submari, Penelope Pegasus and Naomi Neferti!

Qin: Wow! Awesome to see you girls again!

Renee Raidra: You too Qin.

Hailey Halse: Wow you're looking great Nico.

Yuriko Shuri: You sure are.

Me: Wow! The gene-slammers of the Armor Digimon. That is cool!

Laney: A record for that one

Nico: Yeah.

Salina Submari: We'll tell you our favorite memories of Nico after we're free of the Anothers.

Me: Okay. By the way is the Another Eli Moon friendly or hostile?

Penelope Pegasus: Friendly and she is a strong master of magic.

Me: Whoa!

May: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Qin: OH YEAH!

Maria: (TURNS DIAL) ANGRY STORM 6!

She summoned Jean Jacket, Angry Cheese, Ghost of Widow McPhearson, Yokai Kappa (Ninninger), Gamettsui, and Broly (DBS).

Eddy: Manaphy, does the thought of Poromon as a Werewolf still scare you?

Manaphy: Not as bad as it did before.

Ino: 2 days left.

Qin: Awesome.

Nico: Great!

Me: Now for the Another Eli Moon.

Sea Swirl: And I'm ready for this.

Then Sea Swirl's Cutie Mark was glowing. That means only one thing.

Camie: Sea Swirl's Cutie Mark is glowing. That means only one thing there.

Nico: Yep.

Maria: We don't even need to say it.

Qin: Yep.

Me: Here he comes!

We saw ANOTHER ELI MOON!

Me: Another Eli Moon!

Camie: Whoa!

Another Eli Moon: (In a girls voice) And it'll be fun.

She reverted backa nd was a girl with blue-purple hair and had magenta eyes and had purple clothes and had purple wings and had a tiara with the symbol of Sea Swirl's Cutie Mark on it and on her skirt and she had Sea Swirl's Tail and had Sarumon's Staff on her hands.

Shanna Sea Swirl: Shanna Sea Swirl, Embodiment, Gene-slammer and Legacy of Sea Swirl and master of the magic of Clow Reed and an amazing mage, pirate and treasure hunter.

Nico: COOL!

Me: Awesome to meet you Shanna.

Eli Moon: And an honor to be the master of the magic I know.

Me: It sure is.

Kaito: (gets out Go Busters gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger gear) Because we can grant it instead.

They got a Beast X Blaster and a Super Megaforce Blaster.

Shanna Sea Swirl: No he didn't. I teleported out of there before he could say anything.

Nico: Oh.

Sougo (gets out Beast Morphers Ridewatch): Poromon, exactly what kind of chocolate are you and Poliwag selling?

Geiz (gets out Super Megaforce Ridewatch): And can me and Sougo have some?

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor

Poromon: Oh they are free. And they are chocolates bars we made.

Lola: Cool!

Qin: They are delicious.

Sougo: Awesome!

Poromon: More than enough for everyone.

Lincoln: Nice! Lets separate you first.

We did so.

Me: Lets get it on.

Nico: (Gets out Eli Moon's ridewatch) It's Magic Time!

May: (Gets out Shelly Junglelove's ridewatch) Love the nature!

Maria: (Gets out Jellyfish Demon's Ridewatch) I have the sting of Big Lenny!

Princess Yue: (Gets out Shriek's Ridewatch) I will scream in your ear!

They used the powers of Eli Moon, Shriek, Shelly Junglelove, Rose Nezire, Jellyfish Demon (Kamen Rider Black) and Cyclopter and blasted the Another all over.

Then Robot Devil, Hamhock, Universe 666 Dracula (The Batman), Rinju Orca Fist Yachishi, Universe 666 Freddy Krueger and Santánico Pandemonium came.

Nico: COOL! Nice team Robot Devil!

Robot Devil: Thanks Nico.

Wataru: My team next! Awesome!

Hamhock: If you ask me, some of my fellow Rinshi should be the archenemies od the Genderbent Boltons and Lena Mack

Flame Hyenard: I sure do. I got this.

She fired waves of fire and smashed the Another and I caught the ridewatch and purified it.

Nico: YEAH!

Banzai: Well, we DID say we would like her

Nico: Yes you did.

Ed the Hyena: (LAUGHS)

Shenzi reverted back and she was a girl with orange hair and orange eyes and had orange angel wings and had an orange bikini on and had a symbol of a flame with a hyena in front of it.

Shenzi Marie Predatora Veldetta Jacquelina Hyenard: That is awesome!

Me: Yep.

Lincoln: Looks like we're here at Melanie Harmonia's home in the north of the city, and I know what we're going to do here, not only am I going to rescue the seventeen girls here and Ets is going to rescue the two girls here, but we got bad news: an old enemy of Melanie Harmonia, Hailey Harmonia, and Sonata Harmonia has returned.

Me: Who is it?

The Harmonia Sisters got out the picture of a girl with black hair, red eyes of hatred and pure madness, dressed in black clothes with the cutie marks of Queen Opaline and The Doomsday 23 on her right arm, and in her hand is a black greatsword.

Melanie Harmonia: Her name is Nehelenia Disharmonia, she's The Avatar of Disharmony, and our. She's a diabolical and monstrous woman who wants to destroy all harmony and peace all over Equestria and the world.

WE GASPED!

Nico: My God, she's just like Queen Opaline and The Doomsday 23 combined.

Lincoln: That's right, and we're going to destroy her and send her straight to The Black Abyss.

Kameo: That monster is indeed just like Queen Opaline and The Doomsday 23, she must be destroyed forever.

Lincoln: You said it.

Suddenly, we saw a very beautiful and super sexy girl with long aqua blue hair and aqua blue flower beret, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in an aqua blue sleeveless blouse, necklace with a blue gem for the pendant, aqua blue skirt, purple lace stockings, aqua blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, water, ocean waves, magic, phoenixes, and angels on the coattails and on the back is the Major Arcana Tarot Card, The Magician, holstered on her back is a massive water greatsword with angel runes etched on the 7'9" massive, wide, double-edged aqua blue blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel and with her are the seventeen girls Lincoln is to rescue and the two girls Ets is to rescue.

Lincoln: (GASPS) Marie Delaporte, Avatar of The Major Arcana Tarot Card The Magician and White Magic Master.

Marie Delaporte: That's right, and I got the girls away from Nehelenia Disharmonia before she can kill them.

?: I'VE HAD IT WITH YOU, HARMONIA SISTERS! ALL OF HARMONY WILL BE DESTROYED AND CHAOS WILL RULE FOREVER!

We then saw our target, Nehelenia Disharmonia, heading right for us, and she was out for blood.

Then, Lincoln used Tirek's powers and he fired a blast of orange energy that hit Nehelenia Disharmonia, and he then began sucking out all of her powers and he made them his own, and when Lincoln was done, Nehelenia Disharmonia was now completely drained of all of her powers and he fired a rainbow Death Beam that pierced her black heart and killed her and he sent her to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: It's all over, Nehelenia, now don't you dare come back. (To Marie Delaporte) And it's so good to see you again, Marie.

Marie Delaporte: (French Accent) You too, Lincoln, it's been seven years since we last met.

Suddenly, Marie Delaporte wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and then all over the place: face, arms, pecs, eight-pack abs, and stomach. When Marie Delaporte was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Marie Delaporte: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Marie Delaporte's waist and hugged her, and Marie Delaporte is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marie Delaporte: (French Accent) Mon Dieu, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Marie Delaporte, Avatar of The Major Arcana Tarot Card The Magician and White Magic Master, she's Lincoln's Guardian Angel from France and a very powerful master of tarot cards, white magic, water, and the Occult, and she has an deck of Tarot Cards that she uses to read peoples' fortunes and see into the future. She's the descendant of 17th Century French Occultist Marguerite Delaporte, and she's discovered much about the secrets of the tarot cards ever since she was growing up. She's the hydromancer of the white magicians Mariana Gébelin formed and she's a very powerful master of water and water magic. Marie came to Royal Woods where she met Lincoln, and she eventually did a tarot reading for him, and she foretold that he would soon be transformed into a truly powerful hero and be part of a very powerful force of immortal heroes who fight to defend the universe and the universes beyond, and she's also good friends with Lucy and they do tarot readings as well on the side. Lincoln made Marie a greatsword and necklace with a blue gem pendant, and to show thanks, Marie kissed Lincoln on the lips, and he promised that when he comes of age, he'll marry Marie along with the rest of his harem. Marie hates Lynn with a fiery passion, and she did a tarot reading on her, and she foretold that if Lynn didn't change her nasty ways, misfortune and misery will befall her, meaning that if Lynn didn't change her nasty ways, her sports career will be destroyed as she's kicked out of all her sports teams, she'll be blacklisted from all sports competitions for life, her friends will cut all ties with her, and the rest of the family will disown her forever, and the only thing that awaits her is getting thrown in prison forever and only a life of total misery awaits her, and if this continues, she will die a miserable and rotten girl.

Nico: Just like what we heard yesterday. So, it's true you can tell a person's future through the tarot cards you have.

Marie Delaporte: That's right, and my readings are always accurate.

Lincoln: The Tarot Card readings Marie and her friends have done are incredibly accurate, and Lisa's tried to debunk them many times, only to get a Tarot Card reading done on her, and it ended with Marie saying that if Lisa didn't change her ways towards me, it would end with her future destroyed and getting sent to prison, same with Lori, Lynn, Luan, and Lola.

Me: It was really accurate and Lisa was horrified, along with Lori, Luan, Lynn, and Lola.

Lincoln: Angering the Arcana Avatars was a huge mistake on their part, and now that you're here, Marie.

Lincoln leaned his head down the right side of Marie Delaporte's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Marie Delaporte: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Marie Delaporte with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Marie Delaporte: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marie Delaporte.

Marie Delaporte had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Marie Delaporte's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Marie Delaporte had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the seventeen girls Lincoln was to rescue and the two girls Ets was to rescue, and when Lincoln saw the seventeen girls, he immediately recognized them. The seventeen girls are Reiko Katherine Akimoto, Ai Asato, Komachi Ono, and Naoko Seisho from Kochikame, Sarah Vickerman from Too Loud!, and Koyori Tsumujikaze, Zakuro Zashikiwarashi, Agari Kamiya, Sachiko Sasorida, Hanabi Tenka, Yura Yuragi, Hokuto Itsumo, Mayuu Kanenashi, Mune Oomune, Kimiko Hamu, Kiruka Ushirode, and Kururi Futamaru from Scorching Ping Pong, and the two girls Ets was to rescue are Kyurby and Albry.

Lincoln: Oh wow, it's Reiko Katherine Akimoto, Ai Asato, Komachi Ono, and Naoko Seisho from Kochikame, Sarah Vickerman from Too Loud!, and Koyori Tsumujikaze, Zakuro Zashikiwarashi, Agari Kamiya, Sachiko Sasorida, Hanabi Tenka, Yura Yuragi, Hokuto Itsumo, Mayuu Kanenashi, Mune Oomune, Kimiko Hamu, Kiruka Ushirode, and Kururi Futamaru from Scorching Ping Pong.

Ets: And Kyurby and Albry.

Nicole: Thank goodness Marie saved them from that chaotic bitch.

Then, when Kyurby and Albry saw Ets, they ran up to him and hugged him and kissed him.

Nicole: And Ets got a reward for saving them from Nehelenia Disharmonia, and ironic enough, she had the same name as Queen Nehelenia. Thank God she's not related to her, otherwise, Natilee was going to go ballistic.

Lincoln: No kidding. Are you girls okay?

Reiko Katherine Akimoto: Yes, we're okay, thanks to you.

Then, when Reiko Katherine Akimoto and the other sixteen girls saw who it was that saved them from Nehelenia Disharmonia, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future

Reiko Katherine Akimoto: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made sixteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Reiko Katherine Akimoto: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seventeen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Reiko Katherine Akimoto, Ai Asato, Komachi Ono, Naoko Seisho, Sarah Vickerman, Koyori Tsumujikaze, Zakuro Zashikiwarashi, Agari Kamiya, Sachiko Sasorida, Hanabi Tenka, Yura Yuragi, Hokuto Itsumo, Mayuu

Kanenashi, Mune Oomune, Kimiko Hamu, Kiruka Ushirode, and Kururi Futamaru with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was an old enemy of Melanie Harmonia, Hailey Harmonia, and Sonata Harmonia who'd returned, Nehelenia Disharmonia, The Avatar of Disharmony, the mortal enemy of The Harmonia Sisters, and a diabolical and monstrous woman who wants to destroy all harmony and peace all over Equestria and the world, and she's just like Queen Opaline and The Doomsday 23 combined.

But, when Lincoln showed what we did in beating down that vile monster bitch and Lincoln using Tirek's powers to suck out Nehelenia Disharmonia's powers and firing a rainbow Death Beam that hit her in the heart killing her and sent her to The Black Abyss forever, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Marie Delaporte have a lot of catching up to do, now that she's back in town.

Maria: Oh shit, I had no idea there was an Avatar of Disharmony and that she's the Legacy of Queen Opaline and The Doomsday 23!

Lincoln: Everyone was horrified including me. But, we got rid of Nehelenia Disharmonia for good.

Nico: Now, the carrier of the evil legacy of Queen Opaline the Mad and The Doomsday 23 is finally brought to an end.

Me: Except for Odalia and Amethyst who aren't like her at at all, Nico, you forgot that part.

Nico: Oh, right.

---

After Lincoln and all of us beat down Nehelenia Disharmonia and he sucked out all of her powers and sent her to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marie Delaporte saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Marie Delaporte: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful

teachers, J.D. and Nico included, Marie, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Marie Delaporte: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Marie Delaporte: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: twenty five massive armies of hitmen dressed in black have shown up.

Lincoln: Twenty five massive armies of hitmen?! (Remembers one incident) (GROWLS) Lynn, if this is some sort of contingency plan that stupid gorilla inside you had planned in case she got killed for good, remind me to hit you in the face with a frying pan!

Marie Delaporte: (French Accent) It was.

CLANG!

Lincoln whacked a Dark Lynn clone Lori created in the face with a frying pan and sent that clone to The Black Gates.

Nico: Looks like it's feeding time, Lincoln.

We flew out of The World Tree Estate and Lincoln fired blasts of rainbow energy and elements right at the twenty five massive armies of large muscular hitmen and they got pissed when they saw Lincoln and all of us.

Large Muscular Hitman 1: You're going to pay for this, you little… ! (Suddenly sees Lincoln) Oh, shit!

The twenty five massive armies of large muscular hitmen saw Lincoln was now an 8'9" massive, extremely muscular man with muscles bigger than their heads and he can easily crush their heads in, but their hot blooded tempers got in the way.

Large Muscular Hitman 2: GET HIM!

The twenty five massive armies of large muscular hitmen charged right at Lincoln, but Lincoln fired massive blasts of really strong wind at the twenty five massive armies of large muscular hitmen and sent them flying into a tree and they easily got knocked out.

Lincoln: Now, for the feast.

Suddenly, Lincoln sprouted tentacles with suctions from his chest and the tentacles latched onto the twenty five massive armies of large muscular hitmen, and then, Lincoln began sucking the twenty five massive armies of large muscular hitmen dry of their massive muscle mass, massive levels of virility and testosterone, and massive superhuman strength and they were groaning in pain as they began shrinking in muscle mass and they were also being drained of his life force.

Then, all of the twenty five massive armies of large muscular hitmen's massive muscle mass, virility, testosterone, and massive superhuman strength was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles

grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS) Man, these guys sure have been bulking up in muscle.

Nico: What on Earth made those assholes that large and muscular?

Me: Lynn gave them Lisa's experimental muscle growth serum mixed in with bull hormones, and it not only bulked them up that much and gave them massive muscle mass, but they were also given massive amounts of virility and testosterone and massive superhuman strength.

Nico: I knew that stupid gorilla hated Lincoln that much, she resorted to something like that, what a bitch.

Then, when Lincoln was done, the tentacles detached themselves from the twenty five massive armies of large muscular hitmen's pecs and went back into Lincoln, and the twenty five massive armies of large muscular hitmen were thin as a rake and sucked bone dry of their massive muscle mass, virility, testosterone, and massive superhuman strength and they also had the life sucked out of them as they died and they were sent to The Black Gates forever. We returned home and continued our workouts.

Lincoln: Dark Lynn's contingency plan has been foiled, and I can't believe I'd forgotten about that incident!

Amara Roshansa: That bitch got what she deserved, how dare she try to hurt our man!

Me: I hated that stupid belching farting gorilla for what she did to Lincoln, and I wanted to tear her apart.

Nico: Too bad Lincoln beat you to it, he hated that stupid belching farting moron for what she did to him and his Guardian Angels even more.

We got a shower, and then, Lincoln, Alvida, Octopako, Saphir, Rubis, and Emeraude are heading to Orange Ocean.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Alvida, Octopako, Saphir, Rubis, and Emeraude are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Alvida, Octopako, Saphir, Rubis, and Emeraude all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Alvida: Wow, so this is Orange Ocean. It sure is beautiful.

Lincoln: It sure is, Alvida, and it's perfect for our first date. Shall we?

Lincoln, Alvida, Octopako, Saphir, Rubis, and Emeraude dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Alvida, Octopako, Saphir, Rubis, and Emeraude got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest

which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Alvida, Octopako, Saphir, Rubis, and Emeraude and they hugged the girls in their abnormally massive and powerful muscular arms and Alvida, Octopako, Saphir, Rubis, and Emeraude placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Alvida, Octopako, Saphir, Rubis, and Emeraude and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at

Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alvida, Octopako, Saphir, Rubis, and Emeraude with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Alvida, Octopako, Saphir, Rubis, and Emeraude are in your harem, Linky.

Alvida, Octopako, Saphir, Rubis, and Emeraude showed the marks Lincoln made on the right sides of their necks.

Nico: Man, how many of Luffy's female friends have fallen in love with Lincoln? He's seriously a magnet for girls and women!

Rita: (Snickers) We haven't been able to find an answer for that, even Lisa couldn't figure it out herself.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Alvida, Octopako, Saphir, Rubis, and Emeraude, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder

me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for Smolder, Eli and Chloe's first ever mission. It was for helping the Ultraman X team.

Nico: You guys are going to love meeting my friend Daichi Ozora.

Me: This will be awesome!

Smolder: We can"t wait.

Nico: Anyone else want to go with Smolder, Eli, and Chloe? Besides 1 Rabbid?

Iron Lung: I'll go.

Tecna: (British Accent) Same with me.

Nunnally: I'll go.

Me: Okay.

No one else decided.

Me: Lets go.

We were off to Japan

We arrived.

Me: Here we are.

Nico: Good old Japan.

Eli: Yep.

Nunnally: Awesome!

We saw Daichi!

Daichi: Nico? Is that you?

Nico: Daichi Ozora! Long time no see pal!

Daichi: Wow you too Nico!

They fist bumped.

Daichi: It's awesome to see you again.

Nico: Same here.

Daichi: And wow! Team Loud Phoenix Storm an honor.

Me: You too Daichi.

Eli: Awesome to meet you.

Smolder: Same here. My name is Smolder and I'm a Dragon and the Ambassador of you.

Me: It's part of a special diplomatic mission program we made.

We had everyone introduce themselves.

Daichi: Wow it's an honor.

Tecna: Same here.

Iron Lung: It's a pleasure.

The Rabbid gibbered.

Smolder: (sighs) And this is a Rabbid.

Rabbid gibbered.

Me: He may look cute but they are not the brightest lightbulbs in the closet if you know what I mean.

Nico: Yeah.

Daichi: I'll have to see later. Lets head to our base.

Nico: Okay.

We went to XIO HQ.

Daichi: Here we are!

Me: Whoa! Xeno Invasion Outcutters HQ.

Asuna Yamase: Team Loud Phoenix Storm welcome and Nico it's great to see you again!

Nico: You too Asuna. Wataru you're looking great.

Wataru Kazama: Same to you.

Chloe Bolton: I'm Chloe Bolton.

Eli: Eli Winston Bullock.

Smolder: And I'm Smolder.

Everyone introduced themselves.

Asuna Yamase: Awesome to meet you all.

Eli: Same here.

Smolder: Yep.

Nunnally: Yeah.

Daichi: How are Poromon and Poliwag?

Nico: Oh being awesome and silly as ever.

Eli: Including the fact that they can drink beer.

Nico: Yeah it's funny.

Daichi: (to Chloe and Smolder) Are you two tomboys?

Smolder: Well yes we are.

Chloe: Yeah we sure are.

Eli: Yep.

Tecna: And it's really amazing too.

Iron Lung: We think they are awesome too.

Daichi: So, Smolder. You said you're a dragon, right?

Smolder: I sure am. I am a dragon from Equestria and also a student of Twilight Sparkle's School of friendship.

Me: She and her friends are awesome at learning about friendship and more

Nunnally: They have a lot of fun too.

Daichi: And Chloe, I can't help but notice something not human about you

Chloe Bolton: That's right because I'm a Hammerhead Shark gene-slammer.

Daichi: Dr. Paradigm's work?

Chloe Bolton: Yep.

Daichi: What about yo, Eli?

Eli: I'm J.D.'s brother.

Me: Long story but we aren't related by blood. Let me show you through his memories.

I showed him everything that happened to him and more.

Daichi: Oh wow!

Me: Yeah.

The Rabbid licked a wall

Asuna: Yuck.

Me: See what I mean? They are idiots.

Nico: Yeah dumber than Ed. But they are funny.

Tecna: They sure are.

Me: Especially when they like this.

KRABLANG!

I bashed Nico on the head with a mallet! The Rabbid laughed

Nico: OW!

Daichi: You okay, Nico?

Nico: Yeah I'm used to it.

Eli: Still funny though.

Daichi: We should tell you all about the enemy you guys are going to face soon.

Nico: His name is Greeza.

Chloe Bolton: Can you tell us more?

Nico: This guy is nowhere near as bad as Frieza but he is right up

there.

Nico went over his history.

---

Greeza (グリーザ Gurīza) is the main antagonist of Ultraman X. He is a space monster born from the distortions of space and the archenemy of Ultraman X.

Fifteen years ago, after destroying three planets, Greeza wanted to destroy the solar system. As he darted into the Milky Way, he encountered resistance in the form of Ultraman X. All for One Good Ultra and the figures clashed with each other in the form of their travel fields until they reached the sun, where X took this opportunity to throw the villain inside. That. However, this has been its greatest devastation, as the villain's death has inflicted Ultra Flare, with the wave trapping X in the form of computer data and dumping it on Earth.

Ultraman X

Greeza actually survived the supposed destruction, revived from a wave of Ultra Flares and launched Dark Thunder Energy on Earth to turn the monsters rampage and has been at it for at least eighteen days, starting around Mercury, and then moving past Venus to reach Earth, according to Headquarters. UNVER in Geneva. His activities were notified by aliens hiding on Earth, so much so that Dada predicted that Earth would face extinction from the attack. Even worse, lightning was also taken advantage of by the evil faction during its debut, until they were defeated.

Sometime after the Bugbuzun group's disturbance to Earth, Mamoru and Wataru saw Greeza in his first form as they flew past the moon and that contact caused Space Musketty to lose contact with headquarters. Greeza finally landed on Earth and completely wiped out the UNVER base in Nevada and absorbed all the Spark Dolls there because he felt that place was the biggest source of Spark Dolls in the world and the Earth monsters were the most abundant life energy. Greeza then transforms into his second form and flies straight to the second largest source, which happens to be Xio's headquarters in Japan.

On his way to Japan, he encountered opposition from Xio USA in North Pacific airspace and they launched Perseus missiles at Greeza, but he avoided them all and crushed the resistance. Then enlarged Xio's base when Daichi transformed into Ultraman X and he transformed into his Exceed X form immediately to stop him. After a quick tussle, X joins Hayato in Sky Musketty and Cyber Gomora to stop Greeza, but the aliens have the upper hand due to the distortion, shield, and powerful attacks. Eventually he drops Sky Musketty with its rays, and notices Cyber Gomora with its vortex, which also disrupts the electricity in the surrounding area too. X tries to use the Exceed X Slash on Greeza, but it absorbs it. Unfortunately for Greeza, this led to the mistake of allegedly being killed when X detonated him from the inside. Beautiful Ending

Soon after, Greeza regenerated and relaunched his attack on Xio's base and was met with resistance by Cyber Gomorrah again. Greeza quickly took advantage of it and, at the same time, destroyed Xio's base with his energy attack. The aliens then absorbed all the Spark Dolls on the base, even the recently revived EX Red King, Tsurugi Demaaga, and EX Gomora, until they took their final form. Then, Greeza continued his tantrum on Earth despite Xio's obstacles. Before he could finish him off, Wataru and Mamoru returned to Space Musketty and destroyed the energy ball meant for Xio.

Before long, Daichi and X reunite and once again get in the way of Greeza. Even in his Exceed X form, Ultraman could not keep up with Greeza and his newfound powers obtained from Spark Dolls, including Super Oscillatory Wave Gomora and Flame Road EX Red King. But then Daichi reached out to Gomora and hit Greeza in the chest. This resulted in all of the Spark Dolls he absorbed coming to X and he merged with him to form Hybrid Armor. Greeza was finally defeated once and for all with Ultimate Xanadium, which was supported by all Cyber Cards and Spark Dolls.

Ultraman Z

On the evening after Z defeated Bullton, a strange dimensional gap appeared in the sky, marking Greeza's arrival. The Four-

Dimensional Capriccio The day after the fight against Bullton, Greeza had devoured eleven disaster exile workers, making it seem as if they vanished into midair. Riku Asakura contacted Haruki Natsukawa when he detected a hollow vibration on Haruki's Earth, saying that Bullton's destruction caused a hole to form in the universe as it was no longer around to endure the "irrationality" to sustain the universe. Just then, Greeza fully materialized and began to attack the city. Z and Geed transform to fight empty monsters, and later merge with Jugglus Juggler, transforming into Tri-King and later Five King. Still, their efforts weren't enough to bring Greeza down. Geed decides to sacrifice himself by joining forces with Greeza to trap him between reality and unreal, sealing him in his first form. He had told Z that the "needle" was beyond the void, and gave the Z Ultra Medal to use later.

That night, Greeza is almost completely integrated with Geed and becomes active again. Fortunately, after obtaining the Belial Medal from Celebro, Z transforms into his new Delta Rise Claw form, which has the power to withstand being absorbed by Greeza. Z manages to free Geed from the void and pulls out Beliarok, the proverbial "needle" needed to sew a hole in space and destroy Greeza. After a brief battle, Z and Haruki managed to convince Beliarok to fight with them and finish off Greeza with a Deathcium Slash.

When he was done we were shocked and horrified!

Eli: This guy is pure evil!

Nico: Yeah and I helped Daichi kill this monster before. It was 8 years ago.

Eli: Wow!

Nico: Yeah. That was cool.

Chloe: This time, we're helping you.

Daichi: We appreciate that.

Me: Also did you see a girl that had black angel wings and black clothes?

Asuna: Actually yes! She had purple hair and piercing red eyes.

Me: Long story on that. That was a Blackwing Eatos 12 Girl.

Eli: Ugly story on that.

Daichi: I take it instead of Dark Eddy, we're facing her?

The Alarm sounded!

Nico: Oh, not just her!

We saw the first monster and it was MOLTEN IRON MONSTER DEMAAGA!

---

Demaaga is one of the many Spark Dolls that were transformed into Monsters when an Ultra Flare hit the Earth 15 years ago. Long before his Spark Doll's transformation however, Demaaga was also a Monster of Myth, who was stated to have once ravaged Earth long ago until he was sealed away by a "Giant of Light." Demaaga's first actual presence was felt when the monster emerged from out of a Mountainside and headed straight for Umezawa City. Xio tried their best of stop Demaaga with their weapons, but even with Demaaga's weakness exploited (being the Monster's glowing horn,) the monster shrugged off their efforts and eventually Demaaga arrived in Umezawa City to continue its rampage.

During Demaaga's rampage, Daichi Oozora lost his treasured Gomora Spark Doll in the scuffle and he scrambled to find it. Upon finding it however, Demaaga noticed Daichi and tried to kill him with his Heat Ray. Suddenly before the monster's Heat Ray could strike, Daichi was suddenly overtaken by a bright flash of light coming from his X Deviser and shortly after, a Giant of Light appears. This giant was none other than Ultraman X. At first, Demaaga quickly beat down Ultraman X due to Daichi's bewilderment at his transformed state, but after Demaaga attempted to kill Asuna with its Heat Ray, Daichi pulled himself together in time to rescue her and fight back against Demaaga. Ultraman X managed to do well fighting back, and with the assistance of Xio distracting Demaaga. Ultraman X destroyed the monster with his Xanadium Beam, reducing Demaaga back into his Spark Doll form.

---

Me: WHOA! Molten Iron Monster Demaaga! I remember him!

Eli: Ugly!

Daichi: Lets go get him!

Nico: We're using Astroswitches this time.

Me: Nice!

We were off.

We were flying and we saw him!

Nico: Target sighted!

Daichi: X! LETS UNITE!

X UNITED!

He turned into ULTRAMAN X!

Nico: YEAH!

Me: COOL!

Eli: Time to summon some Kaiju power! DESTOROYAH!

THEN OUT OF A MASSIVE AND POWERFUL EXPLOSION AROSE DESTOROYAH!

Destoroyah: So we're facing Demaaga. This will be good!

Nico: Yep.

Smolder got out her Astroswitch and flicked it for Sir Toasty!

She fired waves of fire and blasted Demaaga all over!

Nico: Take that!

Destoroyah fired a Micro-Oxygen ray and blasted Demaaga all over!

KRABBBBBBBBOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMMMMM!
KRABBBBOOOOOOOMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMMMM!

The blast really damaged him big time!

Destoroyah: And this too!

He used his Horn Katana and slashed him and really wounded him bad!

SLASH! SLASH! SPLATTER!

Blood splattered everywhere!

Eli got out his Astroswitch For Baron Mordo and flicked it and fired magic blasts and blasted him all over!

Nico: Watch this one!

Nico fired a massive energy blast and blasted a huge hole in Demaaga's stomach!

KRABBBBBOOOOOOOOOOOOOOOOOOOMMMMM!

BLOOD POURED OUT OF HIM WITH INCREDIBLE FORCE!

Nico: NICE!

Iron Lung fired a wave of wind.

Tecna flicked the switch for Riddler.

Tecna: Riddle me this? You know that only a Kaiju can kill a Kaiju.

She fired a lightning blast and blasted him.

Chloe Bolton: Try this on!

She flicked the switch for Anchor from Finding Nemo and fired energy blasts and blasted him!

Ultraman X: Now for the grand finale.

He fired a powerful X Blast and it hit Demaaga and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and back to a Spark Doll!

I caught it!

Me: Molten Iron Monster Demaaga you have failed this world!

Nico: YEAH! We're not done yet though.

Daichi: That was too easy.

Smolder: Aren't Spark Dolls Hikaru's thing?

Me: Ultraman Ginga is not the only one that does Spark Dolls.

Nico: He's right.

?: Boy that was awesome!

Out came a girl with purple hair and red eyes and pitch black angel wings and black clothes and she had a tiara with the symbol of Omnivoracious on it.

Me: (GASP) Vanya Omnivoracious!

Nico: The embodiment of Omnivoracious.

Vanya Omnivoracious: That's right.

Daichi: So they are the embodiments of Ben Tennyson's aliens?

Me: Yep.

Vanya Omnivoracious: I saw the battle and that was awesomely well done.

Me: Sorry you missed out on it.

Vanya Omnivoacious: No worries.

She then lost control and charged at Iron Lung

Iron Lung blew her back.

Me: Nice one!

Nunnally flicked the switch for Raven (MLP OC) and she fired waves of light and dark and blasted her down.

Eli: OH YEAH!

I fired an electron blast and injected the antidote into her.

Me: We invented the antidote for them.

Daichi: Cool!

Tecna charged at her and kicked her down.

?: (ECHOING) FREEZING BLIZZARD!

A massive wave of ice flew in and froze Vanya in a block of ice!

Me: WHOA!

AncientMegatheriummon came!

Me: WHOA! AncientMegatheriumon!

Nico: WHOA! This is a cold one!

AncientMegatheriummon: (In a girls voice) (Scottish Accent) Ach that oughta slow her down now.

Nico: Megan Ancient Megatherium! Wow!

She reverted back and was a girl with blue hair and dark blue clothes and had blue angel wings and had AncientMegatheriummon in the middle of her forehead and on her skirt and the Frontier kanji for Ice on her arm and a sword of ice in her hand.

Megan Ancient Megatherium: It's good to see you again Nico wee laddie.

Nico: You too.

Vanya broke out!

SMASH!

Megan Ancient Megatherium: Strong lass there now.

Then the antidote took effect and she was back to normal and her blue eyes were back.

Vanya Omnivoracious: That was awful.

Nico: But you're back to normal.

Eli: Yeah.

I helped her.

Megan Ancient Megatherium: Ach that was good now.

Me: Do you have a favorite memory of Nico?

Megan Ancient Megatherium: When me and Nico were learning more about my ancestral history about Princess Merida now.

Nico: Yep she is the direct descendant of Merida and her clan.

Me: Cool! Your ancestor is back home with us.

Megan Ancient Megatherium: Looking forward to meeting her now.

Nico: Yep.

Nico and Megan hugged.

Nico: I've missed you.

Megan Ancient Megatherium: Same here lad.

Nico: Just like old times huh Daichi.

Daichi: You said it Nico! That was fun!

Me: Boy it sure was and your Ultraman X power is amazing.

* * *

We came back home.

May: Hey guys how did it go?

Me: Really awesome!

We told everyone about it and it was cool.

Rainbow Dash: Way to go Smolder!

Twilight Sparkle: Nice job on your first mission.

Me: Same with Eli and Chloe.

Me: Next time, Princess Luna, Yusei, and Gingka should come.

Qin: Good idea.

Princess Luna: It'll be a good honor.

Me: Yep.

Yusei: Same here.

Gingka: And me too.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

We then saw Qin HURLING HER GUTS OUT!

Qin: (PROJECTILE VOMITING)

Taylia Vennicova: You okay, Qin?

Me: Goodness what did you eat?

Qin: I don't know!

Cnris patted her stomach.

Qin: I don't think it's pregnancy.

Chris: Oh.

But then..

ZAP!

VOMIT STORM!

MAY HURLED HER GUTS OUT ALL OVER ME!

Me: OH SICK!

Poromon: Like our latest invention?

We saw the mascots with a cool purple ray gun.

Lily: What is that?

Poromon: It's our…

ZAP!

VOMIT STORM!

NICO THREW UP ALL OVER BRIAN!

Poromon: Vomit Ray!

Poliwag: It's a ray gun that makes you throw up.

Hortensia Remmington: I have to admit that's genius

Me: Wow it really works!

Laney: No kidding!

Poromon: Yep. Sorry about that guys.

May: No worries.

We washed ourselves off.

Weirdwolf: You know what it's good for? Getting Toxins out of people

Maria: Yeah!

Poromon: Yeah. Who needs Ipecac when you can fire this at them.

?: That is cool.

In came a girl with purple hair, yellow eyes, purple clothes, yellow angel wings and had a tiara with Spark Mandrill on it.

Sparky Mandrill: Sparky Mandrill - Embodiment of Spark Mandrill is here.

Jack Landors: Boy its been a while Sparky.

Wes: Same here.

Sparky Mandrill: You too Jack and Wes. Its been a whileChromedome: How did you meet Jack and Wes?

Sparky Mandrill: I met Wes when he and the Time Force Rangers were battling Venomark. I blasted him and delivered the deadly killing blow.

Nico: Nice!

Qin: Brutal.

Sparky Mandrill: I know. And I met Jack when he was battling Sky who was turned evil.

Me: WHOA! I remember seeing that. That was Woolox's doing.

Lola: Yeah!

Sky Tate: I remember that.

Sparky Mandrill: Yep. We saved Sky and got their bodies back

Me: Would you like to join us?

Sparky Mandrill: I would be honored.

Poromon: We'd be glad to have you-

Stella Corrugan: Chocolate! Chocolate! Chocolate!

Nico: Oh, for God's sake!

She came after the mascots chocolate and we tied her up good and the mascots fired their vomit ray and she threw up big time!

Nico then teleported her away back to the Saturn nuthouse.

Me: She REALLY is a land version of Tom the Chocolate Fish.

Qin: Yeah no kidding!

Nico: Cleanup on aisle 12!

We cleaned up the vomit.

Nico: Which one of you made the vomit ray to begin with?

Mascots: Um..

Bart Simpson whistled innocently.

Nico: Bart?

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Jimmy "Mr. Scrooge" Martinez, and he and his minions are causing havoc. When we saw it, we knew it meant trouble as the vision orb vanished.

Lincoln: Oh boy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and this is one villain we're not going to like in the slightest: I just had a vision and I saw who it was that we're going to confront today, it's none other than Jimmy "Mr. Scrooge" Martinez, and he and his minions are causing havoc.

WE GASPED!

Me: WHAT?!

Lincoln: It gets worse, according to my intel, he's a vengeance-crazed mercenary who hates Christmas for ruining his life and he's been placed on the naughty list by Santa when he tries to steal 300 million dollars from a rich family whom he plans to also kill.

NOW, WE WERE ABSOLUTELY PISSED OFF TO NO END! NICO AND I HAD FLAMES BEHIND US!

Me: Nico… !

Nico: Give us a sec, Lincoln.

Me: Guys would you please step outside for a sec?

Everyone ran outside, and then… !

Me and Nico: (DEEP BREATH) (MEGA SUPER ENRAGED BELLOWING) YOU MISERABLE HEARTLESS MURDEROUS RUTHLESS GOOD-FOR-NOTHING CHRISTMAS WRECKING GREEDY ASSHOLE, WE'RE GONNA TEAR YOUR ASS APART ALONG WITH YOUR FUCKING CRONIES AS WELL!

Ned Flanders: DEAR LORD! That was the loudest profanity vow I've ever heard!

We came back inside.

Me: We're gonna need tons of weapons on those assholes!

Nico: Let's head to the weapons vault, it's on now!

Camie: Who is Jimmy Mr. Scrooge Martinez?

Me: A nasty monster!

I went over his history.

---

Jimmy Martinez, also known by his codename Mr. Scrooge, is the main antagonist of the 2022 Christmas action comedy film Violent Night. He is a mercenary who hates Christmas for ruining his life and he's been placed on the naughty list by Santa when he tries to steal 300 million dollars from a rich family whom he plans to also kill.

He was portrayed by John Leguizamo, who also played Benny Blanco in Carlito's Way, Violator in Spawn, Javier in Kick-Ass, Tybalt in William Shakespeare's Romeo + Juliet, and Santiago in Ride Along.

When Jimmy was a child, his father loved Christmas and bought him presents. When his father lost his job, they could not afford to celebrate Christmas anymore. Jimmy grew jealous of his next door neighbors who had enough money to celebrate Christmas, so Jimmy broke into their house one night to steal their presents. While in their house, Jimmy accidentally frightened the grandfather who fell down the stairs and broke his neck, later dying in the hospital. Jimmy was arrested and began to hate Christmas for ruining his life. Following his possible release or break out, he began his life of crime, vowing to ruin Christmas for everyone.

When he was an adult, Jimmy put together a team of mercenaries to steal 300 million dollars from a rich family. They planned it out for a long time and learned every aspect of the family's history. Jimmy and his crew made up Christmas-themed codenames. Jimmy's codename was Mr. Scrooge. He served as the boss of the mercenaries with the codenames Krampus, Gingerbread, Candy Cane, Sugarplum, Frosty, Techie, and Tinsel.

On Christmas, Scrooge and his crew broke into the mansion and killed all of the staff where he had already planted some of them in as servants. They then seated all of the family while trying to break into the vault. When the mother tried to stand up to Scrooge, he promptly punched her in the face and told her to sit down while they cracked the code to the safe. Scrooge's plans where threatened when he found one of his men dead from a fight with a man in a Santa Claus costume.

Eventually, Scrooge and his men track down the man dressed as Santa and tie him up. They ask him who he is and he claims to be the real Santa Claus. Jimmy doesn't believe him but Santa tells him and his men personal things about what they wrote him when they where children. Jimmy still doesn't believe him and instead tells him the story about how Christmas ruined his life. Santa claims that that what happened to him wasn't his fault, but Jimmy gets mad and attacks Santa before his attack is stopped by snow coming from the ceiling. His team believes it to be real Snow, but Scrooge angrily realizes that it is just styrofoam from the youngest daughter of the family pouring it from the attic into the air vents. With the goons distracted, Santa is able to get away up the chimney.

Scrooge greets the kill squad sent to kill them and it is revealed that the Kill Squad led by Commander Thorp is actually working with Scrooge to get a cut of the money. Scrooge and the kill squad go downstairs to see that the money in the safe is gone and somebody has stolen it. They go upstairs to the family and threaten to kill them before one of them tells them that he stole the money and shows them where the money is. Scrooge attempts to kill them after finding the money but Santa arrives and attacks him.

Scrooge escapes, but sees Santa riding at him with a snowmobile. Jimmy taunts him but steps right out of the way causing Santa to crash into a cabin. Santa and Jimmy fight before Jimmy sees the naughty and nice list and sees his name on the naughty list.

Finally realizing that he is the real Santa, Jimmy stabs him in the hand and pins him to the wall, but Santa pulls his hand out of the wall and attacks Jimmy. Jimmy gains the upper hand before Santa uses his teleportation magic to fly up the cabin's chimney whilst still holding onto Jimmy. Santa flies up it, unfazed as his magical abilities render him unharmed, but Jimmy is violently snapped in half and crushed into a grotesque clump of flesh in a matter of seconds when he is thrown up it alongside Santa, who then throws his remains off the chimney.

* * *

When I was done EVERYONE WAS ABSOLUTELY PISSED!

Twilight Sparkle: What a monster!

Applejack: WHY THAT NO GOOD SIDEWINDER!

We got out tons of weapons: bazookas, handguns, rifles, machine guns, machetes, swords, daggers, grenades, the works and put them into scrolls.

Connor Chan: Nice. Now, let's go take care of those assholes before they do anything else!

Nico: Right.

Me: Ruin Christmas because of your hatred, not on our watch, bitch!

Eli: RUIN CHRISTMAS WILL HE!?

Lincoln: There's more. The Santa who's his enemy is different from ours but still a good guy

Me: Wow! That's interesting.

Camie: It sure is.

Lola: This is gonna be interesting.

We were loading up for war.

The previous group came.

Scorcher: WHOA! You guys look like you're going into war.

Firepower: And we heard your loud rant from the grocery store!

Me: Sorry.

Key: Can me, Scorcher, Firepower, Evil Star, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard go with you guys?

Nico: Yes you all can come with us.

Qin: This will be good.

Nico: No one messes with Christmas on our watch!

Napalm Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Earthrock Trilobyte next.

Qin: Ooh!

Laney: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Dagoth Ur, the main antagonist of The Elder Scrolls III: Morrowind, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Dagoth Ur, the main antagonist of The Elder Scrolls III: Morrowind, and he's coming here to destroy us.

Gaia Blaze: If that monster thinks he can come here to cause death and destruction, he's wrong, we'll end him once and for all.

Lincoln: Right, Gaia.

Nico: Oh, this should really be good. Alright, team, let's go, we're heading out to destroy Jimmy "Mr. Scrooge" Martinez and his minions, and even though I'd much rather send them to The Noto Prison, they're a bunch of bastards who deserve only to die.

Lincoln: They're getting a one-way trip to The Black Gates for this, and once we get done with them, you're next, Dagoth Ur.

Gaia Blaze:: You will never be forgiven for your bloodthirsty madness, Dagoth Ur, every last soul who lost their lives because of you will be avenged here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to destroy Jimmy "Mr. Scrooge" Martinez and his minions and send them on a one-way trip to The Black Gates, and once we got done with those bastards, Lincoln and Gaia Blaze along with me are going to destroy Dagoth Ur.

We were off to Greenwich, Connecticut

---

We were flying.

Firepower: How exactly is this Santa different?

Lincoln: I should explain his backstory.

Me: Please do.

Lincoln did so.

---

Nicomund, currently known as Santa Claus, is the main protagonist of the 2022 Christmas action-comedy movie Violent Night. He is a retired 110 year-old viking who became Santa Claus and set out to make children happy on Christmas by delivering presents.

He is portrayed by David Harbour, who also played Jim Hopper in Stranger Things, Hellboy in the titular 2019 film of the same name, Alexei Shostakov/Red Guardian in the Marvel Cinematic Universe 2021 film Black Widow and Jack Salter in Gran Turismo.

Santa Claus (then known as Nicomund) was born around the 9th-11th Century. In his younger days, he was a barbaric viking called Nicomund the Red who used to conquer lands with his hammer "Skullcrusher" and lavishing in greed from the treasure he collected. At some point, he realized the error of his ways and turned his life around by becoming Santa Claus to make children happy, commanding reindeer to fly his sleigh around the world on Christmas to deliver presents to nice kids every year. He also married Mrs. Claus in the North Pole, but eventually ended up on bad terms with her.

## Events of Violent Night

In the Christmas of 2022, Santa started his yearly route when he came to the Lightstones' mansion and fell asleep in a massage chair. By the time he woke up, he realized the entire family was taken hostage by a group of terrorists led by Mr. Scrooge, who wants the family's money. Tinsel, one of Scrooge's henchmen, finds Santa hiding behind the Christmas tree and tried to force him at gunpoint to join the family downstairs. However, Santa attacks Tinsel who accidentally fires in the ceiling, scaring away Santa's reindeer and leaving him with no means to continue his route. Outraged, Santa knocks the henchman out the window, impaling him on an icicle below. Santa also falls out, but misses the icicle and escapes.

He sneaks into the basement and encounters Frosty, another one of Mr. Scrooge's henchmen. After a fierce battle, he kills Frosty by jamming a Christmas star decoration in his eye and plugging it in, electrocuting him to death. He finds Frosty's radio transceiver and tries to call for help, but the line is intercepted with the talky Trudy Lightstone got from her parents. Santa recognizes Trudy from his nice list and promises to come save her and her family. Mr. Scrooge accidentally calls Santa while trying to contact Frosty. Santa reveals that he killed Frosty and demands that Scrooge leaves the Lightstones alone, threatening that he'll come for him.

Later, Trudy calls Santa again and tells him she is hiding in the attic. She then asks if he is really Santa, having just been told by her father that Santa Claus doesn't exist and is just a story parents tell their kids to make them happy. Santa explains while parents do that, he stil exists and even proves it by mentioning the previous Christmas wishes she wrote for him. Trudy is excited about having been right about Santa all along and asks him if he can use his Christmas magic to make her parents love each other again, but Santa sadly explains he doesn't have that power and that she should let her parents work it out for themselves, even relating to his own issues with Mrs. Claus. He then tells her his past as a barbaric viking, although Trudy doesn't judge him for it and instead suggests that he uses the bad things he did in the past to do good instead. Santa agrees and instructs Trudy to stay in the attic until he comes to save her.

He tries to sneak up on Candy Cane, but gets caught and captured by Mr. Scrooge. Mr. Scrooge tries to question the man he thinks is an imposter, but Santa insists he's real. However, Scrooge isn't convinced and even throws Santa's bag in the chimney, destroying the presents much to Santa's horror. When Mr. Scrooge mentioned how Christmas ruined his life, Santa recognizes him as Jimmy Martinez but says he doesn't get involved in people's personal lives. He also recognizes Candy Cane as Kira David, the little girl who fed her brothers worms which he calls naughty, as well as revealing that Gingerbread wrote him a letter asking for a Huffy bike when he was a kid. When Candy Cane and Gingerbread get suspicious as to how a stranger would have this information, Jimmy immediately dismisses it as a lucky guess. Just as he is about to kill Santa, Trudy distracts the mercenaries by dumping styrofoam through the air vents to make it look like it's snowing inside, allowing Santa to escape through the chimney. He then witnesses the arrival of the extraction team who turned out to be working for the mercenaries and avoids their gunfire.

Santa hides in an outhouse and tells Trudy about how he wishes he were reunited with Mrs. Claus. Suddenly, he finds a sledgehammer and uses it to bash his way through the extraction team soldiers. He makes it to the attic in time to save Trudy from Candy Cane, whom he bludgeons to death with the sledgehammer (though not before telling Trudy to close her eyes and ears and sing "Jingle Bells" so that she's not horrified by the bludgeoning). He chases after Jimmy on a snowmobile, but gets tricked into hitting a log and crashes into an outhouse. Jimmy then sees his name on Santa's naughty list describing all the bad things he's done. Finally convinced that Santa Claus is real, he decides to kill him to ruin Christmas for everyone. Santa fights Jimmy to the death, ultimately killing him by dragging him up the chimney with him until he's a pile of lump. He drops the pile of lump off the chimney and starts laughing, but gets shot by the kill squad leader Thorp and succumbs to his wounds. Fortunately, he is revived once Trudy finally convinced her family that he's the real Santa Claus. Suddenly, Santa's reindeer come back and bring him not only his spare bag, but also Skullcrusher in case he runs into any more trouble throughout the night - all courtesy of Mrs. Claus. Santa thanks the Lightstones for resurrecting him and departs on his sleigh to finish his route.

When he was done we were shocked and yet amazed too.

Me: WHOA!

Qin: Amazing!

Nico: So he's a viking that is redeemed. Very interesting

Me: I know what being a viking is like too because I'm descended from Leif Erikkson.

We arrived.

Centaur Man: Is this the place?

Me: Yep.

Nico: Greenwich, Connecticut.

Lola: Nice place.

El Diablo: (Spanish Accent) I'll keep us warm if needed.

Me: Cool.

Qin: Okay.

We walked around.

Marah: Santa? Are you there?

We heard fighting and then we got to a house and saw Santa fighting NUMEROUS Mercenaries!

Me: WHOA!

We saw a bloodbath!

Qin: Geez!

Ed: Hi, Santa!

Me: Let us help out! FIST OF THE FART STAR!

I fired a fart blast from my butt and it formed into a deadly fist and it hit the mercenaries and exploded!

WHAT THE FUCK! BOOOOOOOOOOMMMMM!

Lincoln formed a massive indestructible diamond barrier and it was infused with absorption energy that protected all of us from the barrage of dark energy blasts that hit the barrier only to be absorbed into us, and we grew even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, Dagoth Ur, or we will force you out.

A figure came out, it was Dagoth Ur.

Lincoln: I should've known you'd show up here, Dagoth Ur, but we will never allow you to run free any longer.

Dagoth Ur: I don't care if you are Gods among men, I will destroy all of you if it's the last thing I do!

Gaia Blaze: That is where you are wrong.

Suddenly, Gaia Blaze's green eyes turned neon green and she was surrounded by a green energy aura with stars, earth, leaves, plants, magic, fairies, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Dagoth Ur, she left green energy, stars, earth, leaves, plants, magic, fairies, phoenixes, and angels with every step.

Gaia Blaze: I will never forgive you for what you've done over the eons, Dagoth Ur, you caused so much pain and devastation to so many and for what: to slake your endless thirst for power, and on top of that, you tried to take over Tamriel and slaughter those who get in your way, you make me sick, and now, you shall face judgement for everything that you've done!

Suddenly, Gaia Blaze was surrounded by a massive vortex of green energy with stars, earth, leaves, and magic surrounding the vortex, there are fairies, phoenixes, and angels flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Dagoth Ur: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Gaia is capable of, and that deranged fairy-obsessed killer Randall Williams wound up on the wrong end of her wrath more than once, and he wound up getting bruised more than once for his misdeeds.

Then, as the vortex faded, Gaia Blaze emerged, but she was changed forever.

Gaia Blaze grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large green planets orbiting around her legs, she has the body of a goddess, she has green highlights in the bangs of her long brown hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon green eyes and a green energy aura with stars, earth, leaves, plants, magic, fairies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has an earth fairy with a leaf in her hands emblazoned on her forehead with green iris, she has on fairy earrings with green gems for eyes and holding the Star, Magic, Earth, and Eternity Kanjis in her hands, she also has an earth fairy with green gems for eyes and holding the Star, Magic, Earth, and Eternity Kanjis in her hands for the second pendant on the bottom of her green fairy-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Gaia Blaze has on a sleeveless green crop top, green skirt, green knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, earth, leaves, plants, magic, fairies, phoenixes, and angels on the coattails, and on the back is an earth fairy, a phoenix, and angel and surrounded by earth and leaves and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a green gem with neon glowing green lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Gaia Blaze felt a sharp pain on her back, and then, her massive green and black butterfly wings with green tips grew much larger for her new body and medium sized green and black butterfly wings with green tips grew and sprouted out underneath her massive green and black butterfly wings with green tips and she also now has eleven massive and long brown wolf tails with green tips and green markings, Gaia Blaze has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and white fingerless bridal gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Gaia Blaze's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of green energy, stars, earth, leaves, magic, fairies, phoenixes, and angels, and when it emerged, it was transformed into Gaia Blaze's Cosmic Eternal Seismic Nature Earth Fairy Queen Phoenix God Angel Greatsword of Cosmic Eternal Seismic Nature Earth Fairy Queen Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded emerald green gems and earth fairy and runes etched on the 7'9" massive, wide, double-edged green blade, large green phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large emerald green gems embedded in their foreheads, longer midnight black handle, four large green phoenix heads with emerald green gems for eyes and on the bottom of the large green phoenix heads is a large green phoenix head with emerald green for eyes and green gem in its mouth for the pommel, Gaia Blaze has on her brand-new large gold Bracers of The Champions of The Universe with large emerald green gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold fairy head with green gems for eyes and green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji with leaves in between the kanji below the earth fairy, phoenix, and angel that said, "Gaia Blaze, Queen of The Earth Fairies of The Grotto of Nature, Despiser of The Deranged Fairy-Obsessed Serial Killer Randall Williams, Master of Earth and Earth Magic, Powerful Force of Good, Thrasher of The Bad Guys, True Immortal and Omnipotent Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Chandler, Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan, Archenemy of Cactus Phantom, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, True Immortal Hero, and Master of Earth, The Forces of

We were amazed by Gaia Blaze's Super Angel-Earth Fairy Queen-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Dagoth Ur saw it, he fired more dark energy blasts at her to kill her, but Gaia Blaze fired a massive barrage of green energy, stars, earth, plants, leaves, magic, fairies, phoenixes, and angels which hit Dagoth Ur and sent him flying into another wall, he got back up, but now, he was angered.

Me: No way, did Gaia just transform?

Lincoln: She did, and now, it's high time we took care of Dagoth Ur and make him pay for his crimes.

Gaia Blaze: (Divine Echoing Godly Voice of The Seismic Nature Fury Earth Fairy Queen Phoenix God Angel and Divine Cosmic Eternal Seismic Nature Fury Earth Fairy Queen Phoenix God Angel Love) The pain and suffering he caused will eventually be healed with him taken down for good. Lincoln, Gaia Blaze, and I went after Dagoth Ur who continued firing dark energy blasts at us, but we continued to absorb them, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Dagoth Ur, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by

firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Gaia Blaze also did the same by firing green energy slashes from her massive greatsword, and he, Gaia Blaze, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Dagoth Ur even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln ran up to and put Dagoth Ur in a bearhug so he couldn't escape. Suddenly, Lincoln began to absorb Dagoth Ur into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger as he assimilated all of Dagoth Ur's preternatural powers.

Then, when Lincoln was done, Dagoth Ur was fully absorbed into his body and he sent Dagoth Ur to The Black Gates forever. Everyone cheered wildly for what Gaia Blaze, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Gaia Blaze's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large green planets orbiting around her legs, smaller planets orbiting around her fingers, and massive green butterfly wings and medium sized green butterfly wings underneath are permanent.

Gaia Blaze: Your desire to take over Tamriel are over. Thanks for helping me take down Dagoth Ur, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Gaia.

Me: My pleasure, Gaia.

Suddenly, Gaia Blaze wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gaia Blaze's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and leaves and plants growing behind them and we cheered wildly. Then, Lincoln and Gaia Blaze sucked in and absorbed the elemental forces and leaves and plants and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Gaia Blaze and hugged us.

Luna: No kidding dudes, you guys taught that rotten dragon a lesson.

Luan: And Lincoln absorbed her into his body.

Me: And he assimilated all of her powers and abilities. So, Lincoln, who're we meeting on your rescue tomorrow?

Suddenly, Lincoln's deep sapphire blue eyes turned crimson red.

Lincoln: I think we got ourselves someone we're meeting tomorrow and a huge emergency in the works: the girl is none other than Ariana Ardelean Dracula, Avatar of The Vampire Duel Monsters and The Vampires of Magic The Gathering.

Adriana Ardelean Dracula: (GASPS) (Romanian Accent) Our sister?!

Ramona Alucard: (Romanian Accent) And our ancestor's daughter?! No way!

Me: Wait, what?!

Selene Arcangela: I'd better explain, Ariana Ardelean Dracula is Lincoln's Guardian Angel from England and she's a centuries-old immortal and extremely very powerful Vampire Queen from the 15th Century who has immense powers over darkness, blood magic, black magic, dark magic, Satanic Magic, necromancy, the undead, and The Occult, and has immunity from The Sun and the other weaknesses of the vampires. She earned the moniker, The Nightmare of The Vampires, because throughout the centuries, she's killed a ton of evil vampires who tried to kill her many times only to fail in their many attempts. She's also the older sister of Adriana Ardelean Dracula and Ramona Alucard, and even more shocking: she's the daughter of Vlad Dracula, and she like her two sisters is also a very powerful and skilled Vampire Slayer. She moved to Royal Woods and met Lincoln and when she found out from Lincoln that Adriana turned him into a vampire because of what Lynn did, she knew her sister did the right thing saving his life, and she trained Lincoln even more with honing his vampire powers and abilities, and they've gone out at night to slay any evil vampires that dare to infiltrate Royal Woods. Lincoln made her a powerful darkness greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her, Adriana, and Ramona along with the rest of his harem. She's also really good friends with Lucy and her friends in The Young Morticians' Club and like Adriana, she really really really hates Lynn with a very bloody passion because of her attack on Lincoln long ago that led to Adriana feeding Lincoln her blood and transforming him into a vampire.

CLANG! CLANG!

My jaw and Nico's dropped and Eli shut our jaws.

Nico: Oh God!

Me: Oh man, if Lincoln marries her along with Adriana and Ramona, his ties with Vlad Dracula's bloodline will be further cemented.

Lucy Loud: That is indeed something that we Goths have wanted to see, and what is the emergency?

Lincoln: Something tells me we'll be heading for Hungary, and we're in for another vampire battle.

Me: Yeah.

2016 Morbucks: I thought my prime self was bad.

Cavalier: Thankfully, he's been dealt with.

Professor XXXI: Now, who wants snow cones to celebrate?

Me: Sure.

Condiment King: And some ketchup?

Qin: I could go for some hot dogs with then.

Just then, Stella Corrugan appeared again.

Stella Corrugan: CHOCOLATE!

The yell startled Poromon and Poliwag, knocking them to the ground.

Poromon: [simultaneously with Poliwag] No, no! Don't hurt us. Please don't hurt me. No no. Please…

Poliwag: [simultaneously with Poromon] No! Have mercy on me! Please spare me!

[Cuts to Stella Corrugan:laughing manically.]

Stella Corrugan: Finally! I've been trying to catch you boys all day! Now that I got you right where I want you… [turns back to normal] I'd like to buy all your chocolate. [holds up a large amount of cash]

Raven Branwen:… say what now?!

ALL THEIR CHOCOLATE WAS IN A MASSIVE CRATE AND IT ROLLED OUT!

Then they melted into slop!

Poromon: Thank you for your patronage.

Poromon and Poliwag had a HUGE wheelbarrow full of money.

Nico: Boy Stella is gonna be happy for a while.

Poliwag: I know!

Dragon Lord Spike: I agree there.

Santa (Violent Night): Thank you guys for helping me.

Me: You're welcome. I guess that's 13 times now but who's counting.

Nico: Yep. Great job today everyone.

Lola: (To the viewers) You mess with Christmas and you're going to pay for it big time.

Camie: YEAH!

Me: What are you guys gonna spend all that money on?

Poromon: No idea! We'll think of something.

Me: You could put it in the bank.

Poliwag: That works.

We later went back home and went and opened an account for them and then we enjoyed the rest of the day and went to sleep.

THE END

Alright, and for tomorrow, the match-up is for Crystal Blanchard, Queen of The Ice Fairies, and she and Lincoln are going to destroy Dampyre, a villain from Marvel comics and an enemy of the Silver Surfer

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Hungary, but we got bad news: our old enemy, Gigawatt, the Uxitian energy vampire, has returned, to get revenge on us, but he's also not alone: we also found out he's also created an army of energy vampires like himself, so Lincoln's going to have quite a feast as he drains all of them dry and he also drains Gigawatt dry as well. Lincoln made her a powerful darkness greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her, Adriana, and Ramona along with the rest of his harem. She's also really good friends with Lucy and her friends in The Young Morticians' Club and like Adriana, she really really really hates Lynn with a very bloody passion because of her attack on

Lincoln long ago that led to Adriana feeding Lincoln her blood and transforming him into a vampire.

Next up is a cold race as we are going to the world of Big Chill, Planet Kylmyys and we're going to race in the cold as well as battle Baron Highway and the Road Crew, one of Ben's enemies.

See you next time.

Me: Wow! The antivirus worked perfectly. Everyone is back to normal.

Xenia: And is all completely cured.

Rei Miyamoto: Like the apocalypse never happened.

Camie: Boy no kidding.

Lola: Yeah.

Qin: Boy the world is now back to what it was before all hell broke loose.

Saya Takagi: I know. It's great seeing everything back to normal.

Wataru: No kidding.

Nico: Wataru, I want to thank you, Robot Devil, and your teams for coming

Wataru: No problem Nico. This will be cool.

Me: It sure will.

Blade: As long as we get to kill some motherfucking asshole vampire scum.

Qin: I agree.

Natasha Hernandez: I'm ready for it.

Nico: Blade, you're first Marvel hero J.D. and the rest met

Blade: That's right.

Lucy Loud: I met Blade and helped him take down Deacon Frost.

Qin: That is cool.

Me: And Blade is someone you do NOT want to fuck around with!

Nico: That is for sure!

Blade: Yeah.

Rei Miyamoto: You got that right.

Nico: It's fitting since Lucy is a vampire too

Lucy Loud: That is true.

Qin: Yeah.

Blade: It sure is.

Me: Yeah. WHEW! Man what a brutal battle yesterday.

Nico: No shit! That was intense that we faced Jimmy Martinez.

Me: That was one Scrooge we can kill.

Blade: That version of Santa really was badass.

Me: No kidding. Really kicked some butt.

Lola: Yeah no kidding!

Saya Takagi: That was cool! And the neat part was that he was a viking from back 1,000 years ago.

Me: Yeah no kidding!

Lincoln: That was awesome!

Blade: Let's not forget what also happened.

Me: I know! Nico your friend Stella is one helluva chocolate fiend!

Nico: UCH! SHE GOES CUCKOO CRAZY FOR IT!

Wataru: I got to admit though Nico, Stella loves chocolate just as you do!

Nico: (LAUGHS) She loves chocolate 100 times more than me! But that is amazing that she loves chocolate that much!

Me: Boy no shit!

Blade: She's insane. But the good kind. She should be in the Masters of Evil

Me: That's just what I was thinking.

Lola: She's in every way like Mac is whenever he eats sugar.

Camie: No kidding! Man that is amazing.

Lily: And what's funny is that she is in every way a land version of Tom the Chocolate Fish. Now we have 2 chocolate loving fiends there.

Lola: Yeah we sure do!

Qin: Boy no kidding!

Miku Yuuki: It feels good to be home here.

Me: I know. And no zombies anywhere

Nico: I remember when I led the mission here.

May: That was so awesome.

Me: Back then all of hell broke loose and this entire city went to hell very fast.

Eli: No kidding.

Camie: I don't know what's worse. Vampires or zombies.

Me: Zombies bar none because they spread fast like the plague.

Nico: Yep.

Qin: Yeah that was awful.

Nico: You think your parents are here?

Saya Takagi: They are going to be at my house. I got a text from mom and dad saying that our parents are gonna be there.

Shizuka Marikawa: That's awesome.

Saeko: It sure is.

Me: Nice.

We arrived at Saya's house.

Saya Takagi: Home.

We saw Rei, Saya, Saeko, Shizuka and Miku's parents.

Yuriko: Saya!

Kiriko: Oh Rei!

Master Busujima: Saeko!

They went and hugged their parents!

Nico: I'm happy for you girls.

Lincoln: Me too.

Yuriko: Thank you all so much for curing everyone.

Me: You're welcome Mrs. Takagi.

Lisa Loud: It was us finding Patient Zero and synthesizing the antivirus.

Me: It was a white lab rat that was the true carrier of the virus that Shido made.

Yuriko: Oh my.

Souichiro Takagi: Nico. Good to see you again

Nico: You too Souichiro. Thank goodness you are alright.

Souichiro Takagi: Thanks to you and Team Loud Phoenix Storm.

Qin: That was a really brutal adventure. But Nico did an amazing job back then.

Me: He sure did.

Souichiro Takagi: I see two new Red Rangers are with you

Taro: Yes that's right. I'm Taro Momoi.

Juran: My name is Juran.

Nico: Juran is a member of the Zenkaigers and Taro is the leader of the Donbrothers.

Me: The ranger teams celebrating 45 and 46 years of rangers in Japan.

Juran: But I'm not the leader of the Zenkaigers

Kaito: Nope. That would be me.

Me: Yep.

Kiriko: Oh. Pleasure though.

Kaito: Same here.

Me: We have got quite a story to tell you about what happened when your daughters joined us.

Kiriko: Tell us everything.

Me: Okay this might take a while.

I went over what happened when we first met them during Rai and Sena's adventure to this day and it was awesome.

Souichiro Takagi: You told me all this the first time

Me: Yes but much more has happened since.

Rei Miyamoto: Just recently I adopted Jack and Jill.

Me: Yeah.

Kiriko: Really?

Rei Miyamoto: It's true mom.

Lincoln: Yeah.

We told them what happened and more.

Kiriko: (GASP) That is awful!

Me: Yeah Crookedman did all that. But he's gone for good.

Nico: He killed their parents.

Me: Yeah.

Kiriko: What a monster!

Qin: Yeah no kidding.

NIco: And he tried to ruin Christmas.

Me: Yeah in fact just over the last couple of days we had to battle a few villains out to destroy Christmas.

Laney: Yeah.

Kiri: Horrible!

Aylene C.: What these people are doing to our favorite time of the year is horrible and unforgivable.

Blade: But we DID meet a badass version of Santa.

Qin: We sure did.

Nico: Yeah.

Kiriko: Wow!

Lola: That was awesome.

Nico: Did any of you except Saya's parents get bitten by the zombies?

Kiriko: No we were fighting them left and right.

Tadashi: It was a constant battle.

Me: Thank goodness. Yeah take it from us. We know the brutality and horrors of Zombie Apocalypse Survival.

Lily: It's true. Constant struggle to stay alive.

Camie: Yeah.

Tadashi: But I'm just glad my Rei is safe.

Saeko: We all are very glad to be alive. And we even made an island safehouse.

Me: We found out that they made an island hideout on an uncharted island off the coast of Angola.

Nico: Now, if you want to stay here, you can. Or you can live in Gotham Royal York.

Me: We won't force you.

Tadashi: Actually after everything that happened we all decided to move to Gotham Royal York.

Yuriko: Yeah. So many painful memories here.

Master Busujima: Yes. It's for the best.

Nico: Great. But first, has there been any other suspicious activity here?

Me: Like any of Shido's followers still running around and causing trouble?

Yuriko: So far Shido's followers are in hiding. But I have a feeling they will come for you guys.

Me: We'll be ready for them.

I got up.

Me: And when they come we'll mash them like potatoes. And then…

SPLAT!

Me: Huh?

I stepped in some green sticky slop!

Me: EW! What the!?

Yuriko: Would that count as suspicious?

Me: What is this slop?

Lisa Loud: It appears to be Nasalpharyngeal Mucus; Street name: Snot.

All of us: EW!

We saw trails of it!

Qin: There's trails of it all over!

Lola: Ew, what's with the trails of snot?!

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that Billy's hypothetical Akuma has been sighted.

WE GASPED!

Nico: What?! Billy's hypothetical Akuma?!

Me: Who is it?

Lincoln: His name is Snotspewer, according to Gabriel, he's a living pile of snot which is really gross enough, and his even grosser power is to vomit snot. He was made because of Sperg bullying him too much and everyone making a fool of him because he's an absolute idiot.

Me, Nico, and Everyone: GROSS!

Eli: DISGUSTING TO THE INFINITE POWER! GROSS!

Me: YUCK YUCK AND TRIPLE YUCK!

Lincoln: And if that's not worse, he also starts babbling like an idiot just like Billy when he goes on his little rampages.

CLANG!

My jaw dropped and Eli closed it.

Me: Well, he's getting a painful beatdown again!

Syrus: From me, Dark Magician Girl, and Siobhan Erikkson Rockhoof. We're going to transform and give that snot-spewing monster a beatdown he'll never forget.

Jaden: Don't forget Lincoln and J.D. are also joining in as well.

Alexis: After everything Billy did in the past because of his stupidity, they should let off steam and beating him down is the best kind of therapy for it.

Me: That's right.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's

message.

Lori: And we're ready for that pile of snot.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more

stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Snotspewer) AHA! Gotcha! I just spotted Snotspewer, he's 20 yards away and he's spraying the place with snot!

Me: That stupid big-nosed pile of snot, let's get him and tear him apart!

Lincoln: He's going to wind up a splattered mess all over the place.

(Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and

powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Snotspewer.

Starfire heard a Pokémon cry

Starfire: Look here!

We saw a MEGA GALARIAN MOLTRES!

Me: Whoa a MEGA Galarian Moltres!

Xenia: Cool!

Nico: Whoa that one is cool!

Me: Oh and the poor thing is hurt.

Lola: And covered in snot.

Mega Galarian Moltres: That big nosed mutant slop pile did this to me!

Me: Yuck!

We cleaned and healed it up.

Starfire: That's not all! Look!

Lincoln fired blasts and streams of water and he also summoned water orbs and threw them and the blasts and streams of water and water orbs hit Snotspewer hard and he shrieked like a girl upon being hit, but when he saw us land, he went mad with anger.

Snotspewer: I'LL KILL YOU! (CRAZED BABBLING)

Snotspewer pounced on Sebastian who was unable to react quickly and got the shit beaten out of him and thrown into a lead pipe sticking out and skewered him through the stomach. Sebastian belched out massive tons of blood and blood tears poured from his eyes.

Sebastian Mendez: Heh. You're even more violent than that idiot, and just so you know, what you just did to me has given the team more of a reason to leave you as a messy stain.

Sebastian pulled himself off of the lead pipe, leaving a pool of blood as his wound healed and his clothing repaired itself.

Syrus: We better take care of this snot monster right away.

Me: And fast!

Sperg: Jeez! What an ugly dweeb!

Syrus: Lets get him!

Suddenly, Syrus' grey eyes turned neon grey and he was surrounded by a grey and red energy aura with stars, machines, tech, gears, lightning, phoenixes, and angels, and as he approached Snotspewer, he left grey and red energy, stars, machines, tech, gears, lightning, phoenixes, and angels with every step.

Syrus: You really are just as much of an idiot as Billy, not to mention even more violent due to what we just saw: violently attacking Sebastian and him getting skewered like that, and just like he said, you're going to wind up as a messy stain before we hand you over to Vypra.

Suddenly, Syrus was surrounded by a massive vortex of grey and red energy, stars, machines, tech, gears, and lightning surrounding the vortex, there are phoenixes, angels, and the Roid Duel Monsters flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Snotspewer: the red eyes of judgement.

Nico: Uh oh, now that pile of snot's in huge trouble!

Me: This really is going to get ugly.

Lincoln: That snot monster's going to get it big time.

Then, as the vortex faded, Syrus emerged, but he was changed forever.

Lincoln, Syrus, Dark Magician Girl, Siobhan Erikkson Rockhoof, and I went after Snotspewer, and we fired extremely powerful blasts of rainbow energy, red and grey energy, pink and blue energy, orange and teal blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Snotspewer, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Syrus, Dark Magician Girl, Siobhan Erikkson Rockhoof, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Snotspewer even more mad.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Syrus, Dark Magician Girl, Siobhan Erikkson Rockhoof, and I fired powerful blasts of energy, magic, stars, lightning, earth, and planets at Snotspewer, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Snotspewer: (CRAZED BABBLING)

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Oh, shut up already, you babbling big-nosed idiot.

Lincoln slammed his left fist into the ground and sent a wave of earth right at Snotspewer as it smashed into him and he was sent flying into a portal that led to The Masters of Evil that Lincoln opened up. Everyone cheered wildly as we holstered our weapons and powered down, and Syrus Truesdale's new body, clothes, weapons, jewelry, eleven massive and long light blue wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind his head, twelve large red and grey planets orbiting around his legs, smaller planets orbiting around his fingers, and massive light blue angel wings and medium sized light blue angel wings underneath are permanent, and Dark Magician Girl's new body, clothes, weapons, jewelry, eleven massive and long blonde wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large pink and blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive blonde angel wings and medium sized blonde angel wings underneath are permanent, and Siobhan Erikkson Rockhoof's new body, clothes, weapons, jewelry, longer and larger Rockhoof's tail, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large orange and teal blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive orange angel wings and medium sized orange angel wings underneath are permanent.

Nico: Take that, you big-nosed snot spewer!

Me: Hope Vypra puts you through Hell!

Lincoln: Oh, she's going to do more than that to him.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed as the four large orbiting gold rings fired beams of light that formed into a viewing window. Suddenly, we saw that our old foe, Gigawatt, has been freed from his prison at Phoenix Park and he regained his power and strength and he also had a Dark Orb embedded in him. Then, we saw the two bastards responsible for it: it was Flip and Icky Vicky and if that wasn't bad enough, they flipped the bird at Nico, May, and his harem and even though it was a one-way viewing window, we heard them say to Nico, May, and his harem "Go to Hell and eat shit!"

The viewing window closed, but Nico, May, and his harem turned bright red with pure anger! AND THEN!

TRAIN WHISTLES!

TONS OF STEAM BLEW OUT OF NICO, MAY, AND HIS HAREM'S EARS! NOW, THEY WERE PISSED OFF!

Nico: THAT MISERABLE, GARBAGE EATING, SMELLY, DUMPSTER DIVING, THREE-BUTT CHEEKED MUTATED PILE OF HAIRY FLAB!

May: THAT MISERABLE, FIRE BREATHING, FLAT-CHESTED, ANGRY, RAGE CRAZY, EVIL, PSYCHOPATHIC, BUBBLE BUTT SHE DEMON FROM HELL!

Me: I'm gonna kill that miserable goddamn mutant and that bubble butt she demon!

Lincoln telepathically fired rainbow energy chains that tied Flip and Icky Vicky up and sent them back to their prisons at Lynn's Table.

Lincoln: That'll keep them there until we finally go after them when the time comes. But, first, we've got to take down Gigawatt and after I drain him, we're sending him to Vypra after I tear the Dark Orb off him and destroy it.

Eli: There's no telling what he can do now that he has a Dark Orb embedded in him.

Me: I know, we've got to be ready for that.

Maria: If anyone's still covered in snot, I'll wash you off.

Maria washed all of us off instead.

Me: Thanks Maria. I needed that.

I got down on all fours and shook like a hound dog.

Nico: That's funny.

Me: Sorry.

Nico: Nice job, Gigantamax Butterfree! And you too Mega Galarian Moltres.

Gigantamax Butterfree: Thanks Nico.

Mega Galarian Moltres: That was fun!

Poromon: Want some beer?

Gigantamax Butterfree: No thank you. I drink root beer.

Mega Galarian Moltres: Cream soda for me.

Nico: Ooh nice.

Poromon: Okay then.

Poliwag did puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Eddy: Manaphy, does the thought of Poromon as a Werewolf still scare you?

Manaphy: Nope. Believe it or not. I'm all cured!

Eddy then showed her the picture of Poromon as a werewolf and then she didn't react to it.

Manaphy: I'm not scared of that anymore. Not at all.

WE CHEERED FOR HER!

Nico: Way to go!

May: YEAH! Awesome!

Horsea: Huh. That was a day earlier then how long it took for me.

Ino: Manaphy really did great though.

Me: She sure did. Well done Ino.

Ino: Thanks.

Eddy: Here you go Manaphy.

Eddy gave her a jawbreaker!

Manaphy: JAWBREAKERS!

She put it in her mouth and slurped on it!

May: What flavor is it?

Manaphy: (SLURPS) Cotton candy! So yummy!

Qin: Awesome!

Eddy: And one for Poromon too.

Poromon: Thanks Eddy!

He put it in his mouth and slurped it.

Poliwag: Wait. Poromon wasn't the one traumatized. Manaphy was.

Eddy: I know but it wouldn't be a good celebration without Poromon having one too. He is Manaphy's boyfriend after all.

Horsea: That makes sense.

Poliwag: Well, where's MY Jawbreaker then?

Eddy: Now now.

He gave him and Horsea one too.

Nico: Okay okay guys.

Miku Yuuki: That was an epic battle though.

May: I can't believe that Billy would turn into that! And Billy?

Billy: Yes?

KRABLAM!

May bashed him right on his head with a club made of ice and bashed his head in!

Billy: (Dazed) Oh Grim you made me so stupid and happy. (FAINTS)

May: Are the flavors ALL cotten candy?

Eddy: No there's other flavors I got.

Me: The Ed's likes the cotton candy ones the best.

Eddy: Yeah and we're going to give them other flavors later on.

Me: We have a massive vault FULL of jawbreakers.

Nico: WHOA!

Me: I know. But May why did you smash Billy's head in like that?

May: Because we were covered in snot!

Me: From his Akuma form. But not him.

May: True. But it was also for all the STUPID SHENANIGANS HE DID!

Billy spat out blood and teeth and his nose fell off!

But then…

BLANG BLAM SMASH! WHAM BASH! WHOMP!

SHE BASHED HIM 6 MORE TIMES WITH THE CLUB!

Nico held her back!

Nico: MAY STOP!

May: Okay. I'm good. Next time it won't be a club. IT'LL BE ME BREAKING EVERY SINGLE BONE IN HIS BODY AND MAKING SURE HE CAN NEVER WALK OR MOVE AGAIN! AND THEN I'LL LEAVE HIM FOR DEAD IN THE MINE WE BURIED MINDY IN!

Nico: MAY CALM DOWN! CALM DOWN!

May: Whew.

Camie: Billy must've really done a lot to piss you guys off?

Me: Don't fucking remind us.

Qin: Yeah.

Billy was a REALLY MANGLED MESS!

Nico: I think he gets the point now.

May: Sorry. Just really hated that.

Me: I don't blame you.

Varie healed him up.

Meowth: GEEZ! May really bashed his brains out.

Me: No shit! If he has any brains.

Manaphy was enjoying her Jawbreaker.

Manaphy: Yummy.

Me: That was a cool battle though.

Nico: It was SNOT a problem!

WE LAUGHED!

Luan: (LAUGHS) Good one Nico!

Eddy: (LAUGHS) That was funny!

Nico: Seriously, it wasn't a problem.

Me: Yeah. That was still a good one though.

Misty Tredwell: It sure was.

Carly Atlas: Yeah that was funny.

Xenia: Yeah it sure was.

Ash: Misty and Brock (Ominous voice) You know what was not a problem for me?

Misty: Huh?

Ash: This! (ROARS LIKE THE THING)

HE SCARED THE LIVING CRAP OUT OF MISTY AND BROCK WITH A SCARY AND GROTESQUE PALMER-THING MASK ON!

MISTY AND BROCK SCREAMED IN FRIGHT!

Me: WHAT THE FUCKING HELL! Wait.

I pulled the mask off.

Me: This is one of the masks I made. Where did you find this?

Ash: Oh you dropped it and I thought it would be cool to scare people with.

Poliwag: It clearly worked!

Misty: ARE YOU OUT OF YOUR FUCKING MIND!?

Brock: YOU WILL REGRET THAT!

Then Misty and Brock jumped him and pulverized his brains out and me and Nico grabbed them both.

Me: Okay guys break it up!

Nico: That's enough! Ash was just being silly.

Horsea: That was scary!

Ash: Sorry.

Me: Okay guys knock it off! Also I was gonna use this mask for one of my halloween props but I lost it. Thanks Ash for finding it for me.

Ash: No problem.

Pikachu: Pika.

Nico: Yeah.

Camie: But that was still funny.

Me: Yep. Now for the next part of our business.

Nico: The Anothers.

Me: Yep.

Eli: Lets see. (CONCENTRATES) WHOA! We got Another Robot Devil, Hamhock, Universe 666 Dracula (The Batman), Rinju Orca Fist Yachishi, Universe 666 Freddy Krueger and Santánico Pandemonium.

Me: WHOA! This will be cool!

Lola: Cool!

Nico: Who's up?

Me: Wataru, Blade, Elizabeth Draculana, Emma Vampirella, Sarah Dullahan and Mary Adelberte.

Nico: Nice.

Eli: And I sense that the anothers minus Robot Devil are 1 person.

Qin: Cool!

Nico: There they are!

We saw Another Hamhock, Universe 666 Dracula (The Batman), Rinju Orca Fist Yachishi, Universe 666 Freddy Krueger and Santánico Pandemonium!

Qin: WHOA!

Me: This is gonna be good!

Another Hamhock: (In a girls voice) It sure will be fun.

Nico: (GASP) Lina Lynx!? Whoa!

They merged and she reverted back and was a girl with red and orange hair and had blue eyes and had fire angel wings and had orange clothes and had Lynxmon in the middle of her forehead and on her skirt and had the Crest of Courage on her arm and she had a fire sword.

Lina Lynx: Awesome to see you again Nico.

Me: The Lynxmon Gene-slammer right?

Lina Lynx: That's right. Gatomon using the Digi-Egg of Courage.

Me: That is cool!

Xenia: Wow!

Gatomon: Wow! No kidding! That is awesome!

Nico: It sure is!

Me: Yeah. By the way is the Another Robot Devil friendly or hostile?

Lina Lynx: Friendly and she is a powerful and awesome one.

Me: Nice!

May: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers all over!

Blade: You obviously do not know WHO YOU ARE FUCKING WITH!

He activated an ULTRAVIOLET FLASHBANG GRENADE!

Then it went off and released a massive flash of ultraviolet light and incinerated Universe 666 Dracula in an instant! All that was left of him was a charred skull!

HE WAS TOAST!

Another Santánico Pandemonium: (Demonic Voice) Welcome to slavery.

Me: No thanks! I already got a bunch of loving wives!

I fired a wave of energy and blasted her and destroyed her.

Jungle Fury Rangers: CLAW CANNON! POWERED BY ANIMAL SPIRITS!

R.J.: WOLF BEAM!

Dominic: RHINO SHOOTER!

Nico: FIRE!

The Rangers and Emma Vampirella fired waves of energy and blasted Another Rinju Orca Fist Yachishi and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: Rinju Orca Fist Yachishi you have failed this world!

We blasted the rest of the Anothers and I caught the Wonder Ride Books!

Me: OH YEAH!

Nico: And now, we wait.

Emma Vampirella: That was cool though.

Then a black light appeared on Emma's finger and it revealed AN ORCA WHALE SPIRIT RING!

Emma Vampirella: (GASP) My own spirit animal ring!

Isabel: The Orca is perfect for you Emma. They symbol of healing. With this totem in your life, you'll learn to enjoy things to the full. The killer whale reminds you that you only have one life, and helps you live it to the fullest. They also symbolize family, romance, longevity, harmony, travel, community and protection.

Emma Vampirella: Wow that is awesome!

Nico: It sure is.

Then a purple light came and landed in Emma's hand and it was the Animal Crystal for the Orca Whale Wild Zord!

Emma Vampirella: (GASP) The Orca Whale Wild Zord Crystal!

Lola: Wow! That is cool!

Nico: Yeah it sure is!

She then got her own Crystal Dagger too.

Nico: Nice!

Rice: Poromon, could you and the others join me later?

Poromon: Sure Rice. What for?

Rice: Something special.

Poromon: Okay.

Nico: Cool.

Me: And Nico, Rarity and the girls have something awesome for you, Hoity Toity and Gabriel to see while they are doing that.

Nico: Looking forward to it.

Horsea: I can't wait!

Me: And here we go!

We saw ANOTHER ROBOT DEVIL!

Me: Here we go!

Qin: This is gonna be good.

Me: Yep.

Another Robot Devil: (In a girls voice) And it sure will be awesome.

Me: (GASP) That voice!

She reverted back and was a girl with blue hair, blue eyes, blue clothes, blue dragon angel wings and had a tattoo of a blue dragon on her arm and had a tiara with the symbol of the Seiryu Dopant on it and on her skirt and she had a dragon scythe in her hand.

Me: (GASP) Seiryu Yokohama!

Nico: WHOA! I'm guessing you're the Avatar of the Blue Dragon of the East.

Seiryu Yokohama: That's right and also the Embodiment of the Seiryu Dopant and a master of the Blue Dragon.

Me: Wow! Yep that's right. Also she is a master of the powers of lightning and the sea and the storm. Also she has the powers of dark magic and is a master of robotics.

Robot Devil: Wow! That is just like me too.

Me: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Seiryu Yokohama: No he didn't because he was afraid of my power.

Me: I'm not surprised. Whenever the powers of a god is involved he is afraid of their power.

Nico: Yeah.

Kaito and Zocks: ZENKAIJU ARMOR!

They donned their Zenkaiju armor.

Me: Yeah!

Lincoln: Lets separate you first.

We did so.

Seiryu Yokohama: I'm ready!

Another Robot Devil: You really think you can take me on!? Who's side are you on?

Me: The side that kicks your twisted fucking metal ass!

Nico: (gets out Robot Devil's Ridewatch) Domo arigato, Mr. Roboto!

May: (Gets out Universe 666 Dracula (The Batman) Ridewatch) (Transylvanian Accent) I will use your blood to nurture me!

Maria: (Gets out Universe 666 Freddy Krueger) When you die in your dreams you die for real!

Blade: (Gets out Hamhock's ridewatch) This porkchop is hungry for you. Some motherfuckers are always trying to iceskate uphill.

They used the powers of Robot Devil, Hamhock, Universe 666 Dracula (The Batman), Rinju Orca Fist Yachishi, Universe 666 Freddy Krueger and Santánico Pandemonium and blasted the another all over.

Then Phantom of the Bwahpera, Tankor, Jetstorm (Beast Machines), Obsidian (Beast Machines), Predacon Rhinox, and Mirage (Vehicon) came!

Me: WHOA!

Nico: Nice team Phantom!

Phantom of the Bwahpera: (Gibbers) (BURPS)

The Rabbids cheered at this.

Eddy: (LAUGHS) The Rabbids love this group!

Qin: They sure do.

?: Boy no kidding!

Earthrock Trilobyte came!

Me: Whoa Earthrock Trilobyte!

Xenia: Wow!

Earthrock Trilobyte: (In a girls voice) This will be fun.

Nico: Cambria Cambrian Trilobyte! Wow!

Cambria Cambrian Trilobyte: Yep. Awesome to see you again Nico after all these eons. I got this.

She fired energy blasts and blasted the Another down and I caught the ridewatch and purified it.

Me: YEAH!

Cambria reverted back and she was a girl with blond hair and blue eyes and had a trilobyte symbol in the middle of her forehead and she had a Crescent Moon with a sun birthmark on her neck and she had golden angel wings and golden clothes and had a belt with the symbol of the Cambria Dopant on it and on her skirt and she had a fire sword.

Cambria Cambrian Trilobyte: That was awesome!

Nico: Yeah it was!

Poromon: YAY!

Qin: Awesome to see you Cambria.

Cambria Cambrian Trilobyte: Same here Qin.

Me: Wait a sec. Cambria I recognize the symbol of on your neck. That's the symbol of the Nermomia Kingdom.

Cambria Cambrian Trilobyte: That's right. I'm the Princess of the Nermomia Kingdom of Sardonia.

Me: Wow that is cool!

Cambria Cambrian Trilobyte: I know and also I've waited all this time to be with Nico.

Me: How long?

Cambria Cambrian Trilobyte: 530 million years. I'm now immortal. I was kidnapped by evil people and sent back in time to 530 million years ago. Inadvertently I was made immortal and I lived for that long.

All of us: WOW!

Xenia: That's incredible!

Nicole: You were around since the Cambrian Period!? That's amazing!

Lola: I'll say!

Poliwag: You're just as immortal as J.D. is now!

Cambria Cambrian Trilobyte: Exactly. Like all of you are now.

Me: That is awesome. And you are also the Embodiment of the Cambria Dopant. And that means that you are the master of all things from over the course of 530 million years.

Cambria Cambrian Trilobyte: Yep.

Me: We'll have to show you around Paleozoic World so we can see this to believe it.

Cambria Cambrian Trilobyte: Yeah.

Lina Lynx: That will be awesome.

Horsea: You won't regret it.

Me: Yep.

Blade: Do you 2 have any favorite memories of Nico?

Cambria Cambrian Trilobyte: When me and Nico were in Earth Science on a field trip and we found fossils of Hallucigenia.

Nicole: WOW! That was a lobopodian that lived back over 525 million years ago!

Cambria Cambrian Trilobyte: That's right. It was cool.

Lina Lynx: And my favorite is when me and Nico were at my family's Lynx reserve. We nurse back to health Lynx cats.

Fluttershy: That is a really amazing thing to do.

Me: Wow! We'll have to see what that's like soon.

Poromon: It's a beautiful place.

Me: And Lynx's are awesome cats.

Nico: Yep.

Nico hugged them both.

Nico: I've missed you girls.

Lina Lynx: Same here Nico.

We went back home and got the parents of Rei and the girls settled in.

Lincoln: Whoa, we're here in Hungary, and I know what we're going to do here, not only am I going to rescue the sixteen girls here, but we got bad news: our old enemy, Gigawatt, the Uxitian energy vampire, has returned, to get revenge on us, but he's also not alone: he's also created an army of energy vampires like himself.

Nico: The Dark Orb gave him that ability to create energy vampires like himself.

Me: Just like those electric beasts Ultimate Electro was able to create when he had a piece of The Tablet in him.

Lincoln: Yep, and I'm going to have quite a feast as I drain all of them dry and I also drain Gigawatt dry as well.

Wataru: From what Stella told me about him, he's basically an energy sucking vampire that drains electricity from whole cities and other electrical devices.

Lincoln: That's right. But, that's also going to be a problem for him, since I also have that same kind of power.

Suddenly, we saw an energy vampire heading right for us, but Lincoln grabbed it and he sucked out all of its energy and electricity and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger. When Lincoln was done, it was dead in less than a second.

Lincoln: Whoa, this is incredible. Alright, let's get going and find that energy vampire.

We travelled through Hungary, but in the process, we've also found more of Gigawatt's energy vampires who came after us, but Lincoln grabbed them and he sucked out all of their energy and electricity and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger. When Lincoln was done, they were all dead in less than a second.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red headband, crimson red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin and fangs, she has massive and beautiful midnight black angel wings, she's dressed in a white frilly short-sleeved shirt, white cravat, necklace with a red gem for the pendant, black pants, midnight black knee-high high-heeled boots with butterfly buckles, red coat and long white long-sleeved trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, bats, phoenixes, and angels on the coattails and on the back are the Vampire Duel Monsters and The Vampires of Magic The Gathering, holstered on her back is a massive darkness greatsword with angel runes etched on the 7'9" massive, wide, double-edged midnight black and purple blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tip for the pommel and with her are the sixteen girls.

Lincoln: (GASPS) Ariana Ardelean Dracula, Avatar of The Vampire Duel Monsters and The Vampires of Magic The Gathering.

Ariana Ardelean Dracula: That's right, and I got the girls away from that energy vampire, and when I found out Flip and Icky Vicky were behind it, I want to tear their heads off.

?: You will all pay for what you did to me, Team Loud Phoenix Storm!

We then saw our target, Gigawatt, heading right for us.

Sylvester: Oh boy, he's mad now!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: Yeesh, I knew we made him mad after what we did defeating him years ago, but now, he's even madder than ever! Let's short him out immediately.

Then, Lincoln grabbed Gigawatt and he then began sucking out and draining Gigawatt dry of all his electricity and all of his powers and he made them his own and he also destroyed The Dark Orb and we gained another massive power boost and our auras protected us from the fragments and they too were destroyed. When Lincoln was done, Gigawatt was completely drained of all of his powers and electricity, and he was then sent to Vypra via a portal Lincoln opened up. We cheered as we holstered our weapons and powered down.

Lincoln: Whew, that was electrifying.

Suddenly, we saw Lincoln's long wild white hair that went down to the bottom of his neck grew a little longer reaching the length of his shoulders and the back part of his hair and the front strands of his hair now have phoenix fire ombre streaks.

Me: Whoa! Now, that's really awesome!

Nico: That's really incredible. Lincoln, your hair not only grew longer reaching the length of your shoulders, but the back part of your hair and the front strands of your hair now have phoenix fire ombre streaks.

Lincoln: Heh, that's really incredible. This happened due to me draining Gigawatt, and he'll be in for quite the discipline from Vypra. (To Ariana Ardelean Dracula) And it's so good to see you again, Ariana.

Ariana Ardelean Dracula: You too, Lincoln, it's been seven years since we last met, and it's so good to see you and Ramona again, Adriana.

Adriana Ardelean Dracula: (Romanian Accent) You too, Ariana.

Suddenly, Ariana Ardelean Dracula wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and then all over the place: face, arms, pecs, eight-pack abs, and stomach. When Ariana Ardelean Dracula was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Ariana Ardelean Dracula: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Ariana Ardelean Dracula's waist and hugged her, and Ariana Ardelean Dracula is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ariana Ardelean Dracula: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are

really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Ariana Ardelean Dracula, Avatar of The Vampire Duel Monsters and The Vampires of Magic The Gathering, she's Lincoln's Guardian Angel from England and she's a centuries-old immortal and extremely very powerful Vampire Queen from the 15th Century who has immense powers over darkness, blood magic, black magic, dark magic, Satanic Magic, necromancy, the undead, and The Occult, and has immunity from The Sun and the other weaknesses of the vampires. She had earned the moniker, The Nightmare of The Vampires, because throughout the centuries, she's killed a ton of evil vampires who tried to kill her many times only to fail in their many attempts. She's also the older sister of Adriana Ardelean Dracula and Ramona Alucard, and even more shocking: she's the daughter of Vlad Dracula, and she like her two sisters is also a very powerful and skilled Vampire Slayer. She moved to Royal Woods and met Lincoln and when she found out from Lincoln that Adriana turned him into a vampire because of what Lynn did, she knew her sister did the right thing saving his life, and she trained Lincoln even more with honing his vampire powers and abilities, and they've gone out at night to slay any evil vampires that dare to infiltrate Royal Woods. Lincoln made her a powerful darkness greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her, Adriana, and Ramona along with the rest of his harem. She's also really good friends with Lucy and her friends in The Young Morticians' Club and like Adriana, she really really really hates Lynn with a very bloody passion because of her attack on Lincoln long ago that led to Adriana feeding Lincoln her blood and transforming him into a vampire.

Nico: Just like what we heard yesterday, that really is scary.

Lincoln: She's definitely that terrifying and powerful, no vampire has been able to fight her, all who do wind up dead at her hands, and she's fed on many of her slain enemies over the centuries.

Me: (GULPS)

Nico: Wow, she's even scarier than Adriana, Ramona, and Elizabetha when she gets mad.

Lincoln: Which is something no one dares to do, and now that you're here, Ariana.

Lincoln leaned his head down the right side of Ariana Ardelean Dracula's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Ariana Ardelean Dracula: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ariana Ardelean Dracula with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Ariana Ardelean Dracula: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal

Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ariana Ardelean Dracula.

Ariana Ardelean Dracula had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ariana Ardelean Dracula's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Marie Delaporte had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the sixteen girls, and when Lincoln saw the sixteen girls, he immediately recognized them. The sixteen girls are Ayaka Shimizu, Ema Kashiwagi, Mutsuki Shiranui, Kotoha Tsukino, Miki Tsuchiura, and Otoha Kanashige from School Saimin Paradise!, Penny/Ana Castillo, Meowitch, and Delia Amphibiana/The Frog Princess from Enchanted Portals, and Iroha Ezaki, Tsumugi Morinaga, Nagi Sakuma, Scarlet Hershey, Kanon Koike, Estefania Akagi, and Himariko Yamazaki from Sweet Home Maid.

Lincoln: Oh wow, it's Ayaka Shimizu, Ema Kashiwagi, Mutsuki Shiranui, Kotoha Tsukino, Miki Tsuchiura, and Otoha Kanashige from School Saimin Paradise!, Penny/Ana Castillo, Meowitch, and Delia Amphibiana/The Frog Princess from Enchanted Portals, and Iroha Ezaki, Tsumugi Morinaga, Nagi Sakuma, Scarlet Hershey, Kanon Koike, Estefania Akagi, and Himariko Yamazaki from Sweet Home Maid.

Nicole: Thank goodness Ariana saved them from that energy vampire, and if I find out Flip and Icky Vicky were the ones who dragged them here to get them killed by Gigawatt, they are so dead.

Lincoln: If that's true, they're done for when we go after them in the future. Are you girls okay?

Ayaka Shimizu: Yes, we're okay, thanks to you.

Then, when Ayaka Shimizu and the other fifteen girls saw who it was that saved them from Gigawatt, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going to the length of his shoulders with phoenix fire ombre streaks on the back part of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also

Ayaka Shimizu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made fifteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ayaka Shimizu: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayaka Shimizu, Ema Kashiwagi, Mutsuki Shiranui, Kotoha Tsukino, Miki Tsuchiura, Otoha Kanashige, Penny/Ana Castillo, Meowitch, Delia Amphibiana/The Frog Princess, Iroha Ezaki, Tsumugi Morinaga, Nagi Sakuma, Scarlet Hershey, Kanon Koike, Estefania Akagi, and Himariko Yamazaki with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was our old enemy, Gigawatt, and just as we saw on Lincoln's rescue, it was Flip and Icky Vicky who did the deed.

But, when Lincoln showed what he did first by draining the energy vampires Gigawatt had created dry thanks to the Dark Orb embedded in him and then all of us beating him down and Lincoln draining him dry and sending him to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Marie Delaporte have a lot of catching up to do, now that she's back in town.

Maria: Just like what we saw, that mutant and that bubble butt rage-crazy she-demon were the ones who freed Gigawatt. And you also have a new hairstyle just like J.D., Lincoln.

Lincoln: Looks like I started a trend just like J.D.

Nico: You sure did, and we need to keep a closer eye on Flip and Icky Vicky.

Me: You said it, those two are already starting to lose it, and it's only a matter of time before they do something even more stupid.

---

After Lincoln and all of us beat down Gigawatt and he sucked out and drained him dry all of his electricity and powers and sent him to Vypra, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ariana Ardelean Dracula saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ariana Ardelean Dracula: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ariana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Ariana Ardelean Dracula: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Ariana Ardelean Dracula: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a man dressed in clothes that only a mobster would wear.

Selene Arcangela: Oh shit. Lincoln, we got trouble, it's Louie.

Lincoln: As in Louie "Cutthroat" Ronson?

Selene Emperyous: What the hell is he doing here?

Eli: You guys know him?

Me: They do, and so do we. Louie "Cutthroat" Ronson is one of the most notorious mobsters in Michigan, he's responsible for a massive enterprise that deals with racketeering, extortion, gambling, and other operations. But, their top business is murder for hire, Flip hired him to kill us, but he's failed numerous times as many of his hitmen wound up getting absorbed by Lincoln.

Lincoln: Now, Ronson's come to finish the job himself. Well, he's about to join his men, let's get that mobster.

We flew out of the World Tree Estate and Lincoln fired waves of rainbow energy and elements that hit the mobster as we landed.

Louie "Cutthroat" Ronson: You damn bastards, you've cost me my men and Flip's already losing his patience over the years.

Lincoln: This was all Flip's fault, he made the big mistake hiring thugs and mobsters like you to try and kill us, Louie. Now, it's high-time for you to join your men.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into Louie Ronson's chest and he began absorbing the gangster and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of the gangster except for his clothes and he was sent to The Black Gates. Then, we headed back inside and we continued our workouts.

Lincoln: That's it for Mike Ronson, now his operation is finally over.

BELLOWING YELL OF RAGE!

Nico: (Smirks) And we've pissed off the three-butt-cheeked mutant even more.

Me: And it won't be long before doomsday comes for him.

Lincoln: When that day comes, all Hell is about to break loose for Flip.

We got a shower, and then, Lincoln, Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider are heading to Emerald Coast.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Carmine: Wow, so this is Emerald Coast. It sure is beautiful.

Lincoln: It sure is, Carmine, and it's perfect for our first date. Shall we?

Lincoln, Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider and they hugged the girls in their abnormally massive and powerful muscular arms and Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider are in your harem, Linky.

Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider showed the marks Lincoln made on the right sides of their necks.

Nico: Man, how many of Ash's old friends have fallen in love with Lincoln? He's seriously a magnet for girls and women!

May: Even I was unable to figure that out, but it was still really amazing.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Carmine, Perrin, Briar, Simulator Foxfire, and Wind-Rider, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for another awesome Super Mario Odyssey Adventure.

Nico: It's Round 2 for Lost Kingdom

Me: Cool!

Qin: Awesome!

Troy: Me and Jason will go.

Nico: Okay.

They went in and it activated and they were at LOST KINGDOM!

Troy: Boy it's amazing.

Jason: And in the middle of a sea of poison. Freaky.

Nico: Yep.

Nicole: And you guys are in for a treat. Look on the ground.

They saw SOLID GOLD BEAVERS!? WHAT THE WHAT!?

Troy: Gold beavers?

Nico went over and tapped it.

Nico: This beaver was LITERALLY turned into 24K Gold!

CHACHING!

Jason: How freaky!

Troy: What kind of otherworldly power did this?

Nicole: He's on the top of the mountain. But you can bring those with you.

Nico: Okay.

Nico went and put them in his backpack.

They went to the top and they saw a creepy guy and it was WAYLON JEEPERS!

Nico: Waylon Jeepers!?

Freakazoid: OH NOT THIS CREEP AGAIN!

Jason: Why the gold beavers specifically?

Waylon Jeepers: I just like it. Freakazoid hated my power.

Freakazoid: AND I ALWAYS WILL YOU CREEP! SHEESH! GET A LIFE!

Nico: Geez!

Waylon Jeepers: Hey, you have your hobbies. I have mine!

Nico: So be it then.

Jason: Lets make this fun!

Troy: GO GO MEGAFORCE!

He transformed!

THUNDERCLAP!

Jason: TYRANNOSAURUS!

They were ready!

They went at Waylon and Nico punched him all over!

?: (ECHOING) ARDENT FLAIR!

A wave of fire appeared and blasted Waylon down.

They saw Muchomon and a girl with blue hair and blue eyes and she had blue clothes and had blue angel wings and had a tiara with Launch Octopus on it and she had 8 octopus tentacles coming out of her butt.

Laura Octopus: Laura Octopus, Embodiment of Launch Octopus.

Aquaman: Hey Laura! Awesome to see you!

Mera: Same here!

Laura Octopus: Been a while Mera and Aquaman!

Muchomon: (In a girls voice) (Jamaican Accent) And good to see you Nico mon.

Nico: Nadine Mucho! Wow!

Jason: Wow!

Nico: (gets out Robot Devil and Eli Moon's Ridewatches) Time for robotics and magic to unite!

Nico activated them and fired waves of magic and gears and smashed Waylon all over.

Troy and Jason fired red energy blasts and Laura fired waves of water and drenched him.

Muchomon: My turn!

She reverted back and was a girl with orange hair and had blue eyes and orange tropical clothes and orange angel wings.

Nadine Mucho: LEts do it! (ECHOING) ARDENT FLARE!

She fired a blast of fire and it knocked out Waylon and he waved the white flag of surrender!

Nico: YEAH!

They got more power moons!

Nico: That was awesome!

They high five

Nico: How did you meet Mera and Aquaman?

Laura Octopus: I met them when Orm was trying to destroy the world by flooding it and I helped them by killing him the first time.

Nico: Wow! He had it coming.

Laura Octopus: Yep.

Jason: And Nadine what's your favorite memory of Nico?

Nadine Mucho: When me and Nico were in Jamaica and we made an amazing Banana grove by dancing to the Banana Boat Song.

Nico: That is awesome and Bastion loves that song.

WE LAUGHED!

Nico: Yeah.

Nico and Nadine hugged.

Nico: I've missed you.

Nadine Mucho: Same here.

Nico: Would you two like to join us?

Laura Octopus: We would be honored.

They left and we cheered wildly for them.

We were busy watching TV, and many of us were doing work-outs

to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Back at the estate we had something awesome going on.

Me: Now we present an awesome fashion show.

Mine and Rarity's hands glow. Hoity Toity and Gabriel oohed as a large collection of stars appeared before us all. Some of them flying into the back end of Twilight's skirt as she posed in the original design and the Magic Symbol of the Skylanders appeared behind her.

Hoity Toity: "Hello… Oh, that was absolutely amazing.

Gabriel: Boy it sure was.

The scene them shifted towards a large orchard that was loaded with apples. Then a lasso from the distance appeared and pulled in a lone apple from the tree. The apple disappeared once Applejack appeared in her dress and made a pose and the Earth Skylanders Symbol appeared behind her.

Hoity Toity: Simply magnificent! And I suddenly have a fierce craving for Dutch apple pie, candied apples on a stick, apple turnovers, apple cobbler…"

Gabriel: That was sensational.

His thoughts were interrupted as some rainclouds appeared, but rather than water, it began to rain various types of candy. Some began to land on the side of Pinkie's dress and one large one on her hat. Pinkie didn't resist extending her tongue to collect a green gumdrop before making her pose and the Tech Skylanders Symbol appeared behind her.

Hoity Toity: "Brilliant!"

Gabriel: Sweet!

But then

THUNDERCLAP! THUNDERCLAP!

Two clashes of lightning appeared before them. Rainbow sunbeams shined down and formed a rainbow.

Then Rainbow came flying through the air, and made a dynamic pose as she landed and the Air Skylanders symbol appeared behind her.

Gabriel: Prismatically beautiful!

Hoity Toity: "Oh spectacular!"

Then They were both taken back again as some vines appeared before them. The vines produced some flowers, which the pedals dropped from them instantly as a few butterflies flew by. One then landed on the side of Fluttershy's head, turning into her hairpin and front of her dress as she made a very calm and confident pose and the Life Skylanders symbol appeared behind her.

Hoity Toity: That was mystifying!

Gabriel: Boy it was!

Then beautiful jewels appeared and grew crystals out of the ground that were then drenched in water and the camera went up and standing on a rock in the ocean was Rarity and she had crystals grow behind her and she stood in an amazing pose and the Water Skylanders Symbol appeared behind her.

Gabriel: That was beautiful!

Then the Aurora shined in and stars shined all over it and angels singing were heard. Starlight Glimmer was in a beautiful purple and sea foam green dress with beautiful jewels on it. And she did an amazing pose and then the Undead Skylanders Symbol appeared behind her.

Gabriel: That was magnificent!

Hoity Toity: It sure was!

Then a massive wall of fire blasted out and it swirled into a Sun and it formed into flames and out came Sunset Shimmer in a magnificent fire dress and she had fire jewels all over it and she did a pose and the Fire Skylanders symbol appeared behind her.

Hoity Toity: That was beautiful!

Gabriel: It sure was!

Then the sky formed into the reaches of space and it showed the sun. There was a solar flare explosion and out came a phoenix and it did a call and crackled with intense flames! Then it hit the stage and a massive vortex of fire exploded out and swirled around and revealed me wearing amazing and awesome fire clothes. I had a fire collared shirt with red, orange and yellow flames on it and had fire khakis and had armbands of fire jewels on my arms and I had wings made of pure fire. I did a pose and the symbol of the Phoenix Sun formed behind me.

Nico: WOW!

Hoity Toity: That was amazing!

Gabriel: What a magnificent display!

Nico: What a fashion show!

Me: What do you all think?

Hoity Toity: That was ABSOLUTELY SUPERB! It's amazing you all did all that!

Me: I helped Rarity design the theme for it. We call it Fashions of the Elemental Forces.

Rarity: It was Elemental Chique!

Nico: That was awesome!

William: I hope the mascots don't get into any trouble.

Nico: They will be okay.

They arrived at the jewelry store where Sora got his ring for Kairi and Rice picked out an amazing and beautiful Neptune Ring for him.

Horsea: What do you think of that one?

Rice: It's perfect!

Manaphy: Yeah!

They bought it and went back home.

Alice Ginnashira: That was awesome!

Me: Thanks!

Rarity: Oh it was absolutely wonderful darlings!

Nico: Awesome job everyone!

Twilight Sparkle: We had fun on that.

Rice and the mascots came back.

Horsea: Hey guys!

Me: Where'd you guys go?

Rice: I have something to say to Sean. Where is he?

Me: I think he's in his room.

Sean was working.

Rice: Sean?

Sean: What's up?

Guyhawk: Rice has something to tell you

Rice went up to him.

Rice: Sean I know this is sudden but since I meat you I feel like my soul has been complete. So.

She got down on her knees and showed the ring.

Rice: SEAN BOLTON WILL YOU MARRY ME!?

Sean: OH RICE I WOULD MARRY YOU TIMES A MILLION YES!

They hugged and kissed and we cheered for them and Rice put the ring on him

G1 Brainstorm: Congrats, you two!

Me: YEAH!

Qin: Awesome!

Lola: Way to go!

Suddenly, Lincoln got a message on his wrist computer: there's a race taking place on Big Chill's home planet of Kylmyys.

Lincoln: Whoa, guys, take a look.

We saw the message.

Me: Awesome, we got a race on Kylmyys.

Nico: Awesome. Let's get our cars ready!

Guts Man: I'm very proud of you two

Me: Me too.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Baron Highway and the Road Crew, and he and his minions are causing havoc. When we saw it, we knew it meant trouble as the vision orb vanished.

Lincoln: Oh boy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and this is one villain we're not going to like in the slightest: I just had a vision and I saw who it was that we're going to confront today, it's none other than Baron Highway and the Road Crew, and he and his minions are causing havoc.

WE GASPED!

Me: WHAT?!

Nico: Oh boy.

Ben: That roadhog, he and his crew are heading straight back to prison.

Lincoln: So, not only are we going to race on the planet, but we're going to take down Baron Highway and the Road Crew.

Nico: This is going to be good. Alright, gang, let's get our cars and head for Kylmyys.

Me: And take that roadhog and his crew down!

Lincoln: And send them back to prison.

Me: Yep. Wait Ben weren't those the same jerks that tampered with the Rustbucket?

Ben: Yep.

Me: What can you tell us about them?

Riley: I was about to ask.

Ben: Here goes.

He told us about them.

Nico: They could go into the Masters of Evil

Me: That works too.

Camie: After we REALLY Rough them up.

The previous group came.

---

The Road Crew is a trio of three highway bandits consisting of Baron Highway, Turbine, and Road Rage.

They had been terrorizing a road in Ben 4 Good Buddy. After a skirmish with Grandpa Max's RV, the Rust Bucket, they managed to steal it at a gas station. They then modified it to be able to equip a missile that they stole from a train, planning to use it to destroy a new highway, nearby ensuring they would have plenty of victims in the future. They tried to complete their objective, to destroy the new highway, but Ben, Gwen and Grandpa Max were able to defeat them. The group still terrorizes the roads even after the episode.

---

When it was done we were shocked and horrified!

Qin: These guys are REALLY GOING right to jail now.

Nico: They could go into the Masters of Evil

Me: That works too.

Camie: After we REALLY Rough them up.

The previous group came.

Anti Wanda: Can me, Mammoth, Eris, Artie Ziff, 2016 Morbucks, Raven Branwen, Cavalier, Condiment King, Stinky Butt and Professor XXXL go with ya'll?

Nico: You sure can.

Qin: The races are on and we're going to the planet Kylmyys for the first one.

Camie: So bundle uo.

Mammoth: We will.

Shockwave: Nico, which Gene Slammer do you think you'll meet next?

Nico: Gigavolt Man-O-War next.

Me: Ooh electrifying!

SpongeBob and Patrick: JELLYFISHING JELLYFISHING JELLYFISHING JELLYFISHING JELLYFISHING!

We laughed!

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Dampyre, a villain from Marvel comics and an enemy of the Silver Surfer, and he's coming here to get revenge on The Silver Surfer. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Dampyre, an old enemy of The Silver Surfer, and he's coming here to get revenge on him.

We gasped.

Silver Surfer: It's been a long while since I last encountered Dampyre.

Me: Lincoln and I read about him, he's a vampiric being who feeds on the life energy of victims. As much as I want to kill him, but compared to beings like Thanos, he isn't that much of a scumbag.

Crystal Blanchard: But, he's going to be taken down and muzzled and tied up.

Lincoln: Right, Crystal.

Nico: This is going to be good. Alright, gang, let's get in our cars and head for Big Chill's home planet of Kylmyys, and take down Baron Highway and the Road Crew.

Lincoln: And send them straight back to prison, and once we get done with them, you're next, Dampyre.

Crystal Blanchard: There's no way we're letting you get away with this, Dampyre, hope you're ready to get beaten down and handed over to Vypra.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us got into our cars and headed out through a portal that led to Kylmyys for an awesome race and we're also going to battle Baron Highway and the Road Crew and send them on a one-way trip to prison for the rest of their lives, and once we got done with those roadhogs, Lincoln and Crystal Blanchard along with me are going to take down Dampyre.

We loaded our cars into the ship and we were off to Kylmyys

* * *

We arrived at the planet Kylmyys and it was a cold planet.

Artie Ziff: Here we are!

Me: Planet Kylmyys.

Xenia: Wow!

Chione: Cold here.

We landed and got ready for the race. Man was it a cold place. It was as cold as the planet Hoth.

Camie: Wow! So this is Kylmyys! It's so cold!

Flash Man: It's freezing!

Nico: It's an ice planet. What did you expect.

Varie: But it's an amazing planet and the view of the 2 moons it has is amazing.

Qin: Yeah.

Chione: It's amazing that the home planet of my Necrofriggian Heritage is this amazing.

Roxas: And Laura? We killed Orm during the battle against Team Dark Phoenix Storm.

Laura Octopus: I know but this was before Aquaman and Mera joined you all.

Roxas: That makes sense.

Nico: Yep.

Cavalier: But you had the right to know.

Laura Octopus: True.

Lincoln formed a massive indestructible diamond barrier that protected all of us from tendrils that came out of nowhere.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, Dampyre, or we will force you out.

A figure came out, and it was none other than Dampyre.

Silver Surfer: Should've known you'd show up here, Dampyre. I thought I was rid of you after our last encounter.

Dampyre: You won't be so smug for much longer, Surfer!

Crystal Blanchard: You won't be laying one hand on him or anyone else ever again.

Suddenly, Crystal Blanchard's ice blue eyes turned neon ice blue and she was surrounded by an ice blue energy aura with stars, snow, ice, snowflakes, ice crystals, magic, fairies, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Dampyre, she left ice blue energy, stars, snow, ice, snowflakes, ice crystals, magic, fairies, phoenixes, and angels with every step.

Crystal Blanchard: You may not be that much of a scumbag like Thanos, but I'm still not going to let you get out of this, Dampyre, we're taking you down and we're sending you to Vypra.

Suddenly, Crystal Blanchard was surrounded by a massive vortex of ice blue energy with stars, snow, ice, snowflakes, ice crystals, and magic surrounding the vortex, there are fairies, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Dampyre: the red eyes of judgement.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Crystal is capable of, and that deranged fairy-obsessed killer Randall Williams wound up on the wrong end of her wrath more than once, and he wound up getting bruised more than once for his misdeeds.

Then, as the vortex faded, Crystal Blanchard emerged, but she was

changed forever.

Crystal Blanchard grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large ice blue planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long ice blue hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon ice blue eyes and an ice blue energy aura with stars, snow, ice, snowflakes, ice crystals, magic, fairies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has an ice fairy with a snowflake in her hands emblazoned on her forehead with ice blue iris, she has on fairy earrings with ice blue gems for eyes and holding the Star, Magic, Snow, Ice, and Eternity Kanjis in her hands, she also has an ice fairy with ice blue gems for eyes and holding the Star, Magic, Snow, Ice, and Eternity Kanjis in her hands for the second pendant on the bottom of her ice blue fairy-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with ice blue crystal links from her merged Crystal Necklace of the Buddha and ice blue gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Crystal Blanchard has on a sleeveless ice blue crop top, ice blue skirt, ice blue knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, snow, ice, snowflakes, ice crystals, magic, fairies, phoenixes, and angels on the coattails, and on the back is an ice fairy, a phoenix, and angel and surrounded by snow, ice, snowflakes, and ice crystals and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding an ice blue gem with neon glowing ice blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Crystal Blanchard felt a sharp pain on her back, and then, her massive ice blue and black butterfly wings with blue tips grew much larger for her new body and medium sized ice blue and black butterfly wings with blue tips grew and sprouted out underneath her massive ice blue and black butterfly wings with blue tips and she also now has eleven massive and long ice blue wolf tails with blue tips and blue markings, Crystal Blanchard has on her Ring of the Phoenix with large ice blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and white fingerless bridal gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Crystal Blanchard's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of ice blue energy, stars, snow, ice, snowflakes, ice crystals, magic, fairies, phoenixes, and angels, and when it emerged, it was transformed into Crystal Blanchard's Cosmic Eternal Arctic Snow Storm Fury Ice Fairy Queen Phoenix God Angel Greatsword of Cosmic Eternal Arctic Snow Storm Fury Ice Fairy Queen Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded ice blue gems and ice fairy and runes etched on the 7'9" massive, wide, double-edged ice blue blade, large ice blue phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large ice blue gems embedded in their foreheads, longer midnight black handle, four large ice blue phoenix heads with blue gems for eyes and on the bottom of the large ice blue phoenix heads is a large ice blue phoenix head with ice blue for eyes and blue gem in its mouth for the pommel, Crystal Blanchard has on her brand-new large gold Bracers of The Champions of The Universe with large ice blue gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold fairy head with ice blue gems for eyes and ice blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an ice blue kanji with snowflakes in between the kanji below the ice fairy, phoenix, and angel that said, "Crystal Blanchard, Queen of The Ice Fairies of The Blizzard Kingdom, Despiser of The Deranged Fairy-Obsessed Serial Killer Randall Williams, Master of Ice and Ice Magic, Powerful Force of Good, Thrasher of The Bad Guys, True Immortal and Omnipotent Powerful

We were amazed by Crystal Blanchard's Super Angel-Ice Fairy Queen-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Dampyre saw it, he sent his tendrils at her to drain her of her life energy, but Lincoln slashed them off and he screamed in pain, and Crystal Blanchard fired a massive barrage of ice blue energy, stars, snow, ice, snowflakes, ice crystals, magic, fairies, phoenixes, and angels which hit Dampyre and sent him flying into another wall, he got back up, but now, he was angered.

Me: No way, did Crystal just transform?

Lincoln: She did, and without his tendrils in his mouth, he can't use them to drain anyone of their life energy, now we can tear him apart.

Crystal Blanchard: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Arctic Snow Storm Ice Fairy Queen Phoenix God Angel and Divine Cosmic Eternal Harmony Arctic Snow Storm Ice Fairy Queen Phoenix God Angel Love) You said it, Lincoln. Alright, let's get him, boys!

Lincoln, Crystal Blanchard, and I went after Dampyre, and we fired extremely powerful blasts of rainbow energy, ice blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Dampyre, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Crystal Blanchard also did the same by firing ice blue energy slashes from her massive greatsword, and he, Crystal Blanchard, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Dampyre even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious

Lincoln fired two rainbow energy blasts that turned into a rainbow energy straitjacket that tied Dampyre up and the second rainbow energy blast turned into a muzzle and he was muzzled. Then, Lincoln opened up a portal that led to The Masters of Evil and he threw Dampyre inside. Everyone cheered wildly for what Crystal Blanchard, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Crystal Blanchard's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ice blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large ice blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive ice blue and black butterfly wings and medium sized ice blue and black butterfly wings underneath are permanent.

Crystal Blanchard: Hope you get quite a nasty reprimanding from Vypra. Thanks for helping me take down Dampyre, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Crystal.

Me: My pleasure, Crystal.

Suddenly, Crystal Blanchard wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Crystal Blanchard's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and snow falling behind them and we cheered wildly. Then, Lincoln and Crystal Blanchard sucked in and absorbed the elemental forces and snow and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Crystal Blanchard and hugged us.

Luna: No kidding dudes, you guys taught that life draining vampire a lesson.

Luan: And Lincoln muzzled him and sent him to Vypra.

Me: It was really awesome. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Ravenna Balthazar, Goddess of the Dark Type Pokemon and Avatar of The Elemental HEROES of Darkness and The Destiny HEROES Duel Monsters.

WE GASPED!

Selene Arcangela: Oh man, I knew you'd pick her, we're going to meet the Goddesses of the Pokemon and Avatars of The Elemental HEROES, and you guys are going to love meeting her. Ravenna Balthazar is Lincoln's Guardian Angel from the Kanto Region, and she's a powerful force of darkness, dark magic, black magic, Satanic Magic, The Dark Arts, Necromancy, The Occult, Witchcraft, and The Forbidden Arts. She's a very powerful master of Umbrakinesis, and she also has the power to create monsters of pure darkness, summon demons, and make their nightmares come to life. She's also the strongest Dark Type Pokemon Trainer, and she owns a Gothic castle that looms over the Kanto Region and it also casted a dark shadow on Team Rocket whenever they tried to cause trouble.

May: I remembered meeting her and I remembered something that we heard about when we were in the Kanto Region. There was an old legend told among the people there that should any dare to trespass on the land and dare to cause trouble, they'll be left haunted forever as their darkest nightmares had been brought to life, and they named her The Goddess of The Dark Type Pokemon because we found out her partners are Dark Type Pokemon.

Selene Emperyous: And she also has the Destiny HERO and Dark Elemental HERO Duel Deck and with them, she won many Duel Tournaments alongside Lincoln, and in one tournament, they defeated that cheating bug, Weevil Underwood, and because of Lincoln's intelligence gathering along with his past duels with that bug, he exposed Weevil for trying to cheat, and as a result, Weevil Underwood was banned for life from any future Duel Tournaments.

Me: Serves that bug right.

Michelle Emperyous: She trained Lincoln really hard in the powers of darkness, dark magic, black magic, Satanic Magic, The Dark Arts, Necromancy, The Occult, Witchcraft, and The Forbidden Arts, and even Vorya was impressed. Lincoln made her a darkness greatsword and necklace, and to show thanks, she kissed Lincoln on the lips underneath a full moon, and as a result, when he comes of age, he promises to marry her along with the rest of his harem. She also hates Lynn with a blazing passion because of all the attempts she's made to kill him, and it got Ravenna so pissed off, she used her powers and made that four-legged monstrosity's worst nightmares come to life, and she ran to her room in fright.

Luna: But, not before she pissed and crapped her gym shorts, it was really horrific.

Nico: Yikes!

May: Having Ravenna as a Guardian Angel means that if any dare to hurt one hair on Lincoln, their darkest nightmares will come true.

Rarity, Sweetie Belle and Chione were given beautiful trophies that looked like the planet Kylmyys made of pure blue diamond and it had Big Chill and a race car around it.

Waffle Woman: Congrats, you 3!

Rarity: Thank you, darlings!

Xaldin: No problem.

Common Cold: You guys earned it.

Technus: And the Road Crew are taken care of.

Me: Yep.

Salami Swami: I'm making salami for the victory party!

Me: Awesome!

Nico: Lets head back home and warm up! Great job today everyone.

Chione: Yeah! (To the viewers) Kylmyys was awesome.

Me: Yep.

We went back home and warmed up by the fireplace at Lynn's Table and had hot cocoa and we enjoyed the rest of the day and went to sleep. The next race was gonna be fun.

THE END

One of them is the leader of a cult of Lincoln's guardian angels called The Sacred Order of the Flames of The Phoenix of Nephthys. They are a Cult of Gene-slammers of the Monsters of Nephthys, The Goddess of Decay, Death and Darkness and all of them are Lincoln's Guardian Angels. They are 7 gene-slammers governing the powers of fire and their fire powers are so great that they will burn any form of evil with the intense flames of justice and retribution no matter how powerful they think they are. These girls are so powerful that they are easily on par with us. They were chosen by the power of Nephthys herself. They have a powerful goal and that is to help Lincoln destroy all of his enemies and banish them to the Black Abyss as well as help all of Team Loud Phoenix Storm destroy their most dangerous and most powerful enemies in their neverending quest to defend the universe from all evil. And also the Gene-slammer of Swanmon and the Embodiment of the Boomerang Dopant. Also we're going to meet the gene-slammer of Gigavolt Man-O-War named Gina Physalia and she is REALLY ELECTRIFYING!

Alright, and for tomorrow, the match-up is for Misty Zephyr, Queen of The Wind Fairies, and she and Lincoln are going to destroy Shika Madou, one of the primary antagonists of Seraph of the End

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the south of Gotham Royal York, but we got bad news: Elandra Laval's younger brother, Elijah Laval, is running loose, and he's threatening to kidnap Lincoln's kids and force him to pay $3,000,000 and he's also going to kill them as well. But, Lincoln's kids, like their father, was one step ahead of that stupid pig as they sent him running, but he's still not going to give up and he's still going to try and kidnap them and force Lincoln to pay the $3,000,000 and kill them, Lincoln, and his harem. But, we're not going to let that happen: we're going to find out that he's $3,000,000 in debt to The Uwasa Clan, so we're going to beat that miserable swine down and hand him over to The Uwasa Clan who'll put him to work catching crabs and tuna in the rough Pacific Seas to pay off his debt, and if that moron refuses, he's going to be sunk in Tokyo Bay. And we're going to meet Ravenna Balthazar, Goddess of the Dark Type Pokemon and Avatar of The Elemental HEROES of Darkness and The Destiny HEROES Duel Monsters, she's Lincoln's Guardian Angel from the Kanto Region, and she's a powerful force of darkness, dark magic, black magic, Satanic Magic, The Dark Arts, Necromancy, The Occult, Witchcraft, and The Forbidden Arts. She's a very powerful master of Umbrakinesis, and she also has the power to create monsters of pure darkness, summon demons, and make their nightmares come to life. She's also the strongest Dark Type Pokemon Trainer, and she owns a Gothic castle that looms over the Kanto Region and it also casted a dark shadow on Team Rocket whenever they tried to cause trouble. There was an old legend told among the people there that should any dare to trespass on the land and dare to cause trouble, they'll be left haunted forever as their darkest nightmares had been brought to life, and they named her The Goddess of The Dark Type Pokemon because we found out her partners are Dark Type Pokemon, and she also has the Destiny HERO and Dark Elemental HERO Duel Deck and with them, she won many Duel Tournaments alongside Lincoln, and in one tournament, they defeated that cheating bug, Weevil Underwood, and because of Lincoln's intelligence gathering along with his past duels with that bug, he exposed Weevil for trying to cheat, and as a result, Weevil Underwood was banned for life from any future Duel Tournaments. She trained Lincoln really hard in the powers of darkness, dark magic, black magic, Satanic Magic, The Dark Arts, Necromancy, The Occult, Witchcraft, and The Forbidden Arts, and even Vorya Emperyous was impressed. Lincoln made her a darkness greatsword and necklace, and to show thanks, she kissed Lincoln on the lips underneath a full moon, and as a result, when he comes of age, he promises to marry her along with the rest of his harem. She also hates Lynn with a blazing passion because of all the attempts she's made to kill him, and it got Ravenna so pissed off, she used her powers and made that four-legged monstrosity's worst nightmares come to life, and she ran to her room in fright, but not before she pissed and crapped her gym shorts.

Next up is a race on Heatblast's home planet of Pyros and we're going to battle Phil Billings, an old friend of Max that went rogue. He is going into the M.O.E. and we're going to tell him that we killed Vilgax.

See you next time.

Nico: I know where that is.

Jade Island: I was looking in the wrong spot for it. I was looking in the western area near Java and Sumatra.

Me: Oops.

Nico: No worries. At least we're looking in the right area this time.

Leeli: I'm really excited for this one.

Shinnosuke: Me too. This will be cool!

Nico: It sure will!

Dirt Boss (Armada): We're really looking forward to this.

Mirage (Armada): We sure are.

Nico: Dirt Boss, you and your fellow Mini Cons can talk now, right?

Dirt Boss: Yes we all can now.

Qin: That is awesome.

Me: Boy it sure is. The Minicons are all really cool.

Optimus Primal: Yes they sure are and I think it's amazing that the Minicons have an amazing and powerful potential for all Cybertronians and all of the people of Earth too.

Me: I agree too Optimus.

Camie: Same here.

Nico: Tell me the truth. Do you feel like we should use you guys more often?

Dirt Boss: Yeah.

Me: I agree there. We should.

Nico: You're right.

Qin: Yeah.

Me: That was an awesome race though!

Camie: Cold too!

Nico: Good job winning, Rarity.

Rarity: Oh thank you darling and it was a fun race.

Me: It sure was.

Qin: Those 3 jerks had it coming to them.

Camie: Yeah the Road Crew had it coming.

Lola: Yeah they sure did.

Jen: Ben told me that he bought them on his first year with the Omnitrix

Me: Yeah that's what we heard and it was crazy.

Camie: Yeah it sure was.

Qin: Lola: That was crazy.

Nico: Yeah. But now they are in prison.

Me: Yep.

Nico: Fortunately for them, their cars are with them.

Me: Yeah.

Camie: But that was a fun race though.

Xenia: It sure was.

Rarity: It sure was darlings. I can't wait to see what the next race will be.

Me: Me too. I hope it's someplace hot next.

Nico: Yeah.

Lola: I agree.

Nico: What is it we're looking for?

Nicole: The Fire Heart Ruby of Vritra. It's said to be the Heart of Fire of the Evil God of Fire from Hindu Myth, Vritra.

Nico: Right I forgot. But this will be interesting.

Jade Island: Yeah I was promised to help find it and now I'm gonna get my shot.

Me: Yep you sure are Jade.

Camie: Boy this will be so cool!

We arrived on the island of Yamdena and we were walking through the jungle.

We followed the map that Nicole had.

We then arrived at a hidden temple.

Nicole: There it is!

We saw the Temple of the Fireheart!

Nico: Wow! Lets watch out for traps.

We went into the temple.

It was a dark and scary place.

We stayed close and watched out for traps.

I stepped on a button stone.

Me: Uh oh.

FIREBALLS THEN GOT SHOT AT US!

I fired waves of ice and blasted them.

Me: Jeez!

Nico: Careful!

Nico stepped on a tile.

Nico: Oh crap.

Flamethrower blasts fired at us and we absorbed the blasts of fire.

Qin: Geez!

Nico: Boy this is dangerous.

We then saw a door and got to a huge room and in it was a huge idol.

Nico: Wow!

Lola: Amazing!

Nico: This must be it.

Me: Incredible. Look!

In a statue of a dragon made of gold in its claws was a huge ruby the size of a human head and it was THE FIREHEART RUBY OF VRITRA!

Nico: WHOA!

Nicole: There it is!

Jade Island: At long last!

Lola: Wow!

Nico: Who gets it?

Me: Jade does. It is what she was trying to find and we did promise her.

Nico: You're right.

Jade Island went up to it.

Maria: That was obvious. But fitting

Me: Yep.

Jade went over and then took the ruby out of the statue's claws and it glowed and she was enveloped in a vortex of fire and was imbued with all of Vritra's powers!

Jade Island: Wow! I feel amazing.

Nico: Awesome!

Camie: Cool!

May: Nice job!

Jade Island: Thanks.

We got out of the temple and we were outside.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that Goldcap, Decepticolt and Zappityhoof have been sighted.

Twilight Sparkle: The Pseudocorns?!

Rainbow Dash: Not those three again!

Nico: Twilight, Rainbow Dash, you know them?

Twilight Sparkle: Unfortunately we do. Goldcap, Decepticolt, and Zappityhoof, the Pseudocorns, are an evil trio of unicorns that Rainbow Dash and I have dealt with in the past.

Rainbow Dash: And you aren't going to like any of them one bit, Goldcap, Decepticolt, and Zappityhoof decided to create a forbidden magic potion to turn themselves into Alicorns and become famous. In order to perform the spell, the Pseudocorns stole my wings while I was sleeping to use in their potion.

WE GASPED!

Nico: Those power-hungry obsessed unicorns!

Lincoln: I remembered you and Rainbow Dash telling me about them, Twilight. Under the belief on how you became an Alicorn, they tried to do the same, but they resorted to mutilation to do so. You both defeated them and you told them that you earned your wings and ascension into becoming an Alicorn by studying, learning and making friends.

Twilight Sparkle: That's right. Now, we find out they're back to causing trouble again even after I stripped them of their magic, this cannot go on.

Lincoln: Leave them to me, Twilight, they hurt you and Rainbow Dash in the past, two of my future wives, they're not getting away with this. (Deep Sapphire Eyes turn Blood Red) Goldcap, Decepticolt, and Zappityhoof, you three will be punished severely!

Me: Uh oh!

Nico: Yep, they pissed Lincoln off!

Me: Who are the Pseudocorns?

Twilight Sparkle: Oh right. Their names are Goldcap, Decepticolt and Zappityhoof. They tried to find out how to become Alicorns like me.

She went over their history.

---

Goldcap, Decepticolt and Zappityhoof, or better known as the "Pseudocorns", are an evil team of unicorns and the main antagonists of My Little Pony: Friends Forever issue #25.

Under the belief that Twilight Sparkle used similar methods, Goldcap, Decepticolt, and Zappityhoof decided to create a forbidden magic potion to turn themselves into Alicorns and become famous. In order to perform the spell, the Pseudocorns stole Rainbow Dash's wings while she was sleeping to use in their potion, getting Twilight and Rainbow Dash to try and stop them.

At the beginning of the comic, Rainbow Dash wakes up one morning to find that her wings have been completely removed, causing her to panic. She immediately goes to Twilight's castle in order to find out what happened to her wings.

Using a Tramalocation spell, Twilight locates Rainbow's wings and is shocked to find that three unicorns removed Rainbow's wings with magic.

While secretly being observed by Twilight and Rainbow, the three culprits boast about their success and express their desire to become Alicorns and become famous, believing that they would automatically become members of Canterlot society, with Zappityhoof in particular desiring to become an Alicorn princess. While still being observed, the three unicorns fully explain their entire plan; after soaking the wings in the noon-time sun, they would make the wings absorb the twilight glow of the moon, draining their essence to make the potion, which they would then drink in order to become Alicorns.

Horrified with their intentions, Rainbow and Twilight set out to stop them and retrieve Rainbow's wings after Twilight nicknames the group Pseudocorns, since they wouldn't be true Alicorns if they used their potion. Instead of waiting to formulate a plan or strategy, Rainbow forces Twilight to simply go and stop them, planning to simply sneak up on them and take them by surprise.

Using a camouflage spell to hide them and a teleportation spell to take them to the Pseudocorn's location, Twilight and Rainbow try to sneak up on the Pseudocorns and get Rainbow's wings back. Twilight flies above the Pseudocorns and tries to sneak up on them, however, since she can't camouflage her shadow, she is spotted by the Pseudocorns and imprisoned inside a magical net. When Rainbow tries to free Twilight from her prison, she is easily beaten and detained in another net due to forgetting that she can't fly away.

With Rainbow and Twilight imprisoned, the Pseudocorns finally manage to drain Rainbow's wings of their essence and contain it inside a small bottle. When Twilight angrily tells Goldcap about how forbidden their actions are, Goldcap defensively claims that Twilight just wants to hog the power and freedom of becoming an Alicorn to herself. Zappityhoof asks Twilight if they are any different from Twilight when she was a unicorn, and Twilight states that her wings weren't stolen from somebody else, which all three Pseudocorns don't believe.

With enough time and nothing to lose, Rainbow comes up with a plan to defeat the Pseudocorns by having Twilight use a spell to transfer her consciousness into Twilight so she can use her magic while Rainbow flies Twilight's wings. Using a spell to pair their minds, Rainbow Dash and Twilight use Rainbow's superior flying abilities and Twilight's superior magic to easily beat the Pseudocorns into submission and defeat them using a "genuine pseudo-Sonic Rainboom".

After defeating the Pseudocorns and getting the potion containing the essence of Rainbow's wings back, Twilight tells the Pseudocorns that she earned her wings by studying, learning and making friends, and punishes them for misusing magic by removing it until it naturally comes back to them. Twilight and Rainbow then leave the Pseudocorns in the forest where they found them.

* * *

When she was done we were shocked!

Qin: OH MAN!

Me: They can't take another ponies wings to do that! Alicorn powers have to be earned. Not given.

Camie: That's right!

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: And we're ready for those rotten unicorns.

Suddenly, Lincoln's kids arrived.

Lincoln: Kids, what's wrong?

Nyx Midnight: Dad, we got trouble! Someone tried to kidnap us!

Lincoln: What?! Who was it?!

Thunder Sparkle: A male who has the same orange hair as Elandra, and he was completely crazed and murderous.

Elandra Laval: A male with orange hair. (GASPS) And completely crazed and murderous, that's my spineless bastard younger brother, Elijah Laval!

Lincoln: What, your scumbag brother, I thought we drove him out five years ago! Ugh, so it looks like we know who we're dealing with on my rescue today.

Me: Yeah.

Nico: The Pseudocorns are going into the Masters of Evil.

Lola: I agree.

Nico: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began

shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Goldcap, Decepticolt, and Zappityhoof) AHA! Gotcha! I just spotted Goldcap, Decepticolt, and Zappityhoof, they're 20 yards away, and they're coming after Twilight Sparkle and Rainbow Dash.

Me: Let's get those evil unicorns.

Lincoln: And the punishment I've got for them is quite severe. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red

tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Goldcap, Decepticolt, and Zappityhoof.

Nick Russell heard a Pokémon cry

Nick: Look here!

We saw a Mega Mismagius!

Me: Whoa a Mega Mismagius.

Nico: Amazing!

Eli: Perfect for you Nick.

Nick Russell: Yeah and the poor thing hurt herself.

Mega Mismagius: 3 unicorns ambushed me.

Me: The Pseudocorns did this.

We got to healing her.

Nico: You okay now?

Mega Mismagius: Thanks to you guys.

Me: Awesome. You want to come with us?

Mega Mismagius: Sure.

Me: Cool.

We then went to find the Pseudocorns.

We were flying and we spotted Goldcap, Decepticolt, and Zappityhoof, and just as Lincoln said, they're after Twilight Sparkle and Rainbow Dash for revenge.

Lincoln: There they are. Let's see you three jerks survive in a pool of Eldritch Mire.

Lincoln raised his left hand and a ball of dark corruption energy formed, and a portal opens up and it fires blasts of corruption and Goldcap, Decepticolt, and Zappityhoof are hit and are trapped in Eldritch Mire, and he fires three blasts of dark energy which hit the Pseudocorns hard, and we land in front of them.

Neith (SMITE): We told Lincoln about Cthulhu from the world of SMITE and he's just as bad as the one from Lovecraft's stories, so Lincoln absorbed him and assimilated all of his powers and abilities and sent his soul to The Black Abyss.

Me: Yikes!

Nico: And since some of Lincoln's Guardian Angels happen to be the very embodiments of Lovecraft's creations, he has all of those powers and abilities as well.

Goldcap: Ugh, what on Earth is this stuff?

Lincoln: Eldritch Mire. Don't even bother trying to fight, that stuff will continue to break down your mental fortitude until all three of you descend into madness.

Decepticolt: When we get out of this, you will all pay. Now, where is it?!

Jade Island: You mean this?

Jade Island took out the Fire Heart of Vritra.

Nico: You three were after it to gain power and get revenge on Twilight and Rainbow Dash, not happening. And because of what you did in hurting Lincoln's two future wives, you just found yourselves on a one-way trip to Hell.

Jade Island: And we'll make sure you answer for every last one of your crimes.

Me: And your punishment will be eternal servitude in the M.O.E.

Qin: That's right!

Goldcap: We will not stop until we have Alicorn power!

Me: Alicorn power is not to be taken! It has to be earned.

Sunny Starscout: That's right! I became an alicorn by reuniting the three tribes!

Twilight Sparkle: And I earned my wings by studying and bring the magic of Friendship.

Mega Mismagius charged at them

Mega Mismagius: Take this!

She fired waves of magic and blasted them.

Me: Also top this!

I fired a magic laser blast and it hit them turned them into fish!

Goldcap: (SCREAMS) We're fish!

They then started gasping for breath!

Decepticolt: (GASPING) WATER!

Ben: Now they know how Ripjaws felt.

I fired a magic beam and turned them into chickens!

Decepticolts: WE'RE CHICKENS!?

Ed: CHICKENS!

Then Ed hugged them.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Vicetopus: (LAUGHS) Yeah!

Lincoln: Ed, are you going to do a combo or not?!

Me: Lincoln just let Ed have some fun. You know how much he loves chickens. But yeah!

Qin: Take that!

Starlight: You shouldn't mess with Cutie Marks. Trust me!

Me: And you shouldn't mess with Pegasi wings.

Goldcap: WHAT WOULD YOU KNOW!?

Starlight Glimmer: Because I did the same thing myself and it was all done out of hate! And look where it got me! I tried to destroy everything by destroying Twilight's friendship with everypony! I almost destroyed the universe as a result!

Nico: It's the consequence of time travel.

Maria: You mess with time and times fights back!

Qin: With a vengeance times infinity!

Nico: And what you three did resulted in karma biting you back.

They were really mad now!

Jade Island: Now for my fun!

Suddenly, Jade Island's turquoise eyes turned neon turquoise and she was surrounded by a turquoise and sea foam green energy aura with stars, islands, tropical plants, water, ocean waves, leaves, phoenixes, and angels, she unholstered her sword, and as she approached Goldcap, Decepticolt, and Zappityhoof, she left turquoise and sea foam green energy, stars, islands, tropical plants, leaves, water, ocean waves, phoenixes, and angels with every step.

Jade Island: Everything we'd heard from Twilight and Rainbow Dash was true, you three are truly nothing but dangerous powerhungry obsessed creeps, and what you did, there's no way you three are going to escape without any punishment.

Suddenly, Jade Island was surrounded by a massive vortex of sea foam green energy with stars, islands, tropical plants, leaves, water, and ocean waves surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a turquoise blue phoenix with red eyes glaring at the Pseudocorns: the red eyes of judgement.

Nico: Wow.

Me: So incredible.

Lincoln: Now, the Pseudocorns are in huge trouble.

Then, as the vortex faded, Jade Island emerged, but she was changed forever.

Jade Island grew to 8'3" in height, she now has large gold metal braces on her biceps and thighs, and she now has twelve large sea foam green planets orbiting around her legs, she has the body of a goddess, she has turquoise blue highlights in the bangs of her short chin length jade green hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon turquoise blue eyes and a turquoise and sea foam green energy aura with stars, islands, tropical plants, water, ocean waves, leaves, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has an island with her tiara emblazoned on her forehead and Third Eye with sea foam green iris, she has on tortoise earrings with turquoise blue gems for eyes and holding the Star, Island, Water, and Eternity Kanjis in their legs, she also has a tortoise with turquoise blue gems for eyes and holding the Star, Island, Water, and Eternity Kanjis in its legs for the second pendant on the bottom of her sea foam green tortoise-shaped Element of Harmony along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love with sea foam green crystal links from her merged

Suddenly, Jade Island felt a sharp pain on her back, and then, her massive blue angel wings with sea foam green tips on the large blue feathers grew much larger for her new body and medium sized blue angel wings with sea foam green tips grew and sprouted out underneath her massive blue angel wings, and she now has eleven massive and long jade green wolf tails with blue tips and blue markings, Jade Island has on her Ring of the Phoenix with large sea foam green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and red fingerless gloves with gold-plated armored claws on her fingers and smaller planets orbiting around her fingers.

Suddenly, Jade Island's massive greatsword and all the greatswords and swords that she'd gotten began to merge together, and they're surrounded by a kaleidoscope of turquoise and sea foam green energy, stars, islands, tropical plants, water, ocean waves, leaves, phoenixes, and angels, and when it emerged, it was transformed into Jade Island's Cosmic Eternal Tropical Sea Storm Island Dopant Embodiment Phoenix God Angel Greatsword of Cosmic Eternal Tropical Sea Storm Island Dopant Embodiment Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded turquoise blue gems and the Island Dopant symbol etched on the 7'9" massive, wide, double-edged sea foam green blade, large sea foam green tortoise heads with green gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large turquoise blue gems embedded in their foreheads, longer midnight black handle, four large sea foam green tortoise heads with turquoise blue gems for eyes and on the bottom of the large sea foam green tortoise heads is a sea foam green tortoise head with turquoise gems for eyes and turquoise blue gem in its mouth for the pommel, Jade Island has on her large gold Bracers of The Champions of The Universe with sea foam green gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold tortoise head with sea foam green gems for eyes and large turquoise blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. But, when Goldcap, Decepticolt, and Zappityhoof saw it, they went mad and they fired blasts of magic from their horns to hurt her, but Jade Island fired a massive barrage of turquoise and sea foam green energy, stars, islands, tropical plants, water, ocean waves, leaves, phoenixes, and angels which hit them and sent them flying into a wall, they got back out, but boy, were they beyond mad now!

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Jade Island, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Goldcap, Decepticolt, and Zappityhoof even more mad.

Then, Nico fired waves of water and elemental forces, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Jade Island, and I fired powerful blasts of energy, magic, stars, water, ocean waves, and planets at Goldcap, Decepticolt, and Zappityhoof, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked them and they got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Canterlot Voice) Goldcap, Decepticolt, and Zappityhoof, you have committed the grievous crime of tearing Rainbow Dash's wings off and tried to turn yourselves into Alicorns in a pursuit of power, this is an inexcusable crime that deserves no forgiveness. As one of The Champions of Harmony, I hereby strip you three of your powers and sentence you three to be turned into stone statues where you shall be locked inside of permanently and no form of dark magic, the Dark Orbs, nor the Aparoids will be able to free you!

That horrified Goldcap, Decepticolt, and Zappityhoof, and Lincoln fired a massive beam of rainbow energy with elements and cutie marks, and they hit Goldcap, Decepticolt, and Zappityhoof and stripped them of their magic and turned them into stone statues and they were locked in their stone statue prisons forever where no form of dark magic, the Dark Orbs, nor the Aparoids will free them.

Everyone cheered as we holstered our weapons and powered down and Jade Island's new body, clothes, weapons, jewelry, eleven massive and long jade green wolf tails, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large turquoise and sea foam green planets orbiting around her legs, smaller planets orbiting around her fingers, and massive blue angel wings and medium sized blue angel wings underneath are permanent.

Nico: And that's that!

Me: Serves you miserable powerhungry unicorns right!

Lincoln: Now, they'll never hurt anyone ever again in their pursuit of power.

Rainbow Dash: They weren't going to learn their lesson in the slightest even after Twilight told them everything.

Twilight Sparkle: Their minds were only set on only power, and their desire for power twisted their minds.

Eli: They fell down the same road as Queen Opaline and The Doomsday 23.

Lincoln: But, unlike them, they hadn't done anything that warranted The Black Gates, so getting turned to stone is the much better option. And eternal servitude in the M.O.E.

Suddenly, we saw something descend from the skies: it was a gold belt with the Arthurian red dragon symbol for the belt buckle and it lands in Lincoln's hands.

Nico: What is that?

Morgan Le Fay (SMITE): I'd recognize that from anywhere: that is The Belt of Camelot, it's an ancient artifact from my world, and it's imbued with the powers of the Arthurian Gods, Arthur, myself, Merlin, and Lancelot.

Suddenly, The Belt of Camelot had merged with Lincoln's Belt of Elemental Bravery.

Lincoln: And when I absorbed Cthulhu, I'd also gained The Belt of R'lyeh, an ancient artifact from the world of SMITE that was imbued with the powers of The Great Old Ones, and it also merged with my Belt of Elemental Bravery.

Me: Which means one thing: the world of SMITE has merged with our world, and the belts you've been getting along with taking down the evil gods and goddesses from SMITE, this is a sign that you need to unite the Gods and Goddesses of SMITE, Lincoln.

We gasped.

Lincoln: This is indeed quite a challenge, but I've never backed down, I'm ready for anything we encounter.

Nico: That's the spirit!

Eddy: Score one for Eddy 10 and friends!

Ed: YEAH!

Nico: That was awesome!

Camie: Yeah!

Nico: Nice job, Mega Mismagius!

Mega Mismagius: Thanks Nico. It was fun.

Poromon: Want some beer?

Mega Mismagius: Oh no thanks. I drink wine.

Poromon: Wine is good.

Me: Yep.

Poliwag did the puppy eyes.

Poliwag: Pwetty pwease?

Mega Mismagius: Nice try shrimp.

Nico: Poliwag that's enough.

Poliwag: I'm not a shrimp! I drink milk!

Nico: Settle down Poliwag she was just messing with you.

Poliwag: Oh. Hardy har har.

Nico: That's better.

Poromon: Wanna know what we did before coming here?

Nico: Guys stop it.

Poromon: Okay okay! Sorry. But we weren't going to talk about our misadventures. We wanted to tell you that we destroyed a drug gang's hideout.

Me: A Drug gang? Where?

Poromon: In Daichi's area.

Smolder: Wow!

Poliwag: Unfortunately, many of the members got away.

Smolder: If we see them we'll make sure they go to prison.

Eli: That's for sure!

Chloe: Yeah!

Nico: But good work guys!

Poliwag: Thanks.

Me: Yep.

CODA BY HANS ZIMMER PLAYS AT 3:25 TO 4:24

Qin: LOOK!

We looked up and saw a HUGE Ball of fire soaring high above the

Earth.

Nico: WOW! Is that a meteor?

Me: No it looks more like a phoenix. It has to be a sign.

Lincoln: Could it be?

Qin: What is it?

Lincoln: It might be them.

Me: Who?

Nico: We'll find out soon. What was the name of the drug gang?

Poromon: The Chishinzō Gang. 血心臓

WE GASPED!

Me: The Bloodheart Gang!? They are the most ruthless and most evil Cocaine Producers and the most evil group ever to terrorize all of Tokyo. They are also a gang that I've been trying to destroy for years.

Poliwag: We did part one of that.

Me: Destroy their hideout and destroy all their cocaine.

Qin: Nice!

Me: Yep.

Poromon: We just need to take down their members.

Me: Yep.

Sheila: And we'll send them to prison.

Camie: Yep.

Eli: Nice.

Nico: Who's up?

Me: Shinnosuke, Race Minicon Team, Air Military Minicon Team, Space Minicon Team, Destruction Minicon Team, and the Emergency Minicon Team

Me: Whoa!

Nico: This is gonna be good!

Me: Yep.

Another Tankor: (In a girls voice) It sure will.

Another Jetstorm: (In another girls voice)

Lincoln: (GASP) Savannah Nephthys!? Whoa!

Nico: And Sora Swan!? Wow!

They merged and split in two and reverted back. 1 was a girl with orange and red hair and red, orange and yellow clothes and had fire angel wings and orange eyes and had a phoenix cult symbol on her arm and the Sigil of Nephthys in the middle of her forehead and she had a fire sword and she had an Egyptian Ankh necklace. The second girl had purple hair, purple eyes and clothes and purple angel wings and Swanmon in the middle of her forehead and on her skirt and she had the Crest of Love on her arm.

Sora Swan: Awesome to see you again Nico.

Savannah Nephthys: Same here Lincoln.

Lincoln: You too. Savannah is the leader of a cult called The Sacred Order of the Flames of The Phoenix of Nephthys. They are a Cult of Gene-slammers of the Monsters of Nephthys, The Goddess of Decay, Death and Darkness and all of them are my Guardian Angels. They are 7 gene-slammers governing the powers of fire and their fire powers are so great that they will burn any form of evil with the intense flames of justice and retribution no matter how powerful they think they are. These girls are so powerful that they are easily on par with us. They were chosen by the power of Nephthys herself. They have a powerful goal and that is to help me destroy all of my enemies and banish them to the Black Abyss as well as help all of us on Team Loud Phoenix Storm destroy our most dangerous and most powerful enemies in our neverending quest to defend the universe from all evil.

Me: WOW!

Nico: That's incredible!

Lincoln: Yep. And this is Savannah Nephthys, Gene-Slammer of Sacred Phoenix of Nephthys, she's my Guardian Angel from Michigan, she's the leader of The Sacred Order of The Flames of The Phoenix of Nephthys and the strongest member of all of them, she has fire powers that are amazingly strong, and her goal is to kill

Flip, the reason is because he killed her older sister, Selena Nephthys, whom she never knew because she was a baby at the time, and because of it, she wants to burn him with the fury of a million flames of Hell, and she swore she'd never stop until that mutant pays with his miserable life!

WE GASPED IN SHOCK!

Me: Flip killed your sister!?

Nico: Oh man! I'm so sorry!

Savannah Nephthys: What Flip did can never be forgiven.

Me: Nico, The time has come for us to kill Flip.

Nico: Soon J.D. Give it time.

Me: OKay

Nico: Besides, we all know one bitch who's just as bad as him.

Me: Icky Vicky.

Nico: Bingo.

Savannah Nephthys: All the members of my cult want to kill ALL those jerks. You'll meet them all soon.

Lola: Cool!

Nico: If it makes you feel any better, Icky Vicky will be killed before we kill Flip.

Me: Good.

Savannah Nephthys: And me and my cult will gladly help you all out. We all have scores to settle with the jerks.

Varie: Don't blame you. As long as we keep clones of them alive for humiliation purposes.

Savannah Nephthys: Fair enough.

Me: By the way is the Another Phantom of the Bwahpera friendly or hostile?

Sora Swan: Friendly and she is amazingly powerful.

Me: Cool!

Nico: Admittingly, we WILL keep the Wet Bandits as humiliation fodder.

Me: (LAUGHS) Yeah they still crack me up.

Qin: Yeah!

May: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

Me: WHOA! Gigavolt Man O War! Awesome!

Gigavolt Man O War: (In a girls voice) That's for sure!

Nico: Gina Physalia! Whoa!

Gina Physalia: Awesome to see you again Nico. I got this!

She fired a massive blast of lightning and knocked the Another down and I caught the ridewatch and purified it.

Me: YEAH!

She reverted back and was a girl with blue hair and blue eyes and had purple angel wings and a blue bikini and had a Portuguese Man O War Jellyfish in the middle of her forehead with intense lightning in the middle of her forehead.

Gina Physalia: That was awesome!

Rarity: Lets get you some clothes on darling.

The fashion brigade gave her new amazing blue clothes.

Gina Physalia: Boy I look awesome.

Nico: Yep.

May: And I didn't get hit!

Me: Nope.

Mirage (Minicon): Do you have a favorite memory of Nico?

Gina Physalia: I sure do. When me and Nico were at school, we had this nasty bully named Christina Herrington, No relation to Chris Hargensen and she was the meanest bully ever. Me and Nico defended this girl from her and I would use my lightning powers on her and electrocuted her. Then I caught videos of her doing all kinds of horrible things and we got her expelled and sent to prison. Even her family disowned her in the end. She was the states problem now.

Nico: Yep.

Me: Good riddance. That bitch had it coming.

Qin: Yep.

Nico and Gina hugged.

Nico: I've missed you.

Gina Physalia: Same here.

We later went back home.

Elandra Laval's younger brother, Elijah Laval, is running loose, and he's threatening to kidnap Lincoln's kids and force him to pay $3,000,000 and he's also going to kill them as well. But, Lincoln's kids, like their father, were one step ahead of that stupid pig as they sent him running after kicking his ass and they joined Lincoln and his harem on Nico's rescue today, but he's still not going to give up and he's still going to try and kidnap them and force Lincoln to pay the $3,000,000 and kill them, Lincoln, and his harem. But, we're not going to let that happen: we're going to find out that he's $3,000,000 in debt to The Uwasa Clan, so we're going to beat that miserable swine down and hand him over to The Uwasa Clan who'll put him to work catching crabs and tuna in the rough Pacific Seas to pay off his debt, and if that moron refuses, he's going to be sunk in Tokyo Bay.

Lincoln: Whoa, we're here in the south of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the one-hundred thirteen girls and Ets is going to rescue the one girl here, but we got bad news.

Eli: Does this have to do why your kids joined us on Nico's rescue today?

Lincoln: Yes, it does, and it's one Elandra isn't going to like. It appears her younger brother, Elijah Laval, is running loose, and from what Thunder Sparkle and the others told me, he's threatening to kidnap my kids and force me to pay $3,000,000, and knowing that he hated me all his life, he was also going to kill them as well.

Nico: So, that's who it was that?! I thought we'd never have to see that shithead again!

Me: After you and Elandra drove him out five years ago.

Lincoln: Yep. But, my kids, like their father, were one step ahead of that stupid pig as they sent him running after kicking his ass and they joined me and my harem on Nico's rescue today.

Elandra Laval: But, Old Numb Nuts is still not going to give up and he's still going to try and kidnap them and force you to pay the $3,000,000 and kill them, you, and your entire harem.

We gasped. Just then, Leon and Mamoru Ugumori contacted us on Lincoln's wrist computer.

Mamoru Ugumori: There's a reason why he wants $3,000,000. We found out that Elijah Laval owes $3,000,000 in debt to The Uwasa Clan when he took out a loan from them.

Eli: What the?! Over three million dollars in debt?!

Leon Ugumori: He's got a gambling addiction and he can't stop.

Lincoln: So, that explains it, well, he went too far trying to kidnap my kids and extort me and kill them along with me and my harem. We're going to beat that good-for-nothing down and hand him over to The Uwasa Clan.

Darren Devereaux: That's good, they'll put him to work catching crabs and tuna in the rough Pacific Seas to pay off his debt, and if that moron refuses, he's going to be sunk in Tokyo Bay.

Shinnosuke: I hope you also put that Gessius Flores Vengeance Curse on him.

Lincoln: That's actually a good idea, Shinnosuke.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red headband, dark purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful midnight black angel wings and the Dark Type Pokemon crest on her forehead, she's dressed in a purple short-sleeved vest with white fur collar and white fur on the sleeves, black sleeveless crop top, necklace with a purple gem for the pendant, black skirt with the Dark Type Pokemon crest on the skirt, midnight black knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, bats, phoenixes, and angels on the coattails and on the back are the Dark Type Pokemon, The Elemental HEROES of Darkness, and The Destiny HEROES Duel Monsters, holstered on her back is a massive darkness greatsword with angel runes etched on the 7'9" massive, wide, double-edged midnight black and purple blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tip for the pommel and with her are the one-hundred thirteen girls Lincoln is to rescue and the one girl Ets is to rescue.

Lincoln: (GASPS) Ravenna Balthazar, Goddess of the Dark Type Pokemon and Avatar of The Elemental HEROES of Darkness and The Destiny HEROES Duel Monsters.

Ravenna Balthazar: That's right, and I got the girls away from that blockhead slimebag, Elijah Laval.

?: YOU STUPID BRATS, YOU'VE RUINED MY PLAN TO GET MONEY AND KILL YOUR STUPID FATHER AND HIS WHORES!

We then saw our target, Elijah Laval, heading right for us, and boy, was he beyond mega pissed!

Then, Lincoln tied Elijah Laval up in a rainbow energy straitjacket and fired gold energy blasts at him giving him the Gessius Flores Vengeance Curse. We cheered as we holstered our weapons and powered down.

Lincoln: You're through, Elijah. (Sees the Uwasa Clan arrive) Oh, speaking of the Devil.

The Uwasa Clan along with the Ugumori Brothers arrived.

Elijah Laval: No, no! Please, don't have me killed, I don't have the money yet, I was going to get it out of them… !

Leon Ugumori: As if, you're a total liar. You were also going to kill Lincoln, his harem, and kids after you got the money.

Mamoru Ugumori: And now that you've been caught, we'll let The Uwasa Clan deal with you.

Lincoln: Hold on. I also want to add in $18,000,000 to his debt as well.

That puzzled us.

Asahi: I think I know why, he also wants Elijah to pay for the trouble he's caused to her.

Elandra Laval: Wow, I knew Lincoln still held a ton of anger towards him for making my life hell for years. But, Elijah wasn't the only one who made my life hell and I also know of the "someone" or "somebodies" Sylvester mentioned. (YELLING AT THE TOP OF HER LUNGS AND SERIOUSLY PISSED OFF) MOM! DAD! GET YOUR ASSES OUT HERE RIGHT NOW! I KNOW YOU WERE THE ONES WHO HELPED THAT PISSANT RETURN!

We then saw two pissed off figures come out, it was Elandra Laval's parents, and Lincoln fired two rainbow energy blasts that turned into handcuffs and cuffed them.

Elandra Laval: I should've known. Other than Elijah, you two were the ones who also made my life hell by favoring Elijah over me and you treated me like trash! I would've thought you would do something to stop Elijah, but no, you both had huge ambitions and groomed Elijah into your exact image and you even joined in on making my life Hell.

Mrs. Laval: Shut up, bitch!

Mr. Laval: You and that asshole ruined everything, we could've finally been rich and rid of all of you in the process!

Elandra Laval: I shouldn't be surprised that you're still like this, but know that you three have finally crossed the line. Lincoln and I will be getting married in the future, but you, you three stupid maggots will never ever be invited to my wedding, I'm also cutting all ties with you three, I don't want to be related to you ever again. I also sent the rest of the family the videos of your horrendous cruelty towards me. Your parents have disowned you, Dad, you won't be getting anything from them, same with you, Mom, your parents have also disowned you as well and you won't be getting anything from them, and Elijah's no longer their grandson.

Elijah Laval: WHAT?! They can't do this to us!

Elandra Laval: Go to Hell, Elijah!

Lincoln: And you two losers won't be getting off easy, I've also sent the videos of your cruelty to Elandra to the police. While Elijah will be paying off a $21,000,000 debt, you two are both going to prison for the rest of your lives.

The police arrived and took Elandra's parents away, and Elijah was taken to a fishing boat on the Bering Sea to catch crabs and tuna, and with the Gessius Flores Vengeance Curse on him, he'll be able to pay off his debt.

Lincoln: Have fun on the Bering Sea, Elijah, hope you don't get eaten alive, and you two pieces of crap parents can go rot in prison forever. (To Ravenna Balthazar) And it's so good to see you again, Ravenna.

Ravenna Balthazar: You too, Lincoln, it's been seven years since we last met.

Suddenly, Ravenna Balthazar wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Ravenna Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Ravenna Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Ravenna Balthazar's waist and hugged her, and Ravenna Balthazar is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ravenna Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a

tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Emperyous: And so do we, this is Ravenna Balthazar, Goddess of the Dark Type Pokemon and Avatar of The Elemental HEROES of Darkness and The Destiny HEROES Duel Monsters, she's Lincoln's Guardian Angel from the Kanto Region, and she's a powerful force of darkness, dark magic, black magic, Satanic Magic, The Dark Arts, Necromancy, The Occult, Witchcraft, and The Forbidden Arts. She's a very powerful master of Umbrakinesis, and she also has the power to create monsters of pure darkness, summon demons, and make their nightmares come to life. She's also the strongest Dark Type Pokemon Trainer, and she owns a Gothic castle that looms over the Kanto Region and it also casted a dark shadow on Team Rocket whenever they tried to cause trouble. There was an old legend told among the people there that should any dare to trespass on the land and dare to cause trouble, they'll be left haunted forever as their darkest nightmares had been brought to life, and they named her The Goddess of The Dark Type Pokemon because we found out her partners are Dark Type Pokemon, and she also has the Destiny HERO and Dark Elemental HERO Duel Deck and with them, she won many Duel Tournaments alongside Lincoln, and in one tournament, they defeated that cheating bug, Weevil Underwood, and because of Lincoln's intelligence gathering along with his past duels with that bug, he exposed Weevil for trying to cheat, and as a result, Weevil Underwood was banned for life from any future Duel Tournaments. She trained Lincoln really hard in the powers of darkness, dark magic, black magic, Satanic Magic, The Dark Arts, Necromancy, The Occult, Witchcraft, and The Forbidden Arts, and even Vorya Emperyous was impressed. Lincoln made her a darkness greatsword and necklace, and to show thanks, she kissed Lincoln on the lips underneath a full moon, and as a result, when he comes of age, he promises to marry her along with the rest of his harem. She also hates Lynn with a blazing passion because of all the attempts she's made to kill him, and it got Ravenna so pissed off, she used her powers and made that four-legged monstrosity's worst nightmares come to life, and she ran to her room in fright, but not before she pissed and crapped her gym shorts.

Nico: Just like what we were told yesterday.

May: And everything you guys heard is indeed true, she's someone no one would dare to mess with.

Ravenna Balthazar: That's correct, and I heard Team Rocket finally paid the price for their misdeeds.

Lincoln: That's right, with the exception of Jessie, James, and Meowth getting canned before the battle against Team Rocket and have since joined us.

Ravenna Balthazar: Serves Giovanni right.

Lincoln: You said it, and now that you're here, Ravenna.

Lincoln leaned his head down the right side of Ravenna Balthazar's trapezius, and he slowly bit her and he fed on her blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Ravenna Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ravenna Balthazar with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Ravenna Balthazar: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ravenna Balthazar.

Ravenna Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ravenna Balthazar's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Ravenna Balthazar had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the one-hundred thirteen girls Lincoln is to rescue and the one girl Ets is to rescue, and when Lincoln saw the one-hundred thirteen girls, he immediately recognized them, the one-hundred thirteen girls Lincoln is to rescue are Airi, Akane, Akari, Ako, Arisu, Aru, Asuna, Atsuko, Ayane, Azusa, Cherino, Chihiro, Chinatsu, Chise, Eimi, Fubuki, Fuuka, Hanae, Hanako, Hare, Haruka, Haruna, Hasumi, Hatsune Miku, Hibiki, Hifumi, Himari, Hina, Hinata, Hiyori, Hoshino, Ichika, Iori, Iroha, Izumi, Izuna, Junko, Juri, Kaede, Kaho, Kanna, Karin, Kasumi, Kayoko, Kazusa, Kikyou, Kirino, Koharu, Kokona, Kotama, Kotori, Koyuki, Maki, Mari, Marina, Mashiro, Megu, Meru, Michiru, Midori, Mika, Mimori, Mina, Mine, Minori, Misaka Mikoto, Misaki, Miyako, Miyu, Moe, Momiji, Momoi, Mutsuki, Nagisa, Natsu, Neru, Noa, Nodoka, Nonomi, Pina, Reisa, Renge, Rumi, Saki, Sakurako, Saori, Saten Ruiko, Saya, Sena, Serika, Serina, Shigure, Shimiko, Shiroko, Shizuko, Shokuhou Misaki, Shun, Sumire, Suzumi, Toki, Tomoe, Tsubaki, Tsukuyo, Tsurugi, Ui, Utaha, Wakamo, Yoshimi, Yukari, Yuuka, and Yuzu from Blue Archive, Aina Winchester, Shinohara Mari, Kasumigaoka Rika, and Nanase Mai from Taimanin, and Shizuku from Dead or

And when Ets saw the one girl, he immediately recognized her, the girl is Digitan.

Ets: And that's Digitan, so that's… !

Nico: One-hundred fourteen girls!

CLANG!

My jaw fell to the floor and Eli closed it. Then, when Digitan saw who it was that saved her from Elijah Laval, she ran up to Ets and kissed him.

Nicole: Looks like Ets got his reward after rescuing her from Elandra's stupid brother.

Lincoln: And from her rotten parents. Are you girls okay?

Akane: Yes, we're okay, thanks to you.

Akane: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made one-hundred twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akane: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, one-hundred thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akane, Akari, Ako, Arisu, Aru, Asuna, Atsuko, Ayane, Azusa, Cherino, Chihiro, Chinatsu, Chise, Eimi, Fubuki, Fuuka, Hanae, Hanako, Hare, Haruka, Haruna, Hasumi, Hatsune Miku, Hibiki, Hifumi, Himari, Hina, Hinata, Hiyori, Hoshino, Ichika, Iori, Iroha, Izumi, Izuna, Junko, Juri, Kaede, Kaho, Kanna, Karin, Kasumi, Kayoko, Kazusa, Kikyou, Kirino, Koharu, Kokona, Kotama, Kotori, Koyuki, Maki, Mari, Marina, Mashiro, Megu, Meru, Michiru, Midori, Mika, Mimori, Mina, Mine, Minori, Misaka Mikoto, Misaki, Miyako, Miyu, Moe, Momiji, Momoi, Mutsuki, Nagisa, Natsu, Neru, Noa, Nodoka, Nonomi, Pina, Reisa, Renge, Rumi, Saki, Sakurako, Saori, Saten Ruiko, Saya, Sena, Serika, Serina, Shigure, Shimiko, Shiroko, Shizuko, Shokuhou Misaki, Shun, Sumire, Suzumi, Toki, Tomoe, Tsubaki, Tsukuyo, Tsurugi, Ui, Utaha, Wakamo, Yoshimi, Yukari, Yuuka, Yuzu, Aina Winchester, Shinohara Mari, Kasumigaoka Rika, Nanase Mai, and Shizuku with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Elandra Laval's younger brother, Elijah Laval.

But, when Lincoln showed what we did in beating that asshole down and Lincoln tying him up and giving him the Gessius Flores Vengeance Curse and sending him to the Uwasa Clan to work off his $3,000,000 debt along with an $18,000,000 debt Lincoln put on him, and also, sending Elandra's equally despicable parents to prison, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Ravenna Balthazar have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Elandra's parents were responsible for bringing that pissant back to Gotham Royal York!

Lincoln: They also had a hand in making Elandra's life a nightmare, and they also hated me for always being there for her, and I hated them for treating her like trash and a punching bag.

Nico: Well, now Elijah will be away paying off his $21,000,000 debt, and his parents will be spending the rest of their lives in prison.

Me: You said a mouthful.

Just as Lincoln said, Elijah Laval is now on a boat catching fish in the Bering Sea catching fish and crabs to pay off his $21,000,000 debt: $3,000,000 for the loans he took out from the Uwasa Clan and $18,000,000 for compensation for putting Elandra through Hell for years, and with the Gessius Flores Vengeance Curse on him, he'll be able to pay off the debt, and as for the parents, they were found guilty of abusing Elandra for years, and the judge gave them the maximum sentence: life in prison without parole, and the rest of the family cut all ties with Elandra's parents and brother.

* * *

After Lincoln and all of us beat down Elijah Laval, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ravenna Balthazar saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ravenna Balthazar: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet

plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ravenna, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Ravenna Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Ravenna Balthazar: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Scylla, Horror of The Deep and Charybdis, The Ceaseless Whirlpool from SMITE.

Lincoln: Scylla and Charybdis from SMITE, I should've known those two would show up here.

Athena (SMITE): These two are monsters who terrorized many sailors and destroyed ships at sea, and they still desire to slake their thirst for blood.

Lincoln: I won't allow that to go on any further, they must be stopped now.

We flew out of The World Tree Estate and Lincoln fired rainbow energy blasts at Scylla and Charybdis which hit them as we landed.

Scylla (SMITE): Look, more victims.

Charybdis (SMITE): Team Loud Phoenix Storm, we will enjoy hearing your screams before we take our revenge on Olympus.

Lincoln: Not a chance in Hell, Charybdis, this is where you and Scylla die.

Scylla summoned her hounds to attack, but Lincoln fired a bolt of lightning into the air, and a fierce storm raged and it rained down bolts of lightning electrocuting the hounds and Scylla and Charybdis and they were knocked down. Then, Lincoln turned the tips of his tails into Cell's Stingers and he stabbed them into Scylla and Charybdis and he began absorbing them and he and all of us began assimilating their powers and abilities.

Then, when Lincoln was done and the stingers changed back, all that was left of Scylla and Charybdis were their clothes, and he sent their souls to The Black Gates. Suddenly, a beam of light shined down, and we saw another gold belt descend into Lincoln's hand, this time, it had the symbol of The Greeks for the belt buckle: it was The Belt of Olympus.

Persephone (SMITE): The Belt of Olympus, it's another ancient artifact this time, imbued with all the powers of the Greek Gods of SMITE.

Suddenly, The Belt of Olympus merged with Lincoln's Belt of Elemental Bravery.

Lincoln: Incredible.

We then returned home and continued our workouts.

Me: I don't even have any words to say though, it's really incredible that Lincoln's now getting the belts from the Pantheon of Gods and Goddesses from the world of SMITE.

Nico: So far, he's gotten the Belt of The Great Old Ones, The Belt of Camelot, and now, The Belt of Olympus.

Lincoln: That's right. There are sixteen pantheons of gods in SMITE: Arthurian, Babylonian, Celtic, Chinese, Egyptian, Great Old Ones, Greek, Hindu, Japanese, Maya, Norse, Polynesian, Roman, Slavic, Voodoo, and Yoruba, so far, I've gotten the belts from Arthurian mythology, Greek mythology, and The Cthulhu Mythos.

Me: Now, all that's left are belts from the Babylonian, Celtic, Chinese, Egyptian, Hindu, Japanese, Maya, Norse, Polynesian, Roman, Slavic, Voodoo, and Yoruba pantheons, this is going to be one amazing treasure hunt for you, Lincoln.

Eli: And a huge task in you uniting the Gods of SMITE.

We got a shower, and then, Lincoln, Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One are heading to Everbay Coast.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them. Plus, we found out Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Missy: Wow, so this is Everbay Coast. It sure is beautiful.

Lincoln: It sure is, Missy, and it's perfect for our first date. Shall we?

Lincoln, Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One and they hugged the girls in their abnormally massive and powerful muscular arms and Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One are in your harem, Linky.

Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Crash, Tink, Missy, Veronica, Lydia, Tekina Hitsuji A.K.A. Cotton Tail, Mikondo Bahari, Red Sun, Kat and Ana, Simulator Paralyzer, Simulator Elita-One, Simulator Animated Elita-One, and Simulator Live Action Elita-One, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for when we do kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for Smolder, Eli and Chloe's 2nd mission.

Nico: Anyone else want to go with Chloe, Smolder, and Eli? Besides Yusei, Gingka, Cheese, Princess Luna, Ikki Tenryou, Poromon, and Poliwag?

Xaldin: I'll go.

Baihumon: So will I.

Girl Jordan: And me and Leeli will go too.

May: Same here with me.

Sakura Knudson: I'll go too. I want to get some action in.

Me: Okay sis.

Nico: Okay. Lets go.

We were off.

---

We arrived.

Daichi: Hey guys!

Smolder: Guys, this is Yusei and Gingka.

Yusei: Hey there. Yusei Fudo, leader of the Signers.

Gingka: Gingka Hagane, Beyblading champion.

Daichi: Awesome to meet you all.

Princess Luna: I am Princess Luna, the Princess of the Night.

Ikki Tneryou: I'm Ikki Tenryou. Chloe's now my girlfriend.

Xaldin: I'm Xaldin the Whirlwind Lancer.

Baihumon: I'm Baihumon the Sovereign Digimon of the West.

Girl Jordan: I'm Jordan Rosato but everyone calls me Girl Jordan.

Leeli: I'm Leeli Wingfeather.

May: And I'm May, Nico's wife.

Sakura Knudson: And I'm Sakura Knudson, J.D.'s twin sister.

Daichi: Oh wow! Awesome to meet you all. Poromon, Poliwag!? Wow!

They jumped into his arms.

Poromon: Awesome to see you Daichi!

Poliwag: Yeah you're looking great!

Daichi: How have you two been?

Poromon: Awesome!

Poliwag: Great to see you too.

Nico: They are happy to see you too.

Cheese: Yes.

Me: Oh and this little guy is Cheese.

Daichi: The funny imaginary friend.

Me: He's funny too.

Baihumon: He sure is.

Daichi: Baihumon, are there other Sovereigns like you?

Baihumon: There's 4 others like me. I'm the Sovereign Digimon of the West.

Me: He is for Byakko the White Tiger of the West.

Nico: Yep. Ebonwumon is the Sovereign Digimon for Genbu the Black Tortoise of the North.

May: Azulongmon is the Sovereign Digimon for Seiryu the Azure Dragon of the East.

Me: Zhuqiaomon is the Sovereign Digimon for Suzaku the Vermillion Phoenix of the South.

Eli: And Huanglongmon is the Sovereign Digimon for Huanglong the Golden Dragon at the Center.

Daichi: Wow! That is amazing!

Me: Yep.

Daichi: Well, I'm really looking forward to when I meet the rest of-

POINK!

Daichi was interrupted by Cheese poking a carrot into him.

Cheese: I! FOUND! A! CARROT!

Daichi: Hey!

Me: Cheese!

May grabbed him.

Me: Cheese is an idiot. He has a brain the size of an amoeba and he has a really awesome and funny habit of annoying the crap out of bad guys.

Eli: It's true. And we love him.

Asuna: Wow!

Sakura Knudson: Yeah she is cool. Except she's the leader of Team Fairy Wind. They are like us on Team Loud Phoenix Storm.

Wataru Kazama: Wow! That is cool!

Me: Yep.

Daichi: And what was your life like before that?

Chloe: I always liked hanging out with my siblings. Also we were in college and studying hard. Then when our mother disappeared we went to try and find her.

Me: Ugly story.

Chloe Bolton: Yeah. It was.

Me: What Paradigm was doing was REALLY fucking around with the laws of mother nature.

Chloe: And I was the laziest of my sisters before I got Gene Slammed.

Daichi: You were?

Chloe: Yeah I liked to stay in bed mostly.

Nico: It's true. Her male counterpart Clint is the same way.

Eli: It's true.

Daichi: Wow that is amazing.

Nico: Has there been any trouble since the last visit?

Daichi: Well a bunch of drug makers are running around destroying everything in their path.

Me: That's the Drug gang that the mascots sabotaged earlier this morning. The Bloodheart Gang. I've been after those guys for a long time but I never got the opportunity to bring them down. The Mascots saved me the trouble.

Asuna: Oh man! I've heard of them. They are dangerous!

Me: Yep.

Nico: What about any enemies of yours?

The alarm went off.

We saw that it was ZAIGORG!

---

Long ago, Zaigorg was sealed away by a team of ancient giants (including an alternate Tiga) in the ancient Baradhi ruins in Area A2 and he stayed that way until a greedy treasure hunter named Carlos Kurosaki took the ball that sealed the monster, believing it to be a priceless treasure, and unintentionally freed the monster from its prison. After rampaging throughout the countryside near the ruins, he was immediately met with opposition by Ultraman X, but he held the upper hand against him due to his mace hand and tough hide. X then transformed into his Exceed X form to try to relinquish all of the negative energy from the monster with his Exceed X Slash, but Zaigorg batted him away with his tail at the last minute and fired his Bloody Flooding at him, causing Daichi to separate from X, the Ultra to break down, and his X Devizer infected, preventing him from transforming. With that chore done, Zaigorg burrowed underground to fight another day.

Zaigorg travelled underground and reappeared in Area S-2 to destroy Carlos Communications and the stone that imprisoned him in the first place to avoid being imprisoned ever again. Once again, the monster was met with opposition after being forced to emerge from underground thanks to Cyber Gomora and he had to deal with him and the Xio Musketty systems. After enduring attacks from the powered vehicles (With Red King and King Joe powered attacks), the cybernetic monsters' attacks, and the electrical field meant to contain him, Zaigorg used his spines to defeat Cyber Gomora and summon his minions, Gorg Antlar and Gorg Fire Golza, at the same time. With those obstacles taken care of, all three of them proceeded to rampage throughout Tokyo but Xio refused to give up and continued to attack him from both the air and the ground, but even when having his mouth stuffed with cotton candy, Zaigorg just kept on rampaging throughout the night with his minions.

But suddenly, the three of them came face to face with not only the recently revived Ultraman X but also Ultraman and Tiga, the Ultras who sealed him in the first place. The two forces then collided with each other in an all out brawl with the Ultras received assistance from Xio. While Antlar and Golza were destroyed by Tiga and Ultraman respectively, X countered Zaigorg's techniques with his own and seemingly destroyed the monstrosity with the Xanadium Beam. He then got back up, revealed his chest mouth and tendrils, and used them to suck the energy out of all three Ultras to become stronger, all the while sending five Tsurugi Demaagas to major cities all across the planet.

Just when all hope seemed lost for Daichi and the others, the Cyber

Cards of Ultraman and Tiga appeared in front of Daichi and he loaded them with his X Deviser, turning them into the the X Beta Capsule and X Sparklence respectively, and combining them to form the Beta Spark and debuted his new Beta Spark Armor. X used his new powers to gain the upper hand over Zaigorg by cutting off his tendrils and his mace hand and even using his Cyber Wings to give Ultramen Zero, Max, Nexus, Victory, and Ginga (who were somehow transformed from their Cyber Card forms) the strength they needed to kill all the Demaagas they fought. Zaigorg then prepared to fire a more powerful Hell's Relieve from his chest mouth as a last resort, but X survived the attack without a scratch and fired his Beta Spark Arrow at the ancient monstrosity's chest, ending his reign of terror for good.

---

Nico: WHOA! Zaigorg!

Eli: I remember him!

Me: He was ugly!

Daichi: Lets get him!

We were off!

---

We were flying.

Chloe: I'll get changed into something comfortable

She snapped her fingers and was in her brown jumpsuit.

Daichi: Nice jumpsuit!

Chloe: Thanks.

We saw ZAIGORG!

Me: There he is!

Nico: HE IS UGLY!

Eli: We're going to need some heavy Kaiju power! GODZILLA!

Daichi: Godzilla!?

A FAMILIAR ROAR WAS HEARD AND OUT CAME GODZILLA!

(GODZILLA THEME PLAYS)

Godzilla: (ROARS)

Zaigora roared when he saw him!

We saw the Drug Dealers too!

Drug Dealer: You pipsqueaks think you can come into OUR house and blow it up?!

Poromon: Oh that was just the start! Here's this! (ECHOING) LIGHTNING JAVELIN!

He fired a massive blast of lightning and electrocuted the Drug Dealers all over!

Godzilla: So Zaigora is here! Then this will be good.

Eli: Yeah! Lets get him!

Daichi: That's Amazing that Eli knows Godzilla!

Me: He's knows ALL the Kaiju.

Godzilla fired an Atomic Ray blast and it hit Zaigora and exploded all over!

KRABBBBBBBBOOOOOOOOOOOOMMM!
KRAABBBBBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOMMMMMM!

The explosions even blasted the Drug Dealers left and right and killed many of them!

Chloe concentrated and then groaned as she held her head in pain. A drug dealer pointed his gun at her while this was happening.

Poliwag slapped the gun out of his hands and Godzilla fired an Atomic Ray blast and it hit Zaigorg and exploded more!

KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMMM!

Then out of an explosion arose Chloe as JABETTE!

Jabette: JAWSOME!

Nico: YEAH!

Daichi: COOL! Time to team up! ULTRAMAN X!

He turned into ULTRAMAN X!

Nico: OH YEAH!

Jabette bit the Drug Dealer's arms off!

Zaigorg fired a laser blast at Godzilla and it hit him and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

But the blast didn't make Godzilla flinch!

Godzilla roared.

Eli: Is that all you got!?

Jabette got the remains of her jumpsuit off

RIP!

She blasted the drug dealers all over!

Zaigorg fired a laser blast and Godzilla fired an Atomic Ray and the blasts collided and Godzilla's blast overtook it and then it hit Zaigorg and exploded with incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion pushed Zaigorg back.

Godzilla fired more Atomic Blasts and it hit him Zaigorg and exploded more all over!

KRABBBBBBBBOOOOOOOOOOOOMMM!
KRAABBBBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM! !
KRABBBBBBBBOOOOOOOOOOOOMMM!
KRAABBBBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOMMM!
KRAABBBBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!

He was REALLY BLASTED all over!

Ultraman X: Wow! What power!

Yusei: I SUMMON STARDUST DRAGON!

He summoned his signature monster.

Yusei got out his Astroswitch for Mysterio and flicked it and summoned Numerous Soldier Heartless Robots and they kicked and bashed numerous Drug Dealers!

Yusei: Stardust Dragon attack! COSMIC FLARE!

It fired a star flare blast and blasted the Drug Dealers!

Then a figure came and it was a girl with green hair and red eyes and had black clothes and black angel wings and had a tiara with Terraspin on it.

Me: (GASP) Tearja Terraspin!

Tearja Terraspin: Awesome to see you again J.D. (GRUNT) Let me help some!

She fired a wave of wind and blew them into some trees and many drug dealers got impaled on the branches.

Nico: The Embodiment of Terraspin!

Me: Yep. Tearja is half Geochelone Aerio.

Nico: Wow!

Tearja's body turned into a shell shape as she dashes forward, ramming into Xaldin in the process.

KRASMASH!

Xaldin was knocked down and he had a nasty lump on his head!

Xaldin: (Dazed) Hey anybody get the number of that heartless truck that hit me?

I fired an electron energy blast and injected her with the antidote.

Me: GEEZ! That must've hurt!

Eli: No kidding! OUCH!

Godzilla: He sure got hit hard!

Zaigorg roared and Godzilla hit him with his tail and bashed him down.

Tearja Terraspin: (GRUNT) It's hard to fight!

?: (ECHOING) TERA BLASTER!

A massive blast of lightning hit Tearja and knocked her down.

AncientBeetlemon came!

Me: AncientBeetlemon!? Whoa!

AncientBeetlemon: (In a girls voice) Looks like the fun started.

Nico: Lei Ancient Beetle!? Whoa!

AncientBeetlemon: Awesome to see you again Nico!

Xaldin: Sorry about this!

He fired waves of tornadoes with his spears and blasted her down.

Godzilla: Looks like Zaigorg is really losing it.

Ultraman X: Lets finish him.

They fired an Atomic Ray blast and an X Blast and the blasts hit Zaigorg and he exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

He was dead!

Nico: YEAH! Zaigorg you have failed this world!

He was back to a Spark Doll and I caught it.

Me: YEAH!

Lei reverted back and was a girl with yellow and purple hair and had purple eyes and had purple clothes and had purple angel wings and had AncientBeetlemon on her forehead and on her skirt and on her arm was the Thunder Frontier Kanji and along her arm was a nasty looking lightning shape scar.

Lei Ancient Beetle: I'm ready for this!

She fired a massive blast of lightning and electrocuted the Drug Dealers.

Baihumon charged at her and rammed her.

She was cured.

Tearja Terraspin: (GROAN) What happened?

Me: You'll be okay. We still got the drug dealers.

Gingka: Lets get them!

Baihumon got out his Astroswitch for Stratos and fired a wave of wind and blasted them all over.

Gingka got out his Astroswitch for King Slug and fired energy blasts and blasted them.

Girl Jordan got out her Astroswitch for Cargill and fired waves of energy and blasted them.

Leeli got out her Astroswitch for Icy Angel and fired waves of icy arrows and blasted them.

May got out her Astroswitch for Loki and fired energy blasts and froze the Drug Dealers.

Princess Luna got out her Astroswitch for Hades Beast Spectre and fired waves of darkness and blasred the Drug Dealers.

Ikki got out his Astroswitch for Lady Beetle and he fired waves of energy and blasted them down.

Sakura Knudson: Time to feel the fire of hate!

She flicked the switch for The Kisenian Soldier and fired a wave of energy and it sucked the Drug Dealers dry of energy and wee got a rush of incredible energy! Daichi was enveloped in a vortex of rainbow fire and was stronger than ever!

Daichi: WHOA!

A Drug Dealer fired his gun at Poromon!

BANG! ZING!

But the bullet bounced off the rainbow auras we had!

Poromon: Nice try!

I fired a laser vision blast and melted the gun!

We blasted the rest of the thugs and tied them up!

We were loading them into a huge police transport brought in by Sheila.

Poliwag: You dirtclods have failed this world!

Poromon: You deserve to rot in jail!

Jabette: Time for me to revert back.

She snapped her fingers and was back to normal and had her normal clothes on.

Chloe: That was fun.

Eli: It sure was.

Lei Ancient Beetle: I agree too.

Me: Yeah. Whoa that's a nasty scar! What happened?

Lei Ancient Beetle: I got struck by lightning and it hit me in the arm.

Eli: OUCH!

Me: YIKES!

Daichi: That must have hurt!

Lei Ancient Beetle: It did. I had no idea what hit me.

Me: You never know until it's too late. It hits you at 220 million miles per hour and packs 1,000,000,000 volts of electricity and is over 50,000˚Fahrenheit.

Nico: Yeah.

Lei Ancient Beetle: That's right.

Me: Yep. What's your favorite memory of Nico?

Lei Ancient Beetle: When me and Nico were in science class and we invented a lightning powered storage unit. Stores 10 years worth of electricity from one lightning strike.

Me: Wow! That is an amazing way to store power. Especially when the power goes out.

Nico: Yep.

Nico and Lei hugged.

Nico: I've missed you.

Lei Ancient Beetle: Same here.

---

We later came back home.

Lola: How did it go guys?

Me: Really awesome!

We told them all about it.

Qin: WOW! That was cool!

Xenia: It sure was.

Nico: Next time, Anchor, Sir Toasty, Baron Mordo, Devon, Juni Cortez, and Whenua should come with us

Me: Awesome!

Juni Cortez: Yeah!

Whenua: Looking forward to it.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Krusty then came in.

Krusty: HEY HEY KIDDIES! (GOOFY LAUGHTER!)

Me: Hey Krusty!

Krusty: I've got an awesome new Itchy and Scratchy Cartoon for you all to see.

Sailor Jupiter: What is it?

Krusty: It's an amazing cartoon! Watch this.

He put it on.

It was called THE THING! ITCHY AND SCRATCHY STYLE!

Three Versions of Itchy were Kate Lloyd, MacReady and Childs.

Itchy Kate was crying about her horrible experience in Thule Station. Itchy MacReady was comforting her.

Later Scratchy Clark took a dog into the kennel and then we saw THE DOG TURN INTO THE DOG THING AND IT WAS HORRIFYING! ITCHY MACREADY SOUNDED THE ALARM AND THEY SAW THE HORROR OF THE THING AND IT WAS GRUESOME! CHILDS ITCHY BURNED IT!

Then Norris Scratchy had a heart attack! In the infirmary Scratchy Copper tried to revive him but then Norris' chest opened up and bit off Copper's arms! Then Norris thing was born and Kate and MacReady burned him! BART AND LISA LAUGHED!

Kate burned the spider head.

Then the blood test came. Then Kate and Mac tested everyone. Then Palmer Scratchy was tested and then it shrieked and Palmer Thing Revealed itself and killed Windows Scratchy and MacReady burned them both!

In the Old Storage Room they were setting up explosives and then Nauls Scratchy and Garry Scratchy vanished. Kate and Mac wondered where they were. Then the floor bursted open and a tentacle grabbed the detonation plunger and out came BLAIR THING WITH NAULS AND GARRY ATTACHED TO HIM! THEN OUT CAME A DOG CREATURE FROM IT!

Kate and Mac threw dynamate and ran and blew up the whole place and it was on fire! Then they all shared a beer as the cartoon was done!

THE END!

WE ALL WERE LAUGHING!

Nico: (LAUGHS) WOW!

Sailor Mercury: Well, I'll be.

Kate Lloyd: That was awesome!

MacReady: It was well made!

Childs: That is exactly like what happened with us.

Me: Boy no shit! Krusty that was awesome!

Demolishor: How'd you come up with this?

Krusty: I got the idea for it from a video I saw on YouTube and figured why not base it off that.

Me: That was cool!

Nico: That was awesome Krusty! Well done!

Krusty: Thanks guys

Kate: This didn't scare me at all.

Me: No it didn't.

?: Boy that was a funny one!

We saw a girl with purple hair and purple eyes and had purple clothes and purple angel wings and had a tiara with Armored Armadillo on it.

Arlene Armadillo: Arlene Armadillo, Embodiment of Armored Armadillo.

Me: Awesome!

Devon: Awesome to see you again Arlene!

Casey: Same here. Been a while.

Arlene Armadillo: It sure has Casey and Devon

Highbrow: How did you meet Casey and Devon?

Arlene Armadillo: I met Casey in the pizza shop and he taught me many of his moves in the power of the Animal Spirits. My spirit as you can guess is the Armadillo.

Nico: Cool!

Isabel: Tha symbolizes that you thrive in Self Defense and live life to the fullest.

Arlene Armadillo: That's right. And I met Devon when he and the rangers were battling Burnertron.

Nico: Cool!

Devon: She really let him have it.

Nico: Nice! Would you like to join us?

Arlene Armadillo: I would be honored.

Suddenly, Lincoln got a message on his wrist computer: there's a race taking place on Heatblast's home planet of Pyros.

Lincoln: Whoa, guys, take a look.

We saw the message.

Me: Awesome, we got a race on Heatblast's home planet of Pyros.

Selina Almenara: Aw, too bad it's not on my home.

Lincoln: Sorry, Selina, maybe next time.

Nico: Let's get our cars ready!

Trent: Now that you mention it, you guys never used an Armadillo Spirit.

Casey: That's because have so many spirits that we can't use them all.

Me: Ah. That makes sense.

Nico: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision as a vision orb formed in his left hand, and he saw who it was that we're going to confront today: it was none other than Phil Billings, the corrupt Plumber that Ben and his family dealt with in the past, and he's come back for revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh boy.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency, and this is one villain we're not going to like in the slightest: I just had a vision and I saw who it was that we're going to confront today, it's none other than Phil Billings, the corrupt Plumber that Ben and his family dealt with in the past, and he's come back for revenge.

Ben: What?! Oh, not him again!

Gwen T.: This isn't good.

Nico: Ben, what can you tell us about him?

Ben: It's not good.

Ben told us about Phil Billings, and needless to say, many of us got pissed off.

---

Phil Billings is an antagonist in the Ben 10 series. He was a friend of Max. He was also a plumber but he retired and stole the Null Void Projector and began releasing aliens and capturing them to make a profit.

In the original series, he was voiced by Robert Patrick, who also played the T-1000 in Terminator 2: Judgement Day, Mr. Lisp in Spy Kids, Ray Schenkel in Law & Order: Special Victims Unit, Rome in The Marine, Colonel Merton Bell in NCIS, The Skiptracer in Identity Thief, White Dragon in Peacemaker and Lieter Greenbox in SWAT Kats: The Radical Squadron. In Ben 10: Omniverse, he was voiced by Rob Paulsen.

Phil met Max when they joined the Plumbers. They went on numerous missions together. In one of their missions, they encountered Vilgax who tried to steal nuclear warheads but the attempt was foiled by Max. Later on, Phil retired and stole the Null Void Projector to get rich off it by releasing the alien from the Null Void. He eventually maintained good public image and was paid lots of money.

As year went by, Phil has been scamming several hotel owners into paying him by releasing aliens causing alien attacks and has been staying in expensive hotels. When he was recapturing one of the aliens, he encountered Ripjaw (Ben using the Omnitrix). Ben caught the alien and leaves his alien form. After the alien was captured, Phil meets Max again and is happy to see him. He later offers Max to join the Plumbers again but he declined it and replied that he's retired. Phil learned of the Omnitrix when Ben turned into Wildmutt to stop the Vulcapons from going loss. It failed but Phil kept the Vulcapons from going out of control using a sonic pitch whistle and defeated with the help of Max and Ben. He asks Max again to be partners to be partners again but Max was reluctant.

He invited the Tennysons to his hotel room for dinner. Max was suspicious and wondered how much the hotel room cost but Phil ignores it and asks Ben and Max to join him to reestablish the

Plumbers. Max finds it strange that three aliens appear in the town in one day and goes out to investigate. Phil followed Max and thinks that Max knows what's wrong. Max went to Mt. Rushmore and found the Null Void Projector gone. He found out Phil was using it to release the aliens they captured years ago and recaptured for his own profit. Phil admits he wasn't surprised for Max to figure out his intentions soon and releases an alien to kill Max. He plans to tell the Max's grandkids to join the Plumbers but Ben arrives as XLR8 and fights the alien. He also figured out Phil's plan and Phil escapes in his car, taking the Null Void Projector. Ben and Max track Phil and follows him using the RV.

Gwen snuck into Phil's car and sees the Projector. She tries to grab it but Phil sees it using his rearview mirror and grabs it. Phil sets the car on auto-pilot and fights with Gwen. The car later crashed and Phil told Ben to join him but refuses. Phil uses the Null Void Projector but it hits the mirror and reflects on Phil, sending him to the Null Void.

Five Years Prior to Omniverse

Once, Phil was captured by Dr. Psychobos, Malware, and Khyber, who forcefully used him as a guinea pig for the Nemetrix 's test run against Ben as Terroranchula. However, the test failed miserably, due to the fact that sapient life forms, like humans, cannot handle the savage mindset of the Nemetrix predators. Shortly thereafter, Phil was sent back to the Null Void by Dr. Psychobos.

Omniverse

Phil later appears in "Max's Monster" as a Terroranchula hybrid. It is revealed that Phil no longer lives in his human body, as a result of the Nemetrix's side effects. Phil faked that he suffers from his mutation but the opposite of this was revealed soon. Phil attempted to use Ben's electrically powered transformations as power sources as well as the Nosedeenians in Undertown, but was sent back to the Null Void by Max.

Sometime after that, he joined the Rooters.

Phil returned in "The Rooters of All Evil" along with the other

Rooters.

In "Weapon XI: Part 2", he was defeated by Argit when he scared Argit enough to shoot all his quills at him, knocking him out. His Plumber commission was been revoked by the Magistrata, in violation of his plumber mission. This left him stranded in the Null Void along with the other Rooters.

---

We were shocked!

Me: (GROWLS) That bastard, how dare he!

Lincoln: We should have him put in The Masters of Evil and give him the memo that Vilgax is finally dead and gone forever.

Nico: Good idea.

Me: (GROWLS)

Lincoln: J.D.

Me: (Sighs) Okay, Lincoln. I'll take your word for it.

Lincoln: Thank you.

Me: Besides he deserves another chance.

Nico: Good call.

The Previous group came.

Katnappe: Can me, Number 7, Zs'Skayr, Dark Spicer, Waffle Woman, Roquefort, Common Cold, Technus and Salami Swami go with you guys?

Nico: Yes you all can.

Me: The next race is going to be a hot one. It's going to be on the planet Pyros.

Dark Spicer: OOH! Heatblast's home planet! Nice!

Xenia: Yeah!

I looked at Max Tennyson.

Me: Max are you alright?

Max Tennyson: I'm alright. It's just that I'm just still upset that my old plumber friend became like this.

Me: I know Max. It's hard but you got to at least give him another shot and the best way to do that is to tell him that Vilgax is dead as well as many interstellar enemies and he can get a good job in the M.O.E.

Nico: Yeah.

Max Tennyson: You're right. I'll give him another chance.

Me: Good.

Reflector: Boss, which gene Slammer do you think you'll meet next?

Nico: Burn Rooster next.

Me: OOH!

Ed: CHICKEN!

Eddy: (LAUGHS) You got Lumpy going!

Qin: (LAUGHS) Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Shika Madou, one of the primary antagonists of Seraph of the End, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to Shika Madou, and he's coming here to destroy us.

Me: (GASPS) Oh God, I've heard of Shika.

Lincoln: So have the girls in my harem from Seraph of the End, Shika is the oldest and first ever vampire, the progenitor and creator of the vampires.

Misty Zephyr: Her true form is a six-winged angel, but he desires to take revenge on God. So, we need to take her down and Lincoln's going to absorb him.

Lincoln: Right, Misty.

Me: Absorbing the progenitor and creator of the vampires from Seraph of the End? If you did that, that'll increase your vampiric powers by a massive degree.

Nico: Well, we saw that Lincoln has the ability to turn criminals and thugs into vampires when he drains them completely dry of blood. Alright, gang, let's go, we're heading off to another race, this time, it's on Heatblast's planet of Pyros.

Lincoln: And we're going to take down Phil Billings and send him to Vypra, and once we get done with him, you're next, Shika Madou.

Misty Zephyr: The suffering you've caused since the dawn of history can never be healed, but it'll end with you dying, fallen Seraphim.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us got into our cars and headed out through a portal that led to Pyros for an awesome race and we're also going to battle Phil

Billings and take him down and send him to Vypra, and once we got done with the corrupt Plumber, Lincoln and Misty Zephyr along with me are going to destroy Shika Madou, the progenitor and creator of the vampires of Seraph of the End.

We were off to the planet Pyros

---

We arrived at the planet Pyros and we were in the garage.

Me: WOW!

Camie: So this is Pyros! It's REALLY HOT!

Nico: No kidding!

Alan Albright: It's cool that we're on the home planet of my Pyronite Heritage.

Xenia: Yeah. Good thing that this garage has powerful air conditioning.

Zs'Skayr: It's still hot even though Vypra removed my weakness!

Nico: I know!

Me: But also Pyros is not a sun. It's a Volcano Planet.

Zs'Skayr: True.

Camie: Yeah.

Me: It's like Mustafar.

Sakura Knudson: It's amazing though.

Icepick: My name might be Icepick but I don't shoot actual ice!

Me: We know.

I looked at the route of the race and it was a race down a massive inferno canyon and the finish line was on the other side of a huge lava lake as big as the Continental United States.

Nico: WOW! That is a big lava lake.

Me: Perfect for us to carry out the battle there.

Camie: Wow! Are our cars can hold up on these temperatures?

Me: Don't worry. Our racers can handle temperatures over 75,000˚Fahrenheit.

Nico: Wow! So they are now completely lava proof.

Camie: Cool!

Varie: That is cool.

Waffle Woman: (to Savannah Nephthys) I hope the sister of yours who hates Icky Vicky appears next.

Savannah Nephthys: That's Calida Nephthys. And she will appear soon.

Me: Okay.

Savannah Nephthys: You realize that Flip was the one who killed my sister.

Skullgrin: Well, God knows how many kids Icky Vicky killed.

Me: She is 100 times worse than Opaline.

Timmy Turner: Good thing I wished for her to be nice and we separated her.

Me: You sure did.

Camie: I like that version of Vicky. She is cool.

Me: I agree.

Savannah Nephthys: Also I forgot to mention that me and my sisters in my cult, we go after specifically chosen targets. I picked Flip. And also Calida picked Icky Vicky.

Nico: Oh I get it. That's understandable.

Laney: It sure is.

Nico: That makes perfect sense too.

Varie: Yep.

Technus: How long until the vehicles are ready?

Me: Actually they are ready now!

We got to the starting line!

Fangry: Here we are at the starting line

We got ready.

Nico: We're ready.

Me: Yep.

We got in our cars.

Billy Natson: AND Welcome to another amazing and awesome day in racing history. Hello I'm Billy Natson and WHEW! Man we are feeling hot today and ready for some action. We're on the volcanic planet of Pryos, the home planet of Heatblast and we're going to race across this amazing volcanic landscape and it's infernally hot! WOW! With us we have our very own Team Loud Phoenix Storm and their archenemies in the Masters of Evil and we can tell they are ready for an amazing race! You ready for some fun!?

Krysta: (GETS OUT GREEN FLAG) GET SET…

We had looks of determination on our faces!

Krysta: (WAVES THE GREEN FLAG) REV UP AND GOOOOOO!

WE PUT THE PEDAL TO THE METAL AND GUNNED IT OUT OF THE GARAGE AND WE WERE RACING ON THE LAVA!

Billy Natson: AND THEY'RE OFF!

Nico: WOW! These racers are REALLY LAVA PROOF! Awesome!

Me: No doubt!

Doubledealer: Eat my dust, suckers!

Me: OH EAT LAVA!

We zoomed and went through the canyon and zoomed through it.

Xaldin: (to Smolder) I did good in your mission today. Don't you agree?

Smolder: You sure did Xaldin!

Me: Sorry you got a nasty lump on your head!

Xaldin: Yeah. OUCH! I'm going to be feeling that for a week.

Camie: Ouch.

Slog: Why do I get the feeling that tomorrow's rescue will involve your favorite spot?

Freakazoid: OOH! FORESHADOWING!

Nico: Nice! But yeah I have a feeling it will.

Varie: Yeah!

We zoomed through the canyon and it was amazing!

Common Cold: I'm catching up! (SNEEZES)

Sunset Shimmer: Oh no you don't!

ZOOM!

We were really zooming!

Cree Lincoln: Ha! I just passed several of you!

Sunset Shimmer: I don't think so!

ZOOM! ZOOM!

Pipsqueak and Sunset Shimmer were really zooming!

Nico: YEAH!

Me: WOW!

Roquefort: I hope I don't become melted cheese!

Raven: That would be something Nico would find funny.

Lola: Yeah.

Sea Clamp: Are we getting close?

Nico: Should be there!

We came out of the canyon and WE SAW THAT WE WERE ON A HUGE LAVA LAKE!

Me: WHOA!

Camie: This is a massive lava lake!

Eli: Amazing!

Dark Spicer turned into Hotburn

Hotburn: This form is fitting.

Me: Good idea.

Qin: Yeah!

We saw huge boulders in the lake and on one of them was something.

Me: Wait I think I see something!

I looked and saw that it was PHIL BILLINGS! HE WAS ON A ROCK AND WAS GONNA FIRE A LASER BLAST!

Me: There he is!

Sheep Man: ENTRANCE TIME!

We gunned it.

Phil got ready to fire and then the spirits of ice came and swirled around him and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted then rock and then he landed on a huge arena and a phoenix cry was heard and we appeared.

Nico: Phil Billings.

Max Tennyson: Phil been a while.

Phil Billings: Hello Max. Been a while.

Phil: If I knew you were there, old buddy, I wouldn't have planned a warning shot at all.

Number 7: That was probably your first mistake

Me: Also Phil I don't know if you heard about this. But Vilgax was back.

Phil: WHAT!?

Me: Yep. And we killed him. Vilgax is now nothing more than a forgotten memory.

Phil: He's gone forever?

Me: Yep. And you have Ben here to thank for his demise.

Ben turned into Fourarms!

Four Arms: This was the form I was planning to use on you instead of Grey Matter.

Phil: Never did get even with you guys for throwing me in the Null Void back then.

Gwen Tennyson: Get even?! You released so many Null Void aliens just to catch them for money. And you sicced them on us!

Phil: Why so hostile about that? You survived, didn't you?

Jen: I remember hearing about all that!

Me: Most of those bad guys are all dead!

Nico: Yeah we killed them.

Phil: You guys are powerful.

Me: We know. Phil what happened to you? What caused you to become like this? Is it because we took away your opportunity to kill Vilgax?

Phil: To be honest yes.

Me: I'm sorry Phil. If you wanted to play against Vilgax we would have called you. But fate dealt you some bad cards is all. Besides Vilgax would have killed you back then. You know that.

Phil: You're right. I was consumed by greed actually. I wanted to live the life of luxury. But the Plumber business wasn't giving me the right amount.

Me: Why didn't you just find a job that's better and pays good money?

Phil: I guess I never thought about that.

Hotburn: Here's your warning: Your ass is about to be kicked!

Phil was silent for a moment.

Phil: (laughs) Okay, that was a pretty badass line. (Hotburn punches him)

Me: That we can agree on.

He was knocked down.

Phil: Nice!

Phil tried firing on us but his gun was out of ammo.

GUN FARTS!

Phil: Out of ammo? Are you kidding me?!

Then, Lincoln had Phil Billings handcuffed with fire energy handcuffs and he sent him to Vypra through a portal he opened up.

Me: Okay, at least, we got that out of our systems.

Nico: Yep, now Phil's in the Masters of Evil.

?: There is no need to look any further.

Lincoln formed a massive indestructible diamond barrier that protected all of us from tendrils that came out of nowhere.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, you can come out now, Shika Madou, there's nowhere to run.

A six-winged figure came out, it was Shika Madou, progenitor and creator of the vampires of Seraph of the End.

Lincoln: Shika Madou.

Misty Zephyr: Progenitor and creator of the vampires of an Earth that fell to ruin, now it's high time for you to answer for them.

Suddenly, Misty Zephyr's sky blue eyes turned neon sky blue and she was surrounded by an sky blue energy aura with stars, winds, magic, fairies, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Shika Madou, she left sky blue energy, stars, winds, magic, fairies, phoenixes, and angels with every step.

Misty Zephyr: Your crimes have gone unanswered for over 100,000,000 years, Shika, you're the one responsible for creating the vampires, and on top of that, you're the reason why your world has gone to Hell and fallen to ruin, you have a lot to answer for, and I'll make sure of that.

Suddenly, Misty Zephyr was surrounded by a massive vortex of sky blue energy with stars, winds, and magic surrounding the vortex, there are fairies, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Shika Madou: the red eyes of eternal death.

Me: WHOA! Incredible!

Nico: So awesome!

Lincoln: I've seen what Misty is capable of, and that deranged fairy-obsessed killer Randall Williams wound up on the wrong end of her wrath more than once, and he wound up getting bruised more than once for his misdeeds.

Then, as the vortex faded, Misty Zephyr emerged, but she was changed forever.

Misty Zephyr grew from 7'0" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large sky blue planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long sky blue hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon sky blue eyes and a sky blue energy aura with stars, winds, magic, fairies, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a wind fairy with a wind gust in her hands emblazoned on her forehead with sky blue iris, she has on fairy earrings with sky blue gems for eyes and holding the Star, Magic, Wind, and Eternity Kanjis in her hands, she also has a wind fairy with sky blue gems for eyes and holding the Star, Magic, Wind, and Eternity Kanjis in her hands for the second pendant on the bottom of her ice blue fairy-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with sky blue crystal links from her merged Crystal Necklace of the Buddha and sky blue gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Misty Zephyr has on a sleeveless sky blue crop top, sky blue skirt, sky blue knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, winds, magic, fairies, phoenixes, and angels on the coattails, and on the back is a wind fairy, a phoenix, and angel and surrounded by winds and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding an sky blue gem with neon glowing sky blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Misty Zephyr felt a sharp pain on her back, and then, her massive sky blue and black butterfly wings with blue tips grew much larger for her new body and medium sized sky blue and black butterfly wings with blue tips grew and sprouted out underneath her massive ice blue and black butterfly wings with blue tips and she also now has eleven massive and long sky blue wolf tails with blue tips and blue markings, Misty Zephyr has on her Ring of the Phoenix with large sky blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and white fingerless bridal gloves and gold armored claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Misty Zephyr's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of sky blue energy, stars, winds, magic, fairies, phoenixes, and angels, and when it emerged, it was transformed into Misty Zephyr's Cosmic Eternal Zephyr Magic Wind Fairy Queen Phoenix God Angel Greatsword of

Cosmic Eternal Zephyr Magic Wind Fairy Queen Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded blue gems and wind fairy and runes etched on the 7'9" massive, wide, double-edged sky blue blade, large sky blue phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large sky blue gems embedded in their foreheads, longer midnight black handle, four large sky blue phoenix heads with blue gems for eyes and on the bottom of the large sky blue phoenix heads is a large sky blue phoenix head with blue for eyes and blue gem in its mouth for the pommel, Misty Zephyr has on her brand-new large gold Bracers of The Champions of The Universe with large sky blue gems on her wrists and Dragon Ball Bracelet and wrist computer and Omnitrix on her left Bracer, her large gold Belt of Elemental Bravery with a gold fairy head with sky blue gems for eyes and blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a sky blue kanji with wind gusts in between the kanji below the wind fairy, phoenix, and angel that said, "Misty Zephyr, Queen of The Wind Fairies of Zephyr Cove, Despiser of The Deranged Fairy-Obsessed Serial Killer Randall Williams, Master of Ice and Ice Magic, Powerful Force of Good, Thrasher of The Bad Guys, True Immortal and Omnipotent Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Chandler, Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan, Archenemy of Necky, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, True Immortal Hero, and Master of Winds, Wind Magic, Fairies, Phoenixes, Angels, and Wind Fairies"

We were amazed by Misty Zephyr's Super Angel-Wind Fairy Queen-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Shika Madou saw it, he ran at her to turn her into a vampire, but Misty Zephyr fired a massive barrage of sky blue energy, stars, winds, magic, fairies, phoenixes, and angels which hit Dampyre and sent him flying into another wall, he got back up, but now, he was angered.

Me: No way, did Misty just transform?

Lincoln: She did, now, we can tear Shika Madou apart and make him pay for everything.

Lincoln, Misty Zephyr, and I went after Shika Madou, and we fired extremely powerful blasts of rainbow energy, sky blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Shika Madou, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Misty Zephyr also did the same by firing sky blue energy slashes from her massive greatsword, and he, Misty Zephyr, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Shika Madou even more madder and even more insane with rage.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln ran up to and put Shika Madou in a bearhug so he couldn't escape. Suddenly, Lincoln began to absorb Shika Madou into his body and his rainbow energy aura with elemental forces and mythological animals and animals flared up even more extremely and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger as he assimilated all of Shika Madou's Flight, Possession, Immense Knowledge of Various Civilizations, Supreme Angelic Physiology, Barrier Creation, Sleep Inducement, Manipulation, Telepathic Communication, Genius Level Intellect, Immortality, and Regenerative Abilities.

Then, when Lincoln was done, Shika Madou was fully absorbed into his body and he sent Shika Madou to The Black Gates forever. Everyone cheered wildly for what Misty Zephyr, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Misty Zephyr's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long sky blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large sky blue planets orbiting around her legs, smaller planets orbiting around her fingers, and massive sky blue and black butterfly wings and medium sized sky blue and black butterfly wings underneath are permanent.

Misty Zephyr: Your immortal life ends here. Thanks for helping me take down Shika Madou, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Misty.

Me: My pleasure, Misty.

Suddenly, Misty Zephyr wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Misty Zephyr's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and winds behind them and we cheered wildly. Then, Lincoln and Misty Zephyr sucked in and absorbed the elemental forces and winds and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Misty Zephyr and hugged us.

Luna: No kidding dudes, you guys taught that progenitor of the vampires a lesson.

Luan: And Lincoln absorbed him and acquired all of his powers and abilities.

Me: And sent his soul to The Black Gates. So, Lincoln, who're we meeting on your rescue tomorrow?

Lincoln: I've got someone in mind from long ago: Candace Phoenix, Goddess of The Fire Type Pokemon and Avatar of The Elemental HEROES of Fire.

WE GASPED!

Selene Arcangela: Oh man, I knew you'd pick her, and you guys are going to be impressed by her, Candace Phoenix is Lincoln's Guardian Angel from the Kanto Region, and she's a powerful force of fire and fire magic, and she also has fire angel wings. She's an extremely and very powerful master of Pyrokinesis, and she also has the power to create monsters of fire. She's also the strongest Fire Type Pokemon Trainer, and she owns a gym in the Kanto Region where many come to work out and it also monitors for Team Rocket whenever they tried to cause trouble.

May: I remembered meeting her and I remembered something that we heard about when we were in the Kanto Region. There was a legend told among the people there that should any dare to trespass on the land and dare to cause trouble, she would beat the shit out of them, for the males: she did a lot worse, she brutally squeezed their family jewels and ruptured their reproductive systems, and for the females, she smashes her fists into their stomachs and destroys their system ruining their chances of having children ever, and they named her The Goddess of The Fire Type Pokemon because her partners are Fire Type Pokemon.

The males covered their crotches and the females shrieked in horror!

Nico: Holy shit! She's one mega fierce and fiery girl no one ever, and I mean, EVER WANTS TO MESS WITH!

Me: Big time.

Selene Emperyous: And she also has the Fire Elemental HERO Duel Deck and with them, she won many Duel Tournaments alongside Lincoln, and in one tournament, they defeated that sore loser, Rex Raptor, and because of Lincoln's intelligence gathering along with his past duels with that sore loser, he exposed Rex Raptor for trying to cheat, and as a result, Rex Raptor was banned for life from any future Duel Tournaments.

Me: Serves him right.

Michelle Emperyous: She trained Lincoln really hard in the powers of fire and he even went to her gym and he really worked out hard there. Lincoln made her a fire greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he promises to marry her along with the rest of his harem. She also hates Lori with a blazing passion because of all the attempts she's made to kill him, and it got Candace so pissed off, she brutally smashed and pulverized Lori hard into the ground, and she sent her to the hospital and she was in a full body cast for a whole year.

Nico: Yikes!

May: Having Candace as a Guardian Angel means that if any dare to hurt one hair on Lincoln, they're going to be in for a world of pain.

Sunset Shimmer, Pipsqueak and Lola were given red crystal trophies shaped like Pyros and Heatblast flying around it.

Multiple Man: Nice job, you 3.

Lola: Thanks!

Sunset Shimmer: That is so awesome!

Silver Samurai: And Phil is in our ranks.

Nico: Yeah.

Whiplash: I think we got through to him.

Me: Yeah we did.

Blizzard: Can we please go home now? I'm starting to sweat!

Major Disaster: Yeah, we should celebrate somewhere else.

Me: I agree. It's hot.

Nico: Yep. Great job today everyone.

Sunset Shimmer: (To the viewers) It's an awesome and hot race done.

Me: Yep.

We went back home and went to Lynn's Table and celebrated and then went back home and enjoyed the rest of the day and went to sleep.

NOT ON OUR WATCH! Also Himiko Toga, Princess Belle and the Bimbettes are all going to transform against him. Also we're going to battle Another LeFou, Nokrea, Hammersmith, Phoenix Ikki (Saint Seiya), Jormungandr and

Demon Slappy Squirrel who are the gene-slammers of Chronicler of Nephthys and Butterflymon and the embodiment of the Wing Dopant. Also we're going to meet a gene-slammer for Burn Rooster named Bernice Foghorn Leghorn Rooster.

Alright, and for tomorrow, the match-up is for Electra Tempest, Queen of The Lightning Fairies, and she and Lincoln are going to destroy Gemma Himuro, the leader of the Eight Devils of Kimon and main antagonist of Ninja Scroll.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the world of Looney Tunes: World of Mayhem, but we got bad news: Mr. Hyde from Van Helsing has been sighted and is on the rampage, but we're going to take him down and kill him. And we're going to meet Candace Phoenix, Goddess of The Fire Type Pokemon and Avatar of The Elemental HEROES of Fire, she's Lincoln's Guardian Angel from the Kanto Region, and she's a powerful force of fire and fire magic, and she also has fire angel wings. She's an extremely and very powerful master of Pyrokinesis, and she also has the power to create monsters of fire. She's also the strongest Fire Type Pokemon Trainer, and she owns a gym in the Kanto Region where many come to work out and it also monitors for Team Rocket whenever they tried to cause trouble. There was a legend told among the people there that should any dare to trespass on the land and dare to cause trouble, she would beat the shit out of them, for the males: she did a lot worse, she brutally squeezed their family jewels and ruptured their reproductive systems, and for the females, she smashes her fists into their stomachs and destroys their system ruining their chances of having children ever, and they named her The Goddess of The Fire Type Pokemon because her partners are Fire Type Pokemon, and she also has the Fire Elemental HERO Duel Deck and with them, she won many Duel Tournaments alongside Lincoln, and in one tournament, they defeated that sore loser, Rex Raptor, and because of Lincoln's intelligence gathering along with his past duels with that sore loser, he exposed Rex Raptor for trying to cheat, and as a result, Rex Raptor was banned for life from any future Duel Tournaments. She trained Lincoln really hard in the powers of fire and he even went to her gym and he really worked out hard there. Lincoln made her a fire greatsword and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he promises to marry her along with the rest of his harem. She also hates Lori with a blazing passion because of all the attempts she's made to kill him, and it got Candace so pissed off, she brutally smashed and pulverized Lori hard into the ground, and she sent her to the hospital and she was in a full body cast for a whole year.

Next up is a race on the planet Terradino and we're going to battle Petrie's uncle Pterano and his minions Sierra and Rinkus.

See you next time.

Me: Yep.

I went over what happened in chapter 1315 and it was awesome.

---

Narrator: Once upon a time, in a faraway land, a young prince lived in a shining castle. Although he had everything his heart desired, the prince was spoiled, selfish, and unkind. But then, one winter's night, an old beggar woman came to the castle and offered him a single rose in return for shelter from the bitter cold. Repulsed by her haggard appearance, the prince sneered at the gift and turned the old woman away, but she warned him not to be deceived by appearances, for beauty is found within. And when he dismissed her again, the old woman's ugliness melted away to reveal a beautiful enchantress. The prince tried to apologize, but it was too late, for she had seen that there was no love in his heart, and as punishment, she transformed him into a hideous beast, and placed a powerful spell on the castle, and all who lived there. Ashamed of his monstrous form, the beast concealed himself inside his castle, with a magic mirror as his only window to the outside world. The rose she had offered was truly an enchanted rose, which would bloom until his 21st year. If he could learn to love another, and earn her love in return by the time the last petal fell, then the spell would be broken. If not, he would be doomed to remain a beast for all time. As the years passed, he fell into despair, and lost all hope, for who could ever learn to love a beast?

(We have seen a progression of stained glass windows illustrating the narration, as well as Beast shredding his portrait. The camera slowly zooms out from the castle and we see the title.)

(Fade up on the home of Belle. She exits the front door and begins her walk into town.)

Belle: Little town, it's a quiet village. Every day, like the one before. Little town, full of little people Waking up to say…

Townsfolk 1: Bonjour! Townsfolk 2: Bonjour! Townsfolk 3: Bonjour! Townsfolk 4: Bonjour! Townsfolk 5: Bonjour!

Belle: There goes the baker with his tray like always. The same old bread and rolls to sell. Every morning just the same. Since the morning that we came to this poor provincial town.

Baker: Good morning, Belle! (Belle jumps over to the bakery)

Belle: Morning, monsieur!

Baker: Where are you off to?

Belle: The bookshop! I just finished the most wonderful story, about a beanstalk and an ogre and…

Baker: (Ignoring her) That's nice… Marie, the baguettes! Hurry up!

We came up to her.

Me: Hey Belle.

Belle: Hey guys! It's been a long time.

Zarya: It sure has. How have you been?

Belle: Great thank you. I heard you all have been going through some interesting times.

Nico: That's the understatement of the day.

Me: Yeah it's been really crazy for us.

Townsfolk: Look there she goes, that girl is strange no question.

Dazed and distracted, can't you tell?

Woman 1: Never part of any crowd.

Barber: Cause her head's up on some cloud.

Townsfolk: No denying she's a funny girl, that Belle! (Belle jumps on the back of the wagon and rides through town)

Driver: Bonjour!

Woman 2: Good day!

Driver: How is your family?

Woman 3: Bonjour!

Merchant: Good day!

Me: Bonjour everyone.

Woman 3: How is your wife?

Woman 4: I need six eggs!

Man 1: That's too expensive!

Fluttershy whistled and a chicken came and gave her more than enough eggs.

Belle: There must be more than this provincial life! (Belle enters the bookshop)

Bookseller: Ah, Belle!

Belle: Good morning. I've come to return the book I borrowed.

Bookseller: (Putting the book back on the shelf) Finished already?

Belle: Oh, I couldn't put it down! Have you got anything new?

Bookseller: (laughing) Not since yesterday.

Belle: (on ladder of bookshelf) That's all right. I'll borrow… this one.

Bookseller: That one? But you've read it twice!

Belle: Well it's my favorite! (Belle swings off side of ladder, rolling down it's track) Far off places, daring swordfights, magic spells, a prince in disguise!

Me: She sure has good tastes.

Laney: Yeah she does.

Twilight Sparkle: I can tell.

Bookseller: (handing her the book) Well, if you like it all that much, it's yours!

Belle: But sir!

Bookseller: I insist!

Belle: Well thank you. Thank you very much! (leaves bookshop)

Me: That book is one of my favorites too Belle.

Belle: I'm honored that you think so.

Eli: We like all that you read and it's awesome.

Men: (looking in window, then turning to watch her) Look there she goes That girl is so peculiar! I wonder if she's feeling well!

Women: With a dreamy far-off look!

Men: And her nose stuck in a book!

All: What a puzzle to the rest of us is Belle! (Belle sits on the edge of a fountain, singing to the sheep and the washing woman in the background, who leaves)

Me: We don't think you're a puzzle at all Belle. You are one of the most kind and amazing girls we know.

Belle: Thank you so much J.D.

Me: You're welcome.

Belle: Oh! Isn't this amazing! It's my favorite part because, you'll see! Here's where she meets Prince Charming… But she won't discover that it's him 'til chapter 3!

Woman 5: Now it's no wonder that her name means 'beauty' Her looks have got no parallel!

Merchant: But behind that fair facade I'm afraid she's rather odd
Very different from the rest of us…

All: She's nothing like the rest of us. Yes, different from the rest of us is Belle!

Me: Ah don't listen to them.

(Geese flying overhead, one is shot and plummets to the ground. Lefou runs over, holds out the bag, and misses catching the prize. He returns to Gaston)

Lefou: Wow! You didn't miss a shot, Gaston! You're the greatest hunter in the whole world!

Gaston: I know.

Lefou: Huh. No beast alive stands a chance against you… and no girl for that matter!

Gaston: It's true, Lefou, and I've got my sights set on that one! (pointing to Belle)

Lefou: The inventor's daughter?

Gaston: She's the one! The lucky girl I'm going to marry.

Lefou: But she's-

Gaston: The most beautiful girl in town.

Lefou: I know-

Gaston: And that makes her the best. And don't I deserve the best?

Lefou: Well of course, I mean you do, but I mean…

Gaston: Right from the moment when I met her, saw her. I said she's gorgeous and I fell. Here in town there's only she, who is beautiful as me. So I'm making plans to woo and marry Belle.

Then Gaston saw us with her!

Gaston: TEAM LOUD PHOENIX STORM! Those monsters will not get in the way of my love!

He came at us.

Bimbettes: Look there he goes, isn't he dreamy? Monsieur Gaston, oh he's so cute! Be still my heart, I'm hardly breathing! He's such a tall, dark, strong and handsome brute!

(Belle walks easily through the crowd of people in the town, Gaston struggles to catch up to her)

Man 1: Bonjour!

Gaston: Pardon!

Man 2: Good day!

Man 3: Mais oui!

Woman 1: You call this bacon?

Woman 2: What lovely grapes!

Man 4: Some cheese!

Woman 3: Ten yards!

Man 5: One pound

Gaston: 'Scuse me!

Man 6: I'll get the knife!

Gaston: Please let me through!

Woman 4: This bread!

Man 7: Those fish!

Woman 5: It's stale!

Man 8: They smell!

Man 9: Madame's mistaken!

All: Well maybe so…

Belle: There must be more than this provincial life!

Gaston: Just watch I'm going to make Belle my wife!

Me: (To myself) Like hell you will.

(Townsfolk gather around Gaston, and eventually surround him)

All: Look there she goes, that girl is strange but special! A most peculiar mademoiselle! It's a pity and a sin. She doesn't quite fit in!

Group 1: But she really is a funny girl.

Group 2: A beauty but a funny girl.

All: She really is a funny girl! That Belle!

Gaston: Hello, Belle.

Belle: Bonjour, Gaston.

POW!

I punched Gaston in the face and knocked him down.

Me: When are you gonna get it through your head that Belle will never be with you?

Nico: Yeah! She is not your type!

Eli: Yeah you chauvinistic brute!

CRUNCH!

Eli kicked him in the crotch!

Belle: Thanks guys but I got this.

Bimbette 1: What's wrong with her?

Bimbette 2: She's crazy!

Bimbette 3: He's gorgeous!

Lincoln walked by them: Hello ladies.

Bimbette 1: Ooh!

They were gawking at Lincoln.

Belle: Please, Gaston. I can't. I have to get home and help my father.

Me: And family is more important than talking to you.

LeFou: Ha ha ha, that crazy old loon, he need all the help he can get! (Gaston & Lefou laugh heartily)

Me: Do us all a favor and shut your fucking traps. Both of you!

Belle: Don't you talk about my father that way!

Gaston: Yeah, don't talk about her father that way! (He conks Lefou on the head.)

I pulled out my gun and shot LeFou in the leg!

BANG!

He screamed in pain.

Belle: My father's not crazy! He's a genius!

Me: Yeah and you two are big dumb Numbskulls!

Nico: (Raspberry)

KABOOM!

(Explosion in background.)

Me: WHOA!

(Gaston & Lefou continue laughing. Belle rushes home and descends into the basement.)

Belle: Papa?

Me: (Coughs) Geez! Something really went off down here.

Maurice: How on earth did that happen? Dog gonnit! (He pulls the barrel off his waist, along with his pants.)

Belle: Are you all right, Papa?

Maurice: I'm about ready to give up on this hunk of junk! (kicking machine)

Me: Maurice are you all right?

Maurice: Yeah I'm fine. Thank you. But I'm about to give up on this piece of junk.

Belle: You always say that.

Maurice: I mean it, this time. I'll never get this boneheaded contraption to work.

Belle: Yes, you will. And you'll win first prize at the fair tomorrow

Maurice: Hmmmph!

Belle:… and become a world famous inventor!

Maurice: You really believe that?

Belle: I always have.

Me: We all do.

Eli: Yeah!

Maurice: Well, what are we waiting for. I'll have this thing fixed in no time. (sliding under machine) Hand me that dog-legged clencher there… So, did you have a good time in town today?

Belle: I got a new book. Papa, do you think I'm odd?

Maurice: My daughter? Odd? (Appears from under machine with bizarre goggle contraption on his head distorting his eyes) Where would you get an idea like that?

Belle: Oh, I don't know. It's just that I'm not sure I fit in here. There's no one I can really talk to.

Me: You still have us.

Belle: True.

Maurice: What about that Gaston? He's a handsome fellow!

Belle: He's handsome all right, and rude and conceited and… Oh Papa, he's not for me!

Me: Well you'll find someone Belle. There's plenty of fish in the sea.

Maurice: Well, don't you worry, cause this invention's gonna be the start of a new life for us. (Comes out from under machine) I think that's done it. Now, let's give it a try. (machine whirs and chops wood, just as it should)

Belle: It works!

Maurice: It does? It does!

Me: YEAH IT WORKS!

Belle: You did it! You really did it!

Maurice: Hitch up Phillipe, girl. I'm off to the fair! (Log strikes him in the head, knocking him out. Fade to later in the day)

Belle: Good bye, Papa! Good luck!

Maurice: Good bye, Belle, and take care while I'm gone!

Me: Be careful!

(Maurice and Phillipe continue on their journey until they become lost)

Maurice: We should be there by now. Maybe we missed a turn. I guess I should have taken a… wait a minute. (Lifts lantern to illuminate sign giving directions to Anaheim and Valencia) No. Let's go this way!

(Phillipe looks right, at a dark, overgrown path, then left towards a more inviting route, then begins to go left)

Maurice: Come on, Phillipe! It's a shortcut. We'll be there in no time!

(Phillipe and Maurice continue through the dark.)

Maurice: This can't be right. Where have you taken us, Phillipe? We'd better turn around… and… whoa… whoa boy, whoa Phillipe. Oh, oh! Look out!

(A swarm of bats fly out of a tree. Phillipe runs through the forest avoiding everything until he almost runs over the edge of a cliff)

Maurice: Back up! Back up! Back up! Good boy, good boy. That's good, that's-back up! Steady. Steady! Hey now. Steady. (Phillipe finally bucks him off.) Phillipe! (Phillipe runs away, leaving Maurice on the edge of the cliff.) Phillipe? Oh no! (He looks up and sees wolves growling at him. Maurice runs away, being chased by the wolves. He stumbles down a hill, and lands at the gate of a castle. He grabs the locked gate and tries to shake it open.) Help! Is someone there?

(The gate opens, and Maurice runs in. He slams the gate in the faces of the wolves. Leaving his hat on the ground as the rain begins to fall, Maurice runs to the castle and bangs on the door. It creaks open and he enters, cautiously.)

Maurice: Hello? Hello?

(Watching from a table near the entrance are Lumiere and Cogsworth)

Lumiere: (Barely whispering) Old fellow must have lost his way in the woods.

Cogsworth: (Also whispering) Keep quiet! Maybe he'll go away.

Maurice: Is someone there?

Cogsworth: Not a word, Lumiere. Not one word!

Maurice: I don't mean to intrude, but I've lost my horse and I need a place to stay for the night.

Lumiere: (looking at Cogsworth like a child having just found a lost puppy) Oh Cogsworth, have a heart.

Cogsworth: Shush shush shhhhh! (Cogsworth puts hand over Lumiere'S mouth, who promptly proceeds to touch his lit candle hand to Cogsworth's hand.) Ow ow Ow OW OW OUCH!

Lumiere: Of course, monsieur, you are welcome here.

Maurice: (looking around in confusion) Who said that? (He picks up the candlestick for light, not realizing that the speaker is in his hand)

Lumiere: (Tapping him on the shoulder) Over here!

Maurice: (Spins around, pulling Lumiere to the other side) Where?

Lumiere: (Taps Maurice on the side of the head. Maurice looks at Lumiere.) Allo!

Maurice: Oh! (Startled, he drops Lumiere onto the floor.) Incredible!

Cogsworth: (hopping over) Well, now you've done it, Lumiere. Splendid, just peachy-aaarrrgghh! (Maurice picks up Cogsworth)

Maurice: How is this accomplished? (He fiddles with Cogsworth)

Cogsworth: Put me down! At once! Stop that! (giggles) Stop that, I say! (Maurice tickles the bottoms of Cogsworth's feet. He laughs. He begins to wind the spring on the back of Cogsworth's head, twisting his face around with the clock hands. Maurice opens the front of Cogsworth and begins to play with his pendulum. Cogsworth slams the door shut on his finger.) Sir, close that at once, do you mind?!

Maurice: I beg your pardon, it's just that I've never seen a clock that… aah… I mean… aah aah aah-chooo! (Maurice sneezes in the face of Cogsworth, who proceeds to wipe his face off using his clock hands in a very anachronistic windshield wiper manner. Maurice sniffles, indicating the cold he has caught from being in the rain.)

Lumiere: Oh, you are soaked to the bone, monsieur. Come, warm yourself by the fire.

Maurice: Thank you.

(Lumiere and Maurice head towards the den, with Cogsworth running after them.)

Cogsworth: No, no, no, do you know what the master would do if he finds you here. (Beast is watching the action from an overhead walkway, and rushes off as the trio enters the den.) I demand that you stop… right… there! (Cogsworth tumbles down the steps. Maurice takes a seat in a large chair in front of a roaring fire.) Oh no, no. Not the master's chair! (The footstool rushes past Cogsworth, barking up a storm.) I'm not seeing this, I'm not seeing this!

Maurice: (As the footstool rushes up to him) Well, hello there, boy. (Footstool props himself up under the feet of Maurice. Coatrack enters and removes his cloak.) What service!

Cogsworth: All right, this has gone far enough. I'm in charge here, and- (Cogsworth is run over by the (once again) anachronistic IndyCar sounding teacart of Mrs. Potts)

Mrs. Potts: (Arriving by the side of Maurice) How would you like a nice spot of tea, sir? It'll warm you up in no time. (Pours tea into cup

(Chip), which hops over into Maurice's open hand)

Cogsworth: (from face down position on carpet) No! No tea! No tea!

Chip: (As Maurice sips the tea) Ha ha! His moustache tickles, momma!

Maurice: (startled by the cup) Oh! Hello!

(The door to the den slams open and a strong gust of wind blows into the room, extinguishing Lumiere's flames and the fire in the fireplace. Cogsworth dives for cover. Mrs. Potts begins to shake. Chip jumps back onto the tea cart and takes refuge from behind his mother)

Chip: Uh oh!

(Beast enters. We see him in full for the first time. He is on all fours. He looks around in the darkness.)

Beast: (growling his words) There's a stranger here.

Lumiere: (who has relit his flames) Master, allow me to explain. The gentleman was lost in the woods. He was cold and wet, so… (Lumiere's last sentence is drowned out by the very loud growl of Beast, which puts out his flames once again. Lumiere looks down, dejected.)

Cogsworth: (Coming out from under a rug) Master, I'd like to take this moment to say… I was against this from the start. It was all his fault. I tried to stop them, but would they listen to me? No, no… (Again, Beast's growl drowns out Cogsworth.)

(Maurice looks to one side of the chair, then to the other and sees Beast.)

Beast: Who are you?! What are you doing here?!

Maurice: (Very scared and backing away from the advancing Beast) I… I… I was lost in the woods and… (stares at Beast)

Beast: (Advancing on him) You are not welcome here!

Maurice: I… I'm… I'm sorry

Beast: What are you staring at?

Maurice: (Cowering under Beast) Noth-noth-nothing! (Turns to leave)

Beast: (Racing around and blocking the entrance with surprising speed) So, you've come to stare at the Beast, have you?

Maurice: Please, I meant no harm! I just needed a place to stay…

Beast: I'll give you a place to stay!

Maurice: Oh! Please! No, no! (Beast picks up Maurice, carries him out of the room and slams the door, plunging the den, along with Cogsworth, Lumiere, Mrs. Potts, and Chip into darkness. Fade out.)

(Fade in to Belle's cottage, seen from POV of Gaston and Lefou.)

Lefou: Heh! Oh boy! Belle's gonna get the surprise of her life, huh, Gaston?

Gaston: Yep. This is her lucky day!

(Gaston lets go of a branch, which swings back and hits Lefou in the turns to the band, wedding guests and others, apparently just out ofsight of Belle's cottage.)

Gaston: I'd like to thank you all for coming to my wedding. But first, I better go in there and… propose to the girl!

(The minister, the baker, and the others laugh heartily. Camera pans quickly to show the bimbettes crying their eyes out.)

Gaston: (To Lefou) Now, you Lefou. When Belle and I come out that door-

Lefou: Oh I know, I know! I strike up the band! (He turns and begins directing the band in "Here Comes the Bride." Gaston slams a baritone over his head.)

Gaston: Not yet!

Lefou: (From inside the instrument, with his lips sticking out the mouthpiece) Sorry!

(Cut to interior of cottage. Belle is sitting in a chair reading her new book. There is a knock at the door. She puts the book down and walks to the door. She reaches up and pulls down a viewing device. She peeks through and sees an anachronistically accurate fish-eye view of Gaston. She moans.)

Me: Gaston?

Belle: Yeah.

Me: I got this.

Belle opened the door and then…

POW!

I punched him in the face and it sent him to tumble out the door and into a mud puddle.

Gaston: Whoa!

(The wedding band begins to play "Here Comes the Bride." and the door is slammed shut. Lefou, who is directing the band, looks down and sees Gaston's legs sticking out of the mud, and Pierre the pig's head sticking up. Lefou cuts off the band, and Gaston's head pops up and he had a nasty black eye, with the pig on top of him. He tilts his head, and the pig slides down his back.)

Lefou: So, how'd it go?

Gaston: (Picks up Lefou by the neck) I'll have Belle for my wife, make no mistake about that! (Gaston drops Lefou into the mud.)

Lefou: (To Pierre) Touchy!

Pierre: Grunt Grunt.

(Gaston storms off, muddy and furious, and the focus returns to the cottage. Belle pokes her head out the door.)

Belle: (To the chickens) Is he gone?

They nodded.

Me: Yeah he's gone.

Belle: Can you imagine? He asked me to marry him!

Nico: Don't worry Belle. We're not going to let him touch you.

Belle: Thanks guys. Me, the wife of that boorish, brainless… Madame Gaston, can't you just see it? Madame Gaston, his little wife. No, sir! Not me, I guarantee it. I want much more than this provincial life… (she walks into the pen and feeds the animals, then runs off singing into an open field overlooking a beautiful valley) I want adventure in the great wide somewhere, I want it more than I can tell. And for once it might be grand… To have someone understand… I want so much more than they've got planned…

Me: I know Belle. But we'll find someone for you. I'm no matchmaker but we'll find you someone.

(Phillipe runs into the open field. Belle looks at him, disturbed that Maurice is not with him.)

Belle: Phillipe!

Me: Phillipe!?

Belle: What are you doing here? Where's…? Where's Papa? Where is he, Phillipe? What happened? Oh, we have to find him, you have to take me to him!

(Belle unhitches the wagon from Phillipe.)

Me: We'll all go with you Belle.

Cut to us walking down the forest.

Me: This forest is scary.

Nico: Yeah. It's so ominous and sends shivers down your spine.

Lincoln: Yeah.

We heard wolf howls.

Me: Wolves are here.

Laney: Wow.

Then we saw a wolf pack.

Me: Wolf pack!

Zarya: I'll tame them.

Snake Man: You sure you want to tame those wolves, Zarya? I can always eat them.

Zarya: I do. The Wolf is my power in the Mysticons and I can be their friend.

Zarya went up to the wolves and tamed them and made them her friends and partners and they became our friends as well.

Nico: Wow. That is so cool.

Me: It sure is.

(How Phillipe brought Belle there is a mystery, seeing as Phillipe never made it to the castle with Maurice.)

We arrived at the castle and Zarya's new wolf friends were with her.

Belle: What is this place?

Me: Oh man. This is Prince Adam's castle.

Lasher: Beast's castle looks dark as ever.

Zarya: It sure does. Even when it's cursed, it still shows a horrifying image.

Belle: I know. But the Beast is a prince that is misunderstood.

Girl Jordan: I remember. But his castle will always be beautiful in the eyes of many.

Laney: It sure will.

Nico: Yeah.

(Phillipe snorts, then begins to buck as if something is scaring him. Belle dismounts and comforts him.)

Belle: Phillipe, please, steady. (She enters the gate and sees Maurice's hat on the ground.) Papa.

Me: He's here. Lets go.

(Cut to interior of castle with Cogsworth and Lumiere discussing events.)

Cogsworth: Couldn't keep quiet, could we? Just had to invite him to stay, didn't we? Serve him tea, sit in the master's chair, pet the pooch.

Lumiere: I was trying to be hospitable.

(Cut back to door opening and Belle entering castle.)

Belle: Hello? Is anyone here? Hello? Papa? Papa, are you here?

Me: Hello? Anyone home?

Eli: Hello?

(We follow as Belle ascends the grand staircase and searches for her father. Cut to kitchen where Mrs. Potts is standing next to a tub of hot water. Chip hops in.)

Chip: Momma. There's a girl in the castle!

Mrs. Potts: Now, Chip, I won't have you making up such wild stories.

Chip: But really, momma, I saw her.

Mrs. Potts: (Disgusted) Not another word. Into the tub. (She lifts Chip into the tub. Featherduster enters)

Featherduster: A girl! I saw a girl in the castle!

Chip: (poking his head out from the water) See, I told ya!

(Cut back to Lumiere and Cogsworth bickering)

Cogsworth: Irresponsible, devil-may-care, waxy eared, slack-jawed-

Belle: Papa?

(Cogsworth and Lumiere turn to look at the new arrival)

Lumiere: Did you see that? (Running to the door and poking his head around the corner with Cogsworth) It's a girl!

Cogsworth: I know it's a girl.

Lumiere: And Team Loud Phoenix Storm is with her! Don't you see? She's the one. The girl we have been waiting for. She has come to break the spell! (He chases after her.)

Cogsworth: Wait a minute, wait a minute!

(Belle advances down a narrow hallway. Cogsworth and Lumiere sneak up behind her and open the door that leads to the tower where Maurice is being kept. The door creaks open and Belle hears the sound)

Me: This place gives me the creeps.

Brittney: It's still a beautiful castle.

We followed Belle.

Belle: Papa? Papa? (Cogsworth hides behind the door and Lumiere rushes off.) Hello? Is someone here? Wait! I'm looking for my father! (She begins up the stairs, but doesn't realize that Lumiere is watching her.) That's funny, I'm sure there was someone… I-I-Is there anyone here?

(Maurice's voice echoes from his cell)

Maurice: Belle?

Me: Maurice?

Belle: Papa! (Rushes up to the cell to find him)

Maurice: How did you find me?

Belle: Oh, your hands are like ice. We have to get you out of here.

Me: Yeah.

Maurice: Belle, I want you to leave this place.

Belle: Who's done this to you?

Maurice: No time to explain. You must go… now!

Belle: I won't leave you!

(Suddenly, Beast grabs Belle's shoulder and whips her around. She drops the torch she was carrying into a puddle and the room is dark except for one beam of light from a skylight.)

Beast: What are you doing here?

Maurice: Run, Belle!

We hid.

Belle: Who's there? Who are you?

Beast: The master of this castle.

Belle: I've come for my father. Please let him out! Can't you see he's sick?

Beast: Then he shouldn't have trespassed here.

Belle: But he could die. Please, I'll do anything!

Beast: There's nothing you can do. He's my prisoner.

Belle: Oh, there must be some way I can… wait! (pause) Take me, instead!

Beast: You! You would take his place?

Maurice: Belle, no! You don't know what you're doing!

Belle: If I did, would you let him go?

Beast: Yes, but you must promise to stay here forever.

(Belle ponders the situation and realizes she can't see the captor)

Belle: Come into the light.

(Beast drags his legs, then his whole body into the beam of light. Belle looks, her eyes growing wider until she can stand no more and falls back to Maurice.)

Me: Prince Adam? Is that you?

We went up to him.

Beast: J.D., Everyone!

Eli: It's good to see you again.

Maurice: How do you know him?

Me: It's all right Maurice. He's a friend. We'll tell you all about it later. By the way Prince Adam, did you see anything unusual here like a man wearing a black outfit?

Beast: Yes I did.

Eli: Oh no.

Beast: Look, guys. Despite the fact that I'm stuck in this form right now, it really is good to see you guys.

Myotismon: Relax, Adam. I'm a vampire Digimon. So, I'm not one to judge.

Me: But it's great to see you again as well Adam. But I'm afraid we have big problems. Xaldin is back.

Beast gasped.

Me: Yeah. This is an evil version of him and not the one of the Masters of Evil that we know.

I went over his history.

---

Xaldin, also known as the Whirlwind Lancer, is the third member of Organization XIII and a major antagonist in the Kingdom Hearts series. He is a silver-tongued Nobody who controls the wind. He wields six lances named Lindworm and uses his powers over wind to manipulate all six at once, for both offensive and defensive purpose.

Xaldin's lances can transform into a dragon-shaped contraption to attack opponents with whirlwinds. He controls the lance-wielding Dragoon Nobodies.

He is the main antagonist of the Beast's Castle arcs in Kingdom Hearts II and a minor ally and playable character in 358/2 Days.

He was voiced by David Dayan Fisher in the English dubbed version who also portrayed Shaw in National Treasure, and Yōsuke Akimoto in the Japanese version.

Xaldin was once Dilan, a castle guard working under Ansem the Wise, benign lord of the Radiant Garden kingdom, who met Ventus and later took Aqua's armor and Keyblade into the castle. Becoming a Nobody to be free of feelings, Xaldin understood the setbacks of lacking a heart, but kept a clear disdain towards people who follow their hearts, especially towards the Beast.

Xaldin secretly begins his attempt to manipulate the Beast's rage to create a powerful Nobody and Heartless. He then kidnaps Belle, forcing the Beast to choose whether Belle or the rose is more important to him. The plan fails when Belle gets away with the rose and Xaldin falls against Sora and the Beast, fading into nothingness.

However, in Dream Drop Distance, it's revealed that he was revived as Dilan along with Even, Aeleus, Ienzo and Lea.

---

Everyone gasped.

Lori: (GROWLS FEROCIOUSLY)

Beast: What's wrong with Lori?

Me: We faced Xaldin 3 years ago the first time and she is so pissed off about Xaldin trying to destroy your relationship with Belle. She has a huge personal vendetta against him.

Nico: Yeah. It's true. Lori HATES Xaldin more than life itself.

Zarya: It's not pretty.

Me: Yeah.

Beast: I see. I'll show you to your room.

(Beast leads Belle and us to her room. As we proceed, Belle begins to lag behind. She looks at the hideous sculptures on the walls and the light casting shadows on them. Frightened, she gasps and runs to catch up with Beast.

Twilight Sparkle: Prince Adam what happened here that caused this castle to become like this?

Beast: It's a really nasty story.

Me: It's a curse that was put on the castle.

Laney: Yeah.

Me: We'll do everything we can to help you Prince Adam.

Beast: Thank you.

(Beast continues, and Belle reluctantly follows. Cut to int. of Belle's room, dark. The door opens and light spills in.)

Beast: (Tenderly) Now, if you need anything, my servants will attend you.

We went in.

Me: Thank you Prince Adam.

We went in and he closed the door.

(There is a 'clink clink clink' at the door. She gets up and walks over to open the door. Mrs. Potts enters with Chip and their entourage.)

Belle: Who is it?

Mrs. Potts: (from outside the door) Mrs. Potts, dear. (Door opens.) I thought you might like a spot of tea.

Belle: (amazed at the fact that she is listening to a walking tea set) But you're… You're a… (bumps into the wardrobe)

Wardrobe: Ooh! Careful!

Belle: (sits on bed) This is impossible-

Wardrobe: (leans 'shoulder' on bed, popping other end and Belle into the air) I know it is, but here we are!

Me: It's part of the curse that the Beast is on. Not only did the Prince get cursed. But so did all the people who live here. They got turned into objects.

Nico: Yeah.

Me: Mrs. Potts it's a pleasure to meet you.

Mrs. Potts: And it's an honor to meet the famous Team Loud Phoenix Storm.

Chip: Same here. You guys are my heroes.

Me: We're honored.

Chip: (as sugar and cream are being poured into him) I told you she was pretty, Mama, didn't I?

Mrs. Potts: All right, now, Chip. That'll do. (Chip hops over to Belle, who is sitting on the floor) Slowly, now. Don't spill!

Belle: Thank you. (She picks up Chip, and is about to take a sip of tea.)

Chip: (To Belle) Wanna see me do a trick? (Chip takes a big breath, then puffs out his cheeks and blows bubbles out the top of the cup.)

Mrs. Potts: (admonishingly) Chip!

Chip: (looking guilty) Oops. Sorry.

Me: That's funny.

Eli: It sure was. But Belle here's how the spell went down here.

Belle: How did it happen?

Eli went over what happened at the castle.

The Enchantress is the one who placed the spell on the Prince, the castle, and everyone inside the castle for the Prince's cruel ways. She is cunning, taking on the disguise of an old, helpless woman seeking shelter to test the Prince's heart. Her morality, however, is up for debate, particularly because of the debate over the Beast's age when he was cursed, and how she cursed everyone in the castle rather than just the guilty party (such as Chip Potts, who was undebatably a child at the time), as well as being implied to have cursed the forest surrounding the castle making it dark and infested by wolves and bats so only few would dare to enter.

Belle gasped.

Me: Yeah. This whole castle and the area around it as well as Prince

Adam and the people here are all cursed. Prince Adam is now a beast and all the people that live here have been turned into objects.

Belle: There has to be something we can do.

Mrs. Potts: (To Belle) That was a very brave thing you did, my dear.

Wardrobe: We all think so.

Me: Yeah. And your father is staying in a better room than the dungeon.

Lola: That's right.

Me: Also you still have us with you.

Mrs. Potts: That's right. Cheer up, child. It'll turn out all right in the end. You'll see. (She looks up, startled.) Ooh, listen to me… jabbering on while there's a supper to get on the table. Chip!

Chip: (hopping away) Bye!

(Belle stands and the wardrobe approaches her.)

Me: I bet you are hungry Belle?

Belle: I suppose I am.

Me: Lets go.

(Door creaks open. Belle and us silently emerges. We see our feet go by as three bright spots shine through a curtain at floor level. Behind it are Lumiere and the featherduster.)

Featherduster: Oh, no!

Lumiere: Oh, yes!

Featherduster: Oh, no!

Lumiere: Oh, yes, yes, yes!

Featherduster: I've been burnt by you before!

(Lumiere and the featherduster have emerged and he takes her in his arms. Suddenly he looks up and sees Belle walking down the hall. He drops the featherduster.)

Featherduster: Oof!

Lumiere: Zut alors! She has emerged!

(Cut to kitchen, where we find Cogsworth, Mrs. Potts, Chip and the stove.)

Mrs. Potts: Come on, Chip. Into the cupboard with your brothers and sisters. (helping him in)

Chip: (yawning) But I'm not sleepy.

Mrs. Potts: Yes, you are.

Chip: No, I'm… not. (He falls asleep and Mrs. Potts shuts the cupboard door.)

(A banging of pots and pans comes from the stove.)

Stove: I work and I slave all day, and for what? A culinary masterpiece gone to waste.

Mrs. Potts: Oh, stop your grousing. It's been a long night for all of us.

Cogsworth: Well, if you ask me, she was just being stubborn. After all, he did say 'please.'

Mrs. Potts: But if the master doesn't learn to control that temper, he'll never break the-

(Belle and us enter, and Cogsworth cuts off Mrs. Potts before she can say 'spell.')

Cogsworth: (interrupting) Splendid to see you out and about, mademoiselle and friends.

Me: Hello Cogsworth.

Eli: Good to see you again.

Cogsworth: Same to you Eli.

Me: We came to help you all. Also we're really hungry.

(Lumiere came running in.)

Cogsworth: I am Cogsworth, head of the household. (He leans over to kiss Belle's hand, but Lumiere butts in front of him.) This is Lumiere.

Lumiere: En chante, cherie.

Eli: Bonjour Lumiere.

Lumiere: Ah Eli it's good to see you again.

Lincoln: It's an honor to meet you.

Cogsworth: (trying to talk around Lumiere who is still kissing Belle's hand) If there's… stop that… anything that we… please (finally shoving him out of the way)… can do to make your stay more comfortable. (Lumiere burns the hand of Cogsworth) Ow!

Belle: I am a little hungry.

Me: We're all very hungry.

Mrs. Potts: (excited, to the other tea pots) You are? Hear that? She's hungry. Stoke the fire, break out the silver, wake the china.

(The fire on the stove roars to life, and drawers open to reveal silverware standing at attention.)

Cogsworth: (secretively) Remember what the master said.

Mrs. Potts: Oh, pish tosh. I'm not going to let the poor child and our friends go hungry.

Cogsworth: (thinking he is giving in to the ultimate demand) Oh, all right. Glass of water, crust of bread, and then-

Lumiere: Cogsworth, I am surprised at you. She's not our prisoner. She's our guest! We must make her feel welcome here. (to Belle) Right this way, mademoiselle and friends.

Cogsworth: Well keep it down. If the master finds out about this, it will be our necks!

Beast came.

Beast: It's all right Cogsworth. They are friends.

Lumiere: Of course, of course. But what is dinner without a little music?

(Lumiere has started out the swinging door. He lets it close, and the door hits Cogsworth and sends him across the room to land in a pan filled with (what looks like) pancake batter. He screams his line as he is in flight.)

Cogsworth: MUSIC?!

(Cut to dining room, where Belle is seated at the end of a long table. Lumiere is on the table and a spotlight shines on him.)

Lumiere: Ma chere, mademoiselle. It is with deepest pleasure and greatest pride that I welcome you tonight. And now, we invite you to relax. Let us pull up a chair for you all as the dining room proudly presents… your dinner. Be… our… guest, be our guest, put our service to the test, tie your napkin 'round your neck, cherie and we provide the rest!

(The chair has wrapped a napkin around Belle's neck, who takes it off and places it on her lap. The chair's arms put it's hands on it's 'waist' as if it were mad.)

Lumiere: Soup du jour, hot hors d'oeuvres! Why we only live to serve! Try the grey stuff, it's delicious! Don't believe me? Ask the dishes!

(Lumiere offers Belle a plate of hors d'oeuvres. She dips her finger in one, and tastes it. We taste them.)

Lumiere: They can sing, they can dance! After all, miss, this is France! And a dinner here is never second best! Go on unfold your menu, take a glance and then you'll be our guest, oui, our guest, be our guest!

(A cabinet at the end of the table opens to reveal a large china collection, which rolls out and begins to perform. Lumiere hands Belle a menu, which she begins to read.)

Lumiere: Beef ragout, cheese souffle, pie and pudding en flambe! We'll prepare and serve with flair a culinary cabaret!

(Plates of food go dancing by, with Cogsworth in the pudding. Lumiere sets his torch to it, and it explodes, turning Cogsworth's face black with soot.)

Lumiere: You're alone and you're scared, but the banquet's all prepared! No one's gloomy or complaining, while the fatwares entertaining!

(The flatware enters a 'Busby Berlkley-esque' swimming scene.)

Lumiere: We tell jokes, I do tricks with my fellow candlesticks… (standing on a plate, is elevated and begins to juggle his candles.)

Mugs: (entering the shot) "Und" it's all in perfect taste that you can bet! (They begin a gymnastics routine, hopping over one another and passing a beverage from one to the next)

All: Come on and lift your glass, you've won your own free pass to be our guest!

Lumiere: If you're stressed, it's fine dining we suggest!

All: Be our guest, be our guest, be our guest! (They leave except Cogsworth, who looks scared, then begins to inch away.)

Lumiere: Life is so unnerving, for a servant who's not serving! (enters and holds him there.) He's not whole without a soul to wait upon…

Cogsworth: Get off! (blows out the candles.)

Lumiere: Ah, those good old days when we were useful. Suddenly, those good old days are gone. (Lumiere sings as if he were reminiscing. Snow begins to fall. Cogsworth looks up and sees the salt and pepper shakers doing their thing.) Ten years we've been rusting, needing so much more than dusting, needing exercise, a chance to use our skills! (Lumiere dusts the salt of the head of Cogsworth, who tries to escape. He trips and falls into the gelatin mold.) Most days just lay around the castle, flabby fat and lazy, you walked in, and oops-a-daisie! (Lumiere jumps on a spoon in the gelatin, which catapults Cogsworth out of the mold.)

(Cut to kitchen, where Mrs. Potts is surrounded by soap bubbles.)

Mrs. Potts: It's a guest, it's a guest! Sakes alive, well I'll be blessed! Wine's been poured and thank the Lord, I've had the napkins freshly pressed! (continues to dance around the kitchen) With dessert, she'll want tea, and my dear, that's fine with me! While the cups do their soft shoeing, I'll be bubbling, I'll be brewing! I'll get warm, piping hot- Heaven's sake, is that a spot? Clean it up, we want the company impressed! We've got a lot to do- Is it one lump or two? For you our guest! (Mrs. Potts is cleaned off by a napkin. She hops onto the tea cart and rolls into the dining room, where she offers tea to Belle.)

All: They're our guests!

Mrs. Potts: They're our guest!

All: They're our guests! Be our guest! Be our guest! Our command is your request! It's ten years since we had anybody here, and we're obsessed! With your meal, with your ease, yes indeed, we aim to please! While the candlelight's still glowing, let us help you we'll keep going-

(The china and candlesticks perform an elaborately choreographed dance sequence, ending in a c.u. of Lumiere.)

All (with Lumiere): Course… by… course, one by one, 'til you shout "Enough, I'm done!" Then we'll sing you off to sleep as you digest! Tonight you'll prop your feet up, but for let's eat up! Be our guest! Be our guest! Be our guest! Please Be our gueeeeeeeeeeeeest!

(A fantastic ending comes of the song, with silverware flying through the air, plates and featherdusters dancing, and Cogsworth the focus of attention, until Lumiere comes sliding in and sends him flying out of camera range.)

We cheered wildly.

Me: That was awesome!

Eli: I always love that song!

Nico: Me too!

Beast: A great song.

Belle: Bravo! That was wonderful!

Cogsworth: Thank you, thank you, mademoiselle. Yes, good show, wasn't it?

Eli: It was great Cogsworth. Just like I remember.

Nunnally: It sure was fun.

Nico: Yeah it was.

Zarya: Yeah!

Cogsworth: (Looking at his own face) Oh, my goodness, look at the time. Now, it's off to bed, off to bed!

(Lumiere comes up next to Cogsworth.)

Belle: Oh, I couldn't possibly go to bed now. It's my first time in an enchanted castle.

Me: Ours too.

Cogsworth: Enchanted? Who said anything about the castle being enchanted? (He tries to cover it up, just as a fork runs past. To Lumiere) It was you, wasn't it!?

Belle: I… figured it out for myself.

Me: Because we all figured it out and we told her.

Belle: (Cogsworth and Lumiere have been fighting. They both look at her, then stop. Cogsworth dusts himself off, and Lumiere fixes his wax nose.) I'd like to look around, if that's all right.

Lumiere: (excited) Oh! Would you like a tour?

Me: We sure would.

Maurice: I would love to see more of this castle.

Cogsworth: Wait a second, wait a second. I'm not sure that's such a good idea. (Confidentially, to Lumiere) We can't let her go poking around in certain places, if you know what I mean.

Belle: (Poking Cogsworth in the belly (like the Pillsbury doughboy)) Perhaps you could take me. I'm sure you know everything there is to know about the castle.

Cogsworth: (flattered) Well, actually, ah yes, I do!

(Fade to Cogsworth, Lumiere, and Belle walking down a hall with the footstool. Cogsworth is lecturing.)

Cogsworth: As you can see, the pseudo facade was stripped away to reveal a minimalist rococo design. Note the unusual inverted vaulted ceilings. This is yet another example of the neo-classic baroque period, and as I always say, if it's not baroque, don't fix it! Ha ha ha. Now then, where was I? (He turns to find the heads of the suits of armor have turned to follow Belle.) As you were! (They all snap back to face forward.) Now, if I may draw your attention to the flying buttresses above the-uh, mademoiselle?

(Cogsworth turns back to the group and is one girl short. He sees her beginning to climb the grand staircase. He and Lumiere run up to her and jump in front of her, blocking her progress upstairs.)

Belle: What's up there?

Me: That must be the West Wing.

Cogsworth: Where? There? Oh, nothing. Absolutely nothing of interest at all in the West Wing. Dusty, dull, very boring.

(Lumiere has been shaking his head, but Cogsworth nudges him and he nods in agreement.)

Belle: Ah, so that's the West Wing.

Lumiere: (To Cogsworth) Nice going!

Belle: I wonder what he's hiding up there.

Me: It's part of why this Castle and everything and everyone in it is Cursed.

Vanitas: Let's go down to the Dungeon and see if we can kill any Heartless there.

Me: Okay.

Belle: That's a good idea.

We went down to the dungeons and 45 minutes later we came back.

Me: That's that.

We had auras like fire.

Zarya: Yeah.

The wolves nuzzled Zarya.

Nico: Cool.

Beast: Guys I need to show you all something.

Belle: What is it?

He took us to the West Wing and we went into Beast's room and he showed us the Rose. Belle's excitement begins to dwindle, though, when she enters the hallway leading to Beast's lair. As she walks down the hall, she stops to look in a mirror that has been shattered into several pieces, each one reflecting her concerned look.

Me: Whoa. These mirrors are all broken.

Belle: Yeah.

She reaches the end of the hall and finds a closed door with gargoyle handles.

Lucy Loud: Now that's my kind of door handle.

Belle takes a deep breath, then reaches out and opens the door. We went inside and we begin to explore. We are truly shocked by everything we see.

Me: What a mess.

Nico: No kidding.

Eli: Yeah.

We wanders around, looking, and Belle knocks over a table, but she catches it before it crashes to the floor. She then turns her head and sees a shredded picture on the wall. We can only see part of a portrait. It is the same portrait that was shredded in the opening. Belle reaches out and lifts the shreds of the picture to reveal the prince.

Me: Is this your room Prince Adam?

Beast: Yes. Yes it is.

Me: Oh man.

We look at the portrait and we saw that it was a picture of Prince Adam before he turned into the Beast. But then we saw a pink light and then we turned our heads and saw the rose under the bell jar. She walks over to it, her eyes transfixed. We went to the rose.

Laney: Is that the rose?

Beast: Yes. It's linked to the spell that I'm under. The rose has been in bloom for over 10 years and it's now starting to wilt.

I saw that 4 petals have fallen.

Me: 4 petals have fallen.

Beast: Yes. I have to learn how to love another and earn Belle's love in return by the time the last of the petals falls.

Me: That's why you're cursed to be like this.

Beast: Yes. But if I can't do it then I'm gonna be like this forever.

Me: The rose is like a timer. Looks like we only have a few days left from the looks of it.

Zarya: Then we got to hurry.

Lola: And fast.

Eli: Yeah

Brittney: Lets see here.

She pulled out a book on Supernatural Curses and Enchanted Artifacts.

Brittney scrolled through the pages and she found something really interesting.

Brittney: Here it is. "The Curse of The Cruelty Beast."

Belle: What's that one about?

Brittney: It is a curse that turns someone whose heart is as black as night into a beast.

Beast: Exactly like me.

Belle: Is there any way to undo the curse?

Brittney: Yes but there's a huge catch. The person afflicted with this curse has to learn how to love another by the time a magical flower loses all its petals or they will be a beast permanently.

We gasped!

Eli: That's terrible!

Lincoln: No kidding.

Laney: How much time do you think we have on the rose?

Brittney: From the looks of things, I would have to say only about a week. Maybe a month. Less than a year max.

Nico: Oh man.

Then we felt an energy signal and we turned and we saw a Heartless! It was THE THRESHOLDER!

Harley Quinn: Aw, crap! It's a Thresholder!

Zarya fired energy blasts and destroyed the Thresholder.

Zarya: It WAS a Thresholder.

Nico: That's it for that Heartless.

Me: Yep.

We got a massive power boost from him.

Vexen saw Nico writing something.

Vexen: What are you doing, Nico?

Nico: I'm writing a threat to Gaston. I'm gonna have Hawkeye shoot it at his front door as soon as I'm done.

Vexen: Ooh clever. Hopefully his arrow will reach it.

Nico: It will.

Nico rolled the message up.

Nico: It's ready.

Me: Don't worry Prince Adam, we'll gladly help you out. Team Loud Phoenix Storm never abandon's anyone.

Beast: Thank you.

Fade to Gaston's tavern, which is empty except for Gaston, Lefou and Monsieur D'arque, who are all sitting at a table.)

D'arque: I don't usually leave the asylum in the middle of the night, but they said you'd make it worth my while. (Gaston pulls out a sack of gold and tosses it in front of him. He takes out a piece, scrapes it on his chin and continues.) Aah, I'm listening.

Gaston: It's like this. I've got my heart set on marrying Belle, but she needs a little persuasion.

Lefou: (butting in) Turned him down flat!

Gaston: (slams a beer mug on Lefou's head.) Everyone knows her father's a lunatic. He was in here tonight raving about a beast in a castle…

D'arque: Maurice is harmless.

Gaston: The point is, Belle would do anything to keep him from being locked up.

Lefou: Yeah, even marry him!

(Gaston gives him another threatening look, and he ducks back under the mug.)

D'arque: So you want me to throw her father in the asylum unless she agrees to marry you? (They both nod in agreement.) Oh, that is despicable. I love it!

Suddenly an arrow fired through the window and Gaston just avoided an arrow as it hit the wall near him. On the arrow was a piece of paper. He took the paper, unfolded it, and read it.

Gaston (reads paper): "Hey, Gaston. This is Nico Chan. I'm a friend of your wife, Belle. Oh wait. She's not your wife. YOU'RE TRYING

TO FORCE HER TO MARRY YOU! I guess that makes you a sex offender, huh? Don't worry. I won't tell anyone of that. At least, I won't if you give me all the money you have in 24 hours. It's been nice talking to you. P.S. You're not as cool as you say you are!" (to Shadow Stalker) Shadow Stalker, when the time comes, you have your target.

The Shadow Stalker agreed and disappeared.

Lefou: What are you gonna do!?

Gaston: I won't be intimidated. D'arque, my plan will still go on.

(Fade to ext of castle. Belle is playing in the snow with Phillipe and the footstool. Beast, Cogsworth and Lumiere watch from the balcony.)

Beast: I've never felt this way about anyone. (Looks excited) I want to do something for her. (Looks discouraged.) But what?

Cogsworth: Well, there's the usual things-flowers, chocolates, promises you don't intend to keep…

Lumiere: Ahh, no no. It has to be something very special. Something that sparks her interest… Wait a minute.

Me: She likes reading books.

Beast: That's perfect.

(Cut to the hallway leading to library. Beast and Belle are alone.)

Beast: Belle, there's something I want to show you. (Begins to open the door, then stops.) But first, you have to close your eyes. (She looks at him questioningly.) It's a surprise.

(Belle closes her eyes, and Beast waves his hand in front of her. Then he opens the door. He leads her in.)

Belle: (Just as she enters the room) Can I open them?

Beast: No, no. Not yet. Wait here. (He walks away to draw back the curtains. He does, and brilliant sunlight spills into the room.)

Belle: (flinches reflexively as the light hits her face.) Now can I open them?

Beast: All right. Now.

Belle: (opens her eyes and the camera pulls back to reveal the gigantic library filled with books.) I can't believe it. I've never seen so many books in all my life!

Me: Wow! What a library.

Beast: You-you like it?

Belle: It's wonderful.

Beast: Then it's yours.

Belle: Oh, thank you so much.

(Cut to Belle and Beast in bkgd, with objects including Chip in foreground watching them.)

Mrs. Potts: Oh, would you look at that?

Lumiere: Ha ha! I knew it would work.

Chip: What? What works?

Cogsworth: It's very encouraging.

Featherduster: Isn't this exciting!

Chip: I didn't see anything.

Mrs. Potts: Come along, Chip. There's chores to be done in the kitchen.

Chip: But what are they talking about? What's going on? C'mon, Mom!

(The objects walk away. Fade to breakfast table with Belle at one end and Beast at the other, with Mrs. Potts between them. Belle is served breakfast, and as she begins to eat, she looks at Beast, gobbling up his food with no table manners whatsoever. Chip laughs, but Mrs. Potts shoots him an admonishing look. Belle turns away and tries to ignore it, but Chip comes to the rescue. He nudges the spoon with his nose, and Beast reaches out for it (very 3-D-ishly). Belle looks at him in wonder as he tries to eat with the spoon, but he has little success. Finally, Belle puts down her spoon and lifts her bowl as if in a toast. Beast looks at the compromise and does the same. They both begin to sip their breakfast out of their bowls. Fade to courtyard where Belle and Beast are feeding the birds.)

Belle: There's something sweet, and almost kind, but he was mean, and he was coarse and unrefined. And now he's dear, And so unsure, I wonder why I didn't see it there before.

(Belle is trying to attract some birds to Beast who shoves a handful of seed at them. Finally, she takes a handful and gently spreads it out, creating a trail. One lands in his hands, and he looks up thrilled.)

Beast: She glanced this way, I thought I saw, and when we touched, she didn't shudder at my paw. No it can't be, I'll just ignore, but then she's never looked at me that way before.

(Belle has ducked around a tree, leaving Beast with the birds. She begins to look doubtful again, but turns her head around the tree and laughs. Beast is covered with birds.)

Belle: New, and a bit alarming. Who'd have ever thought that this could be? True, that he's no Prince Charming. But there's something in him that I simply didn't see.

SPLAT!

Me: OH! (Laughs) She nailed him good.

Nico: Nice shot!

(Belle throws a snowball at Beast, who had looked at her proudly after the birds flew away. He begins to gather a large pile of snow.

We cut to the objects, looking out of a window at the two. In the background, Belle throws another snowball at Beast, who drops his huge pile of snow on his head. He chases her around a tree, but she ducks around the other side and sneaks up on him from behind.)

Lumiere: Well who'd have thought?

Mrs. Potts: Well bless my soul.

Cogsworth: And who'd have known?

Mrs. Potts: Well who indeed?

Lumiere: And who'd have guessed they'd come together on their own?

Mrs. Potts: It's so peculiar

All: We'll wait and see, a few days more, there may be something there that wasn't there before

(Fade to den where Belle sits in front of a roaring fire and reads to Beast. The objects including Chip watch from doorway)

Cogsworth: You know, perhaps there's something there that wasn't there before.

Chip: What?

Mrs. Potts: There may be something there that wasn't there before.

Chip: What's there, mama?

Mrs. Potts: Shhh. I'll tell you when you're older. (Lumiere and Fifi closing the

Cogsworth: Right then! You all know why we're here. We have exactly 12 hours, 36 minutes, and 15 seconds to create the most magical, spontaneous, romantic atmosphere known to man or beast. (Chuckles weakly) "Or beast.." (pause) Right. Need I remind you that if the last petal falls from this rose, the spell will never be broken! Very well. You all know your assignments. Half of you to the

West Wing, half of you to the East Wing, the rest of you, come with me.

Lumiere: Hoho, lighten up Cogsworth and let nature take its course.

Mrs. Potts: It's obvious there's a spark between them.

Cogsworth: Yes yes yes… But there's no harm in fanning the flames. You know, a little. Besides, they must fall in love tonight if we ever expect to be human again.

Lumiere: Aaah… human again…

Mrs. Potts: Human again…

Lumiere: Yes, think what that means…

Lumiere: I'll be cooking again, be good-looking again, with a mademoiselle on each arm. When I'm human again, only human again, poised and polish and gleaming with charm. I'll be courting again, chic and sporting again

Mrs. Potts: Which should cause several husbands alarm!

Lumiere: Ha, ha! I'll hop down off this shelf, and tout de suite be myself,

Lumiere, Mrs. Potts and Cogsworth: I can't wait to be human again

Essentials: When we're human again, only human again, when we're knickknacks and whatnots no more. When we're human again, good and human again

Wardrobe: Oh, cherie, won't it all be top drawer? I'll wear lipstick and rouge, and I won't be so huge. Why, I'll easily fit through that door! I'll exude savoir faire I'll wear gowns, I'll have hair. It's my prayer to be human again.

Mrs. Potts & Cogsworth: When we're human again, only human again, when the world once more starts making sense.

Cogsworth: I'll unwind, for a change.

Lumiere: Really? That'd be strange.

Cogsworth: Can I help it if I'm t-t-tense? In a shack by the sea, I'll sit back, sipping tea. Let my early retirement commence! Far from fools made of wax, I'll get down to brass tacks and re-LAAAAAAX!

Chorus: When I'm human again! So sweep the dust from the floor. Let's let some light in the room. I can feel, I can tell someone might break the spell any day now! Shine up the brass on the door. Alert the dust pail and broom. If it all goes as planned our time may be at hand any day now

Fifi and the maids: Open the shutters and let in some air!

Mrs. Potts: Put these here and put those over there.

Chorus: Sweep up the years, the sadness and tears and throw them away…

Cogsworth: Ahem…

Chorus: We'll be human again, only human again, when the girl finally sets us all free. Cheeks a-blooming again, we're assuming again, we'll resume our long-lost joie de vivre. We'll be playing again, holidaying again, and we're praying it's ASAP! Little push, little shove, they could "whoosh" fall in love and we'll finally be human again…

(Transition to the library)

Belle: "… For there never was a story of more woe than this of Juliet and her Romeo."

Beast: Could you read it again?

Belle: Well, here. Why don't you read it to me?

Beast: Uhhh… Alright. Hmm… Um… I-I can't.

Belle: You mean you never learned?

Beast: I learned, a little. It's just been so long.

Lola: Hey we can teach you. It took a while for me to start reading so we can help you.

Belle: We'll all help you. Let's start… here.

Beast: Here. Ok, twoh…?

Belle: Two.

Beast: Two, I knew that. Two households, both alike in dignity…

Chorus: We'll be dancing again, we'll be twirling again, we'll whirling around with such ease. When we're human again, only human again, we'll go waltzing those old one-two-threes. We'll be floating again, we'll be gliding again, stepping, striding, as fine as you please! Like a real human does, I'll be all that I was. On that glorious morn, when we're finally re-born, and we're all of us human

Wardrobe: Again!

(Cut to interior of Beast's lair. He is in the tub getting washed up for the big night with Belle. Lumiere is there with him.)

Lumiere: Tonight is the night!

Beast: (hesitantly) I'm not sure I can do this.

Lumiere: You don't have time to be timid. You must be bold, daring.

Beast: Bold. Daring! (Beast has emerged from the tub and shakes himself dry.)

Lumiere: There will be music. Romantic candlelight, provided myself, and when the time is right, you confess your love.

Beast: (Inspired) Yes, I con- I-I- No, I can't.

Lumiere: You care for the girl, don't you?

Beast: More than anything.

Lumiere: Well then, you must tell her. (The coatrack has been cutting Beast's hair. It finishes and steps back.) Voila. You look so…

so…

(Cut to shot of Beast in pig-tails and bows.)

Beast: Stupid.

Lumiere: Not quite the word I was looking for. Perhaps a little more off the top.

(The coatrack begins to cut and chop again. Cogsworth enters.)

Cogsworth: Ahem ahem ahem. Your lady awaits. Hoo hoo hoo.

We were getting ready.

Clawful: This is gonna be a fun dance!

Zarya: It sure is. And I love a good dance.

Lincoln: Me too. And at least we're helping Adam learn.

Nico: Yep.

We were dressed nice and we were ready.

(Cut to grand staircase, where Belle and all of us descends from the West Wing side in a glittering gold ball gown. She reaches the landing and looks up at Beast, who is standing at the top of the stairs in his dress clothes. He is nudged on by Lumiere from behind the curtain, and he descends and meets Belle at the landing. Arm in arm, they descend the last section of stairs and continue on their way to dinner, stopped momentarily by the footstool. Mrs. Potts sings from her cart with Chip on board.)

Mrs. Potts: Tale as old as time. True as it can be. Barely even friends, then somebody bends unexpectedly. Just a little change. Small to say the least. Both a little scared, neither one prepared, beauty and the beast.

(Belle and Beast have moved into the ballroom, where they move through a computer perfect dance sequence. Beast occasionally looks over at Lumiere and Cogsworth for their approval. Mrs. Potts and Chip are in the ballroom on their cart.)

Then the Dark Signers and Webstor appeared.

Me: The Dark Signers and Webstor.

Kalin: Hey, guys!

Maria: The 8 of you are very early.

Roman: Well, Carly and Misty heard about this dance, they begged us if we could go to it.

Carly: Can you blame us? I really want to dance with Jack!

Misty Tredwell: (to me) And I really want to dance with you. It'll be our first one.

Me: I'm always up for a great dance.

Jack Atlas: Me too.

Dark Spicer (to Vypra): Shall we dance, my lady?

Vypra: Lets shall good sir.

They got to dancing. Eli was dancing with Nunnally and Shining Armor and Cadance were dancing too.

Gabriel: (smiles at Marinette) Marinette, why don't you give Adrien a good time?

Marinette: Yes sir.

Marinette danced with Adrien and it was beautiful.

I was dancing with Misty, Varie, Rachel and my fiancés. Same with Lincoln and it was beautiful.

It was like Prince Adam was living in his time as a human again and it was beautiful.

GARBAGE MOUTH then appeared.

Me: Garbage Mouth!

Tommy Oliver (to Garbage Mouth): So, Dark brought you back for another round, huh?

Garbage Mouth: Yep. But we won't fight now. I'm just here as security for the dance.

Me: We appreciate that.

Garbage Mouth: Indeed.

We were dancing and having awesome fun.

Mrs. Potts: Ever just the same. Ever a surprise. Ever as before, ever just as sure, as the sun will rise. Tale as old as time. Tune as old as song. Bittersweet and strange, finding you can change, learning you were wrong. Certain as the sun. Rising in the east. Tale as old as time, song as old as rhyme, beauty and the beast. Tale as old as time, song as old as rhyme, beauty and the beast. (To Chip) Off to the cupboard with you now, Chip. It's past your bedtime. Good night, love.

(Chip slides off the end of the cart, and hops out of the room, but comes back for one last look. Belle and Beast have adjourned to the balcony under a starry night. We all were with them)

Me: That was so beautiful.

Misty Tredwell: It sure was. This is always my favorite part in this world.

Me: You watched Beauty and The Beast back then didn't you?

Misty Tredwell: I sure did. It was great.

Lincoln: It sure is.

Me: The best part is we all got to share it with our friends and loves.

Varie: That's true.

Larxene: (to Maurice) Maybe it's best if you stay here with us.

Maurice: And why's that?

Larxene: Because Gaston might take you hostage in order to get Belle to marry him.

Me: Yeah. Belle is being harassed to pieces because of Gaston and we have to be ready for anything that comes.

Maurice: Good idea. Thank you J.D.

Me: You're welcome. I sense Gaston is up to something.

Back in the village, Gaston was talking to EVIL XALDIN THE WHIRLWIND LANCER!

Gaston: Belle is being held prisoner by a beast!?

Evil Xaldin: That's right and this is your chance to be a big hero.

Gaston: I'll do it!

Evil Xaldin: That was easy.

Evil Xaldin left through a dark corridor.

Gaston gathered the village together!

Gaston: The beast will make off with your children! He'll come after them in the night. We're not safe 'til his head is mounted on my wall! I say we kill the beast!

(The mob cheers him and repeats the words 'kill him'.)

Man 1: We're not safe until he's dead,

Man 2: He'll come stalking us at night!

Woman 1: Set to sacrifice our children to his monstrous appetite!

Man 3: He'll wreak havoc on our village if we let him wander free

Gaston: So it's time to take some action, boys! It's time to follow me! (Gaston throws a torch into a haystack, creating an instant bonfire. He begins to prance around it, warning of the dangers of the horrible Beast.) Through the mist, through the woods, through the darkness and the shadows, it's a nightmare but it's one exciting ride. Say a prayer, then we're there, at the drawbridge of a castle, and there's something truly terrible inside. (Gaston chases Lefou around, mimicking a monster.) It's a beast, he's got fangs, razor sharp ones, massive paws, killer claws for the feast. (The magic mirror shows the face of Beast to Lefou, which Gaston exaggerates about.) Hear him roar, see him foam, but we're not coming home, 'til he's dead, good and dead, kill the beast! (To the crowd) We'll rid the village of this beast. Who's with me?

(A chorus of "I am"s comes from the crowd)

Mob: Light your torch, mount your horse!

Gaston: Screw your courage to the sticking place

Mob: We're counting on Gaston to lead the way! Through a mist, to a wood, where within a haunted castle, something's lurking that you don't see every day! (Gaston leads the mob through the town and out into the forest, where they start chopping trees in preparation for their assault on the castle.) It's a beast, one as tall as a mountain! We won't rest 'til he's good and deceased! Sally forth, tally ho, grab your sword, grab your bow, praise the Lord and here we go!

Gaston: We'll lay siege to his castle and bring back his head!

Mob: We don't like, what we don't understand, it frankly scares us and this monster is mysterious at least! Bring your guns, bring your knives, save your children and your wives, we'll save our village and our lives, we'll kill the beast!

I then sensed something!

Me: Oh no! We've got company!

We saw lights in the forest and we saw that they were torches and all that!

Me: Prepare for battle! They want a fight, we'll give them a WAR!

We got ready.

Belle: Gaston is leading them!

Beast: Lets get them.

Zs'Skayr: We're not really going to fight the townspeople, are we?

Me: We don't have any other choice Zs'Skayr. They are coming here to kill Adam and now it's gonna be war.

Zarya: Lets get them!

Lincoln: Yeah!

Miranda: We can't hurt these people. Unlike Gaston, they're innocent!

Me: I know but they came to kill us as well. We have to defend ourselves only when it's necessary and this qualifies as a Necessary Situation!

Nico: J.D. is right! The entire village is after Adam.

Zarya: Come on guys!

We followed Zarya!

The objects saw the mob!

Lumiere: Sacre bleu, invaders!

Cogsworth: Encroachers!

Mrs. Potts: That must be Gaston leading them.

Cogsworth: (Issuing orders) Warn the master. If it's a fight they want, we'll be ready for them. (Turns around from window) Who's with me? Aahh! (The door is slammed as the rest of the objects leave Cogsworth behind.)

Gaston: Take whatever booty you can find, but remember, the beast is mine!

(Cut to stairway, where the objects are marching down to do battle with the mob.)

Objects: Hearts ablaze, banners high! We go marching into battle, unafraid, although the danger just increased!

THUNDERCLAP! LIGHTNING STRIKE!

Mob: Raise the flag, sing the song, here we come, we're fifty strong, and fifty Frenchmen can't be wrong, let's kill the beast!

(Cut to int of Beast's lair, where Mrs. Potts is briefing him.)

Mob: Kill the beast, kill the beast!

(The objects have tried to block off the door, but it is being bashed in by the mob.)

Lumiere: This isn't working!

Featherduster: Oh, Lumiere! We must do something!

Then a Shadow Stalker appeared!

Me: Shadow Stalker!

Nico blasted it all over the place. But then it turned into a DARK THORN!

Riku: Great! The Shadow Stalker is now a Dark Thorn!

I fired an energy blast at the Dark Thorn and destroyed it.

Me: Take that!

Sora: Yeah!

Lumiere: Wait! I know!

Mob: Kill the beast, kill the beast!

We got ready for an ambush.

Mob: Kill the beast, kill the beast, kill the beast!

(The mob succeeds in breaking in, and finds a grand entrance filled with assorted pieces of furniture, teacups, candlesticks, featherdusters and clocks. They tiptoe in, and Lefou unknowingly picks up Lumiere.)

Lumiere: NOW!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion of blue fire went off in the middle of the floor the mob was on and blew them away and a wolf howl was heard and covered the area with thick smoke and All the objects spring into life, attacking their human enemies.

Me: You obviously do not know WHO YOU ALL ARE FUCKING WITH!

We went at them and kicked them into pulp!

Lincoln kicked a man in the crotch and he screamed like a little girl.

Carol: Charge!

Mrs. Potts: Up here, ya scurvy scum! Now! (She and all the cups pour boiling tea on the guy's head.)

Carol snapped his neck.

Lori: Human pretzel time!

Lori grabbed a man and tied him into a pretzel knot and he screamed in pain and Lori then ripped him apart.

Lori: You are literally disgusting!

Lola: Eat this! *She claw them with her nails.*

SLASH!

Lola slashed a mans eyes out with her nails.

Lana then bit him in his hand and ripped his hand off. He screamed in excruciating pain.

Lana: Yuck nasty! (Spits out his hand)

Lucy walked up to a man.

Lucy: Leave him alone!

The man saw her and screamed in fright as a pipe organ played in the background upon seeing her and he fell over dead from a heart attack.

Laney: Time for some action!

A man came up to her ready to kill her. But then Laney slashed him in half with her keyblade and disemboweled him! It also set him on fire.

Lisa: Try my potions!

Lisa threw chemical bombs at a bunch of people and they exploded on a bunch of people and blew them apart.

Luna: ROCK AND ROLL BABY!

Luna jammed with the volume turned up to level 20 and blew many people out of the castle!

Luna: GOOD NIGHT BEAST'S CASTLE!

Lynn: BATTER UP!

Lynn bashed a man's head off with a baseball bat and she took a sword and slashed many men.

Luan: EAT PIES!

Luan threw pies into the villagers faces and they hit them and exploded. Blowing them apart.

Luan: You got Pied! (Laughs)

Lori: EAT FART GAS!

Lori farted into a bunch of villagers faces at point blank range and the fart melted them.

Leni smacked a bunch of peoples heads in with her sandal.

SMACK!

Man: Ow! Is that all you got you dumb blonde!?

(Record Scratch)

Uh oh!

Leni: Dumb Blonde? (ENRAGED GROWLING) NOBODY CALLS ME A DUMB BLONDE!

Leni jumped him and ripped him to pieces in a savage manner!

Eli: Rider kick!

Eli kicked a man's whole head off.

(Wardrobe jumps from the top of the stairs, landing on one of the mob men. Wardrobe is fighting several more of the mob in her own kung-fu style. A comb and brush hop out and attack one of the thugs, pulling him into Wardrobe. When he emerges, he's dressed in a bikini top, yellow tu-tu, high heels, gloves and a pearl necklace… and his hair's done up in a stack. He shrieks and runs away. Cut to LeFou, who is almost melting Lumiere with a torch. Cogsworth appears at the top of the stairs brandishing a gun and a pair of scissors. He's dressed like an admiral. He sees Lumiere's predicament and slides what's going on and slides down the bannister, and pokes LeFou in the butt with the scissors, causing him to scream and leap into the air holding his pained rear. One of the mob is pulling feathersout of Featherduster and laughing. Lumiere hops up behind him and flares up his candlesticks, burning the mobster in the rear. As he leaps in pain, Lumiere catches Featherduster. Cut to LeFou and several others chasing the

Footstool. He runs into the kitchen. Thinking they've got him cornered against the cupboards, the Mob laughs and advances, only to find that the knives pop out of the drawers and LaBouche the stove flares up. They run screaming from the castle and the objects and us celebrate their victory.)

Cogsworth: And stay out!

Me: And don't ever come back you fuckwads!

(Lumiere pulls over Cogsworth and kisses him once on each cheek.)

Me: We're not done yet!

We faced GASTON!

---

Gaston LeGume, also best known by his first name Gaston, is the main antagonist of Disney's 30th full-length animated feature film Beauty and the Beast (which is based on the 1756 French fairytale of the same name by the late Jeanne-Marie Leprince de Beaumont), and its 2017 live action adaptation of the same name. He is also one of the supporting antagonists in Mickey's House of Villains.

He's a treacherous, chauvinistic, egotistical, deceptive and conceited hunter from Belle's village, who was after her hand in marriage by any means necessary (regardless what she thinks about his offer). He is Belle and the Beast's arch-nemesis.

In the original 1991 film, he was voiced by Richard White. In the musical, he was portrayed by Burke Moses. He was portrayed by Wes Brown in the episode "Her Handsome Hero" during the fifth season of Once Upon a Time. In the 2017 live action film, he was portrayed by Luke Evans, who previously played Owen Shaw in the Fast & Furious franchise, Driver in No One Lives, and Ben Hawkins in Ma.

Meeting Belle

Gaston is the local hero of a small French village at an unknown point in French history. He owns a large tavern where he and the villagers drink and talk. Inside, there is a large portrait of himself along with "trophies" from his hunt consisting mostly of animal antlers. He also says he eats five dozen eggs every morning to help make him "roughly the size of a barge".

He first appears in the film shooting down a waterfowl headed south with perfect accuracy (implying that he had just returned from a hunting trip) and declaring his intent to marry Belle after acknowledging from LeFou of his popularity with all of the women in the village. He then started pursuing Belle throughout the village as she returns home after buying a book from the local bookstore. Their meeting starts off well, but Gaston's sexist remarks about women reading and thinking drive Belle away from him and she goes home, leaving him disappointed. In addition, after learning that Belle was going to aid her father Maurice, Gaston scolded LeFou for mocking Maurice (although it was implied that he mostly did that in an attempt to impress Belle rather than out of any genuine concern for Maurice). However, after an explosion occurs inside Belle's house, Gaston and Lefou both begin to laugh as Belle rushes to check on her father.

## Asking for a Wedding

The next day, Gaston organizes a wedding outside Belle's cottage in an attempt to "surprise" her, complete with various decorations, a priest, and a wedding cake. He forces his way into the cottage and attempts to strong-arm her into marrying him, again making sexist remarks about women and housewives (he even envisions the home they would live in as a "rustic" hunting lodge, with his latest kill roasting over the fire and Belle massaging his feet while their children - six or seven boys - play on the floor with their dogs).

While he attempts to corner Belle in an attempt to kiss her, she manages to open the door that he has pinned her against, rejecting his proposal. causes him to lose his balance and fly headfirst into a large mud puddle (complete with cattail plants) in front of Belle's cottage. When asked by LeFou how it went, Gaston is humiliated and furiously storms off, but not before vowing to make Belle his wife regardless of her refusals and throwing LeFou into the mud.

## Getting his Praise

Later, during a snowstorm, LeFou leads the villagers in the tavern to sing a song about Gaston's greatness to cheer him up after his failed proposal. Maurice suddenly interrupts and warns the villagers about a "monstrous" Beast who has locked up Belle as a prisoner in the tower of his castle. Thinking that Maurice is talking nonsense, the villagers throw him out of the tavern, which made Gaston realize that he can use Maurice's outrageous claim to his advantage. In a surprising display of animalistic cunning, he bribes Monsieur D'Arque (the owner of the local asylum) to throw Maurice into the asylum in order to pressure Belle into marrying him. Though D'Arque states that Maurice's claims and his odd inventions do not make him very dangerous, he is willing to accept the bribe because he liked the despicable aspect of the plot. However, just before Gaston and LeFou barge into Belle and Maurice's cottage, Maurice left for the castle on his own. Gaston orders LeFou to stay outside the cottage and wait for their return.

## Concocting his Plan

When Belle and Maurice eventually return to the cottage, LeFou immediately informs Gaston, and he sets his plan into motion. With the villagers gathered outside the house, D'Arque has his men drag Maurice towards their carriage, while Gaston makes Belle his offer, he will clear up the "misunderstanding" if she marries him. Horrified and disgusted, Belle refuses and instead proves her father's claims of the Beast's existence by using a magic mirror that the Beast had given her, causing all of the villagers (including Gaston) to realize that Maurice was telling the truth. Following Maurice's release, Gaston grows more frustrated and shocked that his plan has failed, and becomes increasingly jealous when Belle begins referring to the Beast as kind and gentle (since he let her go to help Maurice and gave her the magic mirror to remember him by). Realizing that she prefers a "monster" over himself, Gaston refers to the Beast with this insult, to which Belle furiously retorts back by saying that Gaston is the real monster for his despicable plot.

In his jealousy and pride, Gaston angrily snaps out by snatching the mirror from Belle and convincing the villagers that the Beast is a threat to the village that must be brought down immediately by playing off their fear of monsters. Belle tries to stop this, but Gaston has her and Maurice locked in the basement to keep them from warning the Beast. He then leads a lynch mob to attack the Beast's castle and leave no one alive while declaring that he himself is to take down the Beast. However, the castle servants formed a defensive ambush, leaving the rioters to fight back. Rather than helping out his fellow rioters, Gaston instead betrays them by leaving them to their fate and manages to get past the servants, as they were too busy fighting the villagers that they didn't notice him making his way up the stairs and proceeding to kill the Beast. The battle ends with the violent rioters fleeing away in defeat thanks to the castle servants' enchanted forms. Despite the loss of the villagers, Gaston confronts the Beast alone in the West Wing, where he fires an arrow into him, tosses him out of the window onto a lower section of the roof and taunts him. The Beast doesn't respond back as he lost his will to live since Belle's departure, so Gaston uses a castle statue as a makeshift club to kill the Beast. However, the Beast regains his will when he witnessed Belle returning to the castle along with her father (as they had escaped from the basement with help from Chip, who stowed away with them). A terrified Belle begs Gaston to spare the Beast, but Gaston ignores her, though the Beast defends himself by viciously fighting back against Gaston with all of his strength and ferocity.

## Final Battle and Death

Though roughly even with his adversary, Gaston soon learns that he cannot rely on brute strength alone to kill the Beast, and instead begins taunting him over his ugly and grotesque exterior and love for Belle. Gaston even pushed the final button by claiming that Belle is his to take and no one else's, but this immediately backfires as the Beast snaps out and head-butts Gaston in the chest. The furious Beast then gets Gaston at his mercy by holding him above the castle roof by the throat, threatening to drop him into the deep castle moat for the trouble he caused. With his life at stake, Gaston abandons his pride and pathetically begs the Beast not to hurt him by claiming that he will do anything for him. At first, the Beast initially attempts to ignore Gaston's pleads but realizes that he ought to be better due to his genuine love for Belle. Seeing that Gaston is nothing more than a reflection of what he would've become like a cruel and aggressive monster, the Beast reluctantly spares Gaston by ordering him to leave the castle and never return. However, when Gaston sees the Beast embracing Belle on the castle balcony, his hatred and envy arises again. Rather than leaving the castle, Gaston instead climbs onto the balcony and stabs the Beast in the back with a knife. The Beast swings his arm backwards at Gaston as he roars in pain, which Gaston tries to dodge, but unfortunately, he loses his balance and drops his knife below the castle. As both he and the Beast are on the verge of falling, Belle saves the Beast by grabbing onto his collar and helping him up to safety, where Gaston plunges into the deep moat below as he fearfully screams to his death.

Despite laying a fatal stab on the Beast, Gaston would permanently die alone that night; just as the Beast nearly succumbed to his wounds, Belle confessed her love for him just before the last petal of the enchanted rose that kept him bound to his beast form fell, breaking the spell and reviving the Beast. This also allows the Beast and the castle servants to transform back to their human forms, much to their joyful delight. All in all, Gaston had learned the hard way that pride literally comes before a fall.

---

Me: It's over for you Gaston! You will pay for your crimes!

Nico: Yeah! You fucked around with the wrong people!

Lori: You literally make me sick!

Gaston: (to Lori) Nothing personal, my dear. But a man in a black cloak paid me to injure you. And I couldn't pass that up! (shoots arrow at her)

Drakkon gets in front of Lori and chops the arrow in pieces with his Dragon Dagger.

Lord Drakkon: Didn't your mother ever teach you it's wrong to hurt a lady?

Lori: I literally could've handled that.

Lord Drakkon: I know. But we need you at full strength for when you face Evil Xaldin.

Lori: Thanks Drakkon.

Me: You won't get to Belle, Gaston! All you are is a serial rapist! You need to be put in your place!

Nico: Big time! You make me sick!

Zarya: You guys have your usual battles. I'll hold him off till then.

Me: Okay. Get him honey!

Zarya: With pleasure.

Zarya walked up to him.

Zarya: You are a disgusting monster Gaston!

Zarya had her aura flared up.

Zarya: I'm coming for you Gaston!

Zarya went at Gaston and kicked him in the face and knocked him down and they got into a deadly fistfight!

Me: Now we can have our battles.

Roman: Good. Lets get it on.

?: Not without us.

5 Figures came out and it was the DARK RANGERS, Justin, Zane, Bobby, Tina and Kristen from episodes 12 and 13 of Mighty Morphin!

---

The Dark Rangers were a group of five punk bullies chosen to be Lord Zedd's personal Evil Rangers. Both their civilian and morphed forms appeared exclusively in the two-part episode "Green No More."

Justin, Zane, Bobby, Tina and Kristen were the newest bullies of Angel Grove High and were nasty enough to scare even Bulk and Skull. As they ran into Tommy Oliver, Billy Cranston, and Zack Taylor after sending Bulk and Skull rolling towards them in garbage cans, the Rangers were warned of their newest threats. The bullies thought Angel Grove belonged to them, and that was the special reason that Lord Zedd chose them to be his Dark Rangers. They met up with Jason Lee Scott, Kimberly Ann Hart, Billy, and Zack at the beach. Before they could fight each other, Zedd beamed the bullies to the Otherworld. Soon after the Green Crystal was filled, the gang finally became the Dark Rangers. The Power Rangers tried to tell them the truth about what Zedd would do, but the Dark Rangers didn't listen. After Tommy destroyed the crystal, their powers were gone and so were the Dark Rangers. When they transported back to Angel Grove they made peace with the Power Rangers and became their friends.

---

Tommy Oliver: Justin and the Dark Rangers!

Me: I remember you guys! You are Zedd's own Evil Rangers!

Tina: That's right and we came to kill you J.D.

Justin: (to Jason Lee Scott) Last time, we didn't get a chance to fight you guys. But this time, we will!

Jason Lee Scott: You give all rangers everywhere a bad name!

Eli: And this time you 5 will die!

Nico: Big time!

?: Not if you die with them.

Another figure came out and it was DEACON FROST and he was LA MAGRA THE BLOOD GOD!

---

Deacon "Deac" Frost is the main antagonist of the 1998 film Blade, the first film of the Blade trilogy. Frost was a vampire who was responsible for creating Blade, the Daywalker.

He was portrayed by Stephen Dorff.

Blade

Frost's goal is to bring glory and dominance to the vampire race by reviving the vampiric blood god known La Magra, using Blade's blood in a special ritual. Frost believes that the world belongs to the Hominus Nocturna and not the humans, as he sees the human race as nothing but food. He leads and represents a renegade faction of fellow vampires who believe the vampires deserve to rule the world, and Frost constantly searches for Blade in an attempt to take his blood and use it to revive the god. The vampire Shadow Council, including Dragonetti, disagree with Frost's ideology but Frost ends up killing Dragonetti by exposing him to the morning sun.

Eventually, Frost succeeds in capturing Blade and adopts tremendous powers from the vampire god, but Blade manages to break free from his captors and fights Blade in the middle of the temple. After an intense sword fight, Blade dismembers Frost but his newfound powers allow his body to reattach itself as well as to regenerate any lost limbs. Despite this, Blade manages to kill Frost by injecting him with several vials of EDTA, a liquid that reacts explosively with vampire blood. Frost roars in agony as his entire body swells up and explodes, spraying blood across the temple floor.

Blade II Years later, during Blade's conflict with Jared Nomak, Eli Damaskinos and his attorney thanked Blade for killing Frost, indicating that Frost was understandably not very liked by most of the vampire community outside of his gang.

---

Blade: (to Deacon Frost) Deacon Frost. Never thought I'd see your ugly mug again.

Frost: This time I will kill you Daywalker!

Me: Your fight is with me Frost. I will make sure you never terrorize the world again. You're just a worthless little peon compared to my power.

Frost: I'll tell you what we are you fuckup! We're the top of the fucking food chain. The Blood God is now me and after tonight, you people are fucking history. I'm like a hurricane. An act of God. Anyone caught in my path will instantly be turned. Everyone you've ever known… everyone you've ever fucking loved… it won't matter who's pureblood and who's not. How are you gonna cure the whole fucking world?

Me: You are no god. I am. And I'm more powerful than hundreds of you combined. You don't have any idea what kind of power you're fucking around with. It's a power not even vampire shitsuckers like you could ever understand.

Blade: That's right you motherfucker.

Me: Now lets get it on.

## Battle 11: Me VS Deacon Frost & Number 54

---

I was facing Deacon Frost. He had a Katana in his hands.

Frost: Lets do it J.D.

Me: With pleasure. I was also expecting your fucking henchmen to be with you as well. But I guess being alone must be better for you.

Frost: Yeah well you know how they were.

Me: Hm.

I then went at him and we clashed violently and sparks were flying all over the place as we clashed and I kicked him in the face and then I slashed his arm off and cleaved him in half and then I saw him weld himself back together. Then I saw him regrow his arm back.

Me: Hmph. Ever brushed your teeth after sucking all that blood?

Frost: Very funny.

I slashed my hand and splashed his eyes with my poisonous blood and he screamed in pain as it was burning him and blinding him.

Me: Little treat for you Frost.

I pulled out auto-injectors full of EDTA.

Me: Because you obviously do not know WHO YOU ARE FUCKING WITH!

I threw all but one Auto Injector into his body and he was in pain.

Me: Some Motherfuckers are always trying to ice skate uphill.

I took the last auto injector and tossed it into the air and kicked it and it hit Frost in his forehead. He swelled up like a balloon and then exploded all over in a massive explosion of blood and gore!

EEEEEEEEEEEEEWWWWWW!

Me: YUCK!

I then saw a Number Card on the ground covered in his blood. The blood then disintegrated into nothing but dust and I picked up the card and it was NUMBER 54: LION HEART!

Me: Number 54: Lion Heart. No wonder he came back.

His spirit then came.

Me: You and your army of World Domination seeking vampire shitsuckers will never be welcome here. (Holds hand up to him) HAKAI!

I banished him to the Warp.

Me: Give my regards to the Devil asshole. Now to make Gaston suffer!

I went to help bring down Gaston!

---

KROW!

Zarya kicked him in the face and punched him in the stomach and slashed him in his shirt and kicked him in the face again. We all regrouped and stood ready to face him.

Me: It's over for your Gaston!

Nico: You've tormented Belle and Beast for the last time!

Beast: That's right! Belle is not your toy for your own amusement!

Lincoln: Yeah!

Nico: You make me sick Gaston! You see women only as objects and slaves and that's why you have to die!

Dark Spicer: Here's your warning: YOUR FUCKING ASS IS ABOUT TO BE KICKED!

Me: Big time! In the name of Team Loud Phoenix Storm, you are hereby sentenced to death!

Eli: It's buttkicking time!

?: Let me help you all out.

A figure came out and it was Wataru Kurenai of Kamen Rider!

Barricade and Wood Man: CYBERTRON TREE STRIKE BLAST!

Barricade fired laser blasts and Wood Man fired waves of leaves.

G1 Inferno and Johnny 2x4: EXTINGUISHING ACORN MEGA SHOWER!

They fired blasts of acorns and foam.

Belle: Adam is no monster Gaston! YOU ARE!

Lori: And you will literally never be welcome here!

Belle, Beast, Lori and Eli: DIVINE ROSE CYCLONE BLAST!

They fired a massive blast of energy and wind and flower petals and the blasts all hit Gaston and blew him right out the window of the castle and he fell to his death in the moat like in the movie. INSTANT DEATH!

GASTON WAS DEAD!

His spirit then appeared.

Me: You will never torment Belle or Beast again. (Holds hand out to him) HAKAI!

I banished him to the Warp for all eternity.

Lincoln: That's the end of him.

Me: Yep. But we're not done yet.

We went to the bridge and we saw EVIL XALDIN!

Lori then had her eyes glow sky blue with rage!

Me: Well look who showed up.

Lori: I have a score to settle with you!

Evil Xaldin: (to Lori) Too bad Gaston wasn't able to finish you off. I'll just have to do the job myself! And after I'm done here, my other self is next.

Eddy: (sees Dark Spicer calling Xaldin) Shouldn't have said that, buddy.

Xaldin: I'm in the middle of a recruitment mission, Dark. Do you know how hard it is to find Spymaster?

Dark Spicer: Dude, Spymaster can wait. Lori's about to fight your evil self right now!

Xaldin: WHAT!? I'm on my way!

Xaldin vanished in a tornado.

Lori then transformed into her Super Angel 25,000,000 Hurricane Eagle Fairywind form and she had one of her spears ready for action!

Lori: (Divine Wind Voice) You tormented Beast and Belle's relationship and I will never forgive you for that! Now you will pay the ultimate price for all your crimes.

Evil Xaldin summoned his spears.

Lori then flew at him faster than the winds of Neptune and kicked him in the face and she mercilessly slashed and massacred him all over with incredible fury and slashed him and blasted him all over with blasts of wind and cut and butchered him at an incredible level with indiscriminate fury! She then slashed him in his arm and cut it off! Lori then smashed Evil Xaldin into the ground with devastating force and Lori landed in front of him.

Xaldin then appeared.

Xaldin: Whoa. I can't believe I was that evil.

Xaldin went up to his evil self.

Xaldin: (to his evil self) Don't worry. I'll make sure you won't feel a thing. (stabs his evil self in the chest with one of his spears)

He skewered him all the way through his Black Heart! And Xaldin pulled out his spear.

Lori: YOU LITERALLY FUCKING DISGUST ME! (Holds hand out to his face) Give my regards to Xehanort asshole! SUPER HAKAI!

She obliterated him from existence forever!

Me: YEAH! 11 down and 2 to go!

Nico: We have Xigbar and Xemnas left.

Me: Xigbar we're gonna have join the Masters of Evil because we spared him in the world of the 3rd Pirates of The Caribbean Movie.

Nico: Yes I remember that. That was awesome.

Lincoln: Yeah it was.

Webstor: Well, we got the angry mob under control.

Devack: And the Dark Thorn has been taken out.

Me: And the Thresholder.

Greiger: Not mention Gaston has been dealt with.

Rex Goodwin: (to Belle and Beast) Go ahead, you two. Kiss. You've both earned it.

Belle: We did. Beast I love you.

Cut to the objects, who watch the last petal fall off the rose. They all look down at the floor, and Cogsworth puts his arm around Mrs. Potts. one beam of light falls, like a shooting star. Then another comes. And another, and another. Belle finally notices what is happening and then starts to back away. We cut a fog begins to enshroud Beast. We see the objects looking on in extreme anticipation.

Belle: What's happening?

Me: It's your love for him! It broke half the curse!

Beast rises up into the air magically and begins to turn. He is enveloped in a cloud of light, and becomes wrapped in his cloak.

Underneath, we can see Beast's body shifting and forming. A fore paw comes out and the claws turn into fingers. A hind paw emerges and develops into a foot. Finally, a wind blows across his face and the fur melts away to reveal a young prince. He gradually descends and is laid on the floor again. The fog disappears and Belle reaches out to touch him. She jerks her hand back, however, when the figure begins to move. It stands, then looks at it's hands, then turns to face Belle. It is a human, with the same blue eyes as Beast. It is obviously Beast, transformed. Belle gives him a mysterious look.

Prince: Belle! It's me!

(She continues to look at him sceptically, but then she sees the blue eyes, and instantly knows it is him.)

Belle: It is you!

(They kiss. A fireworks display explodes around them. The gloom surrounding the castle disappears, revealing a blue sky. The castle is transformed, with the gargoyles changing into cherubs. )

Me: The Spell is Broken!

Nico: WHOA!

Finally, we return to the balcony, where the objects hop out to meet the prince and Belle. One by one, they are transformed back to their original human conditions.

Prince: Lumiere! Cogsworth! Oh, Mrs. Potts! Look at us!

Me: You're all back to normal!

Nico: So awesome!

Lincoln: YEAH!

Zarya: This was awesome!

Lumiere: It is a miracle!

Me: It sure is!

(Later the prince and Belle and swings her around. The ruffles of her skirt wipe to the ballroom, where all are gathered to celebrate. The prince and Belle dance around the room as the rest of the characters get in their last lines.)

Lumiere: Ah, l'amour. (He says this, and a maid, obviously the former featherduster walks by, brushing him on the chin.) Heh heh! (He starts to chase after her, but Cogsworth stops him.)

Cogsworth: Well, Lumiere, old friend. Shall we let bygones be bygones?

Lumiere: Of course, mon ami. I told you she would break the spell.

Cogsworth: I beg your pardon, old friend, but I believe I told you.

Lumiere: No you didn't. I told you.

Cogsworth: You most certainly did not, you pompous paraffin-headed pea-brain!

Lumiere: En garde, you overgrown pocket watch! (He takes off his glove and slaps Cogsworth across the face with it. They begin to fight.)

I broke them up.

Me: That's enough you two!

Nico: Yeah!

(Cut to Belle and the prince who continue to dance around the floor. The camera stops on Mrs. Potts, Chip and Maurice, who is beginning to cry.)

Chip: Are they gonna live happily ever after, mama?

Mrs. Potts: Of course, my dear. Of course.

Chip: (Looks happy for a moment, then puzzled.) Do I still have to sleep in the cupboard?

(Maurice laughs and Mrs. Potts hugs her child and laughs.)

Chorus: Certain as the sun. Rising in the east Tale as old as time, song as old as rhyme, Beauty and the beast! Tale as old as time, song as old as rhyme, Beauty and the beast!

It was a great time.

Prince Adam: Thank you all so much for helping us J.D.

Me: It was our pleasure. We do what we have to do to help keep everyone safe.

Belle: But you are all true heroes. Thank you all.

Eli: Anytime Belle.

Me: This was an awesome adventure. And we also had so much fun.

Lincoln: We sure did.

Carly Atlas: And we've also seen the last of Gaston and Evil Xaldin.

Xaldin: We sure did.

Me: Yeah.

Lori: Yeah. (To the Viewers) I finally got my justice on the evil Xaldin after everything he did. And Beauty And The Beast is literally one of my favorite movies. I literally hope you had fun with us on this adventure. I know I did.

Me: We all did. But we're not done yet.

We went back home to rest.

---

When I was done everyone that hadn't heard about it in detail was amazed and shocked!

Camie: WOW!

Sakura Knudson: And Misty you and bro and most of you guys danced here? That is so adorable.

Misty Tredwell: Yeah it was one of the most awesome dances we did.

Carly Atlas: It sure was. We had a lot of fun.

Nico: How's your dad doing?

Belle: He's doing great. Everyone now recognizes him as a great inventor.

Me: That's great!

Nico: I'm glad.

Belle: Yeah and he was given a full pardon for his supposed craziness.

Qin: That's great! I'm glad.

Nico: We are too.

Juran: Your dad's not crazy!

Nico: I agree!

Belle: Yeah! I agree too.

Me: Me too.

Eli: Me too! (SENSES SOMETHING) UH OH! We got big trouble coming!

We went and looked out the window and saw lights in the distance heading this way!

Nico: Uh oh!

Me: Lynch Mob coming at 6:00!

Nico: Oh no!

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one we're not going to like in the slightest: we just got word that a clone of Gaston has been sighted and he's formed another Lynch mob to attack Beast's castle, kill Adam, and get Belle as his wife no matter what the costs again!

NOW, WE WERE ABSOLUTELY PISSED OFF!

Me: WHAT?!

Nico: THAT MISOGYNISTIC FUCKING BASTARD!

Just then, Belle and Adam arrived along with the others.

Belle: I can't believe a clone of Gaston was sighted, as soon as we saw it, we got out of the castle as fast as we could.

Adam (Disney): Do you know who could've created the clone of Gaston?

Lincoln: That's what I'm about to find out.

Lincoln drew a rune on the ground with his massive greatsword and chanted an incantation as a beam of light was fired from the rune and it hit the Gaston clone. Then, an orb of light formed from the rune, and we saw who it was that did the dirty deed: it was that miserable fucked-up bastard, Tomura Shigaraki, who's been freed from The Book of Vile Darkness due to a Dark Orb bringing him back. NOW, WE WERE BEYOND ABSOLUTELY PISSED OFF!

Nico: WHAT THE FUCK?! SHIGARAKI'S COME BACK?! THAT FUCKER!

Lincoln: Looks like Shigaraki's not going to quit until he kills us for what we did to All For One.

Suddenly, Drakus and the X-Squad arrived.

Drakus: Guys, we've got trouble!

Eli: We know, Tomura Shigaraki broke out of The Book of Vile Darkness.

Suddenly, the rest of the team arrived, thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could thanks to Lincoln's message.

Lori: And we're ready for that clone of Gaston, and I can't believe Tomura did this. I know we should've just killed him and sent him to The Black Gates, but as you said, Drakus, you have plans for him.

Drakus: I'm starting to regret it, that fucker's going to get such a fucking thrashing when I see his fucked up face!

Lincoln: Easy, Drakus, Vypra's going to recapture him again and make sure he behaves himself. Right now, we got to take care of that chauvinist.

Claudette: That's right, and plus, you're infinite times the man he'll never be, Linky. You're strong, handsome, brave, defensive of others, courageous, kind, courteous, intelligent, and you think of the well-being of others.

Laurette: You're everything Gaston isn't, and I hope you kick him hard in the groin.

Paulette: Nah, how about throwing a cactus ball right at his groin?

Nico and I covered our private parts when Paulette said that!

Me: (WINCES) Well, better him than me to suffer from that.

Sakura Knudson: Man I hated Gaston! He was a monster!

Nico: He was.

Me: Okay guys I have a plan and it looks like another awesome and fun battle is about to repeat itself. Lumiere, I hope you and everyone don't mind this but we're going to turn everyone into objects again. It's only temporary.

Lumiere: We accept monsieur!

Me: Let them come! It's gonna be awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the Gaston clone) AHA! Gotcha, you bastard. I just spotted the Gaston clone, he's 20 yards away, and he and the angry mob are already heading this way.

Me: Let's get the angry mob under control, and then, let's tear that bastard apart.

Lincoln: Clone or not, Gaston, you better be ready to face your eternal judgement. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all

of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on calming the angry mob and killing the Gaston clone.

Kairi heard a Pokemon cry.

Kairi: Look here.

We saw a Koraidon!

Me: WHOA! A Koraidon!

Camie: Wow!

Kairi: Amazing!

Me: Oh and the poor thing hurt its leg.

Koraidon: Yes I did.

We got to healing it.

Me: There you go.

Koraidon: Thank you.

Me: You're welcome.

Kairi: Would you like to come with us?

Koraidon: Sure!

Me: Cool! Okay here we go!

I snapped my fingers and everyone turned into their object forms!

Lumiere: Oh this will be fun!

Me: Yep!

We saw the mob and the Clone approaching.

Lincoln: There they are. Now, to get the mob to see the error of their ways.

SpongeBob: MAN YOUR STATIONS! RED ALERT! RED ALERT!

We got ready for battle!

We saw the mob and the Clone approaching.

Lincoln: There they are. Now, to get the mob to see the error of their ways.

SpongeBob: MAN YOUR STATIONS! RED ALERT! RED ALERT!

We got ready for battle!

(The mob succeeds in breaking in, and finds a grand entrance filled with assorted pieces of furniture, teacups, candlesticks, featherdusters and clocks. They tiptoe in, and Evil Lefou unknowingly picks up Lumiere.)

Lumiere: NOW!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion of blue fire went off in the middle of the floor the mob was on and blew them away and a wolf howl was heard and covered the area with thick smoke and All the objects spring into life, attacking their human enemies.

Me: You obviously do not know WHO YOU ALL ARE FUCKING WITH!

We went at them and kicked them into pulp!

Lincoln kicked a man in the crotch and he screamed like a little girl.

Carol: Charge!

I kicked a man in the face and kneed him in the nose and then punched another man in his face.

Qin fired balls of firie and blasted the men all over.

Mrs. Potts: Up here, ya scurvy scum! Now! (She and all the cups pour boiling tea on the guy's head.)

(Wardrobe jumps from the top of the stairs, landing on one of the mob men. Wardrobe is fighting several more of the mob in her own kung-fu style, including Dick. A comb and brush hop out and attack Walter, pulling him into Wardrobe. When he emerges, he's dressed in a bikini top, yellow tu-tu, high heels, gloves and a pearl necklace… and his hair's done up in a stack. He shrieks and runs away. Cut to Evil LeFou, who is almost melting Lumiere with a torch. Cogsworth appears at the top of the stairs brandishing a gun and a pair of scissors. He's dressed like an admiral. He sees Lumiere's predicament and slides what's going on and slides down the bannister, and pokes Evil LeFou in the butt with the scissors, causing him to scream and leap into the air holding his pained rear. Tom is pulling feathers out of Featherduster and laughing. Lumiere hops up behind him and flares up his candlesticks, burning him in the rear, causing him to scream and leap into the air holding his pained rear. As he leaps in pain, Lumiere catches Featherduster, who smiled at each other. Cut to Evil LeFou, Stanley, and Tom chasing the Footstool. He runs into the kitchen. Thinking they've got him cornered against the cupboards, the Mob laughs and advances, only to find that the knives pop out of the drawers and LaBouche the stove flares up. They run away, screaming!)

Lincoln fired waves of lightning and blasted them all over.

Lincoln fired streams of a blue mist from his massive white angel wings and medium sized white angel wings underneath his massive white angel wings, and it hit the angry mob and they suddenly came to their senses and saw that everything the Gaston clone said was just an absolute lie, and they were now absolutely pissed off big time!

Belle: It worked.

Prince Adam: Shall we?

Me: Of course. Lincoln?

Lincoln: Got it.

Loopy De Loop: (French Canadian Accent) Actually, Monsieur Lincoln, leave this one to me.

Suddenly, the full moon was shining even brighter than ever, then, the howl of a wolf was heard as packs of wolves formed from shadow appeared and they pounced on and they attacked the Gaston clone with their teeth and claws.

Just then, Belle got out a frying pan and… !

BANG! SMASH! WHAM!

SHE HIT HIM ON THE HEAD 3 TIMES WITH IT LEAVING 3 NASTY LUMPS ON IT!

Me: OOH! Nice one!

Belle: I've been wanting to do that to him for a long time.

Lincoln: Nice one. (Deep Sapphire Eyes turn Blood Red) Now, it's my turn. (CRACKS KNUCKLES)

Suddenly, Lincoln began putting the hurt on the Gaston clone with everything: he summons anvils and pianos falling from the sky, and they dropped down and hit him hard on the head! OUCH! Then, he threw pies with explosive dynamite in them!

SPLAT! KABOOM!

Slappy Squirrel: Heh, pies with explosive dynamite in them. Classic.

Nico: Nice.

But, if that wasn't bad enough, Lincoln summoned a cactus ball and hurled it, and… !

Me: Oh man, Lincoln, that was really awesome!

Nico: Jeez, that was painful!

Himiko: You said a mouthful.

Claudette: And guess what, Linky's infinite-times more the man you'll never be.

Then, the Bimbettes punched him hard in the face and gave him a black eye.

Himiko: Okay, now it's time for action.

Kairi: That's for sure!

Xaldin: And I am more important!

Deadpool: (To the viewers) It's true. Gaston wasn't made part of the video games so they replaced him with Xaldin because he was more important than Gaston.

Jamesdean5842: Yeah and I think the writing is on the wall for that one because Gaston in everyone's eyes is a chauvanistic arrogant piece of dirt!

Eddy: HA! Even Wade and the Author of this story has got you pegged!

Nico: YEAH!

Jamesdean5842: Yeah!

Qin: Also Wind is one of the Deadliest forces of nature.

Xaldin: No mistake there.

Me: Yeah.

Eddy then fired his blaster at his groin!

Nico: YEAH!

Gaston screamed in pain.

Ed headbutted him!

Himiko: Lets show no mercy!

Suddenly, Himiko Toga's brown eyes turned neon brown and she was surrounded by a rainbow energy aura with stars, Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, phoenixes, and angels, she unholstered her massive Himiko Toga's Philippines Elemental Gods of Nature's Elemental Greatsword of Elemental Redemption, and as she approached the Gaston clone, she left rainbow energy, stars, Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, phoenixes, and angels with every step.

Himiko: You absolutely disgust me to no end, Gaston. No matter how many times we've beaten the shit out of you, you just never learn your lesson. Belle belongs to Prince Adam, not you, you are nothing more than a chauvinist pig who has absolutely no respect for women whatsoever, and you're an absolute bloodthirsty monster, I'm pissed off at Tomura for this, but he'll get another beatdown for this, as for you, you better be ready to die.

We were really amazed at the transformations of Claudette, Laurette, and Paulette, and when Lincoln saw them, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. That of course got the attention of the Bimbettes, and they approached Lincoln, who by instinct wrapped them in his arms, and while Laurette and Paulette kissed Lincoln on the cheeks, Claudette and Lincoln kissed on the lips, and his energy aura flared up as he gained a massive power boost and the Gaston clone's jaw fell to the floor.

Claudette: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Starlight Solar Light Firestorm Fair Maiden Phoenix God Angel and Divine Cosmic Eternal Harmony Starlight Solar Light Firestorm Fair Maiden Phoenix God Angel Love) That's just to prove that we no longer swoon over you, Gaston.

Laurette: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Starlight Solar Light Fury Fair Maiden Phoenix God Angel and Divine Cosmic Eternal Harmony Starlight Solar Light Fury Fair Maiden Phoenix God Angel Love) That's right, Linky's leagues more of a man you'll never be.

Paulette: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Starlight Solar Light Nature Fury Fair Maiden Phoenix God Angel and Divine Cosmic Eternal Harmony Starlight Solar Light Nature Fury Fair Maiden Phoenix God Angel Love) And he's much more of a very passionate and gorgeous handsome hunk of a man who's a real Alpha Male.

Nicole: Ooh, that's quite a painful letdown!

Nico: Damn. But, you deserve it, Gaston!

Me: Now, your pain's about to get even worse than that!

Lincoln, Himiko Toga, Belle, The Bimbettes, and I went after the Gaston clone, and we fired extremely powerful blasts of rainbow energy, yellow energy, red, amber, and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Gaston clone, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Himiko Toga, Belle, The Bimbettes, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Gaston clone even more mad.

Then, Nico fired waves of water and elemental forces, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Himiko Toga, Belle, The Bimbettes, and I fired powerful blasts of energy, magic, stars, water, ocean waves, and planets at the Gaston clone, and Lincoln summoned red and blue wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Lincoln fired a blast of red energy that hit the Gaston clone, and it burned his red tunic to ashes, and we saw a red barbell appear on his chest. Suddenly, we saw the barbell tattoo on his chest glow red, then, his arms were raised and his wrists were bound in metal cuffs same with his feet.

Nico: Uh oh, he's going to use the Min's Egyptian Virility Drain Curse on the Gaston clone

Suddenly, Lincoln sprouted tentacles with suctions from his chest and latched themselves onto the massive pecs, necks, arms, and legs of the Gaston clone. Then, the tentacles began sucking the Gaston clone of his massive muscle mass, virility, and massive physical strength and he was groaning in pain as he began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of the Gaston clone was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done, the tentacles detached themselves from the pecs, arms, legs, and necks of the Gaston clone and they went back into him as the portals closed, and we saw that the Gaston clone thin as a rake and sucked bone dry of his muscle mass, virility, and massive physical strength, and the glowing barbell on his chest stopped glowing and faded away.

Gaston Clone: (GASPS) W-what did you do to me?! I'm now… skin and bones!

Nico: Now, to end his miserable life forever.

Lincoln swung his massive greatsword down on the Gaston clone and cleaved him in half and he exploded and was sent to The Black Gates forever. Everyone cheered as we holstered our weapons and powered down, and Himiko Toga's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large colored planets orbiting around her legs, smaller planets orbiting around her fingers, and massive ash-blonde angel wings and medium sized ash-blonde angel wings underneath are permanent, Belle's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, twelve large rose red planets orbiting around her legs, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings underneath are permanent, Claudette's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large red planets orbiting around her legs, smaller planets orbiting around her fingers, and massive blonde angel wings and medium sized blonde angel wings underneath are permanent, Laurette's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large amber planets orbiting around her legs, smaller planets orbiting around her fingers, and massive blonde angel wings and medium sized blonde angel wings underneath are permanent, and Paulette's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large green planets orbiting around her legs, smaller planets orbiting around her fingers, and massive blonde angel wings and medium sized blonde angel wings underneath are permanent.

Nico: That was really awesome! We took care of the clone of that arrogant ruthless blowhard!

Me: And we gave him another beatdown in the process.

Lincoln then got the message from Vypra: she and the rest of The

Masters of Evil recaptured Tomura Shigaraki.

Lincoln: Awesome. And I just got news from Vypra, she and the rest of The Masters of Evil have recaptured Tomura Shigaraki.

Eli: Awesome!

Izuku: Now, they'll make sure he behaves himself from now on.

Bakugo: Aw, I wanted to see Lincoln give him the Hinon's Vengeance Curse.

Lincoln: That would be too easy, I would've made him suffer for everything he's done in All For One's name and for all the suffering he's caused.

Suddenly, we saw something descend from the skies: it was a gold belt with the Babylonian symbol for the belt buckle, along with several more gold belts, this time with the Celtic, Chinese, Egyptian, Hindu, Roman, Japanese, Maya, Norse, Polynesian, Slavic, Voodoo, and Yoruba symbols for the belt buckles, and they are in front of Lincoln.

Nico: What are they?

Ishtar (SMITE): I'd recognize that from anywhere: that is The Belt of Babylonia, it's an ancient artifact from my world, and it's imbued with the powers of the Babylonian Gods, Gilgamesh, myself, and the primordial goddess and Dragon Queen, Tiamat.

Me: Which means the other gold belts are The Belt of The Celtic Pantheon, The Belt of The Chinese Pantheon, The Belt of The Egyptian Pantheon, The Belt of The Hindu Pantheon, The Belt of The Roman Pantheon, The Belt of The Japanese Spirit World, The Belt of The Norse Pantheon, The Belt of The Maya Pantheon, The Belt of The Polynesian Pantheon, The Belt of The Slavic Pantheon, The Belt of The Voodoo Pantheon, and The Belt of The Yoruba Pantheon, which are… !

Ne Zha (SMITE): Imbued with the powers of the Celtic, Chinese, Egyptian, Hindu, Roman, Japanese, Norse, Maya, Polynesian, Slavic, Voodoo, and Yoruba Gods and Goddesses.

Chang'e (SMITE): And Lincoln travelled to our world and took care of the troublemakers from each of those pantheons: Tiamat, The Morrigan, Xing Tian, Set, Ravana, Kali, Kumbhakarna, Arachne, Medusa, Bake Kujira, Izanami, Camazotz, Ah Puch, Fafnir, Fenrir, Hel, Loki, Surtr, Dischordia, and Chernobog, and he absorbed them.

CLANG!

OUR JAWS FELL TO THE FLOOR AND ELI CLOSED THEM AND HIS!

Nico: WHOA!

Suddenly, The Belt of Babylonia, The Belt of The Celtic Pantheon, The Belt of The Chinese Pantheon, The Belt of The Egyptian Pantheon, The Belt of The Hindu Pantheon, The Belt of The Roman Pantheon, The Belt of The Japanese Spirit World, The Belt of The Norse Pantheon, The Belt of The Maya Pantheon, The Belt of The Polynesian Pantheon, The Belt of The Slavic Pantheon, The Belt of The Voodoo Pantheon, and The Belt of The Yoruba Pantheon merged with Lincoln's Belt of Elemental Bravery.

Lincoln: I should've told you guys about that, but this had to be done.

Me: It's alright, Lincoln, but you were really busy.

Yemoja (SMITE): He was.

Nico: But, now you've taken care of those troublemakers. Aw, and I was wanting to have a meeting with more of them.

Lincoln: You'll get that chance, Nico. We just need to be patient.

Nico: Now, you don't have to Use mouthwash

Me: Yeah.

Belle: That is true.

Qin: His breath smelled like rotten beer.

Poromon: Not really sure Beer can go rotten.

Me: It doesn't.

Nico; Nice job, Koraidon!

Koraidon: Thanks Nico!

Kairi: It was fun riding Koraidon.

Lola: That is awesome.

Poromon: Want a beer?

Koraidon: No thanks. I don't drink.

Poromon: Okay.

Poliwag did puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Poromon: Look at the mess we made.

Me: Whew! No kidding.

The people of the castle reverted back.

Me: See it was only temporary.

I snapped my fingers and cleaned up the mess.

Lumiere: That was a grand performance!

He kissed me on both sides of my face!

SMOOCH SMOOCH!

Me: Whoa! French kiss.

Nico: Sorry, Lumiere. But J.D. doesn't swing that way

Lumiere: Ah I know mon ami.

Me: It's part of his custom in France.

Marinette: It's true.

Prince Adam: It's fine but thanks for dealing with all those guys.

Me: No problem. WHEW!

Sora: Although I would've loved to kick Gaston's ass the first time

Riku: Same with me.

Me: I know. But hey at least this makes up for it.

Sora: True.

Lola: Guys look!

We looked outside and saw a huge fireball in the night sky!

Qin: It's that same sign!

Savannah Nephthys: One of my fellow cult members is coming!

Nico: If it's the one that hates Icky Vicky, we'll tell her she's dying before Flip.

Me: I have a feeling it might be.

Qin: Yeah.

Savannah Nephthys: That is for sure.

Poromon: If it is, we'll tell her that.

Nico: That voice! Saturn Butterfly!

Lincoln: And I know it was you Calida Nephthys!

They merged and split into two and they were two girls. One was a girl with Red Hair and Red Eyes and had fire angel wings and had fire clothes and had a sigil of Nephthys in the middle of her forehead and the symbol of the Sacred Order of The Flames of The Phoenix of Nephthys on her arm and had a fire sword in her hand. And the second girl had purple hair and purple eyes and had yellow and purple clothes and had butterfly wings and had the Crest of Knowledge on her arm and on her cheeks on both sides of her face and she had Butterflymon on her forehead and on her skirt and had a night sword.

Calida Nephthys: Awesome to see you again Lincoln.

Saturn Butterfly: Same here Nico.

Nico: You too.

Me: Care to introduce us Lincoln?

Lincoln: Sure. This is Calida Nephthys, Gene-Slammer of Chronicler of Nephthys, she's my Guardian Angel from Michigan and she's the financial specialist and charity raiser for the cult and she's a powerful force of good. She's a powerful master of fire and she's also a bounty hunter and she brings in good bounties. One time, she and me brought in 500 awesome bounties in the form of captured mobsters who were on the run after their plans to kill us ended with their hitmen murdered by us, and she vowed to bring down Icky Vicky for her crimes.

WE GASPED!

Me: We knew it was going to be the one that hates Icky Vicky.

Nico: Yep and Saturn is the descendent of Skywynne Butterfly and she is also from Mewni.

Star Butterfly: Wow it's awesome to meet you Saturn.

Saturn Butterfly: Same here Star.

Me: By the way girls is the Another LeFou friendly or hostile?

Calida Nephthys: Friendly and she is a really cool one.

Me: Cool!

Girl Jordan and Leeli held hands.

Me: Besides we've run out of rants for her as well as gotten fed up with her.

Nico: Personally, I hope she puts up a fight

Calida Nephthys: Me too. But I know it will be good.

Lola: Yeah.

Varie: It sure will be.

Girl Jordan: Yeah.

Nico: We can always make a clone for us to humiliate

Calida Nephthys: I agree there. I would like that.

Qin: We still got lots of tricks up our sleeves.

Maria: (Gets out Jormungandr's ridewatch) The power of the World Snake.

Ibara: (Gets out Nokrea's ridewatch) The fury of flowers.

They used the powers of LeFou, Nokrea, Hammersmith, Phoenix Ikki (Saint Seiya), Jormungandr and Demon Slappy Squirrel and smashed the another.

Then out came Lord Pain, Mooch the Fox, Genghis the Lion, Mewberty Star, Stone Dragon, Pharaoh (Miraculous), I & Am, Burning Lion and Morpho Knight came.

Nico: WHOA! Nice team Lord Pain!

Lord Pain: Thanks Nico and it's perfect for Lady Vypra.

Xenia: Cool!

Nico: Lady Vypra?

Lord Pain: I would have called her Lord and Master but it wouldn't seem right for her.

Nico: Good point.

?: Boy, that's I say that's for sure.

Burn Rooster came.

Me: Burn Rooster! Wow!

Nico: Nice!

Burn Rooster: (In a girls voice) Boy this guy, I say, this guy drinks so much beer that his liver turns into fois gois.

Nico: Bernice Foghorn Leghorn Rooster!? Whoa!

Burn Rooster: Yep. And it's good to see you again Nico. Time to break this blubberheaded jerk in two!

She fired waves of energy and fire and blasted the Another and I caught the Ridewatch and purified it!

Nico: YEAH!

Poromon: Let's celebrate with beer!

Windy Wing: You got it!

They got to drinking beer!

Bernice reverted back and was a girl with red hair and red eyes and red angel wings and a red bikini and had a rooster in the middle of her forehead in front of a flame.

Bernice Foghorn Leghorn Rooster: Boy these guys, I say these guys drink more beer than a sequoia tree guzzling soda on a hot day.

They finished and were drunk as loons.

Windy Wing: (BARNEY GUMBLE BELCH)

Poromon flew up to Nico

He punched Nico in the face!

POW!

Nico: OUCH!

Poromon: (Slurred speech) Oh shut up you monkey face! I'm going to (HIC) Run you into the ground by making you look at porn.

Nico: Okay you've had enough.

Windy Wing: (To me) (Slurred Speech) You and me are gonna make beautiful music together when we make love.

Me: Oooookay?

Bernice Foghorn Leghorn Rooster: Boy nice guys but about as sharp as a sack of wet mice.

Foghorn Leghorn: Do you, I say, do you beat up a dog like I do?

Bernice Foghorn Leghorn Rooster: Do I, I say, do I ever and it's fun.

Horsea went up to Maria and squirted ink all over her.

Horsea: (Slurred speech) You are a girl that needs new ink!

Manaphy went over to May and bashed her on the head with a hammer!

BLANG!

Manaphy: (Slurred speech) Take that dirtwad!

Bernice Foghorn Leghorn Rooster: Boy the mascots, I say the mascots are as drunk as a loon in the Amazon.

Poliwag went up to Nico and slapped him across his face with his tail,

SLAP!

Nico: OUCH!

Poliwag: (Slurred speech) Take that clod!

Me: Okay I think you guys had enough.

I snapped my fingers and they were back to normal.

Bernice Foghorn Leghorn Rooster: The mascots, I say the mascots really were drunker than a Mouse in a poison gas factory.

Rarity: Lets get you new clothes darling.

The Fashion brigade gave her new clothes and they were red clothes.

Bernice Foghorn Leghorn Rooster: These are really great clothes.

Maria: You talk like Foghorn too.

Bernice Foghorn Leghorn Rooster: Yes. I say yes and it's a fun thing.

Ibara: Do you have a favorite memory of Nico?

Bernice Foghorn Leghorn Rooster: Why yes, I say why yes I do. When me and Nico were over at my family's farm and we made the chickens lay golden eggs and it was cool.

Nico: Yep and we made her family rich.

Nicole: Wow!

Nico: Yep.

Nico and Bernice hugged.

Nico: I've missed you.

Bernice Foghorn Leghorn Rooster: Me, I say, me too Nico.

We later went back home.

Me: Nope, and Vypra said she's been wanting to recruit the villains here in this world, which means… !

Lincoln: We're recruiting the heroes of Looney Tunes: World of Mayhem to the team.

Suddenly, we saw one of the heroes, it was Van Wile, a desert Toon and the monster hunter persona of Wile E Coyote.

Van Wile: We were told by Bugs and the others that you were coming.

Me: That's right, and we got word of Mr. Hyde located here and is running loose.

Van Wile: Then, we need to hurry.

We then met with the rest of the other persona toons of Bugs and his friends who are going to be joining the team and the other villain persona toons are joining the Masters of Evil, then, we set out to go after Mr. Hyde.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair and red headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful fire angel wings and the Fire Type Pokemon crest on her forehead, she's dressed in a red short-sleeved vest with white fur collar and white fur on the sleeves, red sleeveless crop top, necklace with a red gem for the pendant, red skirt with the Fire Type Pokemon crest on the skirt, red knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, phoenixes, and angels on the coattails and on the back are the Fire Type Pokemon and The Elemental HEROES of Fire, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged midnight orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tip for the pommel and with her are the nine girls.

Lincoln: (GASPS) Candace Phoenix, Goddess of The Fire Type Pokemon and Avatar of The Elemental HEROES of Fire.

Candace Phoenix: That's right, and I got the girls away from Mr. Hyde before I fired a blast of fire at him to keep him away. He's in the City region.

Van Wile: Then, that is where he's going to die.

We headed for the City region after hearing loud laughter. Then, Van Wile walked slowly and carefully to get the attention of Mr. Hyde. Suddenly, we saw our target, Mr. Hyde, heading for us, and Van Wile got out two revolvers.

Mr. Hyde: Here I come, ready or (Jumps down and charges at us) NOT!

Just then, Van Wile dodged and shot him multiple times in the stomach.

Sylvester: Nice shot, but this is going to take much more than that to put him down.

Mr. Hyde: (Laughing Loudly) That didn't hurt in the slightest.

Van Wile: But, this will.

Van Wile fired as the bullet hit Mr. Hyde in his head killing him and he was dead as he fell to the floor and his spirit was sent to The Black Gates.

Van Wile: (Crossing himself) Requiesce in pace.

We cheered as we holstered our weapons and powered down.

Lincoln: That's it for Mr. Hyde, but there's no doubt we're telling Van Helsing about this. (To Candace Phoenix) And it's so good to see you again, Candace.

Candace Phoenix: You too, Lincoln, it's been seven years since we last met.

Suddenly, Candace Phoenix wrapped her arms around Lincoln's waist and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, eight-pack abs, and stomach. When Candace Phoenix was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Candace Phoenix: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln then wrapped his massive and muscular arms around Candace Phoenix's waist and hugged her, and Candace Phoenix is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Candace Phoenix: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon

with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.
